Good Monday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Today I will have be away from my apartment for 4 hours as the Management is treating every apartment with some kind of biological toxin for bed-bugs. I am not happy to be force to go and sit for 4 hours away from computer and internet to do my work – especially when I have not had any kind of significant bed-bug issue, who knows what kind of testicle-shrinking endocrine disrupting long-term cancerous toxic shit I have to live and sleep in .. also in a week they will do it again.

I will be able to listen to my computer audio through the wall to the common room that I share a wall, so I figure I will place some audio-books along with any videos I was unable to listen to yet, as well as afternoon prayer sheets – the important thing will be to get them to come in afternoon as most of my publication and at least part of the other tasks. It would be hard to listen to any excuse why they can not come back, especially with all the apartments I am not sure how they could finish building in one day – but perhaps they are only doing half or such.

—

I'm trying to get as far advance through what I can before bed .. but will not be able to grab video to load into DropBox until tomorrow morning for Viva-Barnes and Matt & Blonde Show – I hope to be asleep by the time Matt & Blonde Show even starts so I can be up at some ridiculous time to do prayers & meditation to get an earlier start.

—

This morning I woke very early when my Fever broke and then had a bunch of hours a regular (non-Vivid) dreams – although there

were pretty clear, the last being most weird as I was visiting an old apartment-house I used to live at (perhaps as a young man in the Dream Job research lab that turned vile and evil with the Coven that once they got me to sign permission to use my brain on death, then they worked to drive me to suicide so I would be Damned and they could torture endlessly), at the house was a woman I knew from somewhere – as if an old lover she was erased from my memory – Edith, the woman I gave my Virginity too who was the Witch of George School (my Quaker Boarding school) that a few Jacob's ladder Levels down she used a neck armlet to Capture my soul during Holy Human Sexual Orgasm's Call to the Father and Trinity – stealing my Holy IPAddress from which she could steal and control any Grace sent to me – anyway in front of the house was a giant Gay-Parade led by a Witch dressed as the Witches in what was once considered mythology ..

.. and most likely were warning of old Jewish baby-eating women and murderers – heck some 60+ Westerners are so baby-murdering mind-broken that a man could kill some random 100 in public and only be concerned that less than half were probably only baby-raping twisted child-mutilating F-ing better-dead (it can be argued and should be discussed openly) with maybe less than 10% of women a shame and unjust to kill, and likely double or more of men.

—

Things to consider.

Saint Fulton Sheen, all Saints of the Day – Pray for us!

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

A very very good short video .. he does not say it but I would hope it could become standard conversation about the Justice of killing all

those with power who would interfere with our Freedom-To-Hear, them and to make a point for a half a year all adults in their family and all the families they are socially or business related.

Holy Human Dignity – the day we make it normal to beat to death those that are not care disrespecting us or other – when everyone in ear shot pours fuel-oil and set them on fire in public knowing one less evil F-ing mind-raping Curse on us by their Satanic mother and others – one less cnt will not be a problem for us or our children, nation or world. Not that that is ideal – but since Jews and Zionist and Satanic minions have destroyed our courts and every place where baby-killing and father-children separated the courts all killed Western-Wide would be a good subject that should be world wide – as Stoning to death False-Witnessers, and other who would with vagina and Jews connected will destroy your life and family and others with immunity.

God Demands Love and not Death but a few of these mind-raping Jews and minions of Witches' families burned alive in Public would start to clear things up .. and talking about it openly at work, at gas-station, in food-shopping, in banks and other places where those who Hate us and want us and our generations suffering in endless pain until death and then burning in hell for their evil Profits., ..
