Good Monday Morning,
May the Spirit of the Gospel and the Holy Word be Always in our
Minds, on our Tongues, and in our Hearts.
All Saints, Pray for us!

Index Number 1374:

This morning during my prayers and Reflections I went Far & Wide,
and am glad that all such are Recorded in the Holy Tent – because I
will have trouble remembering – never mind communications any of
the branches .. branches that if considered in reverse represent a Holy
Touch into mind & soul from all the branches coming together .. and
perceived in the Profane Dimension as many different thought-
tangents branching out (there is some Value in having struggled as a
child with Dyslexia, besides the isolation and contemplation in
imposed .. one wonders of the Holy Blessings of Deftness, Blindness, ..
with such a Perspective.)

I found myself Arguing with God on the side of the Prodigal Son's
brother's complaints to his father in the Biblical The Prodigal Son
Parable - Apologetics .. a Pure pleasure in finding sorting and finding
Order. In short, the father was not attentive to the brother's full needs
to become independent – like in the Holy Tent when the young boys
start to try to harm the Lion, or the young girls show an overt
fondness to Him, it is time for them to Move On to the next Step ..
(some do not and may Stay.)

And that Apologetics was a tangent from the mistake that the Early
Church – perhaps because of Saint Paul's Roman connection and
influence – drawing towards and desire to Shape the Pure overthrow
of the Tyrants of Israel, a Transformation which was the Stepping
Stone to our Western Christian Society, but even in it's Pinnacle that
separation from the Prodigal Son of the anti-Logos that remained of
the dying Israel were isolated and partially Rightly refused such a
Transformation and what reasonably seemed wrong – especially as
the Enemy – Rome was embracing such.

.. Had Saint Paul focused on keeping most of the Jewish Laws and
Traditions through the Transformation, perhaps more would have
accepted Logos and not become the functional Cancer that would
continuously undermine and while weakened by Church Leadership
Sickness and Sin, division and internal strife – Sicken and start to kill
the West, which clearly was laid out before the French Revolution and
the Greed Capture of the British Elite, and Spread throughout,
including the enSlavement of us here in the States with the Civil War,
the murdering, Thieving, Fascism that we clearly see with the Satanic-
Wolf State disguised under the Name of Jesus Christ's Holy Church
(Israel), a Nightmare of concentrated horror that combines most of
the worst of this post-CivilWar #GreatSatan .. but that should seem
reasonable – if not clear to many.

As if the Prodigal Son returned to find the Father was not the man he
left, that the house was not the home he was born and raised and the
brother (many Sects of Christians) disposed him and blamed –
perhaps correctly – for the Sickness that his leaving caused. .. or
something like that – not a good analogy, ..

.. And on the side I will inject here my Argument that 3 different Set
Catholic Masses might be valuable – the Traditional Latin Mass (TLM)
which reflects a Holy Ghost's version, a Corrected version of the New
Mass – using native language but more matching if not exactly the
TLM but more Open and simple which reflects a Jesus' Ministry
version, and one that I imagine is in line with the Messianic Jews –
along with the life-style of keeping the basic Laws, to reflect the
Father's version, and one more friendly to those who have not yet
Accepted Jesus.

That derived from my considerations connected to the Yaron Brook,
Yoram Hazony, Lex Fridman discussion video yesterday in Post,
January 16th, 2022, Sunday Morning, 'Index Number 1373:', ..

.. and after finishing the video, this morning I was considering why –
as I commented earlier in Post – that I was taken-back by the
disparaging remarks about Plato, Descartes and others.

This morning I realized that those two – a religious Jew and an Atheist
Jew had both rejected the Western Christian Ideals of Truth, Justice,
and Order (which used to be 'Truth, Justice, and the American Way'
back before the anti-Logos Marxists and Fascists took control of the
USA.)

That any society that does not Form and Maintain Truth, Justice, and
Order – moderated by Love, Mercy, and Charity – with Hope & Faith
(in God) was only so much Witch Lust followed by Torturing-to-Death
the Captive innocence of us the population – a clear form of Satanic
Masturbation that is targeted at causing endless Pain, Suffering,
Confusion, Frustration, Poverty (of all kinds), Sickness, Despair,
Violence, injustice, unTruth, disOrder, Isolation, .., Sin and Death – with
Damnation to Satan's Witches evil Glee and Profits – as we see today.

God Bless them for their talks and insights .. much Goodness may be
drawn from it, but Care and Awareness must be used by those who
Listen and Partake, those two have rejected Logos, and indirectly or
directly see all the Greatness and Potential Greatness of Western
Christian society with a form of Hatred, both in their Pride likely have
invested to much in their anti-Logos lives to easily Repent, and will
drag down others in the manner that has undermined and destroyed
the West.

Which reminds me of the Hypocritical Slur – at those of us who have
Values and are not Perfect – from those who have no Values but
Vagina-god Satan's, and those that magnify our Western Societies
failures and faults (as is clearly abounding these days) yet refuse to
mention that they are actively – and have been since it's dawn
undermining and destroying it, ..

.. to remind us that – Yes, we are Sinners and not Perfect – But unlike
Them, we Believe in Sin and Truth, Order, Justice, Love, Mercy, Charity,
.., in Jesus Christ and His Kingship, and although our struggles often
seem in vane and many failures exist, ... We are far Better Positioned
ethically and morally to have a valuable opinion then the anti-Logos
Horrorers that are screeching Hate and Lies, and those who are evil-
Blinded and following their advice and lies into Sin, Suffering, ..

With that Argued, I suggest we Pray for them and Hope they will Repent, and to consider how in the True Spirit of Vatican II we might Help them without Hyper-Empowering them, as we have done to too many Meritless, Twisted, Vile, Vicious, Lying, .., Baby-Murdering, Family-Fatherhood-Childhood and Womanhood anti-Logos #MaleHating and Benefactor, Father, and God Hating Howling Horrors since before I was Born.

May this small slice of what I was able to Return to this Reality be a Stepping Stone towards greater Clarity, Repentance, and Love, Union, and Communion with God. Bless you, and us all.

Now here is what I had put together yesterday. I was again going to remove and edit some of the Hyperbole and 'Edge' – but perhaps the contrast between this State of Mind and that one will be of value .. the 'Emperor without Cloths' factor to suggest that such is possible within us all, and that I am a Sinner who is far from finished by Journey to God.

The evil-Zionist Witches (a few – likely 15 or so international interconnected families) and their slimy minions, [secrete] Agents in power through West and world-wide, and all the older women in their families (Standard Exception), the WWW of Witch-Matriarchy are a Cancer to Church, Mankind, a Future worth living-in, .. a CANCER .. and the main Question is who is directing it all .. who is in charge? ..

Like a Cancer ..

God Demands Love and not Death, but I have written about setting-up an 'Amtrak Special' train to drag such cnts (chained to all the older women in their family, standard exception) into chunks of flesh with video and such – shown in Poli-Sci and such Witch run University Classes – to clear away the evil that is destroying Love, Truth, Justice, Order, Joy, .. destroy our Futures worth living in.

If we had such a Train - What should we call that train, then?
