**[Wow – I found a huge number of 'Community Strikes' and now censored posts on Facebook – and it looks like more coming.**

**.. I suppose the evil-Zionist Witches have changed their Demonic-Forming AI again .. so what was fine yesterday is suddenly 'Bad' and .. soon only Cat Videos and such that is active in support of Satan and Her minions will be soon.**

**I included only a few in the Images below – I hope to start a special section on my DropBox, a folder where the Censored Post's PDFs are collected (PDFs because you can still use the hyperlinks (URLs).)**

*They continue showing-up .. interesting day and time - what a distraction, if I let it be!*

*Read on to get a sense of what will be soon censored., ..]*

This morning I barely got to position myself and begin before an entire line of Reasoning started to take shape, and I can only hope I can recreate it well enough to convey to you – at least some part, and I Ask the Holy Ghost to assist.

A small part equated the Fall in the Garden with King David's causing the premature Collapse of the Quantum Reality (the taking of the Census for fighting men for upcoming battle) that was to form Israel into an Empire to dominate the world, to surpass what Rome was to become.

That God was in the process of bringing forth from the Ferment not only all the men of great Virtue – each willing to Stand with David against and number of times their army size, but the families and in those families the history of excellence – the fathers and grandfathers and mothers and wives – that would produce such, and the call to arms would have seemed to reach – on later reflection and analysis – to extend far far beyond their know borders into regions that would in this light automatically become Israel. And as such, would lay the foundation of an Empire – and as they Trusted God every opponent they can against would repeat the process – that it was in Opposition against the unFaithful Rational Nations – all limited and never able to have God Call Forth the Extra (numbers, quality, Virtue, ..) that would have constantly Quickened Israel to cover all the world.

That the Sin in the Garden was a form of this – that until they Choose to Render God's Will and prematurely Collapse the Potential of this Holy Incubation (causing premature birth and an arrest of the path to Fullness) that the choices Adam and Eve would make would have only added in that timeless seeming place of wonder and magic – where only desiring something produced it and they 'talked' – likely shared thoughts with total intimacy – that talked deeply with each other and the animals as a symbolic whole – One Body.

.. The Fetus of the Holy Form they were to become.

But the Sin – the only one that Holy Mattered – Disobeying God's Command and so bringing forth (and Arresting what might have been) by 'measuring' themselves in terms of 'Good and Evil' and so Locking themselves down, and so ending the Holy Quickening Stage at a much earlier stage than was intended, in part – I speculate – because they were then able to constantly know (and so interfere) with all the future changes God was to do to them.

—

Back when I was suggesting the Overlapping Wave aspect – that our Realities and all the different forms of Worship that formed in the different cultures – each – represented the deGeneration of a Multiverse set of Paths where the connected links of Mary and then

Jesus forming in a Sin Failed Israel – and His message to be slightly altered to Link to the Dominating Empire (Rome-like) that had power over Israel.

.. I am using Israel to mean the Land Given to a Spiritual Decedent of Moses, the Decedent Abraham (First to Clearly Hear God regularly and Trust and have Faith enough to Sacrifice his son, and then Form the bases of Religion which would help at least the Rare Prophet with similar abilities – giving a Frame-work and Perspective to seek and react correctly to God's Direct communication, and they Decedents of Noah (the first to Hear, have Faith, and make a significant Effort to obey God.)

And suggesting that this formed a Template of possible repeated occurrences in different locations around the world – that perhaps our world is as large as it is because the number of different regions was the number of times God had Repeated this Process – China, India, Egypt, ..., Aztecs, Mayan, ...

I am suggesting that such occurred in other locations on the Multiverse and what was found when Christian exploration and Spreading The Word found and in many-ways reflects the religion now – are partial Israels, Still Birthed in the Formation, or that were successful yet God was expanding the World – as He would have done to Israels boundaries but for King David's Sin and the Collapse of the Quantum Potential.

The basic premise this leads to in Sprite of Vatican II is that each of these have remaining perhaps something which would help Complete the Formation of our Church Militant – the further 'parts' that were not completed (or were Bent to be Spread using Rome) So to make The Church Militant more Fully Reflect Her True Form – Jesus Christ's Holy Church (The Church in Triumphant ), ..

.. and in the True Spirit of Jesuits – before Satan targeted them – is that this Wider Understanding not only will help Complete the Formation of our Church but allow the means of Service, Stewardship, and Sacrifice for those throughout the world – Serving God, Church, Man, Nation, Self (and Neighbors), and Creation.

***[Simple fact – no real Jesuit seeks power. It is in Serving that the Real Power for Good is realized.***

***Those who seek power are under disguise, and so are no longer Serving Truth, Order, Justice, .. no longer Serving God]***

—

And so it might be of interest that part of this was left-over from when I was feeling that Israel was never suppose to be a subject of Rome, that Israel should have made the earlier version of Rome Her subject, along with all across the world – and that somehow the disobedience and sin - as seen in the rejection of Jesus as Lord, Savior, and Redeemer in the Branch that followed King David's path of counting and measuring – the Male-Evil that must be Lacking (and generally is in women) that allows Quickening to

Fullness, the counting, book-keeping, saving and loving bits of power and such, which many have expressed in worship of money, and still others more Fully Realized the Sin towards the Absolutes - have collected & enslaved souls Burning in Hell.

.. such a tendency to Warp God's Laws – which as Given and Developed through Prophets great and small – into a weapon to be used against Him and his followers, and justification for Usury enSlavement, and rejecting the Loving Neighbor as Self – because how could you abuse your slaves, and torture others for sexual pleasure, or murder in death camps and starvation, to gather and shape laws to be used as a weapon and the Arm of Satan where your own hands are never risked as they direct the leading of souls into Hell through courts and puppet leaders, through Monsters such as the legally protected & immune owned corpDragons with Tentacles grasping and crushing nearly everyone, and interlinked into a Horror that overwhelms all forms of Nation's power, and the warping and twisting of womanhood to expand such evil as they use, and so over-time have become .. the slimy Female-Evil nature made real in a small part of the ultimately failed retirement of God's People and their twisted evil converts, The feces of The Lion – shaped by Satan.

I could go into the 'Mark of the Beast' as a counting and labeling and following as an expansion of King David's Sin, and when there no longer exists any Margin for God to Act from, to bring forth, then all will be enslaved by Satan – their Master – and I expect that will trigger the End-Times, because no further Good can be free to exist and all that remains is needless continuous Suffers and Death under their control for Profits of Horror and Evil, all us 'souless goys' and those Jews that are not their family – even those that imagine that they will get special treatment and have been okay with the use and torture of the Others will find Their Death Camps – under some disguised so the rotting bodies and crushed skulls can be used to further enslave and spread horror, lies, evil, Hell on earth.

—

Oh, well – I was going to go into my reflection of Man and Woman and Woman's ability to Form babies and collect and Consolidate into Souls requiring the Lack of the Male-Evil potential, the King David unFaith and insistence to measure and count and plan and .. make things Ordered – all very useful for the Scope within each ours and our families' and societies' reach, for day-to-day, within our 'Gardens' ..

.. but as one can imagine the Connection to the Infinite Quantum Mind has been disturbed by my imperfection of not becoming Entangled in the content, and although that does not feel to be so much the care right now, the sadness and disgust of the horror created and continuing to be created to so warp and limit the Holy, destroying the Infinite Holy Wealth for the pock-change and pleasure of the torture and power .. it is a larger version of what I used to feel when a sensed the web of Witch-Whisper-Web of evil

directed towards me – unJust, Betrayal (after all were we not working on same Team for Science!), and the constant repeated Death of the Potential Goodness [for ALL] in so many Directions.

—

Perhaps these reports of Glances I managed to shape badly and so so incomplete, and all the years of Horror the Lies and abuse directed at me – and Billions world-wide – and the future being tortured-to-death -betrayed as I clearly was in a much lesser sense – by those who side with evil, to Coin us and themselves to Satan and Her evil-Zionist Witches and Minions, follow the evil-Programming and evil-Blind your children – for the Coin of they unable to understand how slimy and manipulative – to Coin their Rationality – crippling them to free yourself and 'womanhood' to do Horrors unending .. so many ways so much of modern Western Womanhood are like those Jews sent to Death Camps – many were thought they were 'safe' because it was the ethnic & (now twisted [after Temple Fell]) religion made them 'like family' when they were to be Sacrificed to the Lie, to FalseWitness and EnSlave the rest – as women have enslaved men in the Horror of their coordinated continuous lies.

To not be so disgusted that – if I believed anyone could escape in death – that might be an option – as too too many father and men have when they get a glimpse of the Horror that raised them, or they Married and had Children with, a pretty form over the Cold twisted Dark Festering Heart of .. of one who considers you not only 'The Other' but a enemy to be enslaved tortured and killed along with your family – after watching them all destroyed before you .. They as a Zionist. Murdering Thieving Fascist Horror under the disguise of some one or something that is good, that cares for us, that wants to work together, that pretends not to be the Satanic Wolf by hiding and disguising themselves under another Name – Nurse, Doctor, Teacher, .., or under an Institution – Media, Medical System, banking, investment, or under a country – named for something it is actively destroying – the Good name of Jesus Christ's Holy Church – Israel.

.. while secretly Pouring Poison, Death, and Evil onto us and all we love or could have loved.

Sadness is expected, and turning away from such horror – and that is why few are raised with the Strength and Knowledge to Stand .. from the crib by our care-givers though education and gov, and now clearly the Church .. all weakening us in mind and soul – as so we ignorant - retarded - unable to think – unwilling to suffer or work hard acquiring – punished for any virtue, all of real value we had or collected devalues and removed, ...

And the Cowardice to See parts of these things and hide back in pretend ignorance, to avoid and even Attack those who do start to notice or mention – because they will pull back the curtain not only of the Witch that was your Mother, but the Horror of so many everywhere .. the Terror once partially realized that when the Vale drops, you will be mostly alone standing surrounded by Demonic

Horrors and some pushing others into the Fire – and you and other can perhaps escape, but you will have to do things that you were unjustly punished and told to think were wrong from childhood, and other soul-crippling and weakening aspects.

***May God bring you Holy Clarity and Strength to Save yourself and at least those you love.***

Well, this is going to be a long Post – I have a lot below.

***May this be a Blessing to you and us all [and our Futures, and our future Multiverse Pasts.]***

Recall that all Popes since 1960 must be considered Suspect as they suppress and refuse to release the 3rd Secret Revealed by Holy Mary, and very likely was a Warning about the Rotting Leadership of the Church before the twisting of the Holy Ghost's Vatican II Inspiration and Message into Death and Poison of The Body of Christ – and how they and the evil-Zionists Witches that direct them Sucking-off the Suffering and Rotting of the Dying Church they are Murdering ..

So, keep that in mind when considering Anything coming from Vatican and those near Speaking for those who's Master is Satan.,

.. Burning someone to death for Blasphemy – likely an excuse for being a decent student or some other factor .. and no reasonable response from the authorities to prevent it again .. why not round of all the children and nuke the area? – would that not be a terrible Justice that shows as little Mercy as they showed in doing such, and the horrible kind of parents and Witches that allow such and twisted them?

(I do not suggest it except as an exercise – of course. Recall please - God Demand Love and not Death, and for you and me – God Demands Better! .. Always Better.)

.. A Society – regardless of what Religion, a Society Hollering to God to Send Burning Sulfur and Cleanse the evil Cancer from this Reality and into the Chaos and Horror they pushed here, perhaps?

Clearly the death of most if not all older women and mothers, or a random tenth, a Decimation like the Romans did to soldiers to punish – would not that be a Better response, do you not think .. would that not be Mercy to such an evil place?

Who is in charge .. Who directs this Satanic Witch-Matriarchy?

.. Head of WHO has history of hiding epidemic in his home country to suppressing their killing the most of a disfavored group – Genocide would be the term used if he was not an evil-Zionist support Satanic-Tool, and this not a #CntHell where most post menopause [Powerful] women are a Curse on Life, Truth, Hope, Justice, .. and support this horror and the torturing to death of on average 60 babies everyday in every State – near us all.

Why do I link the two topics in last paragraph?

.. Because the death by a Real Pandemic of all post menopause Witches would make that kind of thing nearly impossible – along with the source & active support of over 80% of all world evil.

---

Tucker's last (rhetorical question) is '***Where are the men to stop this [insanity in the schools - and else where]?***', ..

.. **which I will answer**; they were driven out by the evil-Zionist international Witch-Matriarchy ruling families controlling every major institutions and gov, including banking, investment, and FBI and police – and any man that stayed and fought was destroyed – put on a list and hit from any and every direction because those in direct power over us each – housing, banking, medical, .. - all are connected or themselves will be destroyed if they do not assist and-or resist the targeting destruction of those on the Lists, and no simpler way to get on those lists is to be against the evil soul-murdering howling-horrors that has spread because women actively support it, and the men who have not and resisted in meaningful way are homeless, dead, jail, or in hospital or nursing homes being tortured.

The simple fix would be as I wrote about - a Real pandemic where most older post menopause women all die, and women who do not Repent and enter menopause die, and we enjoy a much better future where Love, Joy, Hope, Truth, Justice, Goodness' murder and torture is Stopped, and starts to return without the Curse of their very Breathing-evil.

---

Mind-controlling #FreedomToHear hating horrors from the gov have been put on 'pause' (because such evil is never stopped until all the people supporting it are gone – including all the older Witches [women] in their families) and will soon return under the cover of some contrived FalseFlag, or implemented quietly with only the public information 'paused', ..

Here are two tyrannical mind-twisting vile [#FreedomToHear](#) interfering slimy cnts – who I happen to also like and otherwise worth listening too (with care!) - yet they are discussing very important issues .. the AI 'Capturing' our minds, reshaping not unlike a Demonic Force – or could be one .. as the Facebook, Twitter, Google, .. evil corpDragons are using it by punishing anyone for not being even more evil than their AI to protect themselves, and many other aspects.

She is wrong – I suppose I am a Descartes Dualist ..

[https://en.wikipedia.org/wiki/Ren%C3%A9\\_Descartes#Mind%E2%80%93Body\\_Dualism](https://en.wikipedia.org/wiki/Ren%C3%A9_Descartes#Mind%E2%80%93Body_Dualism)

Archived: <https://archive.ph/y3Uao>

**Mind–Body Dualism** [[edit](#)]

Further information: [Mind-body problem](#) and [Mind-body dualism](#)

Descartes, influenced by the [automatons](#) on display throughout the city of Paris, began to investigate the connection between the mind and body, and how the two interact. <sup>[[citable needed](#)]</sup> His main influences for dualism were [theology](#) and [physics](#).<sup>[[citation needed](#)]</sup> The theory on the dualism of mind and body is Descartes' signature doctrine and permeates other theories he advanced. Known as [Cartesian dualism](#) (or mind-body dualism), his theory on the separation between the mind and the body went on to influence subsequent Western philosophies.<sup>[[citation needed](#)]</sup> In *Meditations on First Philosophy*, Descartes attempted to demonstrate the existence of God and the distinction between the human soul and the body. Humans are a union of mind and body,<sup>[[citation needed](#)]</sup> thus Descartes's dualism embraced the idea that mind and body are distinct but closely joined. While many contemporary readers of Descartes found the distinction between mind and body difficult to grasp, he thought it was entirely straightforward. Descartes employed the concept of modes, which are the ways in which substances exist. In *Principles of Philosophy*, Descartes explained, "we can clearly perceive a substance apart from the mode which we say differs from it, whereas we cannot, conversely, understand the mode apart from the substance": "To perceive a mode apart from its substance requires an intellectual abstraction,<sup>[[citation needed](#)]</sup> which Descartes explained as follows:

The intellectual abstraction consists in my turning my thought away from one part of the contents of this richer idea the better to apply it to the other part with greater attention. Thus, when I consider a shape without thinking of the substance or the extension whose shape it is, I make a mental abstraction.<sup>[[citation needed](#)]</sup>

According to Descartes, two substances are really distinct when each of them can exist apart from the other. Thus, Descartes reasoned that God is distinct from humans, and the body and mind of a human are also distinct from one another.<sup>[[citation needed](#)]</sup> He argued that the great differences between body (an extended thing) and mind (an un-extended, immaterial thing) make the two ontologically distinct. According to Descartes' indivisibility argument, the mind is utterly indivisible because "when I consider the mind, or myself in so far as I am merely a thinking thing, I am unable to distinguish any part within myself: I understand myself to be something quite single and complete."<sup>[[citation needed](#)]</sup>

Moreover, in *The Meditations*, Descartes discusses a piece of wax and exposes the single most characteristic doctrine of Cartesian dualism: that the universe contained two radically different kinds of substances—the mind or soul defined as thinking, and the body defined as matter and unthinking.<sup>[[citation needed](#)]</sup> The Aristotelian philosophy of Descartes' days held that the universe was inherently purposeful or teleological. Everything that happened, be it the motion of the stars or the growth of a tree, was supposedly explainable by a certain purpose, goal or end that worked its way out within nature. Aristotle called this the "final cause," and these final causes were indispensable for explaining the ways nature operated. Descartes' theory of dualism supports the distinction between traditional Aristotelian science and the new science of Kepler and Galileo, which denied the role of a divine power and "final causes" in its attempts to explain nature. Descartes' dualism provided the philosophical rationale for the latter by expelling the final cause from the physical universe (or re-

.. and argue it pretty clearly – perhaps if her VagFeelies can put up to what she might call my 'Hate Speech' - her and other twisted

brain-F-ing cnts like her could learn something .. they discuss that AI twisting of people, yet want to do it themselves!

.. talk about rejecting Perspective and self-evaluation towards Satanic Power.

Normally I present him as an example of someone with a sense of wonder and someone to share and suggest to emulate, but when he gets together with this twisted cnt, then they become an example of the Horror of such mind-F-ers are, who would prevent you and me from hearing the Voice of those these twisted-horrors do not want you to hear.

Notice they use 'children' as an excuse .. to control adults. Instead of putting the responsibility of the parents and suggesting that perhaps unlimited web access for 6 years old is something we should say is a bad idea – for the children and because Dominic Forces and Her Female-Evil will use it as an excuse to Oppress us, violate of Human Dignity, and murder our souls.

.. perhaps they would argue that we can not tell women that if they have sex then they must carry the baby, so that those women should be allowed to torture our babies to death instead.

She even uses the abuse of 'for the children' to control others – even while doing it themselves!

And they are two willing to go with the clearly Fraudemic excuses – granted for an example – but instead of using as a chance to .. well, never mind – they likely too ignorant not to understand that the Masts were actually Known by real professionals to be harmful and no value for what the evil-Witches said was the reason, just the CO2 levels we constantly exposed to being higher then OSHA allows for workers on job, but yes – most of your retarded Witched brain-damaged cnts are psychologically too damaged to even try to understand .. twisted by those same Demonic AI s and Satanic Minions 'in Authority' already.

Some great stuff – but then they use some of those aspects they decry and warn us about! A good example of being 'too smart' – being psychologically too damaged and pride-filled to see the Obvious, like the man being beaten by the Cyclops in movie review I recently posted .. while the regular guy – his partner was not Blinded by all that 'education.'

.. But I am sure she and they pat themselves on the back for it.

I do not understand what Jonathan about twitter can not be absolutely free speech because .. vomit .. something like someone has to choose the hierarchy of value and the flood would be too much .. vomit.

.. how about we decide for ourselves? That we are free to add and remove people we follow? I am confused why he feels this is somehow unmanageable – twitter was known to slimy remove people you were following – not because those people were banned, but a slimy way of censoring those channels ideas by removing your 'watch list' 'follow list' of your subscribers .. that is the kind of thing that [#FreedomToHear](#) interferers like these guys - after

a short time their rotting souls become feted wrinkled turds – what they support.

I have high-lighted her because I was so disgusted the first time he interviewed – 'Hate Speech' excuse that time – the example follows., ..

I discuss this situation after the video .. when I first hear of it I spent a while considering how ugly is the side – the clearly Satanic Side – we all forced into .. where are Taxes and enslavement and inHuman evil directed at us for generations, .. put us. Where any reasonable person would consider the box of 1000 rounds of 9 mm for hand gun would go a long way for clearing the evil and their vile mothers and older women in their families within 30 minute driving distance – as Wrong as that would be – while they bleed our lives and those of all we love or could love any, murder our Joy and turn our efforts into Horror .. but I will continue after the quick summary of the particular situation which reminded me of the thousands within all our states that Gone would be a good Start., ..

I recall thinking about this situation – the Russian soldier who is being charged with civil murder for being a soldier, specifically a general situation where someone innocent who will likely alert the authorities at your presence – and this situation does not have to be soldier but someone escaping prison but for whatever reason you can not trust people, for example you walk up to them and say to them;

'I will likely have to kill you now - and I do not want to - but you now know something that means you can [hurt me, give away position and direction to my team, ..] that I can not let be known, and now have power to prevent [by killing you.]

Will you give your word that you will not talk to anyone about this for 4 hours? – just disappear, hide, so you will not have to lie - then I can let you live.'

And that people could be trusted, and that even if they later reported after 4 hours, that the reason that he stayed silent would be respected because his Word was sacred, as it once was for gentlemen – where captured prisoner [officers] were given freedom and even if some situation where they actually ended-up under some commander of higher rank – say he was in the process of saving a ship-wreck survivors and ended up picked-up by own side, and would demand to be returned to prisoner status – and the man of higher rank would have to agree because .. the man gave his word and it would be an exception to the rule that such a underling can call-out a higher officer to a duel t death for forcing him to break his Word, to Offend him and the entire system.

Imagine such a world where even the slimy vile cnt women in power over us would respect a Word given, where our Word and the dignity & virtue required for such a world would disqualify all those in top 3 levels of power throughout the world, .. Imagine such a Reality – would we all not be a huge way back from this vile #CntHell?!

Today such respect for person dignity is likely impossible to communicate for many, but cause most of us Witches and vile Female-Evil horrors who have twisted us from crib, who Hate manhood, and virtue and standards and such .. and so such situations as the soldier faced would end in the killing – of men women children .. because Satan has destroyed our societies and

sense of Value of Virtue, that all such Standards had to be removed because otherwise the majority or many women would face the needed censures and punishment that decent men would not need too, and so they were unable to compete at some other standard – not only Merit, and hard-work, but because they slimy lying vile vicious back-stabbing howling inHuman delusional-psychos – or became so as no way existed anymore in correcting them or setting limits – so much like that person who could not longer be trusted to give & keep their word – many are often faced with the reasonable choice of just assuming the women around them – at least one – is such a howling horror and better they all Gone then the risk ..

.. and if you can not understand this – well you are another fatherless howling-amoral F-ing retard, and a good example of the kind of cnt that absolutely should not only have no power over anyone else, but a Warning should be constantly given that your are Demonically Oppressed and Witch controlled, a danger to everything Ordered, Just, True or that and those trying to be.

—

And not I will get to the video I wanted to highlight – this was a clip on their Sunday live stream about the trail of a Russian prisoner of war, and if I could ask Barnes – who is absolutely correct here – but ask him what was his position on the Islamic State people captured, or even those similar situations throughout the West who were clearly attacking our service people and structures in actions related to any of the huge numbers of wars and undeclared wars – such as those Sanctions (an act of war, and F-you if you disagree – the parents of any one of those 500,000 Iraqis and any military connected to Iraqi at the time had the right as soldiers to act as if we had declared war openly, and expect to be treated as a prisoner of war after they Assassinated or attacked this #GreatSatan Empire anywhere throughout the world.)

I would be interested in knowing Barnes position on that, and I argue that this 'terrorism' charge as if it was not war, and they should often or nearly always treated as actual war prisoners but were not – that this is another example – like using torture – that anyone and All the everyone in the military and around the world should have long decried, that the Female-Evil Vagina-god Satan following slimy horrors have long ago put the worst evil-impulses of female nature as the standard because they long ago gave up Virtue and Goodness or even the pretense of trying for it – that the best thing this entire world could experience arguably is the mass Goneness (death perhaps) of everyone connected to the top 3 levels of power in every Gov and Western Institution – and related around the world – that all the elite women over menopause age gone and a good chunk of the men in any power.

Anyway – while you review this short clip, consider what a slipper slope this 'terrorist' category is, that now – as mentioned in video in last post – that even parent who go to school board meetings are now on Federal #GreatSatan Empire-wide lists as likely domesticity terrorists, and if this Russian soldier is not an example – a last

straw – to suggest that Russia send the Nukes and target – as best possible – every ruling Witch family and a good chunk of the elites, and put the society in no better state of existence they those Satanic howling horrors in power are planning and clearly pushing for us all – the Genocide Evil Poison-injection, starvation, .. mass deaths they have planned – after 2-3+ Billions of babies tortured to death legally – with the advantage that instead of there systematic targeted murder and killing of the Classes they want dead – the deaths Start at them, and the unrest allowing regular people to hunt down the local and wider Tyrants and all the supporters and all the older women in their families – the Reverse of the Culling they have been doing to our virtuous goodness seeking sons, brothers, fathers, uncles, and the families they had and would have had - since before enslaving us all in the Civil War

Most of us are being Pushed into Hell – I am suggesting that Russia makes it so that when we get There that the evil Satanic Witches and Minions are already Burning and Screaming, and that our children and the innocent that would have been dragged there by those howling horrors in power – that those innocent are Not.

And if you disagree it is because your never had a chance to be virtuous or to understand what Love is, and you require Mercy, your a slimy vile grasping cnt horror like your mother and the Witches shaped you to be. Sad.

Repent., ..

Instead of fixing the problem for everyone – the evil-Zionist Western Society destroying Monsters in Power decide to instead give special privileges to some.

The psycho-murdering and can-killing man who was a 'white supremacist' and that his murdering spree was because of that hand nothing to do with being locked-up over covid rules and little to do they collecting often opposing views and becoming dangerously psycho .. my question is if any of those shot dead by him was protected by wearing an anti-liberty Fraud-demic mask?

..find that offensive? Well, F-you.

Some other good stuff.
