Good Monday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

In this morning's prayers and meditations I considered aspects of the Margin concept mention recently. Related to many aspects .. male-femaleness, Symbolic-application (Holy, Sacred, Profane) in aspects related to Symbol_Pi to name only two of many.

The Ying-Yang symbol many are aware of and the concept of Male-White and Female-Black with the intermixed balance as seen as within Man – and if we consider White as True-Right-Order and Black as Chaos-Potential-Quantumness, the Female as a Function of sorting and discarding Chaos into Perfect Order (consider the White as Womb and the Baby Forming as Applied Profane Perfection) and the Male as equally concentrating Chaos-Potential until Fusion – Creativity and Drawing from it a different form of Life, of Babies.

I was considering the Symbol_Pi in terms of percentages of Weighting .. that each of the Trinity given a Weight of 1 - God as a Total of 3) and the remainder 0.14159.. as the Relative Weight we must apply to our own intuitive and direction .. at least here in this Margin, this Carved-Out space where we are allowed mistakes of some level – to disOrder and test, measure, .. create to Find Greater Truth, Justice, Order .. like sometimes we must disassemble something a bit to correct or advance .. a puzzle of similar pieces but the total picture is not Perfect. And so in this yet unPerfected reality and soul-state we are given the opportunity to try new things and grow.

.. we who still Suffer Ourselves in our Being. We who bring our own Suffering from within and so can not be Fully Communed with the Holy.

The [Symbol_Pi \(archived\)](#) had me considering that formula expansion I have written about, ..

<https://stevenwork.substack.com/p/multiverse-journal-index-number-1841>

Archived: <https://archive.ph/Ds1mh>

.. in calculating each new digit from the repeated pattern that remained (the State of the beginning of each Day-of-Bread) plus the new term created through a mechanical symbolic handled long division of the next term and the Confidence of the actuality of a digit requires at least 3 extra terms in the sequence having been processed – the 3 value is not proven by me – may only be 2, but 3 is assured in my mathematical understanding.

Rate of convergence

Some infinite series for π converge faster than others. Given the choice of two infinite series for π , mathematicians will generally use the one that converges more rapidly because faster convergence reduces the amount of computation needed to calculate π to any given accuracy.^[86] A simple infinite series for π is the [Gregory–Leibniz series](#).^[87]

$$\pi = \frac{4}{1} - \frac{4}{3} + \frac{4}{5} - \frac{4}{7} + \frac{4}{9} - \frac{4}{11} + \frac{4}{13} - \dots$$

As individual terms of this infinite series are added to the sum, the total gradually gets closer to π , and – with a sufficient number of terms – can get as close to π as desired. It converges quite slowly, though – after 500,000 terms, it produces only five correct decimal digits of π .^[88]

An infinite series for π (published by Nilakantha in the 15th century) that converges more rapidly than the Gregory–Leibniz series is.^{[89][90]}

$$\pi = 3 + \frac{4}{2 \times 3 \times 4} - \frac{4}{4 \times 5 \times 6} + \frac{4}{6 \times 7 \times 8} - \frac{4}{8 \times 9 \times 10} + \dots$$

The following table compares the convergence rates of these two series:

So, at the risk of getting Nerdy .. think of a list of the position of every digit '1' in the sequence, with the 3 being the 0th position. Similar for all 9 other digits. Consider the list separately – I wonder what patterns if any turn up. I would assume this has been looked into, and likely if I knew where to look some body of work in this

would exist. Of course if it was a relatively simple formula then any position could be known by applying such formula, or checking which Set [list] that position number was in.

My wondermental travels suggested the question if anyone has some this in a different number's Base. Likely Binary has been looked into as being the most intuitive as all computers use it, but what about Base-3? Or check all of them .. there might be partial patterns that are always true in each base that when used together will result in total overlap – when converted back to Base-10 (or 2)?

I have a sense that the program [Mathematica \(archived\)](#) would be good for this to someone who knows it well enough ..

<p>Wolfram Mathematica is a software system with built-in libraries for several areas of technical computing that allow machine learning, statistics, symbolic computation, data manipulation, network analysis, time series analysis, NLP, optimization, plotting functions and various types of data, implementation of algorithms, creation of user interfaces, and interfacing with programs written in other programming languages. It was conceived by Stephen Wolfram, and is developed by Wolfram Research of Champaign, Illinois.^[9] The Wolfram Language is the programming language used in Mathematica.^[10] Mathematica 1.0 was released on June 23, 1988 in Champaign, Illinois and Santa Clara, California.^{[11][12][13]}</p> <p>Notebook interface [edit]</p> <p>Mathematica is split into two parts: the kernel and the front end. The kernel interprets expressions (Wolfram Language code) and returns result expressions, which can then be displayed by the front end.</p>	<p>Wolfram Mathematica</p>  <p>Developer(s) Wolfram Research Initial release June 23, 1988; 34 years ago^[1] Stable release 13.2.0 (December 14, 2022; 3 months ago) [v]^[2] Written in Wolfram Language,^[3] C/C++, Java^[4] Platform Windows,^[5] macOS, Linux</p>
--	---

I was considering the algorithm for long division in Base-3 when it occurred to me that to a large degree such a program could already support such investigation – especially with on-line huge pre-calculated lists of the digits in base-10, and although I am a little fuzzy on the algorithm on how to convert a sub-sequence into a different Base, it is likely some other could and perhaps on reading that decide that alone was worth the effort for pleasure .. with potential Ph.D. dissertation in consideration.

These implied and clear interesting challenges I hope to put forward to others in these I expect to range over many subjects, fields. I see myself as the Avatar's Avatar's Avatar that exists in Dream and supplied the more Ordered Mind-Levels on-waking the inspiration if not a large part of the process they can use and likely need.

It is like the widespread Western adoption of Feminism and the Satanic other insanities and sins – I can easily think of it as the application of my own beliefs earlier in my life in my Sleep (Death) – although allowed to run-it-course to huge degrees more than it was when in Check by other Values and Virtues – conscious values and virtues that were also instilled into me by mostly my mother, but those now Gone as many never had such – or after a number of generations where the Rewards were so clearly Satanically-Oriented and little or no Checks or Correction possible or even allowed by any but similarly sickened [functionally] fatherless women and their [adult] children.

My belief is that I function as that 3rd term decimal place away from the – will be – Perfect version back a few Jacob's Ladder Levels.

—

That is probably good for now.

.. I went to bed a little later than usual – some good videos below I was watching - and so woke later and had to push myself a bit in my morning Prayers as I clearly have Multiverse Leaped and I am re-Orienting another Master version of me, very 'rusty' in many respects and distract-able in a poor way .. to many unOrdered versions sitting around the Round Table .. a bit better now but I will have to stay a few days, I expect to get their (our) reliable Bootstrapping in-place.

—

Oh, in yesterday's BlackPilled video about the Twitter unSubbing him – I found the same thing going on – I could not stay subbed to him. A reminder that social-media is Satanically controlled.

With that in mind we must remember that the 'metrics' of likes and views are also manipulated – and likely the more significant your message the more those Satanic powers want you to feel no one is viewing such, and that you eventually decide to give-up.

Sometimes the best part of BlackPilled's videos are the Chat Questions he answers and someone asked him how he measures success for the videos – and my feel from his answer is more like my sense is – That it NEEDS to be done, even if only one other soul benefits – and that might be only self – to grow, learn, or otherwise benefit.

And the healing Truth Telling and Understanding is so deep and Rationality is an antidote to Satan and the Evils of this cntHell – he mentioned as a small regard the number of watchers and if I could communicate with him I would point to what he knows is happening to him (and many others) in Twitter - and so why would he trust even the views and other metrics.

Remember - they Hate us and want us all tortured-to-death before born and mother's and others Burning in Hell, and when we are born to make us Suffer endlessly every moment we not falling-down-intoxicated and drive us and loved too despair, loneliness, suicide .. so why would anyone ANYONE believe anything they report? The walking unDead 5 Policemen Haunting the world from Jan 6 and the likely 5.7 Millions of unDead from WWII and israel-oriented migration and psy-op, white genocide, .., the lies and rewriting of the Civil War, the hiding of the 10+ Millions of murdered Christians in Holodomor, .. and the recent examples of the Golden-Calf Satanist controlled and warped AI s .. how much more unTruth, inJustice, disOrdering Horror that is clearly directed from the Witch that Rules this cntHell do you need?

About the AI .. it was clear when I was looking for possible lovers and more back years ago that AI-Bots were active on Twitter and Cregslis on-line applications, that the replies were resource and time honeytraps that existed only to prevent you from finding love

and relationships.

.. like the AI-bots that was about all I saw in replies to my augments on Twitter – they were not real people, only auto-abuse Bots that were trying to generated similar responses from me, and-or drive me from the platform .. all this now discussion about AI use .. it has been active for a very long time, so the hype now is because – like the internet and Web in general – the Ruling Satanic Elite do not want You to have it, not Raw forms that benefit you and us all .. so all the focus and 'noise' because those in power are already using it – so they are [AGAIN] lying and mind-raping us.

It would be interesting to experience a world were all the women for the next few generations drop-dead (or Go AWAY) and so measure the vileness and putrid evil those worst 1/3 in power have, as well as the soul-crushing and mutilating others who have been warped and poisoned from crib into different levels of Septic Vomit, the Fungal Strangulating Horrors that kill us while pretending and sometimes even believing that they 'Care' and their constant repression and testicle crushing vomit is for our and others good.

Of course – Go Away and not dead would be best, in fact I have proposed a number of practical ways – but my experience with such is that dead – ideally a Real pandemic that kills at (and existing) menopause with a Heat-Flash that increases and ends in death, as I am sure is widely already applied and the Multiverse. Some level of established uncorrectable evil threshold over some number of generations, or similar must be the Trigger .. God's Love and Mercy finally triggered – the Fire from the Sky to destroy the City that would have poisoned the world .. you want to Listen to God and so not drop to that Jacob's Ladder Level or practice that which is so clearly spreading of horror .. like so much of now typical womanhood behavior ...

Are you 'Shovel Ready'? – for the Mass Graves, instead of the often promise of economic and infrastructure & manufacturing support that phrase has been used – to then further rape-us and our futures through.

.. Remember all those times the lie 'Shovel Ready' was used?

All those fathers and father-hopefuls thought that maybe some of those taxes and resources would be available to work for – to earn – and to repair and build again this feted fungal-covered slimy corpse, this GreatSatan evil soul-dead Zombie-Nation .. how many times? Instead getting bombs and genocide sent abroad and at LawFare horror and hate here at home with it.

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Western warped anti-relationship anti-male womanhood-sickening hyper-empowerment and such.

These guys are discussing Canada Law cases but the sicknesses are sometimes worse here but similar across the male-hating woman-family-society destroy law system.

Remember my point of view – if you have power over others and support (Act in meaningful ways) the separation of children from fathers, or children from parent in any but the most extreme situation – it is Just to feed you, all who empower and support you, and all or most of the older Witches (women) in all the connected family screaming feet first into a wood-chipper in public and videoed and distributed to education and legal training of those adults in ethical and legal training situation.

The day we start hacking-to-death entire families' older women for each abortion or separation of children and parents is the day we start to reverse this horror-show – and if this evil continues then more and more rational solution is the death (or somehow removal from society as Toxic) of all or most post menopause women as the septic-sickening and mind-raping horrors Poisoning all of society.

God Demands Love and not Death so it is imparitive that such Rational Reason for their public killings be removed .. for them but mostly for us all and especially '**.. the Children!**', ..

.. recall my reasoned arguments based on existing studies related to shown constant lying of women in general in regards to all things sexual, and because of so many generations of soul-mutilated evil

directed at us all from crib, the near inHumanity of women towards any but own children and they are murdering them and destroying them at almost universal levels .. why no Testimony of a women should ever be about 1/3 of men's value in consideration and in general and that in our Satanic Society where most through actions and being are Vagina-god Satan worshipers and followers, that 1/10 th of value is most likely the correct value, and fatherlessness raised men should be dropped to 1/3 of men who were raised in a fatherhood focused family.

BTW – this is not specific legal advice or investment advice – but any nation that leans into the basics of the understands which underpins my arguments should be considered a good place to invest resources and-or actual raising families in.

If our Church Leadership were not Satanic manipulated Puppets then such basics would have never been ripped away last century – such value system and active arguments and motivations would have been fighting this slide into cntHell.

From his mother's basement and a castle-tower the Matt & Blonde Show – current media events and related, plus a movie review – good stuff.

Including a debate over what best super-power to have - mind reading or invisibility!

Finally, some hard-hitting stuff .. And was there a winner? You will have to watch and see., ..

From **video description** -

'Darcia Narvaez - Professor of Psychology Emerita at the University of Notre Dame and co-author of *Restoring the Kinship Worldview*

As above so below – this principle, central to many ancient belief systems and almost forgotten in this day and age – postulates that social conflicts will inevitably find their reflection in our individual souls and vice versa, and our daily joys and struggles invariably shape the societies we live in. With that in mind and at heart, what can truly make the world a better place? To discuss this, Oksana is joined by Darcia Narvaez, Professor of Psychology Emerita at the University of Notre Dame and co-author of *Restoring the Kinship Worldview*.'

-

About the trauma in infants - I would have asked her to comment about infant genital mutilation.

In my meditations I have tracked the elements and progression of the **Psalm 50(51)** ' .. *my sins are before me* ..' in the expansion of the society and interactive Sins that we have done and then

reflected back at us seem to grow larger until the entire world (West) is suffering .. like the Feminism Evils and the male-hate self-hate inject in us and expressed and grows and 'soon' we now see people sexually mutilating themselves and howling insane evil in education, law, courts, medical, ...

A Lesson In Irony

The Food Stamp Program (now know as SNAP), administered by the U.S. Department of Agriculture, is proud to be distributing free meals and food aid to over 40 million people.

Meanwhile, the National Park Service, administered by the U.S. Department of the Interior, installed signs saying “Please Do Not Feed The Animals.” Their stated reason for this policy is because **“the animals will grow dependent on handouts and will not learn to take care of themselves.”**

When black people were killed, they flew the BLM flag and used black out profile photos.

When Ukrainian people were killed, they flew the Ukrainian flag.

When gay people were killed, they flew the pride flag.

When Christians were killed, they victimized the killer and justified her actions by making her the 7th victim of her own shooting because of "trans oppression and genocide".

People that got the vaccine will on average lose 25 years from their life expectancy.

A "shocking number" of Africans did not get it. Don't let this worry you *too* much because their life expectancy isn't much over 25 in the first place but there are other places that didn't get it that has a lot of people that aren't White either such as in the Middle East and Indian Subcontinent.

The bit there about lowered life expectancy is devastating considering how many young healthy White people that had many years ahead of them to make babies succumbed to the propaganda.

In the first article they inserted their number magic, 'over 6 million', goy.

This used to be the way in America. This was how I grew up. Roving gangs of utterly unsupervised 6-8 year olds were the norm. We were everywhere. As long as we were home by dinner, and then by dark, we had absolutely no restrictions at all.

Our neighborhoods were, of course, homogeneously White European ancestry, and outsiders were kept away.

This kind of thing is always exclusively addressed to White people.

Like, if you're not sure what the White race is, or whether you belong to it or not, you can find out with this quick test: when a "fellow White" or a commie or a "fellow White" commie says you should stop reproducing, do you feel personally targeted?

If so, you're probably White.
