Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

Index Number 1901:

—

[Another Sunday Morning – Praise God!

I have a few minutes to Reflect before I must get ready for ride to Mass and after will be our Coffee-Hour, so what is not completed in editing and publishing will be complete this afternoon – God Willing.]

—

—

In this morning's prayers and meditations as with them all they routine prayers and considerations brings up all the common points for-which Orients and prepares me for my Day-of-Bread and helps to Synchronized with other versions through Multiverse – adding to the Communication and Connection with the Infinite Quantum Mind – as I have named it.

That synchronization Informs me of the importance of a Common Worship Procedure in Sacraments and in Mass. The common and frequent Sign-of-Cross indicated in the Traditional Latin Mass Missal might be thought of as a Holy Synchronization system – Lining-up not only all those in that Mass but allows for all Masses though-out world and beyond through This Day-of-Bread and all Days-of-Bread, so that the moment of Holy Sacrifice – the Drawing-out the Blood of Christ from His Body can and is Lined-up with His moment of Death on Cross.

Of course this is not Catholic Doctrine, but it follows from what Formation and other Discernment, and unfortunately the Changing of the Mass significantly added such huge disOrdering and breaks with all those thousand plus years of Days-of-Bread Past Masses and as such a reason not to use as standard – but perhaps as a Stepping-Stone for new Adult and older children who are Converts.

I suggest that those Technically Minded to consider the Sign-of-Cross as not only a System Call (were God is the Operating System) but a Synchronizing Pulse for an Infinite 'Timeless' System of The Mass.

Unfortunately – since this is poorly understood; the Drawing of Blood as The Moment of Sacrifice, that the Mass – each one – Places us all under Jesus' Cross at that Moment – throughout Time. And other aspects. It saddens me that our Church Leadership has progressively and seemingly intentionally suspended Apologetics and Catholic Formation under some kind of what seems like – at best – a kind of insanity of unintended harm while trying to be more appeasing and inviting to the Satanic World and all us enslaved here, but the length of time and the suppression of Corrections should be indication of Satan's Rule and active Destruction ..

.. something that can be tracked to at least 1960 in the Vatican but likely before – as I have argued with handling of Saint Sheen and the testimony of defectors from the Golden-Calf Satanic Ruled Soviet defectors about the active Infiltration of Church – and all other institutions, as clearly Education and Gov and Sicken all Professions and all Institutional where elites fill leadership.

As I have written about.

—

Another consideration is related to what I have discussed as the Satanic Fungal Strangulation by the Powerful Witches throughout the Professions and how they interact with us and control us.

So many examples – but one that comes to mind because it is so crippling to our justice system is the Accreditation Systems for Lawyers and Judges when Captures into a [Satanic] powerful system, similar to Doctors – which we saw abused recently as those who Dared to care for the actual Health of patients were threaten and sometime faced discipline for following what was Best Practices – such as prescribing a drug for-which the coordinated media, and Satanic gov, corpDragons were demonizing because it prevented the 'Emergency Status' for the Satanic Genocidal Poison Injections to circumvent the normal process of health tests and procedures – most of which actual fail and drugs are often removed after all that because of poor testing, and that Emergency Status only could exist if there was not already useful methods to address – like that drug.

Much of this came to mind because of the clear very very ongoing Sickness that such evil-directed systems have left us – where only those Doctors that are unwilling to risk their and families livelihood and futures, as well as in all Professions remain – many still struggle to do well 'under the radar' but not that System of Satan – Fungal-Strangulation is part of the entire corpDragon Medical System, with slimy Informers in nearly every women and all generations of Fatherless Witch educated Dog-males under them, near

them, and Peers.

There was such a major failure of Justice in part because those Generations of enSlaved slimy Ruling Elites are in power throughout with few exceptions – at least those in the Top Federal and many of the States levels .. and those are involved in that Accreditation & Discipline mentioned.

When anyone discusses the loss to Trust in all those professions I wonder at why such Trust has lasted as long as it had .. media and big-tech suppression and risk of livelihood as well as often LawFare and Jail and 'suicide' murder as in Seth Rich and so many .. have kept the average person from understanding that it is reasonable to consider the Justice of the public Hanging of so many – basically if they in top 3 layers of power in any of the major Powerful Institution – they only got there through direct Support and Worship of Satan, and the Satanic Witch Fungal-Tentacles that reach down into near every one of us and that is commonly used to destroy, kill, torment, and crush anyone that opposes and many who show signs of [men] Virtue and [women] who refuse to directly bow to local Witches and their slimy minions, and those with Merit – and unwilling to support Satan and Witches – are doubly targeted, often attacked and destroyed before even they understand their abilities.

Any Change of Power – except as part of their Plans – is a Threat to Satan now. And so the 'Strangulation' and often the active destruction of systems and institutions who's Pure Function is Goodness – like Medical, Judicial, Legal, Religion, .. all Liberties not under Thumb .. the Basics of Western Society, ..

.. and filling positions with meritless twisted retards to be disposed of, and active evil to Advance is the method – and in complete control of Funding the Resources – Fiat Dollars and poor accounting and reporting, a media & Big-Tech that not only hides and censors, but actually opening Lies – as we see with all the 'retelling' what is sometimes directly in video, and other amazing mind-raping actions.

If a person 'fails upward' like those who burned to death all those families in Waco – under the excuse of 'protecting children' by burning them to death .. and so many others .. lawyers who caught clearly lying to FISA [Surveillance] court, and .. and .. so so many. Hiding police camera footage to promote racial destruction and murder .. where to stop!?!

The amazing thing is more how all of us evil-Blinded and active internal Demons shaped from crib that suppresses any realization that might slip through the constant Screeching voice of '**PEOPLEkind not MANKind you Sexist EVIL person**' and '**Do not notice Black men – you Racist**' and '**do not notice the Satanic Witches**' and ...

—

Some things to consider. What have you Knoticed along these lines or other Satanic Witch related?

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

—

—

—

Out of time for editing and adding.

Poor level of comments in these – I had trouble putting even these in last-night. Should have gone to bed earlier – still my Infection is with me .. I have been considering more other things .. wondering what the older procedures were before Antibiotics (Which I can not simply order – part of the Control and although it makes sense in this case there was a time when the Pharmacist would give you whatever you asked for and people went to the doctor to discover what was needed only, not 'permission' to get it.

.. if you are the kind of cnt that can read my work and decide I need to understand about antibiotic issues – then F-you. You are the kind of putrid cnt [women] that is Strangling us all. Why are you not explaining to your children or others why you have Always lied to them [actively and in Silence] about the putridness of modern Western Womanhood and how they need to be on guard – you cnt.

You people are killing me and so many. I intend to die before I go to a Doctor or this Medical System, and I have every reason and a long history of the abuses I personally know off .. and one of the reason I am not in Jail now under some Satanic excuse or similar is that I will and can Starve myself .. you howling vile cnt need to understand – if you are Human at all – that your and those similar to you exercise of Power is a Great Evil because you Are Satanic in practices .. most Programmed to do the Wrong Evils thinking it is goodness and best.

Anyway.

She is focusing on a topic – which usually is not as much fun, but something here for everyone .. including noting that she dismisses the

Poisons and Aluminum and Toxic Vaccines and neurological damage to developing brains - so kind of head-up ass retarded or afraid to being canceled .. a 'scientist' Witch or Minion as we have seen too many of these last .. decades, but when Satan controls the funding and jobs and livelihood only those who Suck Her Strap-On stay.

So Sad. She had to eat that anti-Credibility Turd – didn't she.

.. Like the Notre Dame fire in Paris .. no one know what caused it – but it definitely was not anti-Catholic immigrant Muslims regardless how many were seen in building right before, the huge ongoing destructions of Churches by that group through Europe and France and .. – So its' anti-Science and racists to notice the increasing in Poisons injected into infants and the increases, as well as notice all the toxic heavy metals and only neurological toxic materials injected., ..

"The only reason that Jews are in pornography is that we think that Christ sucks. Catholicism sucks. We don't believe in authoritarianism. Pornography thus becomes a way of defiling Christian culture and, as it penetrates to the very heart of the American mainstream (and is no doubt consumed by those very same WASPs), its subversive character becomes more charged. Porn is no longer of the "what the Butler saw" voyeuristic type; instead, it is driven to new extremes of portrayal that stretch the boundaries of the porn aesthetic. As new sexual positions are portrayed, the desire to shock (as well as entertain) seems clear."

-Al Goldstein
(in an interview with Luke Ford, an adult film reviewer who converted to Orthodox Judaism)

"Those Jews who enter the pornography industry have done so as individuals pursuing the American dream." -Abraham Foxman, former National Director of the ADL (as documented in Dr. Nathan Abrams' essay "Triple-ethnicity")

Largely based on the Jewish Quarterly article: "Triple-ethnicity: Nathan Abrams on Jews in the American porn industry".

Trump NEVER asked Pence to OVERTURN the election. That's a red herring and OUTRIGHT LIE. He asked him to PAUSE THE COUNT and send it back to the state legislatures to address the rampant fraud and cheating that took place EXACTLY AS IT IS SET OUT IN THE CONSTITUTION.

What scares me the very most about people who actually trust psychopaths like Bill Gates is that their gut instinct & discernment is so incredibly off that they truly don't sense anything suspect; that level of disconnection from your intuition absolutely terrifies me.
