Good Monday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1902:

One of the subjects I considered in this morning's prayers and meditations was related to the Betrayal of Jesus by one of his apostles. The Need of such Betrayal to fulfill His Holy Infinite Service, and as discussed in previous posts the Least of the 12 would fail, that each of 12 likely were picked because they represented 12 States (4 Base Natures of Man seen as Beasts in Book of Apocalypse [Revelation], each at 3 levels – lower, median, higher) that were also the Template for each Tribe of Israel, and given different situation and Graces that the Betrayal might have come from – in Multiverse Did come from each - other Apostle [Type].

And so I invite us each to not focus on the actual Apostles described – too briefly – in Holy Writ, but in the kind of Betrayals.

We have Greed already. As we see such in the world all around us – this is easy to understand.

What others are Predominant and in-fact God is using Satan to Show us within ourselves and others as described in Psalms 51:3 (archived) - '... all my Sins are before me, ...' is a reminder that when we are Judged and must Host of Sins – as Cane is – we have that Sin all around us and directly harming us and those we love and care about, that once we start to Change with this Revelation and Repentance and God's Grace, still it is everywhere and we come to Hate that Sin and those connected to it.

Perhaps for Peer, Boss, Powerful Recognition, to look and be though of better by those leaders at the temple, to wiggle a better position or favors .. kind of pathetic Virtuous Appeal as we see many co-workers and others announcing that they spent the weekend at a BLM or 'Climate Change' protest. But then Betraying a co-worker for suggesting that BLM was not all virtue and Light, or that climate change was not what Satan's Narrative says it is.

Or more visceral is the Betrayal of mothers of children for the 'Trans' label and the imagined 'benefits' of such, like a hyper-version of pushing for some kind of diagnosed condition for a child to not gain great Social Security Federal money but to parade around such 'bragging' whenever wanted or perceived an advantage.

The Trans version covers a kind of pure deep Betrayal, an active destruction of the souls and future of their children even far greater than the now standard Septic Female-Evil Poison of male-hate (fear & despair into girls, and self-hate and despair in males) a Castration and Mutilation of the soul, but with the Trans it is an extension – like the sexual mutilation of boy infants but far far more Satanic a Betrayal.

I invite us all to look around and see what others causes and reasons for Betraying Jesus might have been the Fall of one of the other Apostles, as clearly all our Sins are before us. Clearly our children are a good source for such Illumination .. as womanhood as long since been crippled and mutilated.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Some longer videos today, and a lot to review for me and hopefully you will find them valuable. Most could be stripped of video and made into MP3s to listen to while traveling or walking, of course.

I hope you will enjoy and Profit from them.

It seems strange to me that different artists doing 'Covers' popular songs often has me listening more closely – likely for differences in style but – brings the actual words and meaning better than the originals ever did. Although this is likely because when I was much younger those meanings – if perceived at all – were shadows within myself of what they are now, but still – Rational reasons aside – it really is a Joy .. and perhaps consolation to much younger versions of us that growing older and facing hardship has many – often imagined or could be imagined – benefits, ..

.. I had a kind of weird insight flash about the clouds and another song by a different artist than the original where she added 'clouds' as a dream as an excuse to sing about something different .. as if I Senses that she pulled that inspiration from the perhaps then popular original song at the time.

Besides her stating such happened – even if she could remember it if true – there is no way to check that, yet I Sense it is true in part because it came out of no-where I could Rationally point too.

I suppose it could be disproved – if the song I believe was inspired happened before the other was written, performed or otherwise

Man, don't get me going on this subject! ..

Insanity. Male-Hate and family-destruction gone insane.

This alone given that most voters are women and support this is Rational Grounds to suggest that the Death of all post menopause women would be Just – by any standards of secular Justice that this such insanity can exist.

In fact the hacking to death of them all by Teams of Septic-Cleansing groups of men, women, and fathers, mothers and those who Hope to be and who have been victimized seem Rational in comparison. If it started for real, why would I do anything but argue that it is rational – and although God Demands Love and not Death, in this Hell such a situation of widespread murder seems most Sane., .. {comment continues}

.. except I would argue that must limit to no more than 3 Billions of older women – as the number of babies they legally tortured-to-death seem like a good limit.

It is things like this the Burning in Hell – suffering all the Sins you created - exists .. one painful death is not enough for some things .. people must Suffer the lives of their victims and other such Justice .. Fearing God is the beginning of Wisdom!

'Special' courts for sexual assault cases .. like special 'family' courts?

How many of those Witch judges can and will say what the Parental Fraud rates and the false rape accusation filed with police?

Anyone involved in such – like with the family courts – argue please why it not Just to publicly hang them all over the corpses of their mothers, aunts, .. [most] all the older women in their families.

Please, and unless you do it well – die screaming with your mother, aunts, ..?

Only being accused of being a sex offender! – even if it goes not further because the initial investigation or it is withdraw- is enough to get name on a list that destroys a life – often hidden because people do not know .. everyone connected to such – please argue they not hanged over the corpses of their mother, aunts, ...

This is a good self-and-others' measure of how evil-Blinded and Demon-Oppressed or Demon-Controlled we are. If this does not seem insane given personal and information which I and others have provided – no fault divorce statistics of 80 percent from wives and over half gave reason 'because not happy', Federal laws to promote the taking of children from fathers (through matching awards), false rape accusations filed to police of 80%, the pure untrustworthiness of modern Western women as a class in this cntHell with 1/3 of us Bastards, .. and similar - if such an increase in Active Evil by Western courts does not seem insame than let me ask .. how does it feel being a Toxic Horror to self and world – and most of us would be better if you Gone – dead for safety to others?

Of course he is another Satanic Witch and-or Tool. No one has that much power or wealth without being directly connected to Satan., ..

The International Witch-Matriarchal ruling families underlining goals - besides Christian White men genocide - for unending war, unending destruction, unending theft of properties and production and Power .. recall the active destruction of small farms throughout this GreatSatan and the small businesses like removal of local meat processing under ridiculous 'safety' standards that intentional left only the largest national and internal corpDragons able to function – and they avoid much though Capture of DeepState and control inspectors who target smaller businesses (think IRS methods and procedures of evil), and so so much more Satanic evils, ..

This professional is a good motivator .. his work-ethic is inspiration to me – even if I have problems with some of his Leftie positions which thankfully he does not normally jam under everyone's noses except 'on the fly' answering chat Questions and needs some example from modern society where his Woke Septic Vomit spews as bad as any of those Witches he (and all exposed to 'education') has been surrounded by in Academia.

His produced work is solid.
