Good Sunday Morning, Palm Sunday,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1852:

[Sunday Morning, Palm Sunday! Although I put together what I could  
last night, in my preparing to get ready in time to leave for Mass this  
morning I will have to finishing editing later today.

New Facebook archived Posts included in DropBox, URLs below.]

In this morning's prayers and meditations I spent some time thinking  
about Margins. That is what is 'left-over' once the Application of  
God's Holy Perfect Recursive Template of His Church is applied, and  
all elements, and Good Ordered relationships and Intentions are  
Pigeon-Holed and what is left-over needs further Holy Processing ..  
the edges that are still Wild-Chaotic – are unTrue, unJust, disOrdered  
to some degree or another and so the semi-Raw remains of the  
Quantum Firmament, and the significant roll of Female in this Process  
– the Converting of Chaos into Total Order deep-within as women  
you periodically Dive into that Chaos throughout sexual maturity and  
reproductive receptivity and if other factors are correctly applied and  
she Catches a soul – out of the Infinite Chaos – she Applies the  
Pattern of her soul and the aspect God directs of the Father into the  
Right-Ordered creation, procreation.

But that Margin .. it is what we are living and working through – and  
ideally in many respects we perform that Female-Roll within ourselves  
and our world .. with the Male application of Right-Ordering Truth  
which the Female does deep within her, in the manifestation of Will,  
our decreasingly Profane bodies, we make more Sacred those bodies  
and the reality and world around us, preparing for His Kingdom Come  
within us – where we are no long entangled in this and these Days-of-  
Bread and this one as all past and future (for those Marginal versions  
of our souls still entangled) – His Kingdom Come were we may Fulling  
Host Him and His Will – where He Shines through us without  
Attenuation – we the Perfect Hand of God doing His Will.

I have added a prayer to Holy Virgin Mother Mary to pray to the Holy  
Ghost to Protect all our Chastity – from misuse, disordered  
application, and similar disOrdering, unJust, and unTrue application of  
our Holy Human Sexuality .. from ourselves and others. That our Holy  
Human Sexuality be used in Right-Ordered Service and Glory to God,  
and all forces and ignorance which would deviate us from such be  
Transformed into Stepping Stones towards our and others Glory, a  
bringing of Holy Clarity and Better Discernment, and with Holy Mary's  
Sacred Heart we may more Fully Know Truth, and from that Better  
Know Righteousness and Justice, and so allow more Perfect Order  
within and without.

As it is clear that many of the Demonically Oppressive forces that I  
Suffered growing up through my engagement of Reason period are  
now world-wide, the now anti-Logos, anti-Rational worshipers of  
'Sciencetificism' which is a Mask from behind which is Satan, that for  
Generations in this Nation since likely before the Civil War a Culling of  
men and [potential] fathers with Virtue has been part of the Warping  
of our entire Nation, and in the absence of Right-Ordered motivating  
Just and Truth seeking men and fathers a Sickness has crept into our  
Home and sickened us, our mothers, wives, sisters, aunts, .., and all  
the children.

And the Practice and Worship of Insanity has become widespread. A  
Level of it we all Suffer from crib – for those who live to birth – and  
our rational abilities are mutilated. And we foster and support our  
own internal anti-Rationality to not only not Suffer the Horrors we are  
force to endure – the applied insanity (Sin) and the realization of the  
mutilation of others and ourselves, but in following those insane  
practices which have been defined at any particular moment by those  
minions of Evil which direct society now, and allow and direct what  
enslavement to Sin and Death is allowed, promoted, rewarded.

Well, some things to consider and perhaps See around you and us all.

May this be a Blessing to you and us all. [And all our Futures, and  
future Multiverse Pasts.]

Another excellent example of great coverage by a man basically in his  
Basement .. and a great example for Comparison and Clarity - how  
millions of dollars applied through Golden-Calf venture capital  
directed Satanists' Legally Super-Immune Super-Human-Rights  
corpDragons rarely do more them Septically Vomit Satanic Poison  
into us and our Dying Fungus Strangled Neighborhood, Nation, entire  
Society, Futures – Children and our souls. Further Enslaving us to Sin,  
Suffering, Horror, Death and Hell.

And so .. compare to a man who Wills us all Goodness and  
Betterment through truth and perspective., ..

Tighten-up those VagFeelie-Belts, and jump in!

I am listening to this while I am ending now .. and he is discussing the Twitter Satanic patterns, how people are being immediately unFollowed .. which I saw from the other direction – Twitter removed a number of people from who I was following, yet they were still there. Satanic Witches – using our Taxes and Public Resources to mind-Rape us all.

I only got a bit into this – the beginning sadly is a waste of time and so only got to listen to the beginning of the actual coverage of current-events and false and likely false main-stream media and Powerful's Narratives.

.. But if you jump over the beginning, these discussions and alternate consideration and Skeptic application towards the often repeating patterns of unTruths and inJustice driving disOrdering goals by the Vagina-god Satan followers in Power and supporters around us, ..

.. This aspect of mind-raping through media that anyone who is active politically in public is insane, politically castrating entire nation over generations - is like how the tight Black Communities which had excellent metrics in everything; low unemployment, fatherlessness, good Church attendance, .. back in late 1950's and early 1960's which was the test case for destroying our middle-class now widely used, Welfare paying mothers to destroy fatherhood, unemployment, drugs, baby-murder, .. all that is Normal now for the destruction of families and turning womanhood & motherhood into soul-mutilating from crib vomiting horrors and Witches .. like they started with the back mothers and women 'if you do not want the father around the State will enSlave him and even help you murder the babies before they born' which was spread not and this mind-raping soul-crippling cntHell ..
