Good Saturday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1618:

A different type of morning .. I was up late again, and woke later and
have delayed my morning prayers, which I hope to do soon.

If I get a late start and do not have the early morning stars and
settled local Infinite Quantum Mind connection – might as well have
my morning tea and write, do these, and hopefully get back to the
prayers .. soon.

The reminder of my proposal written about and I reviewed this
morning has engaged me a bit, so perhaps that will be something
expanded on – follow the URL(s) given to engage with it – if
interested.
The Meta Church on Earth as Parallel with Cane's sub-Souls (and ours)
being Holy Worked by The Son - The GoldSmith – using Satan as His
Anvil, Hammer, and Fire.

.. now that Holy Maiden Mary was 'Assembled' and the following
Completion of Creation with the Resurrection which He Returns on
the [Hidden] 8th Day-of-Bread of the Week, to Finish off the Salvation
of all us souls created in the 'Assembly' of Holy Maiden Mary – the
unFertilized Phoenix Egg – the Foot-Hold of The Son into Creation.

Or so The Story goes.

Time to switch to Coffee – and finish this ..

May this be a Blessing to you and us all. [And to all our Futures, and
future Multiverse Paths.]

Interesting insight .. I suppose I entertain a wider view – I wonder if
the World Power near was .. Chinese – for example – and Saint Paul
was a Chinese in that he was at least a citizen with full Rights and
Privileges – what would the Church look like today?

.. Perhaps someone should point our Pope to my writing suggesting
the overlapping worlds and empires – all which God had used to
spread the Church and this Reality and different versions of religious –
even non-Abrahamic based are preGenerative and deGenerative -
Attenuated, deConstructed, Derivative, versions .. like modern day
Judaism after temple fell - but more far flung.

As the Church is a 'superSet' of [all of] our Communed Soul, with the
Model of each our souls Falling down Jacob's Ladder at our Errors
(Sins) and being 'worked-on' to be combined with errors-fixed, so
perhaps is the Church – and as so a process of spreading out and
amplifying the Good and removing the Bad (by dropping down and
expanding and amplifying the Good in that part, and repeating) ..

The Church was set up a "... number of times God had Repeated this
Process – China, India, Egypt, ..., Aztecs, Mayan, ...
I am suggesting that such occurred in other locations on the
Multiverse and what was found when Christian exploration and
Spreading The Word found and in many-ways reflects the religion
now – are partial Israels, Still Birthed in the Formation, or that were
successful yet God was expanding the World – as He would have
done to Israels boundaries but for King David's Sin and the Collapse
of the Quantum Potential.

The basic premise this leads to in Sprite of Vatican II is that each of
these have remaining perhaps something which would help Complete
the Formation of our Church Militant – the further 'parts' that were
not completed (or were Bent to be Spread using Rome) So to make
The Church Militant more Fully Reflect Her True Form – Jesus Christ's
Holy Church (The Church in Triumphant), .."

.. and of course since Facebook has generated a different form(s) of
URLs for my posts – as noted above – one wonders perhaps more
people – including people with the Pope's Ear might have already
seen such and considered these and other points of view .. but Satan
which has Captured the Elites that run corpDragons like Facebook and
other government off-shoots- or at this point the Governments are
becoming off-shoots of the corpDragons – the few major Owners, the
international Witch-Matriarchy ruling families – who Worship their
Vagina-god Satan.

It is hard to not consider Pope Francis The Destroyer as another Captured 'Branch' minion, but maybe – we can Pray – that we misunderstand his War and Death against the Church as something not only Allow by God,- but as absolutely Needed.

.. And when you look around and see the surveys of the average Catholic – it is clear that they are not only Fallen as we all are, but unBelieving and active in support of much which is spreading this Death and Evil over the world.

Another from him – for which I will not Expand the same way ..

Another from her. Although we can expect some false-positives to this level of scrutiny – she is experienced enough to argue most of those away, often specifying the 'background' situation and general Frame to keep in mind.

After watching many of these video you get an increase in confidence as she – because of a traumatic youth – has converted her hyper-focused PTSD alertness to this skill level .. impressive.

Many people have this ability – but usually not as refined and with her articulation of it – she is like we could be if we had Jordan Peterson's verbal skills to describe what happens in the back-brain, and drive to deConstruct and define everything internal and external and to reFrame it in terms of 'The Bigger Picture' .. that is sometimes when we interact with others.
