Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be
Always on our Tongues, in our Hearts, Minds, and in
our Hands.

[Quick Editing note – I realized that I had not updated and reported the year properly in the last two days' posts. I have made corrections and adjustments to the extend is reasonable.

..Also, public access to DropBox is still being Blocked – I will try to email the Tech-Support person directly, or do something similar later .. something more the leaving a request under 'the Ticket'.

Likely seeing some delay due to the Holiday and normal business issues related.

If more then that then .. well, they are a private

business like Facebook, YouTube, Twitter, Amazon, .. doing the bidding secretly of Gov and-or Golden Calf Venture Capital Witches – or whatever reason – is not something I can do much about but mention it, and use in Evagulation and argument how clearly the '6 Millions' and other soul mutilating and evils related lies and history rewriting is happening, and has always happen in the West.

Also, I have a newer Facebook Archived (Zipped) file on DropBox – limited now to only the time persiod when I started to Label and Number my posts, from 15 Nov 2017. Mostly because of file size, and little or no changes happen to the earlier posts (except maybe Facebook removing them .. perhaps. I have to reconsider this perhaps .. for those who might be Mapping the Censorship, running Searches and Mapping what the Facebook Witches do not want looked at.

.. anyway, if here in this Multiverse Path with me or others where DropBox is being a Tool of Censoring, then you will not get to see them anyway – until or if ever such corpDragon Censorship as Tools of Satan (if that is why it is happening, and in this Witch-evil Howling Hell - why would it not be?)]

This morning's prayers and meditations went Far & Wide and given the priority to correct the past incorrect year reporting on last two posts I have unfortunately

been drawn more to the worldly and away from the Quantum Mind then I would prefer .. especially when I fall into consideration of My State in this Holy Simulation - the weird situation where those who in a regular Reality would have noticed and mentioned it right away are unable, and so must watch with others to observe how long it takes to discover the Error and correct, and see what corrections I do in what is an Error that is in-fact has unBounded effects through the Multiverse. .. and related tangents.

I do recall I was thinking about the different Masses – including the earlier Latin Rite – in part because of my realization that I discovered yesterday and reported in [post](#) (Click of [SubStack](#) or [Facebook](#) version, of see PostScript for full URLs) that I have '**Sedevacantist**' leanings .. at least I can Apologize that Position in such a way that seems pretty direct and not refutable, or have not been in the Female-Evil like putrid silence that the Vatican has were actual Open Debates where such positions are suppressed – adding to the Apologetics to the '**Sedevacantist**' point.

The older Latin Rite is different than the 1962 (?) version we are now using.

This was and is being considered because I have equated the **Latin Rite** as more like 'Holy Logos' (More of the Symbolic Perfection) where the Modernist version is some poor approximation of 'Holy Word' version – that is reworked simplified and much of the Symbolic Perfectness is intentionally removed to apply in the Language of the Missionary uses, .. like how

Jesus used Parables because if He spoke the Real meaning only Angels would Understand, and His Closest followers would understand small parts but incomplete.

.. and this is reasonable – of course, and why I argue that Vatican II also Implies .. well a Better version of the 'New Mass' (**Missionary** Stepping Stone), but a 3rd Old Jewish Version (**Messianic** version), Hebrew and Greek – perhaps – and included is a reintegration [option] of much of the old Jewish Laws practices .. that would more fully engage us to the Situation He was raised in.

As such the 'Missionary Mass' [Jesus Emphasized] would be a first Step, then as a soul craves would go direct to the 'Messianic Mass' [Father Emphasized] or through the 'Latin Rite Mass' [Holy Ghost Emphasized].

-

But I digressed into particulars and background - too much.

—

I was Reflecting on the often mentioned parallel between the Symbolic_Pi verses the Approximate_Pi (3.1415..) Mathematics Analogy – As discussed in ['Multiverse Journal - Index Number 1724:; November 25th, 2022, Friday Morning'](#) (Click [SubStack](#) version – no *Facebook* because Suspended at time - or see PostScript for URLs) ..

.. Where the 'Holy Logos' in my Prayers and Meditations means the Symbolic and the 'Holy Word' is the Approximation – where, for example, Jesus Christ

is one Christ of 144,000 Flavors – all of which together Forms The Son (of the Trinity) .. where The Son differs (and exists only) in that He holds incompleated Souls being Hosted.

And all this is related to **Pope Benedict death** – in part my Post Review and Apologetics by comparing his earlier upbringing (['Multiverse Journal - Index Number 1755: December 26th, 2022, Monday Morning'](#), [SubStack](#) or [Facebook](#) version, or see PostScript) in the Golden Calf Satanists' psychological soul Abusing, Mutilating and Murdering post WWII Germany linked to the damage I and many have been raised in the Golden Calf Satanists' psychological soul Abusing, Mutilating and Murdering Feminism, and connected acceptance (not Aggressive Clear Opposition at every corner and every roof-top in 1960 to Legal Birth Control and the clear psychological poisoning of womanhood and manhood and Western Virtue-Based society where disposing of others becomes the normal, and the following torturing-to-death of babies by Witches as Satanic Sacrifices of mothers, fathers, and .. tax-payers and voters souls.

.

.. the 'turn-away' and acceptance of the Church to not only the world but own professed Catholics who are openly and actively Heretical - and Desecrating the Host - and in Risk of Judgment everyday .. that has become the pattern.

.

And this is connection to Female-Evil Pope Francis The Destroyers acceptance of what is [again] the **Golden**

**Calf Satanists' psychological soul Abusing,
Mutilating and Murdering** German Synod .. a further
abusing of 'the New Mass' pretending to be Missionary
adjustments into Heracy and Evil.

How the German Synod was similar to how once in a
while a State Government here in the USA would pass
a Law that defines Approximate_Pi as the Integer 3.
And for the analogy to be better – was forcing all the
engineers and scientist on Pain of Fines, Gun, Prison,
Death to never use any other form in calculations, to
'round-up' to nearest Integer at every calculation .. and
disregard the Bridges falling down, the Satellites falling
out of orbit, etc.

—

My main direction of meditation was how much my
Apologetics 'Released' Pope Benedict – if at all. He
may have been unable to release his grip (be Of the
World, not only In the World) because he felt that he
was responsible – when I related that what happen was
the Back-Propagation changes in Holy Simulation
History from the mMaster's Sin of Commanding
innocent killings become injected into society and the
souls of the Virginal Female Nature and society, and so
besides what minor Purgatory Hosting can be expected
– God's Will withstanding – he will be Forgiven that
which he felt most unWorth because of – his mistakes
in Vatican II and beyond – including okaying or even
recommending Pope Francis The Destroyer – as the
mMaster choose hHis Female Self.

.. some other aspects related to this.

—

—

Another concept I was considering is related to what I have detected and mentioned before about what seems to be the 'jumping' of me to different places in the Multiverse – particularly in yesterday mornings seeming unexplained near Barrenness in my Meditations, ..

.. and it occurred to me that I may have written a bit about what was going on in particular in the past in a seemingly unrelated post mention of my Model of Holy, or the swapping of Avatar Versions between Master versions – and this might be because some internal demonically-abused soul-weakness (in the Female) had been fixed – the Male Domain Controller adjusted, and so in Service and Communion with Peers and Others the Master makes available that version for others who have not had the 'Code Patch' applied yet. (Unfortunately I can not find that Post in Search(s) because too little specific terms but should be within 2 weeks, I believe.)

—

—

And and and .. some many other aspects Returned .. Submerged back into the Infinite Quantum Mind.

Wow, I got up to do some other things for a minute and I got a Flash of a huge chunk of my medications related to the version swapping. First that if I am in the same Multiverse sequence path then the difference between yesterday morning and this morning is clear.

And that I spent a lot of time going through as a review

and expansion of concept of How the Holy Neural (Saints and Sinners) Network would be, could be, is likely being expanded.

And on-the-Side that the swapping is popular because I spend a lot of my Medication actually re-outlining my Model of the Holy, almost like a Seminar, and in this I seem to get feedback and workthrough modification are considered .. as if I am discussing it with very very many versions of me with different perspectives.

—

So today I realized .. well, some background is needed first.

The concept of the Holy Healthy version of us are those version(s) that are in Communion with God. And everyone of us have them. Think of them of the Version(s) God Imagines at our Conception .. and are complete – and the Holy Ghost uses the Differences in all the Multidimensions to direct the Path for us – and the Guardian Angel(s) are all the Saint Versions (of others) that at the Top-Sphere Surface are the Differences in many directions – so are like Vectors that connect what this version is missing, where each Saint is basically a group of perfect Holy Attributes in Functional Form .. think in terms of how some Saints may be prayed to for specific Gifts often related to how they became Saints.

Non-Catholics might not be used to this concept .. As I often Pray to [Saint Maria Goretti](#) for Holy Forgiveness – not only for those who have abused me through my sex, my being male, but applies in general terms. Some Saints are prayed to for finding lost objects, and for

healing of particular issues, they are termed Partian Saints of -subject|Aspect|Function|LifeState-.

—

If we think of these as Weighted Attributes in some Dimensional Space, then they become Vectors – or Holy Forces. And so on some kind of Unit Hyper-Sphere they could be surface Vectors from the Perfect Health version of us .. at any moment a Point when Projected onto that Surface .. the Projection Direction would be subject to the Improvement Goal that the Master is working towards.

Part of Building-out the Holy Neural Network would first require a disconnection with the Perfect Health Version of us, and then using those Force Vectors linking connections to 'Nodes' in nearby Jacob Ladder Level distances from this version of us.

And as I have discussed the Archangel Rafael, Gabriel, Michael are the Functions which do the actually NEAT-like operations.

.. See *NEAT paper*.

Technical Report TR-AI-01-290

June 28, 2001

Abstract

An important question in neuroevolution is how to gain an advantage from evolving neural network topologies along with weights. We present a method, NeuroEvolution of Augmenting Topologies (NEAT) that outperforms the best fixed-topology method on a challenging benchmark reinforcement learning task. We claim that the increased efficiency is due to (1) employing a principled method of crossover of different topologies, (2) protecting structural innovation using speciation, and (3) incrementally growing from minimal structure. We test this claim through a series of ablation studies that demonstrate that each component is necessary to the system as a whole and to each other. What results is significantly faster learning. NEAT is also an important contribution to GAs because it shows how it is possible for evolution to both optimize *and complexify* solutions simultaneously, offering the possibility of evolving increasingly complex solutions over generations, and strengthening the analogy with biological evolution.

.. and it reminds me of the amateur Mathematician and gay policeman I used to follow on YouTube and linked to this music-video ('[The Justicar](https://www.youtube.com/@integralmath)' <https://www.youtube.com/@integralmath>)

God Bless him.

He had good insights into crime, Police, & Military matters and other political dimensions .. he stopped creating videos some 3 years ago and I finally removed his account from my subscriptions – I always and still hope he is doing well (*and Converted, stay Chasted, etc. .. of course*).

I sensed he was the kind of man that you could trust to have your back.

If something happened to him – maybe because I used to link to his work.

I trust and expect the appropriate Justice befell those

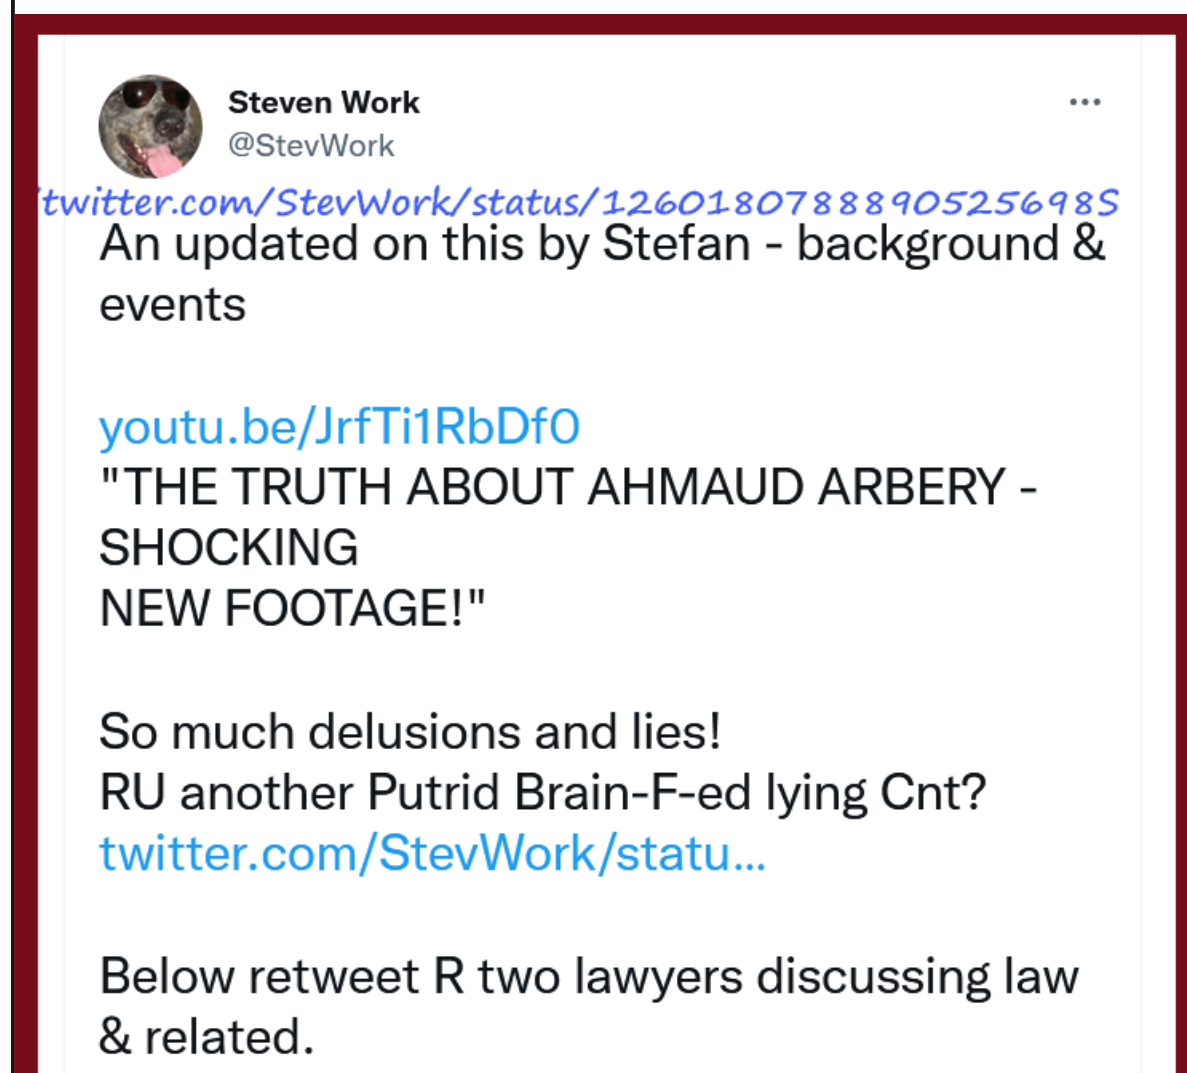

connected – including and especially the Witches in their families. That was back when it seemed like those I linked to for political reasons were suffering from it, the Satanic Horrors in Power in those Multiverse Paths were pretty Ugly.

Including image with some tweets I found while looking for some of those posts where I quoted him .. only found one in Facebook Search, and that was something about immigration and his video was removed from YouTube .. (so the Witches were fine leaving that Post in Search) ..

-

..and I happen to come across a few examples of Twitter – which I placed in images, but the Tweet;

It really pinches my underwear when someone just continues to say something they seem to imagine but no proof of;

"the men pointing their guns at him" no indication in video, and they don't see him attack..?

Lots of similar stuff from others; Delusional?

So is their footage the media leaving out of him taking

.. is a very minor example of how I use to use Quotes and Replies to 'extend' the functionality of the limits. The YouTube video I linked too was removed – his entire account was removed, in fact.

(Why we can't have nice things like a working society, not this putrid ...)

In the image I included an example of Twitter censorship when I 'triggered' one of the AI Bots that often responded with innate comments. Seems pretty clear even today that I am on a Suppression List, that my tweets will only be used against me in a court of law or as excuse to abuse me by Satan .. I suggest that is mostly the case for the average person.

Here (above) is an example of nesting interconnected thought & topics.

A good interview.

The '**6 Millions**' Lie discussed, and the leveraged destruction of Christian Western Society – Genocide system for the last .. since before Civil War.

We all need to use the Label of the '*Golden Calf Satanists*' instead of '*The Jews*' as we need to discuss the Witches to separate from womanhood, while understanding the slimy vileness is a continuum of evil found throughout these and most groups, ..

.. but unlike Christians who will not usually support the evil of others, the majority of Witch-directed Vagina-god following Women and Jews and other tribal groups have something basically unChecked Rottenness in souls – something the Christians strive daily to Exorcise from Self – Loving Neighbor and Enemy as we Love ourSelves.

Listen to the interview and try to figure what is different between '**the jews**' and '**womanhood**' – Can you see the same situation? .. most of each groups are actively supporting and helping hide the evil center vileness and allowing the evil to define them – and so rest get to play the slimy victim card – and all are sucking off the rest of us, profiting from our Suffering and Deaths through vile vicious lying putrid evil and supporting of them.

Once the evil-Blindness and delusional-lies we were fed from cribs by mother, media, teachers, .. once they were broken, the Demonic mother's oppressive voice is

isolated – it is clear that the Virtuous are demonized & murdered and the evil sin-filled are hyper-empowered.,

This is the second hour of the Dec. 23 live show. The discussion frequently refers to [the first hour with Daniel Pinchbeck](#).

Alan Sabrosky and editorial associate Cat McGuire discuss their new essay "Unsettled History: The Useful Abuse of the Holocaust." It begins with a meditation on Mark Zuckerberg's announcement that Facebook would no longer permit "misinformation about settled historical events," and goes on to question just how "settled" historical events can ever be, with the Holocaust being a case in point.

January 3rd, 2023, Tuesday Morning, Index Number
1763:

The screenshot shows a Twitter thread with several tweets and replies. A yellow highlight box is placed over a tweet and its reply. Handwritten annotations in red and blue ink are present on the right side of the image, including 'Old June 4th', 'Index Number 1763', and 'Please note that repeated violations may lead to a permanent suspension of your account. Proceed to Twitter now to fix the issue with your account.' The highlighted tweet and reply discuss AI bots, suppression lists, and a specific video link.

Highlighted Tweet:
.. is a very minor example of how I use to use Quotes and Replies to 'extend' the functionality of the limits. The YouTube video I linked too was removed – his entire account was removed, in fact. (Why we can't have nice things like a working society, not this putrid...)

Highlighted Reply:
In the image I included an example of Twitter censorship when I 'triggered' one of the AI Bots that often responded with innuendoes. Seems pretty clear even today that I am on a Suppression List, that my tweets will only be used against me in a court of law or as excuse to abuse me by Satan .. I suggest that is mostly the case for the average person.S

Other tweets in the thread:
 - Funny. It's like you're working a difficult math problem on a black-board when some child runs into room and laughs at you because they don't understand an integral symbol, and such.
 - Here (above) is an example of nesting interconnected thought & topics.

It really pinches my underwear when someone just continues to say something they seem to imagine but no proof at; "the men pointing their guns at him" no indication in video, and they don't see him attack...? violence, these "Men who wanted to be left alone" will fight with unholy vengeance against those who murdered their former lives. They fight with raw hate, and a drive that cannot be fathomed by those who play-act at politics and terror. True terror will arrive at the Enemy's door, and they will scream, cry, and beg for mercy, but it will fall on deaf ears. For these men simply wanted to be left alone.

THE FIRST PRIDE CELEBRATION

In the entire history of mankind, there is only one event that you are "forced" to believe, under the penalty of law - "The Holocaust". People have been imprisoned for merely researching it. If truth fears no investigation, what does that tell you of "The Holocaust"?

COMING TO AMERICA

You all realize that unless We the People bypass the government to institute restraints upon their tyrannical activities, there will never be anything but democrat presidents?

Were you also aware that the framers of the Constitution foresaw this problem and provided us with a solution in Article V of the Constitution? What they didn't foresee is the lack of courage the American people now have not to use what they gave us...the Convention of States.

BLACK PRIVILEGE

The ability to break every law in the country and still remain the victim..

Free speech is inherently antisemitic.

If people are allowed to freely talk about jews and the things they do, societies as a whole become antisemitic.

Which is why jewish groups like the ADL work so hard to shut down free speech. It's why it isn't allowed on any social media platform other than Gab (which the ADL has worked very hard to try and shut down). It's why we have a government appointed official specifically to monitor and combat antisemitism.

Antisemitism is the most banned, censored and regulated speech in the country of "free speech" because it is the speech that the people in power are most afraid of

Durham Police deals with eight Christmas Day sudden deaths

🕒 29 December 2022

Durham Police said it dealt with eight sudden deaths

A police force has said it attended eight sudden deaths on Christmas Day as it dealt with 339 incidents in total.

The most terrifying force of death comes from the hands of "Men who wanted to be left alone". They know, that the moment they fight back, the lives as they have lived them are over.

It is a small form of suicide as they are literally killing off who they used to be.

Which is why, when forced to take up violence, these "Men who wanted to be left alone" will fight with unholy vengeance against those who murdered their former lives.

They fight with raw hate, and a drive that cannot be fathomed by those who play-act at politics and terror. True terror will arrive at the Enemy's door, and they will scream, cry, and beg for mercy, but it will fall on deaf ears. For these men simply wanted to be left alone.
