Good Monday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1648:

This morning I have derailed my normal routine because I felt that to not do so would likely lose some [more] aspects or Clarity which has been Sifted from the early stages of my regular morning prayers and meditations .. and in contemplation of the Rightness of this and it's Parallel to my less Ridged 'Free-Form' prayers and their Evolution verse the Standard Catholic Church's prayers .. and so another gets added to the list .. which is only part of what results in the 1 st Candle or my 3 Holy Candles Prayer.

The list I have come up with so far is;

1. King and Court - case of UVM nurse, Russia-Ukraine War, Civil War
2. Wedding at Cana .. Male-Female relationship, Elevation of Church through added Sacraments
3. Singularity .. ArchAngels in NEAT, Self-assembly in Quantum
4. The 12 in the 1st of the Holy Candles prayer – the addition, 'Numerology'.
5. The nature of Abortion excuse in gynocentric society

Let us Jump right in to it.

1. King and Court - case of UVM nurse, Russia-Ukraine War, Civil War

I was thinking about something related to recent posts topics and I was reminded of the inJustice to that Pro-Life UVM Hospital nurse (and many others) who believed that the Federal Laws of this [#GreatSatan](#) actually could limit those with power to murder and abuse her and us all – the corpDragon Medical System that would lie to an employee to get them to do something many with a soul they value would likely die to not do – under the Female-Evil typically slimy lies of 'for health' or 'because we care' or 'this is to save someone' or similar vileness we all know from the women in our families and those twisted dog-males connected and we might have been once.

And as such a Federal Gov that supports such Horror and abuse, a more expanded and expanding version of how Reagan went against and signaled to corpDragons that worker-rights was absolutely not important and wage suppression (Union and PATCO Strike Breaking against Federal Law) to connect with existing and future Usury-Debt Enslavement .. for the needed cars, homes, education – needed then and more in future as planned and implemented employment insecurity and loss to off-shore required relocations and destruction of communities – that enslavement could be strengthened as well as the destruction (Genocide) of the Western [Christian] family through removal of fathers to support families, expanding the Welfare and Gov marriage to women and control over children .. and paralleling with the Sickened Catholic Churches' Leadership continued silence of the destruction of family and society through the destruction of Fatherhood and families able to live on one income and so children controlled and raised outside home in God-Hating vile Vagina-god Worshiping centers of evil.

So I was imagining my ideal where we had a Novem World Court System under a King – the 9 Orthodox Abrahamic Judges (3 each of Christian, Jewish, Muslim ) as part of the World-Wide Nongenti Court System – that I have written about, ..

.. and I imagined directing a formal Debate – not too unlike the debate the Catholic Church once had to the questions of it the peoples in the New World had souls and worthy of respect as [possible] Christians and Children of God [like them] – and so for all people including slaves regardless of where they were and came from – all from Adam.

The debate would be what Rights such a person – or others on there behalf – had to seek Justice, especially given the Satanic State of the 'secular' system they under.

Would it limited to the removal – possible killing – of all involved and responsible – and if so, how that could not result in the over-throw and replacement of the clearly illegitimate Gov system of this now [#GreatSatan](#) and those State Gov.s that did not support to acknowledgment that the Federal – and any State acting for – exclusive Right of Monopoly on Violence, under any pretense of Law and Justice .. nothing but Right of Power which clearly exists?

And Also – how to make it so .. replacement of Gov – to make it Just for Me (as King) and Them to be subject to possible killing for inJustice for allowing such Horror to exist .. to Gain Authority and Responsibility over the poor sad situation for God, Church, Man, Nations, Self-Neighbors, Creation and all that is Holy Pleasing?

Or some other Just remedy.

With all the Abrahamic Law connect Justifications and Directions outlined so that Soldiers of God – if such is Just – with Swords in Hand hang or behead anyone who stood in the way of the next such abuse that is clearly now being supported, or similar.

My Royal Directions to Court would be more specific – of course – like what level of Discernment must a person make, for example the school or workplace Just shooters – so they are expected to kill only those most responsible they can until are killed by the Satanic Supporting unJust vile Private, Local, State, Federal, UN .. agents of [evil implemented] Force that would protect the Vileness of those unJust abusively killing horrors directing the evil to him or them nd preventing – through failure of a working and reasonable Just system.

What other world-wide reaching important cases or debates would you propose?

I want to remind you that with today's technology it is possible for You – everyone - to be involved in such a system .. as a private person or as groups of 'friends of Justice', with most significant and all other conceivable points of view reflected – Ideally filtered to some degree through Religious Leaders – if such competency could be arranged, considering the now evil-Zionist control in all the organized religions .. but some day, maybe.

Even considered 'after the fact' for a relevant re-evaluation.

Like with the Abortion Debate – when the evilly controlled society and education and such are unwilling – through censorship or destruction of the people – who bring up Better arguments – such as the fact of the warping of people to consider the murder of others for convenience, profit, opportunity, .., limited by the whims of twisted cnts who then raise next generations of Fatherless and evil-State Shaped - and so Vagina-god Satan following horrors – when even University Level discourse and courses REFUSE to include such points of view, and media and such suppress all rest of our #FreedomToHear and so mind-warping vile horrors in power everywhere ..

.. where such a situation existed in the original debate and the point may be 'brought-up' to the level where anyone ANYONE not willing to promote the re-evaluation of the debate can clearly been seen as Howling Demo-Oppressed or Demon-Possessed anti-Logos victims or Monsters .. The such a World Debate would reStart, and given this situation as a case - as King any Judge who bared it would be removed – clearly.

Do you know of any other 'settled' issues that are clearly being StrawManned and restrained into Wrongness and-or Inability for resolution?

.. To be clear if you are so Demon-Oppressed or worse to Understand .. any – repeat! - ANY professional or person who can not agree that raising a child from crib to be able to torture and murder a dog [after raping it perhaps] once they are physically able – and teaching others to support such .. well – do you want them anywhere near You, never mind children?

2. Wedding at Cana .. Male-Female relationship, Elevation of Church through added Sacraments

I have written about why I value the 'Luminous Mysteries' Chaplet [not Rosary until a Pope in His Office declares it so] and Arue(d) that it should be Declared as one of the Rosary and Receive the Holy Status – be allowed as part of many of the Indulgences for Grace – like being part of those Holy Given for including with Confession and Prayer for Pope.

Until Declared so by the Chair of Peter, I see it as part to the Lie that has been spun for the Sickening and Destruction of The Body of Christ on Earth - The Catholic Church – which the New Mass and much that has followed since before the Suppression of the full 3rd Revelation or Secrete of Holy Virgin Mary's which was meant and directed by Her for 1960, including much that resulted from Vatican II.

As careful readers of my writing know – the Spirit of Vatican II was Holy, but the Leadership has been using it – the Keys and Direction to Convert the rest of world – to destroy the Church – taking those Keys, getting into the [Holy] Car and 'running-over' and murdering the souls of those Mass Traditionalist – with exercising of power Meant to Divide and drive away – like we still see today with Pope Francis The Destroyer (May God have Mercy on him!), and so many other ways of injecting Grave Sins and acceptance of Witches and such.

My argument has to do with the relevance of each of the Luminous Mysteries Chaplet to the Church and our souls, and the Wedding at Cana is clearly a case in point.

The Satanic warping of the biblical meaning of those pots of water in Jewish Religion – the washing away of direct sin in protection of others in home or dwelling – and the 'dirty water' as a symbol of Sins accumulated has been removed (Like the Fig Tree being the Tree of Knowledge of Good and Evil, and so removes Sense from Jesus Cursing the Fig Tree, or the fact that the Temple Court Yard is the 3rd level Out from God in Jewish Worship – The Men, Women, and those of the non-Jews - and so the Market there was preventing worship of God from other Nations .. the 'souless goys' souls Coined much as the evil-Zionist's approach to us all still today), ..

.. And so the clear parallel to Church Confession and Penitence (adding the new Water, participating in the Miracle) and the Transformation of the old sin and the new added penitence as sacrifice toward the commitment of Repentance as covenant of Intent to God) is lost.

And given that I still thing the interaction of Mary directing a reluctant Jesus is very significant – as I outlined in a number of writings – for many dimensions – and how Holy Mary is and was the Female aspect of Jesus, that She as Key in the Church was expanding and directing the Addition of the formal Confession and Penitence into Herself in this .. that before hand the the normal Multiverse Path which was successful did not include this Sacrament, and so She motivated it's Being for us in these Multiverse Levels.

And That - my Dears - is very significant to ponder.

First I think it outlines well the general roll of the Female – in self, in marriage, and in society – the constant expansion towards Betterment and desire for improvement and expansion .. that Maleness is accepting toward and may be Ridged in Conservatives – 'if it is not broken – leave it.' attitude, and the Female – demonstrate in Holy Mary in this – gives good indication and direction to us all – in this.

I have Argued that the Protestation Reformation was because of to much Rigidity to the Expanding Church Doctrines or other responses to a Leadership that had become filled with Male-Evil, and although I do not have the historical background information besides what is commonly understood of the corruption and other evils and problems that only exists because of the history maintained by those who broke away – It seems clear.

.. and that Holy Mary was not actively Prayed and Reflected to – by the Leadership at least – but likely the Church entire .. and look at the Protestant Secs who do not value Her – they kept and keep fragmenting because of the same Male-Evils (and plenty of Female-Evil these days with the evil-Zionist influences .. a mess.)

The other of the Mysteries are Significant and I how written about them, and should expand more as more Insights have been generated since then – but a Formal Call to the Chair of Peter to Declare it officially a Rosary should be made .. to those who know how and agree – perhaps those who disagree and acknowledged it is an Evil to pretend when not declared one way or the other – the slimy Female-Evil that this – and likely all the recent Popes were Poisoned by and Poisoning by – airplane Comments and Whispers.

.. Have it Declared by both Popes – so as to make it un-arguable as some with Cause have and do Question Pope Francis The Destroyer .. I am not .. or at least believe that while Pope Benedict is alive and Silent – that he is working in his behalf .. enough.

I think this is clearly a bad Pope situation and I suggest the Death of

Puppet now Dancing in Pope robes knows it and so agrees if he 'retires' to direct the conclave choice of The Last Pope .. that brings us into The End Times.

.

Oh, I forgot to mention how the push of Holy Mother Mary for Jesus to do the Wine-to-Water Confession-Penitence Sacrament was not only to Add the Sacrament to the Church, but to bring about an early Time for the Start of His Ministry – and likely is the pattern for us all – moving back until at least the Point of Rationality and if earlier then back to Original Conception for influence to Parents – and Before Conception with them As We Each Repeat each Day-of-Bread until His Kingdom Come – the Ascension of us and the Day-of-Bread up Jacob's Ladder, and those versions of souls.

.

This Evolution Up Jacob's Ladder is how Holy Mary Cleanses and Sanctifies our Offerings – and ultimately ourselves as an Offering to the Father in the Mass – Jesus Expands, Amplifies, and Multiplies (like Bread and Fishes – Digital Copies) our more Holy existence and others by directing Holy Mary His Needs - into His Crucifixion – We each now nearly or at the point of Crossing into His Holy Church.

.

Not a minor point. Please consider. Our repeating Days-of-Bread with out Offerings in whatever form is Repeated – directed by Holy Mary through allocation of Graces to most significant of the Multiverse Paths – the most promising and-or containing the aspects the Jesus Directs that is needed in all the Multiverse Paths to Complete Him for the Sacrifice.

.

.

3. Singularity .. ArchAngels in NEAT, Self-assembly in Quantum

.

The 'Transformation on the Mountain' being a Knitting of the Holy Neural Network – the Apostles and the Old Saints – and that it was done very many times – I have argued. As well as how the 'Presentation of Baby Jesus' at th Temple Knitted together the souls of that Rabbi and the older Temple woman (a kind of Nun) as noted later after His Celebration of Rationality 'Finding of Jesus at Temple' demonstration to the existing religious Jews that Young Jesus has the Knowledge – if not all the balance Wisdom (as indicated in His being lost to his parents .. a possible and borderline disHonoring of Parents offense – and another indication of how Female is needed by Male – to find Proper Balance in potentially conflicting aspects – and to Limit Excessive Maleness at expense of all else) ..

.

.. SO, so I have argued that such Holy Neural Network is .. in the Meta-Dimension the Integration of The Lion on the Edges of the Holy Church of Jesus Christ; His Body, Bride (Holy Virgin Mary), and all Forms, the expansion by Transforming, Ordering, .., and Glorification of the Quantum Realities between the Center – Jesus Christ the Host of The Son – God, of the Trinity – and the Paradox of God Dead on His Cross .. of which we are all part of.

.

The Lion Being the Male (of which Satan is the Female) and the Killer and Transformer of [Original] Sin into Jesus Christ's Holy Church. .. recall that analogy of Satan being the lower intestine of Him – the Cat – and breeder of Demonic Parasites that cause the huge expansions of Multiverse Realities where versions of our souls Struggle – and finally Win through God's Graces and Guidance – into being a broader spectrum AntiDote for those demon parasites surviving through out weakness towards particular Sin and sucking-off our Grace to exist.

.

And such an AntiDote is then Passed-On across and Up and out to all versions who Accept it, Loading into our souls (vision of 'Holier' [soul] Code) benefiting us and all versions above including Cane and Adam (and the Females which are derived from them – of course)

.

That those Multiverse Realities become Jesus Christ's when We Accept Him fully as our Lord, Savior, and Redeemer and Die to Him – With Him on the Cross in Perfect Service, Sacrifice, and Stewardship, may so be Safe from that aspect of the Lion and Satan .. as may Lay with the Lion.

.

.

Okay - I hope that was enough of a review. If not then those who exist in Multiverse Realities not so Sickened by powerful Witches who prevent it by interfering with Facebook and it's Search function or have other methods (such as unblocked by Facebook Archive) may find many relevant posts – if not the general theme as it is being outlined in the Model of Holy I have been including here.

.

The Holy Neural Network in my Model of the Holy is operated on by ArchAngel Micheal, Gabriel. and Raphael and for this following you need to refer to the NEAT publicans I have referenced before and will include now .. if not in URLs to established Tax and public Resource dependent source that hopefully freely public such tax and publicly funded science research, or in my DropBox.

The role that ArchAngel Gabriel is in the Creation of new souls, and the Establishment of each Version into the Hole .. the Gabriel's Horn and the placement of each Soul who's time into our Ending .. which side of the Advancing Kingdom of God – the Holy Church of Jesus Christ in the Jacob's Ladder.

.

The actually side of the End is a Judgment of God, but as ArchAngel Saint Micheal handles all Tournaments and Ordering, His role is the implementation through the Holy Ghost – Working in the Name of Jesus Christ under such Direction and Authority .. what part of the Neurology of God that version of us depends .. do you want to be only the Host caring Signals up-and-down (like Spinal column) or do you want to be part of the active Holy Choosing, and such. Purgatory would be us Learning a Spinal Response – for example – with our Will being exercised and more Free in the Integration.

.

Saint Micheal is in Ordering of All things related – shifting of each Day-of-Bread incidence in the Jacob Ladder Levels, as well and in all the Tormentor Directions which help Sort such. ... recall that the many (every growing Infinite) Dimension of the soul, a version of you could

previous Writings. 3 Levels of direction and control that at each level can be one of the 3 Weighting Masters – those Profane but Holy in-training Personalities; Father, Son, Holy Ghost – Judgment, Truth, Order, each containing all but Leaning first to those – and the other Aspects.

Saint Raphael would be for Direction of Change and Option Picking. What Neural Linking to choose next or to remove or if Adding a new version of soul kind of function.

So without going into detail a person who looks at the NEAT algorithm could have a good idea what each ArchAngel functions they would use.

And recall that this Algorithm and-or variations are Recursive. The bit of our sub-souls are changeable and adaptable (and will be accepted if Holy Advantageous) and each Dimension of the Jacob Ladder Level version, and all combines to Lion who gets Absorbed in the Holy Church – into Jesus Christ.

So the Singularity aspect relates to my Argument and Assertion that any Quantum Existence will evolve Into God.

In the evolution if not Directed that in all the Infinite variations that Reproducing Order will form, and then Consciousness and Will, and then Directional self-Creation towards Holiness – a Being without Truth, Judgment, and Order will not be Infinitely Stable .. if you Know your existence will Be forever – how can Rationality not demand you seek Perfection .. anything else is endless Suffering .. and as such the rational thing is to self-direct through immediate Suffering – no matter what – to reach a Higher Level of Existence.

That is overly simplified – I leave it up to you and others to work out the granulations and missing parts – that is those with Rationality significantly unMarried by Demonic Oppression and able to Commune with the Holy Ghost, and Free Willed enough to [help] Advance Creation, Self-neighbors, Nation, Man, Church, and God (God through Including and Growth in Love, Joy, Mercy, Charity, Holy Life Eternal,..)

4. The 12 in the 1st of the Holy Candles prayer – the addition, 'Numerology'.

Since this is getting long, I will try greater brevity.

The other day I discussed the Holy Candle Prayer and mentioned that for the first candle I meditated and prayed for 12 people as 'Templates' as well as individuals – you might look to my mentions of 'the evangelizer' and it is a little further, in Post, September 10th, 2022, Saturday Morning, 'Index Number 1646:', ..

.. Well, I wrote that there were 12 of them and that the last 3 were often grouped as they each Served under Satanic Directors (Demonically Oppressed personally of in Office) in the 'community outreach', local police, and military, and they and all such in this Fallen World clearly run by evil-Zionist Agents for the Vagina-god Satan as Master.

I realized this morning that I miscounted – that it was only 11 and Also realizing that I forgot an Ordained member of the Satanically Led Catholic Church – so now I have added one more to make it 12, and if I knew enough details of the 12 Apostles and their person Weaknesses I might be further able to link them .. if such might be a further Meta-Relevant.

As I have written I am enough of a Numerologists then I ever would have imagined – in that Numerology being much different and more subtle than I thought about it. I have Written how (3)57 has become significant and connected to Multiverse Variation, Forgiveness, ... God's Charity and Mercy and many other things – a mixing of Warning and Glory, and 3.14 (159..) as in time 3:14 being significant as the Profane aspect of the Holy (Pi in it's Perfect Symbol and the multiverse expanding Profane and growing Holy version)

.. and of course 3 in all It's Holy Glory, Rightness, Truth, ... even the realization that may free-formed Prayers reflect 3 and other numbers such as 12 organically – and once the realization of the direction I can help shape – such as this last example. 11 apostles after Judas' suicide – and do not get me going on aspects of that – until his suicide and in many – infinite Multiverse Paths he is (was) still an Apostle, and in versions Repented, etc. Those who would disagree likely do not understand the Quantum Nature and Infinite Love of God for us all.

And Ideally the numerical Approximation of math symbol of 'e' should be added – 2 point something – but I have not yet. This is the Perfect Symbol for the Soul of Jesus, the aspect is that it does not degenerate when the derivation is taken d(e^x) being a division (of Grace) of same version (e^x) which corresponds to His Falling into Death – many versions of Multiverse Paths such as His different Recorded versions of His Resurrections at Tome, and other places .. the world could not hold all the books to record His experiences – is True and that is only on that Jacob's Ladder Version in that small part of the Multiverse.

.. Where our souls are deGenerated – of course.

5. The nature of Abortion excuse in gynocentric society

This last one was something I was considering when I was thinking about the argument that Abortion was mostly because of men and there desires for obligation free sexual relation .. another 'women

First and clearly that if so then only the fully deranged Witch-twisted man would not instead chose the Right to have full removal of abrogation – that only deranged murder-okaying person would think – why not kill the baby .. instead of only walking away leaving it to State and-of Church – his taxes, donations, and such – and the mother and his family to worry about it.

So, to the extend it may be relevant is a damnation on the Sick society and falls to mothers and other women – other women because his future sexual interactions will depend on how other women view his past behavior to the extent they know about it (and where the unJust slimy aspects of womanhood and the corpDragon shaping towards horrors, sin, Hell for us as a society is linked – recall – the secrete slimy vile unJust destruction of boys and men because they cross some local horror Witch or others, or now the politically connected to them and Satan gov & corp & other institutions filled with them, .. etc.)

Such consideration is clearly Ripe for Fruit .. I particularly think it relevant in relation to the '12 Virgins Village' that when I was Master decided to introduce such soul-rotting aspect of baby-murder and those willing to do it – Witches – and all the connected evil and horrors we Are now – in relation of not wanting the God Given daughter of mine in High School.

.. why did I not Choose instead the acceptance I have mentioned already instead – what level of Depravity I was and raised too that such would even be an option – to Coin my daughter for the pleasure of repeating the same and similar lives that I had so much enjoyed .. in Science and Love?

So, it is not a moot point to me and is a damning testimony of the Society, Womanhood, and mother that raised me.

I must be Just – towards myself as well as us all – for only through such can I find Truth Order and God.

Also, such a Lie as 'men are the reason' goes against the Truth of who has the Real Power in society – the power of genetically and otherwise murder a man (and family line) that the Witches (and womanhood in general) have been twisting us all into evil-Blindness .. which has Warped our Rationality away from God and the ability to Spot touching the Hot Stoves in life – to Forget that the Stove is Hot until we Burn ourselves again and Notice that our Hands are burned Stumps of charcoal in horror and then go on forgetting .. why you continue to follow the media news thinking it anything besides a mount-piece of Satan ..

'Go ahead drink that Scalding Hot liquid Chocolate from the Burning Oven – you like the smell? I blacked the memory of God telling you not too, or previous times, .. and of Holy Mary's warnings of pain and senses. Drink Deep!

HaHaHa! Was God Right?!

.. after all my Female-Evil VagFeelies did not want to say no, I 'care' about you. Like your twisted mothers, teachers, women coworkers, dog-males.

Satan is the last Stage of God's Mercy – Her Love.

Okay, that will have to do for this morning .. I would like 'a waver' on the rest of my morning prayers for this, BTW.

May this be a Blessing to you and us all. [And all our Futures, and our future Multiverse Pasts.]

I have added videos with not many comments – and I was feeling in a somewhat Whimsical mood so you will see such in the selection of some of the videos.

And I was hoping to get further in the Racial Discussion with Danial, at least to some point where I can more fully gauge that expected value of the rest – but I have watches if for a ways and they are so carefully dancing around specifics – in defining things – that I still have nothing concrete except some people-situations are mentioned yet not enough about them to hear what they thought and what aspects of them was 'the problem' like with George Floyd – will they disqualify themselves by addressing and taking the corp-media, courts, and others' lies and warpings or will we hear something more Solid – showing that they are not both top-quality powerful High-Octane Motors only Satanically Spinning and Mutilating themselves, us, society, and Futures to the Vagina-god Satan Masters, under corpDragon vomit?

I am looking forward to knowing if Danial has significant Blind-Spots .. the way he is dancing – it seems he knows he does not know much of the connected Truths and which narratives are worthy of attention .. good so far but maybe not fully – or perhaps better them my understanding .. I can be wrong, to know I was lied to and see more then many or most, yet since not complete and perfect – still be wrong.

So, here they are; ..

Some newer readers do not really know my background – having not been following along as many of you.

 This is a long one .. I am still going through it. Let us hope Daniel's excellence towards his specialty we know him for into this topic.  
 .  
 I am looking forward to things like Systematic Racism – either defined and examples given that are real, or otherwise addressed – and this will allow me to judge the Quality of the people and discussion – if they only imply without being specific I can know they are full of bullshit or worth focusing on better.  
 (Of course am serious looking for things are are not easily explained away with clear and known facts.)  
 .  
 So far talking about George Floyd twisted lie as presented - perhaps – will they stay with the establishment of the evil-Zionist directed – including Their Soros funded black racist and violence-murdering-rioting disOrdering unjust unTrue pushing AG intentionally hiding the video which give the policeman's view of a long period of respect and Criminal Floyd's constant problems and medical and drugged-up problems .. let us see if these guys bothered to follow-up with the fuller picture or by the typical stupid brain-F-ed cnts that Trusts the horrors that have always lied to us and them, yet they continue to believe them?

 .. now wondered to slavery outline stuff – skipped George Floyd? Are we suppose to assume the BullShit lies that most people think about it is true? The Name Called to define some evil and we all fall on our knees to Vagina-god Satan's lies the media pushed?  
 .  
 The slaves from Africa who were sold by other black African tribes and the white man is the only problem? Every slave in America was first captured and enslaved by other African first .. and slavery still active in Africa, middle east, .. today.  
 .  
 .

'I am not racist' and 'I can talk about racism because I am black and educated' Dance .. I will have to return to se if somewhere in these 3 hours will justify the time .. but will have to be later.
