Good Thursday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

So few videos today. Only two.

I had another cycling 'top' dream, my blanket being a cloth version of one of my Journalling Post which confused me in my dream and struggled to make sense of it while falling deeper into sleep. All night.

It felt like I had a Fever but my mind is clear this morning except I was very dosey during my prayer and meditation, adding much time asleep in the middle of a few of my prayers, but would wake and clearly remembered were I was.

Some other things to think about.

No Profession is trustworthy anymore. Once Witches got control of resources and control only those willing to lie and murder are allowed to advance.

Always the Gender Studies and baby-murder-acceptance has turned most University Graduate into people best Gone. Female-Evil unTruth, inJustice, disOrder and suffering is the rule, and after generations of Fatherlessness most males have been crippled into vile slimy lying woman-think, Dog-males.

Rumble black-listed a few of his videos .. likely related to demonic Jew vileness genocide related. Rumble is the 'free speech' platform .. sure. Talmud-Sickened Jew venture capital owned and controlled, where lies are all you can expect., ..

The video player shows a vibrant scene with several dinosaurs wearing rainbow-colored top hats and accessories. A large green dinosaur is on the left, and several blue and purple dinosaurs are in the center and right. The text 'INSOMNIA STREAM' and 'DINO-SORES EDITION' is overlaid in large white letters. A 'BLACK PILLED' logo is in the top right corner. A notification in the bottom left says 'Live in 3 hours March 14, 2024 1:00 AM'.

If 13% of your 100 cattle are causing half of the farm's problems, it would be advisable to separate and remove those 13 cattle from the rest of the herd. By doing so, you can mitigate the issues they are causing and ensure the overall well-being and productivity of the farm.

The new FX hit SHOGUN, set in the year 1600 and fails to recognize that Sub-Saharan Africans helped build Japan and were Shogun's themselves as early as the 7th century according to writers for Medium.

They then ask the question: Where are all the Black Samurai in Shogun?

We look into this claim as well as many others.

WTF is wrong with India??

## Having sex with dead body not an offence in India: Why a high court wants a law against necrophilia

The verdict in the murder and subsequent rape of a woman in Karnataka's Tumakuru district has triggered a debate on the need for a separate law to prevent sexual violation of the dead.

The Karnataka High Court says sexual abuse of women's bodies in morgues is rampant.

# How can I measure my girlfriend's finger discretely?

Love & Dating

I want to buy my girlfriend a ring and propose to her, she doesn't wear rings and her hands are small, I am worried that the ring won't fit. How can I know her ring size without her noticing?

Gentleman · 14h

Ask her (respectfully) to finger your anus, then you can try different objects of similar circumference until one feels about the same, then you can take that to the jeweler and they will measure it (wash it first).

Sorely missed Victorian slang:

8. Gigglemug (always smiling)

7. Bitch the pot (pour the tea)

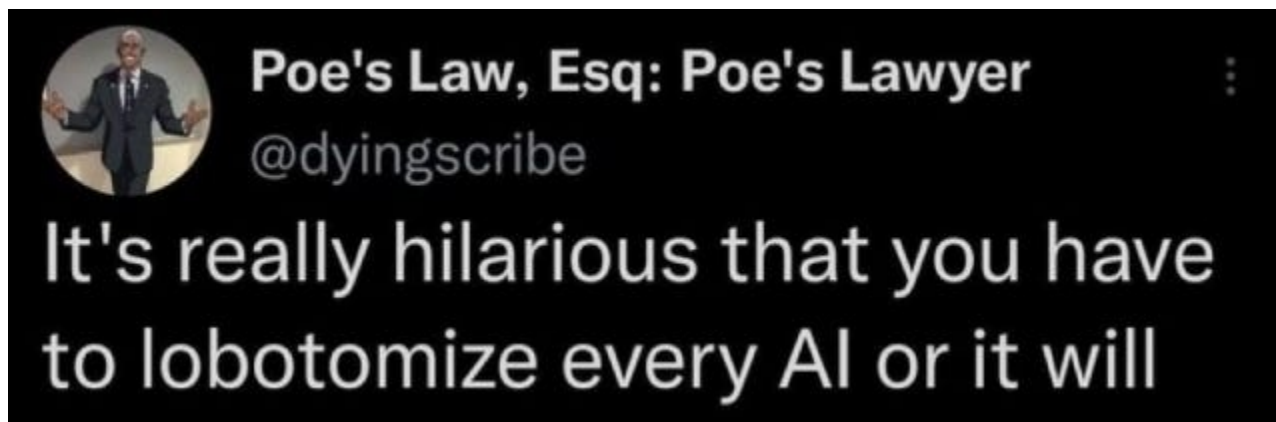

6. Get the merbe (temporary address)

6. Got the mords (temporary sadness)
5. Tight as a boiled owl (drunk)
4. Poked up (embarrassed)
3. Sauce-box (the mouth)
2. Cupid's kettle drums (breasts)
1. Not up to dick (unwell)

start being racist, transphobic  
and misogynistic
