Good Thursday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1884:

In this morning's prayers and meditations I felt that some more
detailed Apologetics are needed for the '72 Virgin Males' in the
Village the mMaster Rules over, The Village being in the next further
Jacob's Ladder Level and those 72 are Clean versions of hHim with
differences is physicality and Balance of 6 of the 7 Powers of God, the
Lamp Posts mentioned in St. John's Book of the Apocalypse
(Revelation.)

The Perfect Balance of those 7 is needed for Perfect Holy Health. And
generally we can think of touching One as one of the 7 Grave Sins,
although I think such is more granulated and need to be
deConstructed further .. as the 4 Beasts are the Base Natures of Man –
it is only in the Mixes that any is ever implemented.

The 72 is the 6 Lamp Posts variations (Distances) under 12 Apostle or
[Jewish] Tribal mixes – that is 3 levels in each of the 4 Base Natures of
Man .. with the 12 Apostles being picked for their similarities to all the
different versions of us Avatar mixtures of the Base Natures – and if
we had more details of the actual Apostles this might be argued with
better resolution .. but we can Assume that Judas had whatever
mixture levels that our Usury enSlaving Female-Evil Golden-Calf
powerful Satanists 'Lean towards' ..

.. and I would Argue that as the entire Bible and all of us are Hosted
on the Soul of Cane – and so Murder, Concentrated Power (City-
States), Skills and Scientificism dominate us and our societies because
these are part of that of Cane that was unmanageable or secondary
effects and similar, that we are all being Hosted under Judas and his
Female-Evil Betraying Grasping Weakness.

That Weakness is seen on modern unrestrained Western Womanhood
expressed clearly – Betraying our unBorn, and [male] children to a life
of horror and Hell .. how many of you men these days are fatherless,
including functionally fatherless were the Threat of him loosing family
prevented him from Being Father?

Almost all of us are functionally Fatherless, and only the most
Orthodox Abrahamic Following mother in this Nightmare CntHell
where the gov and society are filled with back-stabbing Judas' in
Female Skin being directed by Demonic Forces focused by Witches to
Act the Will of Satan on Earth, and violence such as the Men
Genocide of Christians in Ukraine-Russian, and the Taliban's refusal to
allow Satan to rule is setting up the intended further Genocide of
Men – leaving only Dog-males that will serve Satan and live under
Vagina-god Satan Witches and Minions, and followers .. followers like
most our mothers, aunts, grandmothers. .. Sanctions are being
planned – as the recent 'gathering' with 'woman victims – men evil
rapey oppressive Bad' narrative which purposely avoiding the details
– likely in part because such practices as giving fathers and [potential
fathers] men with dependents of seeking them priority does not want
to be thought about ..

.. at the same time as throughout the West the clearly opposite have
been geneociding our Christians men for generations .. actually,
Actually paying companies our taxes to move manufacturing and jobs
off shore. .. Look – it is so clear that only the Demonically Oppressed
or willfully Cowardly can try to deny it.

Anyway, with 6 of the 7 Powers of God with Freedom to Adjust, the
7th is Assigned – Locked – for the mMaster it being the primary
influenced hHe failed to Manage and so Gravely Sinned, and so all
the Avatars are Locked at that Level or Lamp Distance.

The Goal of the mMaster is to .. Suffer that Sin through hHim as
Lamb and to learn to Manage it in all the versions that Reflect the
144,000 Steps or similar – with Spacing such that the in-between
cases are also Managed .. though Dropping down Jacob's Ladder
Levels through the Avatars that Gravely Sin and are Judged .. the
Judgment is partly the mMaster, as Adam would have been for Eve's
Sin had out of Love and fear of Separation he did not Join her, as they
were OneFlesh, or that he was Weak to her seemingly still living
presence and so argued that it could not have been That Fruit ..
seemingly as Cane was Seemingly still living when the Holy
Simulation suddenly included other people [Avatars of him] and
villages and such – when there were none before.

.. or you and I Seem to be Still Living when we Gravely Sin .. not
remembering the 3 Angels that suddenly appear and drag us away to
be .. Processed .. Hosting the Multiverse of Sins we Willed and Holy
Love and Holy Human Dignity required exist.

We are sure through Biblical Indication that without Close Supervision
and when needed meaningful Corrections - that 1/3 of females with
Fall, and as I argue that the Fall of Lucifer and creation of woman in
Garden are linked, that the Failure of Eve is connected, and with
144,000 different Adam-Eve pairs, the one we Under Eve.x may have
been a Sacrificed to 'Save' Lucifer – to Force Lucifer back into proper
Order Lucifer Serving Holy Man, and Lucifer and We are Fighting for

And for females, 1/12th will Fail. One of the 12 Apostles.

.. One might do the Math to figure what level of internal female-aspect balance where these are used. if 1/3 of Female Fail, and so the Female-Aspect within the male caused 1/12 Fail, then 3 times 1/12 is 1/4 th. The Male Soul is 1/4 plus whatever Male-Aspect exists in the Female .. perhaps up too 1/2 of Female is Male-Aspect but 'Masked', and not Passed through Mother's Copy.

Some things to consider.

May this be a Blessing to you and us all. [And to all our Futures, and future Multiverse Pasts.]

I did want to remind those who are worried or watching the Sudan war, and failed to ask self why so much coverage .. mostly such in African countries are ignored, Libya - for example – any putrid lying cnt that pretends corpDragon media cover has anything to do with caring about the people .. well, ask them about the human slave trade and similar .. is it not bad still? Why barely mentioned and focus on oil or other things the corpDragon Witches care about.

With Sudan .. there is oil and diamonds or gold .. but also ALSO the suggestion that it is planned as part of the Silk Road China is forming through investment development and decent treatment of the people and governments .. something our putrid evil Golden-Calf Female-Evil Howling Satanic Horrors that are in control of this GreatSatan Empire would rather Debt Enslave though giving money to rulers that steal it all and then run, leaving Debt, and other evil F-ing Female-Evil crap that the 'World Bank' and UN have been doing for generations.

I support, have suggested, and written that Europe and rest of world should have long ago built international system of transport .. long ago, of course, but such would have interfered on each political level of corruption and Fungal-Tentacle Witch controls, the Stagnation and Death of the West correlates with such Life-Soul-Joy Murdering F-ing evil .. the same evil I Suffered as a young man working in University in late 1980's and 1990's, and such Toxic Sicken Septic Vileness has turned-up and followed me since – Witch-Whisper Web unJustly and secretly active Canceling and targeting me using the every increasing Sickening Demonic-filled vile Hive-Minded putrid 'Professional' womanhood Witches and their slimy retarded and mind-raped younger women and Dog-males, ..

.. and this Toxic Sickness and those practices I suffered and now Standard throughout all places of livelihood and sources of needed resources and other Power related aspects .. it is now Worldwide.

And every workplace is a Toxic Septic evil-filled and-or controlled Hell-Hole and unJust and Evil to force anyone to work in them, as in Education. If more then 2 or 3 women in any of the power structure then at least one is a Witch and likely all are working together willing and actively Betraying and-or willing to .. the Employer or Institution and any Western Virtue-Values it is based on or targeted towards.

So ..

Yesterday again was late in finally crossing all the 'T's and dotting 'i's in publishing and barely got any pre-Posting work done, so I have a number of videos I would have added, but likely not get to, and will be added later if not better more recent takes their spot (Time)

Here is what little I put together or was able to throw in this morning, with thing comments; ..

A good conversation – worth some considerations., ..

It is interesting to hear some perspective of Russia from someone we can trust, someone who actively tried to prevent the Iraq war in Weapons Inspection – but since the WMD was always a lie-based reason and excuse, his actual work and coordination and all cooperation and agreements with Iraq leadership was doomed to never work – like the insanity of Ukraine-Russian Genocide goal disguised poorly as .. what, WHAT? What insanity but Murder explains it and our part of it?

How Nuke War not justified, and perhaps Better?

.. or as mention, the intention of further Genocide in Afghanistan to make more available and easily steal-able all those resources, as with Sudan, and .. and all our children and souls .. howling Demonic Witches and further Slide into Deeper cntHell., ..

Was he video-taped killing someone? If not - I will not even listen to the details against Tucker. True or not. Does not matter to me, and absolutely Damps all who push them .. if not active False Witnessing

to-death corpses would be a pleasure to clean-up compared to their Septic Evil Vomit they force you to suffer one more time.

Glenn and those who are showing clearly the insanity are not to be confused with those creating and pushing it – of course.

Like most people – Tucker is clearly a good guy and not a Saint, but his history suggest that his Virtues and active Intents are something you can Bet on.

I would like to see a New West .. where anyone who actively tried to destroy decent men and others they are publicly beaten and an arm or leg of some significant percentage of the Witches in their family.

corpDragons .. well, long ago such evil behind legal Immunity should have been addresses and why I argue that Death or similar of owners is often Just regardless of our Satanic Controlled gov or international system disagrees.

Imagine a world were everyone involved in this or similar in all nation, and local – the public death or significant Corrections involving Screaming over long periods of time of all connected, supporting, and those that had or should have had a hand in raising and shaping such Curses on us.

At what point do you look across the office or workplace to the Witch who is vomiting Evil on all and decide that killing them and all who hired and allowed her to Curse the rest of you .. what kind of vile vicious evil overall is in place that prevent you from even correcting .. if a man you would suggest or threaten a visit to parking lot or similar, and any person in office or company who objects to expect a beating, and because such slimy horrors will likely call the police who will side with Owner – killed screaming might be the way to handy them ..

.. of course, God Demands Love and not Death, and Better from us all.

Although it might be Just – and if you could kill everyone in the top 3 levels of Power throughout the world and all those institutions and the Witch Fungal-Tentacle Links and Coordinators, and especially all the older women in their family .. such would result in so little relative injustice as is regularly suffered in the first hour of any day because of them. It is not to be handled that way.

We are being Forced to Suffer this because the Betraying murdering Horrors in Power are there to make us Hate such Sin and to find a way to manage it – in ourselves and in society .. reforming all that need such, correcting self and society.

This is something the Catholic and other Churches used too address, instead of blaming and attacking us. That was before Satan and Her Witches took Open control of them, and with Gov, Education, Medical,

I watched this through. Some interesting discussion of which some aspects I disagree – especially to any argument against the literal interpretation of the Bible .. the Holy Simulation and Multiverse and other Apologetics explain all those 'problems' people with .. limited understanding of Science or Imagination have.

I think it was here that the attacking of other sects and interpretations were mentioned, and as such it reminded me of the Witches I ran into on Church Street while people watching – claiming to be Baptists and on clear reflection they were intending to Vomit on Christians and especially Baptists, and is probably the Best point for the Value of the Christian Sect of Baptists – because when Satan targets something – it is because it is a Threat to Her, containing some Truth She is Destroying .. like how Catholicism has been and still is, or decent men are targeted.

Aside of that, it is more of a 'Struggle Session' and of limited value for many – unlike most of his other work I have seen., ..

How to Be Free in an Unfree World

Academy of Ideas

In such epochs where the highest values of life—our peace, our independence, our basic rights, all that makes our existence more pure, more beautiful, all that justifies it—are sacrificed to the demon inhabiting a dozen fanatics and ideologues, all the problems of the man who fears for his humanity come down to the same question: how to remain free?

Stefan Zweig, *Montaigne*

In our era of statism, a crisis is a dangerous time for those who value liberty. For with a society myopically focused on the nominal threat of a crisis, draconian bills that limit freedom are easily passed. What makes matters worse is that a population consumed by fear will often voluntarily hand over their freedoms for the promise of a bit more safety. We merely need to look back to the crisis of 2001 to see this playbook in action. The falling of the towers marked the symbolic rise of the modern surveillance state and with it a death blow to many of our civil liberties. But the crisis that is playing out today has the potential to be far more damaging to our freedom. For governments across the

totalitarianism in action.

Some may say that desperate times call for desperate measures, but all totalitarian regimes use the claim of desperate times to justify their heavy-handed measures. But even if this time is truly different and the fate of mankind somehow rests on the imposition of totalitarian rule, the question then becomes when, and to what degree, will we return to freedom and democracy? It is not the power that the tyrants can exert that matters but what about the next threat, and what about the potential for crisis that we manufactured in itself due to its the direct purpose of manipulating us? Are we as a society smart enough to tell the difference? Will the walls start up in this danger? The history is littered with examples of law being weaponized and used to empower some by manipulating others, or as James Burnham writes in her book *Power: A Cultural History*:

... fear is manipulated by interest organizations which is akin to creating fear while promising to eradicate it. But sometimes within a healthy context of powerful interest groups dependent upon ensuring that we remain bound. Theologians, politicians, the media, physicians and the psychological services depend on our flight. Despite the proliferation of discourses about fear, its eradication has never been seriously contemplated; substitution of fear-motivated discourses, rather than abolition, has been the goal.

James Burnham, *Power—A Cultural History*

Psychological freedom is a cognitive state that entails the recognition that one's government, or any other form of oppressor, can limit one's ability to take certain physical actions, but they cannot rid one of one's capacity to think for oneself, to choose for oneself what is right and what is wrong, and to whatever degree possible to act in accordance with our self-chosen beliefs.

"You're a statistic? You may fetter my leg but my will, not even Zeus himself can overpower!"
Epictetus

Or as Richard Kipling put it:

"The individual has always had to struggle to keep from being overwhelmed by the tribe. If you try it, you will be lonely often, and sometimes frightened. But no price is too high to pay for the privilege of owning yourself."

Richard Kipling, *Interview with an Immortal*

In a particularly sad world, ensuring our psychological freedom does not require that we openly flout the immoral laws of the state. For while civil disobedience can be an effective tool to counter tyranny, it must be done when the time is ripe. Rather than the assertion of psychological freedom amounts to a commitment to cultivate what is called our moral autonomy, as a means to better ourselves as individuals and to help others freedom to an unfree world.
