Good Thursday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1800:

—

The public resources, Tax-paid monies, Legally extra Immune, .. supported Golden Calf Satanists and venture capitalist and enslaved minion Witch owned and directed corpDragon Facebook is [likely temporarily] no longer interfering with your Freedom-to-Hear and see my writings and Images again – and as long as I fit my writings to whatever vague policies related to controlling your and all our minds today and in future – standards which can and do change and applied retroactively – you will be able to read and view the images and Web connections (provided they not secretly or actively suppressed under often dubious excuses.)

—

In this morning's prayers and meditations I reflected a little on all

the points and publicly-religiously-personal-socially .. significant aspects I mentioned in the last suspensions period now ending on Facebook, and how they went into my placing those in image forms of the Substack writings from my last FB suspension and although I made reasonable attempts at not including very very very socially significant and relevant memes which had been used to Censor me before – they managed to use the title of an image of a video discussing and questions issues of public importance – health issues and the politics related to the forced Satanic Poison Genocidal injections that many were fired, died, crippled, family and other social connection – food supplies – power and heating crippled or otherwise damaged or destroyed .. they used such an image to Silence me and the thoughts and ideas that not only you could see but the entire future where digital information and it's others forms will be important – and in otherways not Dominated and Controlled by Satan.

—

One of the ways I Suffered Hate and Abuse from those women close to me and society in the past is to make such a statement – that perhaps somewhere someone might value my contribution beyond that of a value one might give to a babbling infant or retard .. and the Love that modern Western Womanhood directs at males and those they disagree with is to crush our gonads, minds, and souls – to Castrate and soul Rape us .. as Facebook and other major Institutions and Gov have now taken to heart and actively does – in coordination of every major other institutions; actively, passively supporting, or being silent when normal Justice and Order principles they are founded on are violated.

The Catholic Church is a good example of such – but I could as easily mention nearly every Religious and Scientific Institution is Guilty of this Silence if not Active Support.

Let me give a simple example that came to mind – a religious concept that I had not heard ever in my memory that many not Demonically Oppressed might pay some attention to in all Abrahamic and many other religious Creeds, and even those in many Scientific and technical fields .. and example that is a sample of what many who would have benefited in many ways – many arguing against my point or even passing such along to others for reasons it would be hard to express, but would be silenced to many throughout time.

Again, the '**throughout time**' is argued because it is a new idea that I had never seen argued except by me. Not that it never existed before in other's minds, or even written down and shared,

yet the concept which to many would be very relevant was either lost, or actively suppressed.

The active suppression concept often receives the Silencing Brain-Raping Hate-filled accusation and dismissal of conspiracy thinking, and does state (even if implied) that such a point or the person is little more than a babbling infant or imbecile.

The Female-Evil Rape-and-Abuse is often only implied because such vile Satanic Minions and Tools often lack the Honor of stating openly such evil, but recently in our combined slide into inescapable Horrors and Hell for all the World this GreatSatan is pushing, and soul-Sickness and hyper-empowerment of retarded and twisted increasingly functionally evil insane (baby murder okay is Insane) Womanhood is leading and pushing such a Slide and have been for generations, the Scars will last forever in our History, Generational Sickness will pass for many and the social and national and other effects will Ring through time to become another Biblical Story connected event.

Are you able to See that?

Raising children for generations to believe torturing-to-death babies is much worse to them, society, and futures than raising them to as causally defend torturing-to-death puppies and kittens – as I mentioned as an inadequacy analogy – and the point is not When a conceived [future] child takes-on [Holy] Humanness – the very Meta State of the situation is Dangerous to all .. the situation is mind-Raping regardless of or even if no Abortions occur. The very Option that is not a Crime in many dimensions has only been addressed and likely barely arguable in terms of Self-Defense or persons, Churches, Nations, .. and often in past have been ruled my Theologians and Ethicists to Still not be Valid .. yet the 'right' of women's abuse-of their and others Chastity .. to be Sacred – as well as her right to try to destroy the results of clear actions Violates [Holy] Human Dignity principles and Hurts her and us all in so many ways.

The clear damage of Fatherhood destruction at the whims of women and State is another example of active suppression – our Sad Vatican as the **Whore of Babylon .. Alas, Babylon!**

.. and of course every profession that professes to care and function for welfare of children and families (and society!)

Insanity – Satanic induced insanity.

This Structure of the Argument is not something I had heard before – and I took a University medical ethics class which discussed Abortion, and a text of philosophic essays that I did not complete

read and have lost since then – but not mentioned in text likely widely used.

.. the very fact that this argument has not been grabbed by the Catholic Church and being actively spread is an indication of not only the Sickness of the Church, but of all of society and it's Institutions that have any Legitimacy based on Truth, Education, Health, Law, Family & Child Development,..

.. I am so sure of this as a Test – that if you reading this can not understand it as significant that I am confident that your are Demonically Oppressed – and even if you argue such does not exist as that Demon-voice whispers and you Parrot in enSlavement, that it indicates a level of poor-judgment of which clearly you are a danger to self and others and absolutely not exercise or have power over others and likely need close personal monitoring – in a Good society you would have been Flagged and being taken care off .. with fear you and those near you and under some form of power would be one step closer to dying on own vomit laying in some of our feces cover streets being laughed at and abused by others of different backgrounds, sex, and ethnic-origin – and it accepted and tolerated by society – as it is in this GreatSatan where the collective soul of West and World is Sickened, Hate-filled, Insane, and Vicious – that of Womanhood.

—

And that above was not the example I was going to put forward as to something New that I had not heard mentioned or argued. It is a [number of] clear examples but Alas, one I am most sane rational people will discuss when not near or in society destroy situations or hyper-empowered Witches .. Sanity only able to be expressed in Whispers as Lovers in Society Union might have quietly said to each other under covers because of rational fear of person destruction of self and others.

My example is simply the Reflection of some biblical text about Lucifer and The Fall, and aspects of the Creation and shape of Man, animals, and plants in the Garden.

A simple enough example that does not needed a lot of social baggage dragged along to hear and think about .. yet arguably a concept that all who value Religion and debate would like to hear in some form of other .. and Censored under some VagFeelie or anti-Rational excuse .. by an 'AI Algorithm' that is designed to warp all who try to express themselves and share ideas .. the very Witch directed AI whims and the range of such is not only adjustable (Containing 'White Lists' where some sources are allowed to communicate under less rules and others are actively artificially

strict – all are a form of mind-twisting suppression and control) that causes all who use it to Actively Model that seemingly neurotic situation and so causes mental damage – as any abusive relationship does, a parent that screams and punishes one day something that often is ignored or even promoted the next or for others – intentionally conflated or reasons varying and-or arbitrary.

---

The actual example located in yesterday's Post '[Multiverse Journal - Index Number 1799; February 8th, 2023, Wednesday Morning](#)' (See PostScript below for full URLs.)

And strangely enough since I thought I wrote that earlier this week I did a Substack search for 'Lucifer' and only some very old posts were returned. Same for 'satan.exe' and still yesterday's post did not return in search .. this is common in Facebook and I have documented it in past.

So once I found it, and in browser text search – it was right at top of yesterdays – I went back to Substack search and suddenly it was findable. Makes one wonder if active suppression on some words is not being implemented on Big-Tech, with an AI that is sharp enough to realize you found it anyway and so at least temporarily for you it can be found.

Reminds me of the Google suppression of that Political group example I have mentioned and have a screen shot – and only one example of what turned into daily incidences that it was clear that Google was Satanic .. the removal of once easily found statistics – like Bastardry studies using National Blood bank, false rape numbers, and other (older) studies (back before feted lying unJust disOrder vomit-souled women and dog-males were packed into such institutions and gov – given power), ...

.. another good example which make 'The Dead Internet' theory seem plausible – something else that even Soros' & Golden Calf Satanists Owners and Directors not willing to allow in Wikipedia. One might connect 'The Dead Internet' AI interaction aspects with

my Model of Holy and argue that we are clearly living in a Level of Hell – where the Female is Master and Truth, Justice, Order, Faith, Hope, Charity, .. are unimportant and not tolerated if interferes with testicle-crushing male-hate mutilating children and women and nations and churches and .. Goals. Acting like too many modern Western mothers and women in this GreatSatan Empire Western System and World.

—

So I have many other mediation Reflections but am staggered once again about the task of somehow getting my month of suppressed posts onto Facebook, and how much like a Blood-Clot such active evil becomes .. like the women and others I used to work around as a young man at UVM and later came and come across today – slimy lying backstabbing vile horrors who actively [usually secretly and discretely] cause problems that prevent any active advancement and usually destroys soul, joy, love, .. resources and effort .. like all those pretend organizations that proclaim themselves to be working for a cause and are Golden Calf Satanist's Pied Pipers who's purpose is to Waste and Destroy all resources and people who's goal is against Satan's goals .. like all those pro-life, for which people donated money, time, effort, and yet never did anything effective and that in Texas a single group was able to out-due in a short time (perhaps realizing that those other groups were controlled opposition)

'Stop the Steal' after President Trump left office is even a clear example .. all that money raised, and for what besides to remove those resources and expectations from that and any cause?

Such topics makes me wonder what the results would be if say .. God sent a Real pandemic that killed all [powerful] older women past and at menopause, how much of this clearly Witch-coordinated evil that actually requires much resources and activity to keep active would .. go away?

To Go away like the vile viscous lying brain-Raping sexually-mutilating Septic Poisoning Vomit-Spewing Sick and Sickening Hate-filled typical older modern Western woman.

( .. NotAll of course! – and the fact that I feel I need to write that is a good example of the default evil and lack of Charity and good will such feted vile horrors have don to us all.

NoAll, but like all the decent [potential] fathers who die in everyone of Their evil-wars, those few that have not been actively silent about the feted evil horror womanhood has become and getting worse, we can feel they are worthy too and likely would have

agreed to die for that Freeing-up suppressed Goodness cause)

Is it a bad time to make sure you know that mass graves of your F-ing evil horrors (if you will not Repent) would be considered a Goodness like The Flood was, Washing your Septic Evil from Poisoning us anymore? F-You!

(To you - Is that statement Reason enough to Censor this?)

If so, many reasonable people would think we all better that you – and all the older women in family and those that shaped you - are Gone from any power over others – you Sad horror.)

Well, yesterday I did manage to find a few more videos of interest than the anemic number in yesterday's post. There is usually a lot of good ones – at least as example to comment on – but time and personal health and sanity require I do other things from time-to-time.

I finished another book I came across from the same author [Peter Clines](#) as '14' I just recently commented on. 'Paradox Bound' and has no Wikipedia entry yet.

Here are the videos. Enjoy; ...

I discussed this in a recent post.

'Money is Speech' as the Satanic SCOTUS has ruled - Coining the destruction of the West and warping all souls through hyper-empowering Witches – but speaking about Evil and Satan is antisemitic!

.. like being against Witches torturing babies-to-death is antisemitic – as so many powerful Golden Calf Satanists disguised as Jewish Rabbis have said.

It would really really be hard for me to lift a finger to stop the physical beating of each person who made such an accusation, and all the older women in their family. I would not kill anyone who would interfere with the beating .. not kill them. I am so so sorry that is not a universal position and such evil horror supporters are not in pure terror and fear – as Satan's Minions, Witches, and every women in their families (as they age closer to menopause when it arguably advantageous they Gone from power over others – dead for example) should be., ..

### Law To Jail White Supremacists Up To Life In Prison Introduced In Congress

A bill that would expand the options to criminally punish individuals who commit hate crimes motivated by white supremacy or conspire to do so was recently introduced in the House by Rep. Sheila Jackson Lee (D-Texas).

The legislation, if enacted, would tack motivations of white supremacy onto the list of factors recognized under a particular section of federal law in instances of hate crimes, and the proposal would leave those committing hate crimes in connection to documented white supremacy vulnerable to a prison term of any length, up to life in prison, if found guilty.

A **bill** that would expand the options to criminally punish individuals who commit hate crimes motivated by white supremacy or conspire to do so was recently introduced in the House by Rep. Sheila Jackson Lee (D-Texas).

The legislation, if enacted, would tack motivations of white supremacy onto the list of factors recognized under a particular section of federal law in instances of hate crimes, and the proposal would leave those committing hate crimes in connection to documented white supremacy vulnerable to a prison term of any length, up to life in prison, if found guilty. The proposal would also allow for those spreading white supremacy online to potentially face criminal consequences if what they posted or said "was read, heard, or viewed by a person who engaged in the planning, development, preparation, or perpetration of a white supremacy inspired hate crime." Other factors in determining a propagandist's criminal liability here include that what they distributed was generally available to those inclined or it was reasonably possible

Here is an example of what being honorable towards dishonorable enemies will get you.

## Laconia incidente

On 12 September 1942, RMS Laconia carrying 2,732 people was torpedoed by German U-boat U-156.

When Werner Hartenstein, commander of U-156, realized civilians and prisoners of war were on board, he surfaced to rescue the passengers. Hartenstein requested help from U-boat command in Germany. Several U-Boats were dispatched; all flew Red Cross flags, and signalled by radio that a rescue operation was underway.

All that night, Hartenstein's men worked tirelessly, pulling people from the sea and shepherding the flotilla of lifeboats and rafts. The U-156 remained on the surface for the next two and a half days.

There was not to be a fairytale ending to Hartenstein's mission of mercy, however. On the 16th, a U.S. B-24 Liberator plane sighted the rescue efforts. Hartenstein signaled the pilot for assistance. A British officer also messaged the aircraft: "RAF officer speaking from German submarine, Laconia survivors on board, soldiers, civilians, women, children."

The bomber confirmed and reported the U-boat's intentions and the presence of survivors to higher command but was explicitly ordered to attack the ship anyway and began attack runs on the U-boat.

Under attack from bombs and strafing, the U-156 was forced to cast their remaining passengers into the sea and crash dive to avoid being destroyed. Many hundreds more of the Laconia survivors perished.

This lack of chivalry by the Americans seriously chilled the general attitude of Germany's naval personnel towards rescuing stranded Allied seamen and led to Grand Admiral Karl Dönitz issuing the Laconia Order which specifically forbade such rescue attempts.

Neither the US pilots nor their commander were ever punished or even investigated, and the matter was quietly forgotten by the US military until the Nuremberg Trials, when the allies attempted to cite the Laconia Order as proof of war crimes by Admiral Dönitz.

This backfired and embarrassed the US when the full story of the Laconia incident emerged.

# DEFLATE OF THE UNION

**China balloon bungle hangs over Biden address**

A host of questions — including why the US didn't detect a Chinese spy balloon sooner, and why we didn't know about previous incursions until later — overshadow President Biden's State of the Union speech today, as Republicans say they will convene hearings to demand answers.

## I LOVE THIS ANALOGY

When GOD wanted to create fish, HE spoke to the sea. When GOD wanted to create trees, HE spoke to the earth. But, when GOD wanted to create man, HE turned to himself. Then, GOD said "Let us make man in our image and in our likeness."

If you take a fish out of water, it will die; and when you remove a tree from soil, it will also die. Likewise, when man is disconnected from GOD, he dies.

GOD is our natural environment. We were created to live in HIS presence. We have to be connected to HIM because it is only in HIM that life exists. Let us stay connected to GOD.
