Good Friday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Well, I went to bed very early – something like 7 PM – and unlike most nights were I drink a lot of water to flush kidneys and other organs, getting rid of any extra Sugar, waking every hour or 1.5 hours, I woke only a few times having eaten only chicken protein, yet there was that Fever aspect I felt earlier in the morning, where the vivid aspect was only something that pushed me back to sleep.

During prayers and meditations I dosed twice significantly, the 2nd time I was disoriented as to where I was, thinking I was in bed but found I was asleep in my chair. It was then I decided to look to see if I had a Fever – only 101F but made me sleepy even after something like 9 hours of sleep.

After some morning's Caffeine, I feel more awake and not the chilled that Fever often leaves me with.

You can't protest peacefully. You can't boycott. You can't hunger strike. You can't hijack planes. You can't block traffic. You can't throw Molotovs. You can't self-immolate. You can't heckle politicians. You can't march. You can't riot. You can't dissent. You just can't be.

 **Readers added context they thought people might want to know**

Hijacking planes and throwing Molotov cocktails is terrorism and generally carries long prison sentences. However, in most jurisdictions, you can protest peacefully, boycott, and hunger strike.

Legal Scholars are extremely thankful for the Supreme Court's Decision today to take up Presidential Immunity. Without Presidential Immunity, a President will not be able to properly function, or make decisions, in the best interest of the United States of America. Presidents will always be concerned, and even paralyzed, by the prospect of wrongful prosecution and retaliation after they leave office. This could actually lead to the extortion and blackmail of a President. The other side would say "If

...
you don't do something, just the way we want it, we are going to go after you when you leave office, or perhaps even sooner."
