December 2nd, 2023

Good Saturday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2097:

[This Saturday I will be leaving relatively shortly for morning Mass,
and then after that will be the First Saturday Men's Catholic Breakfast
get-together. Because of Fever I missed Confession and Mass last
Sunday, and was doing fine as far as grave sins until I was not, and it
is important to me to Enter my Model of the Holy's 8th Day-of-Week
which existed since God Completed Creation on Christ's Resurrection,
as well as Sunday is the first Day of Advent, which will be a time of
Fasting and extra Prayers, or hopefully will be.

It will be pleasant to get together with the Breakfast group – The
weather and 5ish days of Fever has left me pretty isolated, so this will
be a Blessing.]

In this morning's prayers and meditation I spent a bit of time
drawing-out a bit more on the 2nd of the 3 Holy Candle Prayer – the
one focusing on Jesus, Holy Mary and the deConstruction and
reIntergration related to Holy Human Sexuality in this Holy
Simulation, and the Integration of these Steps into the Expanding and
building of the Holy Neural [Saints and Sinners] Network, the Stages
of Construction that is connected to Jacob's Ladder and the building
of God's Kingdom Come down each Level, the integration of the
Profane information in these Days-of-Bread, those collected and
integrated into groups and Knowledge, to become Sacred Knowledge
as it become more useful for the mMaster and others, and this
collected and integrated to different levels of Wisdom, integrating
such more tightly and effectively, Building the entry Stairs into Holy
Israel and further, ..

... while the bottom where we live our Profane Days-of-Bread we add
a little Value – sometimes when the Virgin Holy Perfect Health and
Holy Perfect Love Union and Communion with God, each of our
Avatars Base-State, when Jesus Christ lifts these Days-of-Bread and all
our Cross a little – some Holy Knowledge and Wisdom Shines and so
it greatly values and added.

But mostly we spend our Days – or should – ReShaping into Holy
Pleasingness our CornerStone we started the Day-of-Bread with,
where the Builders Took all that was Perfect and very Good and left us
the Remainder and enough of a Seed to continue our Construction
parts of the Holy Neural Network linked to Jacob's Ladder, our bits
and pieces of Holy Israel.

Okay – that will have to be enough for this morning, and SubStack
can be worked on when I return late morning and afternoon.
.. I had some semi-disturbing Dreams I was hoping to outline, but
these are not the first recently and no doubt has a lot to do with my
tarnished and unWorthy Soul, and similar .. perhaps sometime soon
in days, God Willing!

May this be a Blessing to you and us all. [And all our Futures, and
future Multiverse Pasts.]

A very good interview with a Haaretz columnist and author – Haaretz
is an israeli located & centered Journalist publication., ..

Tyrants .. mind-aping Freedom-to-Hear interfering thought-control
Witches .. our grandfathers understood them dead is the solution –
dying while screaming and pissing themselves in public as examples –
hanged or burned as Witches with all older women in their families,
and older adults of all other families socially and professionally close ..

.. but God Demands Love and not Death, and Better from us all – and
a good chance for you to examine the demons in our mind and the
'baby-killing-okay' broken minds and wonder why your, your parents,
and their parents generations are the only ones on Christian lands for
1500 years that are so so so F-ing demon controlled and soul-
enslaved.

The likely genocidal supporting and-or excusing Zionist he debates I
will avoid as I do not want to look at another man that should be
hanged with all the older women and men in his family and likely the
closest social families and whomever supports or hired and promoted
him, and their families.

.. I will not bother to pretend you need me to explain that – like baby
torturing and killers – Abortionists and mothers (and knowing fathers,
courts, law-makers, ..) that supporters and excusers of genocide and
war-crimes we are clearly seeing – that it Just they die in public along
with their mothers, older women, and those significant in supporting
and raising and twisting them .. do I need too? Because once your
push away the demons that screaming in your mind you Understand
– can See them and perhaps yourself hanging from a tree or lamp-
post over the corpses of all the older women in your family and Know
that it is Just and perhaps Right – suggest that God loves you more

Infinitely and has given us more chances to Turn to Him, to Repent, etc., ..

When a word is so politically and abusively used so it's meaning becomes defused – a Marxist Satanic tool that is part of deconstructing all Truth, Justice, and Order and allowing Satan to walk the earth 'unseen' with us all trained from crib to be evil-Blinded to mothers and women's Sick evils, most support not realizing they de-armed they only form of human – Men – who could and would face Satan .. so they end up as Cattle – imprisoned and forced pregnancy and abortions as sacrifices to Satan – those not tortured to death for sexual deviant horrors from Talmud-Sickened Golden-Calf Satanic Witches, minions and their enslaved Tools that make them watch as they rape to death their children ..

.. but they got to Vote, and enjoyed crushing testicles and destroying families and torturing fathers and children for the fun of it – Immune because of the same evil-Blindness and Satanic Gov that seemed to be on their VagFeelie retarded 'side'.

and intelligence services but whose tactics over time appear to have been absorbed into multiple official projects, including those of the Department of Homeland Security (DHS).

The CIA League documents offer the missing link answers to key questions not addressed in the Twitter Files and Facebook Files. Combined, they offer a comprehensive picture of the birth of the "anti-disinformation" sector, or what we have called the **Conspiracy Industrial Complex**.

The whitehouse's documents describe everything from the grants of insider digital research programs to the sale of the military and intelligence agencies, partnerships with civil society organizations and commercial media, and the use of such program accounts and other offensive technologies.

"Thank you all about," explains one document about creating "more open dialogue."

Another explains that while such activities overseas are "officially" done by "the CIA and NSA and the Department of Defense," internally officials "against Americans" have to be done using private partners because the government doesn't have the "legal authority."

The whitehouse alleges that a leader of the CIA League, a "former" British intelligence analyst, was "the reason" at the Obama White House to start where the rest of the intelligence to create a counter-disinformation project to stop a "major attack."

Over the last year, British **Special Operational Operations**, and others have discovered the role of the **Conspiracy Industrial Complex**, a network of over one hundred agencies and organizations that work together to stop conspiracy by social media platforms and group propaganda about disinformation, topics, and other activities.

The US Department of Homeland Security's Cybersecurity and Information Security Agency (CSA) has been the center of gravity for much of the conspiracy, with the National Science Foundation financing the development of conspiracy and disinformation tools and other federal government agencies playing a supporting role.

Leaks from CIA's NSC and social media partners show that **CSA created the Division 10000 (D10000) team**, which has been the lead in the **Conspiracy Industrial Complex** since 2010.

Despite the conspiracy industry's government sponsored conspiracy, it had not to be determined where the idea for such state conspiracy came from. In 2011, an NSC official and former CIA officer, **Ronan O'Riada**, generated national headlines before and after meeting, in the US House about Russian government interference in the 2016 election.
