October 29th, 2022

Good Saturday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1696:

In this morning's prayers and meditations I spent some time gauging  
the impact of yesterdays post ..

(see Postscript [PS.] for URLs, And I do absolutely recommend it, and I  
added an image or two to the SubStack version which I thought  
would be good – although a placement of one was not perfect given  
Associations that some 'people' might make, but .. time for them to  
stop being a knee-jerk cnt-retard – it is a form of 'PeopleKind!' crap  
or the #NotAll that I hope we no longer need.)

I see one of the video's I have included was a send the man questions  
and he answers them kind, and I watched enough to realize that  
some men would likely benefit from some of the advice but women  
would definitely be interested, most, if they have the time.

Why? No only to hear a man's perspective on things likely that will be  
connected to the male-female dichotomy related to social aspects  
that she can apply – or at least become aware of.

And so I decided to 'give advice' – the worst kind of Vice, as one  
creator often says as he gives his form of advice, perspective .. and in  
that sense I put this out – as with most of my writing.

In general this is kind of interest women have is very much connected  
to human sexuality. Lovers, Marriage, Status, .., to long term and end-  
of-life aspects (on his deathbed will I be there beside him with a huge  
loving family thanking God that He Blessed her with you?

.. This is likely not a surprise to most women – often the very young  
have not thought it through in those terms – it is 'Hind-Brain' and  
much is offloaded to those women who act as mentors – older  
women with experience indicating it you are worth the trouble and  
they take cues from the men and boys (when younger) that you are  
connected too and interacting with, how they 'See' you and interact  
with you.

To quantify this would likely be books worth of details, and it all  
comes with caviotes and exceptions. Older women might Know that a  
man might be the best but for a Cross he is working with .. was given  
– upbringing problems that had things been different definitely been  
(and likely will be once resolved to some degree) a good man to raise  
a family with.

Feminism – for example. The Huge Western Wide [excuse me] 'Shit  
Test' for not only individuals but society over-all.

And of course the management of those Crosses.

The Perspective is Long-Term, Multiverse Timelessness kind of  
aspects.

A quick example .. the Advice Man I mentioned – there are women  
who might decide that after SunDown and the 1000 Years Start that is  
connected with each Day-of-Bread, when he (and she) is going  
through what they will need to for acts of Contrition and Justice for  
Debts and Sins that hurt each other that can be manages in the Years  
(of Days-of-Bread) before Jesus Comes [at Solar Midnight by this Day-  
of-Bread time-frame] for the Judgment of that Version of our soul ..  
should she court him during that time.

At some level this kind of considerations are done, and few women  
have this Holy connected Perspective – at least that is Blocked from  
them, this version, but plays a roll.

What Shines here is the Crosses that Cripple or Deform them – to  
Gauge beyond that as those will be Removed at some point. They will  
often have to Show God they are willing to work for it .. a crippled  
knee – as I recall from a this period in one Pass through and am  
Allowed to remember - you have to actually go through with Physical  
Therapy effort.

And when I asked the her – the Theorist (A Virginal version of Mary-  
to-Be as all women are working towards) Will not God just Fix it? And  
she laughed at me – as if I was clearly not Worthy of that level of  
Grace .. yet. I forget what she said in dismal but I started to work on  
the knee and after a while I woke-up and it was healed, and by then I  
was not Surprised.

As a healthy young boy's perspective should always be - What can I  
do now that will make me be a Better man, and Want to Be. For the  
Joy of being Pleasing to God – of course – and Church, Man, Nation,  
Self-Neighbors, Creation, and any-all the Holy indicate is Pleasing.

As a Man we must be Directed to Being a perspective Better King ..  
and when you apply that as your Goal, all women of ability and sense  
will wonder – do I want to be his (hHis, His) Queen?

I mentioned running into a Princess with hHer 'Lady in Waiting' and  
hHer MechWarrior Chaperon Bodyguard [form a Higher Jacob's  
Ladder Level], in Post, October 9th, 2022, Sunday Morning, 'Index  
Number 1675:' ..

.. and sShe [the Princess] Sees this view also, part of Communion – at hHer level it is pretty Deep, but it is Direct and Trusted .. think of the biblical parable of the Wicked Servant who 'Knows them better' that confuses so many, of the failure of many of our Elite rulers being Used by Satan – they can not understand why \$100 piece of meat might get them THEM some goal but also is Just grounds for they killing and everyone who Let them have power and to be so functionally-evil .. as their subjects that have power over – many understand they are twisted by lies to have such Goals, but are okay with the sickening death of us – not only needless but clearly a goal of death and horror – yet those Elites may actually believe all the lies and feel this is a Good action, 'if tough' sure some will die like the 500,000 Iraq dead children in pre-war Sanctions - or all the deaths to exposure and freezing we about to go through – 'but it was worth it!' based on the Brain-F-ing they are deep into from crib, often Wrapped in the Sin of Pride and Exceptionalism that comes and seems justified in there Class situation.

So one of the things that was Conveyed is that I am Stubborn, that I Can Please God as I showed at Lent, but Choose not too, and Knowingly will go through some extra Purgatory or other Ordeal – in part perhaps because of my attitude, but the Proper Perspective – in a Good Light – is that I Will PushBack to God, and for much of it is related to the State of Contrived Ignorance that is part of this Jacob's Ladder Level, but not all.

.. and that Feedback was very valuable to me. Because unless I deal with it, something more unpleasant will likely follow besides the slow numbing and loose of Anchor, and not to dwell overly – I am Bargaining with God .. saying 'Make me want to Feel sensorly!' But of course my demand goes against my Purpose that I am now working on, a Holy Purpose, and giving me a Lover–Wife and perhaps Mother-to-children or something similar would be in balance worse then the Loss of Value and Effectiveness, and I absolutely Agree. It would be hard not to fall into some of the issues that Sexual relations bring, and yet really that and the only other option towards encouragement would indulge the Sin of intemperance and imprudence – which I need to deal with anyway. It's complicated, and in it God is Right and I am Wrong, and I understand.

Which brings me to an aspect of yesterdays post topic about my Great[.]mothers soul weakness that we see expressed in self and society. Let me call is Entitlement – that somehow we are Due in Justice something more then we are getting. I am doing, or did, or planing to do, .. something and expect something in return. In my case I want that Cross removed related to eating and so I can go back to my Sin(s), and are they only a small price for my Service. That kind of thing.

Like bringing an offering to the King that I think is of Value to Him and then walking into the corner of the Court and pissing on the wall. Not only can I not Know the Value, but I may be Directed to that Task NOT for anything about the Task and results – except that I get to a point of Joyful Obedience and Pleasure in being Given a Task by God and a chance to Serve, and definitely to learn this and not Piss-on-Wall in my ignorance.

.. our society and upbringing is so warped that Right Just Ordered Thinking and Graciousness towards Benefactors, as well as the concept – very contemptible – that we have any idea of things we can not know nor should we be expected too – an Offense assume as well as to Expect and a Blessing to be Given, and more significantly – a Goal to Become able to Parallel such to Serve Better .. able to not only do a task but Hansomly and Beyond even expected by Others and Boasting to them of That ability .. well, Pride is useful as a motivator (and so Piss-on-Wall again.)

The Extra Credit. Doing Extra Credit while leaving other things undone and unworked-on. Yes, Another Sin.

Anyway. Being in-Contact with our more Holy versions is humbling and a pain in the ass because – in part – You See how Flaud and Incompetent you really are. Imagine being surrounded by such that can See you like that .. and imagine them being Truly caring and Loving and wanting to Help and Serve, and you will have a good idea of what you can expect If you behave and Follow God's Laws and Goals for you and help others and such.

A Healthy women is like that – and you should look for. Impress her by being your True Self as God Knows versions of us – Able to Serve & Rule yourself, her, family, State, World, Multiverse. A King of your soul and Being – a King Better then every older version of you, Worthy to Sit a head of That Round Table.

What makes this complicated is the anti-Rationality, unTruth, disOrder, and injustice – but consider it as we should in all things – A Blessing from God, a Stepping Stone to our and other's Salvation and Opportunities to Better Know, Love, Serve God[, Church, ..] through Service, Sacrifice, and Stewardship.

Understanding women is – in a small part – understanding yourself. Not even women have this wider perspective.

Being a Man, a version of Adam – Within you is Every women you interact with, and once you learn – you can consider them all or any particular one - where she is so limited to the relative tiny (but Infinite) versions of her and some of her mother's and some of her father's mother.

So the question is – how well do you know yourself and God, and have those Skills and Clear Thinking abilities? .. may I offer you a Model of Reality that is helpful?

Many women have noticed how skillfully I inserted those sexual signals in the selection of videos. Yes, as I look back from Meditation and then reviewed – yes, surprising well done .. I literally did not consciously think beyond wanting something that 'Stirs the Juices' to keep Focus on this for Service. Ask and God provides.

For those not able to understand, here is an Over-the-Top example. Enjoy,.

.. what to say?  
Some women like such out-in-open and Bold, and some are

.  
. .  
. .

Oh, I wanted to mention something related to some aspect of where I was hoping for this to go but have lost the connections .. the Muting of John the Baptist's Father by the Angle – for the 'crime' of unFaith. Do you not think that was such a Blessing?

.  
Was his – and many many others – Faith increased through it?  
.

Yet, Holy Maiden Mary was not treated so by ArchAngel Saint Gabriel. Besides knowing their True State of Being, was there a difference which cause the Demonstration? To Increase his Faith.  
. .  
.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]  
. .  
.

I suppose – from yesterday's post – to be clearer in my implied Assertion.  
.

Where corporations have gone beyond having Legal Personhood. Becoming Super-Persons, a kind of Royal Personhood given the Power and Immunities. (Being Incorporated with Holiness status – like Holy Human Dignity and Being.)  
.

They have now the extra Abilities that are not always Codified – except as warping of Natural Law. They have been given Womanhood's Legal and Other Privileges.  
.

Where a Nation could be considered Male, corporation is Female. Complete with the ability and acceptance of Crimes, hidden manipulations, and benefits, and are clearly an Evil. Where Nation is semi-Royal with the mutual obligations and responsibilities to Subjects and other Nations – as a Man is too Family and Neighborhood.

What is corporation then? Besides Hyper-powerful Witches – slimy lying vile vicious Vagina-god Satan Worshiping anti-Logos destructive Sin-pushing Nightmares from Hell, Demon-Spawn Called by Witches – Dragons and Monsters in and under a person's disguise.  
.

Like most of social, family, life's problems will never be understood or fixed without seeing the similar issues of womanhood – no larger problem of any shape will be understood of fix without this perspective. And any temporary attempts will at best only seem to help – but will Always be towards Satanic Goals.  
.

Saint George – Pray for Us!  
. .  
.

More opportunity to Display to the World that God Cares about His Church!  
.

Is this the kind of man you want to raise, or to have a family with? Does such Raise his Continenence and Status?  
.

Some more of these – you should pay attention.  
.

I have not fully watched and do not consider his point of view 100% - especially when connected to some issues, and the blindness towards the actual problems and the female-evil factors make certain aspects worst then useless, the overall aspect and his deep of knowledge should be respected, followed closely, and – and with care – acted on.

Previous ones – the parts I watched – did a good job of describing Demonology in Secular Terms.

Although he seems to be Poisoned in many respects – Feminism as something not Demonic Evil for example, like Peterson there is value here – and even if seeing something so well reasoned and presented, and examples of Tools we can apply in life with good results.

.. From video description - 'Every complex ecosystem evolves parasites. This niche is not absent from the ecosystems created by the intersubjective interaction between minds, but in the transition from older, traditional ontologies for understanding the mind and its relationship to reality to new, more "scientific" paradigms, we seem to have lost most of our ability to perceive and relate to the intersubjective phenomena our ancestors might have called "demons." Evan returns to the Stoa for a 5-part series to discuss these phenomena, since their relevance in terms of our daily life experience and the generators of political conflict is becoming more obvious and relevant.'
