March 17th, 2024

Good Sunday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2203:

[Sunday Morning, again – Praise God!

I will be rushing through what has not already been assembled from last night, and at least try to publish to Facebook – at least a first pass and to be editing when I get back from Mass, later. No after Mass scheduled – although sometimes the conversations-socializing outside of Church after Mass can burn through a lot of time.]

Some weird dreams – dropped off asleep around noon yesterday and makes me think I should make a nap a semi-regular occasion with dreams like those – now details forgotten. And this morning there was a bit of a disturbing dream of in some old home where my mother and my biological father played cribbage together, well there was a giant Satanic Bat-like thing reminded me of the Vampire from Salams' Lot sitting across from me against the wall .. wondering if m mother's Adultery at the time of my conception – perhaps – and I spent a chunk of time driving the Satanic Bat thing out of the house but only It-She moved from room to other rooms – driven by 'In the Name of Jesus Christ!' and similar.

One might wonder what residual evil connected to those who's mother made baby-murder a practiced, turned into Jewish religion and never Confessed and been separated form such horror – let the residual evils connected to all she bore and touches .. so many older women – male-hating vile women supremacists toxic Septic Poison with every Breath they take, destroying and rotting souls in their families and all whom is under their power, authority (with fatherlessness supported by Satanic gov), influence, vote, vomiting evil endlessly .. and those that do not support those that do and cover for them as they did from before womanhood and as mothers turned against own sons and their fathers supporting Satan.

Anyway – we should have a open wide discussion with facts and rationality of the God Blessed goodness of society if God sent a Real pandemic that killed all [post] menopausal women for a as many generations as womanhood have been vile baby-murdering family destroy delusional-psycho evil horrors – to break the Jew-Satanic fungal-strangulation and murder of their and all our souls and genocide of Western society and Christian [and Virtue] valued based men, families, children, .. society.

Some more things to consider, perhaps.

Saint Fulton Sheen, all Saints of Day – Praise God!

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Paths.]

I came across a strange [audio] book on YouTube, part of a series 'Uplift Universe' (Archived: <https://archive.is/e88OS>) and it looks like it even had-has a board game created based on it.

The author is David Brin (Archived: <https://archive.is/jl0fd>) and the first book 'Sundiver' (Archived: <https://archive.is/RXJ9P>) was strange enough to keep my attention – there was a concept that I found engaging and creative.

That there existed a galactic society of many many different intelligence and the Standing in 'virtue' of any is the number of client intelligence that they have 'uplifted' into sentience – and the assumption that no sentience occurs naturally, so even humans had hosts that must have abandoned them – but debated and argued that such was untrue.

Normally we humans would be the lowest level of Standing having no 'clients' found on different planets and uplifted - except that in that distance future we had been uplifting dauphins and whales – giving them genetic additions for vocal and manipulations of external hardware, and such things – which gave us Standing even if seemingly resented by many as undeserved for some reason -perhaps because we were unaware of the Standing rules or even of any other sentience races in the Universe – that we naturally did this out of desire for goodness and 'company' .. of course this 'can not get there from this hell-on-earth Jew-warring genociding Satanic nightmare – but that is what makes such books so good – a kind of what if Christian values were not Poisoned and womanhood not turned into Satanic-minions directed from hell by Jews to Suck all our life-forces and destroy – Eat - our souls.

Something interesting and different that the Satanic mind-raping vomit from Hollywood!? - some of the 'Chunks' are actually pretty interesting for once in a few generations of Hollywood-Jew vomit, ..

Unfortunately she still seems to forget divorce by wives and mothers are the overwhelming majority and are the Sickness that results in much of what she complains about men .. but again Prof. Jones makes clear that mothers who hire Witches to torture-to-death our babies become Jews, as Jews' Sacraments of baby-murder, Gay-marriage and sexual deviations, degeneration and debasement of Christians and our societies, and Euthanasia are only a few of the Satanic part of such Talmud-Sickened vicious evil Religion .. genocide, murder, sterilization, and lives filled with constant hell and pain for us and our loved is what those Powerful Jews desire for us 'Cattle' until all dead and burning in Hell for their Master Satan.

But the 70+ years of slow warping and Satanic-Jew destruction of this now GreatSatan of Jew-Goals nearly suddenly over one or two generations adding baby-murdering, Gay-marriage, and now pushing Euthanasia has caused a back-lash, of course with the mass immigration to destroy the indigenous people for who once the wisted vile retarded Satanic-following women with votes start to wake, might result in some push-back until women are given more Satanic rewards to sell their and all our souls as done with baby-murder, divorce and theft of husbands life savings and children to torture for their Sickness and female-evil ways that must be Nature to womanhood – vileness deep and Sick., ..

Janice once again finds examples and makes points of the horror or sexes' relationship since baby-murdering mothers became normal and all of womanhood and mother's children warped into dead and dying souled Satanic Jews-like and child-mutilators and fatherhood-family destroying and other horrors .. with courts insane in endless immunity and Belief to a Class of humans so clearly lying slimy walking piles of False-Witnessing soul vomit and rest supporting of covering for them - in general., ..

Tighten-up those VagFeelie-belts – this one has a very good beginning topic – especially for those of us that grew-up and loved original StarTrek. Written and produced by non-Jews – Wasps and others side with Jews in destroying Western Society increasing diversity and Amplifying the evil Goals.

A very interesting beginning as he quickly and over a short time deconstructs the Nazi [original] StarTrek version from the 1960's as more Jewish propaganda, how the Nazi 'suddenly' and because of hate decided to reject the usury-enslaving OWG sexually mutilating pornographic spreading undermining rotting vileness of the powerful Jews that are connected to the ones that genocided so many Christian white men in WWI, Holodomor, and soon to start WWII .. and all those that supporting ..

.. 'just suddenly for no reason at all!'

And he goes on to a greater length about Shatner's movie to destroy Order, Merit, and attack segregation, tight Black communities with Black business owners and employers, low crime, almost not out-of-wedlock children, etc. and sense where Merit does not matter, etc.

More on the Open genocidal news – the constant distracting pretending to work towards a solution to cover Genocidal laws and

you are all thinking 'maybe THIS time' without blowing the brains out of all of israeli and Zionists brains that they will suddenly find God and reject Satan! .. yes, sure Genocidal supporters – too bad mind-raped baby-murder-okay rational broken minded Witch raised and controlled cnts like you have power and are not Gone .. you and all older Toxic male-hating Satan-Jew supporting women, all genocidal supporting, supporting, excusing Zionists world-wide.

Maybe tomorrow, maybe after another 1000 dead family members, maybe after another 100 dead starved babies, .. maybe then a cease-fire will occur – listen to how hard they are talking – of course they will find a solution. Of course they will!, ..

More help from Plutarch to know friend from foe and in-between, whom to trust of the men near.

No women can be trusted of course, siding like our Sick vile mothers and others with Satan and woman supremacy in male-hate – mind-raping us into evil-Blindness to be victimized by any and all women especially them – all women since voting and baby-murdering became normal – insane F-ing evil horrors .. with many be 3 of 100 or 1000 with human virtue standards – as defined by the virtue standards older men were raised by – anyone else better dead definitely if they have power – perhaps – untrustworthy lying vile back-stabbing walking hate-filled delusional-psycho dangers to us and all we love, as most women are and all women with power become.

Older women all dead for a few generations is arguably something to discuss openly as would be best for all the rest and our Futures and families, and out of Love to suggest the Repent and research to find their once living souls from the rotting festering evil murdering hate-laced insane Sick souls (Thanks mom!) ..

.. so what men [that had fully functional fathers – because mother gone-dead and unable to destroy and separate fathers and children using the Satanic-Jew lawfare evil State] .. so what such men are trustworthy, if any left?, ..
