Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1903:

In this morning's prayers and meditations I Reflected on the foolishness to act to solve problems when the Truth is unknown, when all past indications of failures of acting on what what believed to be true – with all good intent and normal effectiveness ..

.. that Always leads to worse of similar different problems, on trusting those around and in power who you know are untrustworth to community some truth, and yet we are evil-Blinded into thinking that we are at fault when we did exactly what would have been best had the real truth been what we were told or programmed to see – And so and when clearly they are lying to move you as a puppet – trusting in your desire to fix or help or other virtues, and-or as we get further into the horror of virtueless fatherless Witch directed child-raising and importation of grasping virtuousness peoples when Tribes and Families are all that matter – when anything does – and everyone else is hated, despised or otherwise felt about as women and society have for generation twisted into feeling about males and men.

Without actual understanding of the true situation then any solution applied would likely only help the symptoms and might actually make problems worst – and when untrustworthy people who hate or otherwise are shown to be okay murdering you and those like you – unBorn or in unending Genocide wars against you 'type' white Christian men, [potential] fathers, husbands, and Protectors and Directors of Virtue-Based society, when the last 3 or so generations have been an active hyper-empowerment as well as mind-raping of womanhood until most modern Western women are little better then a Toxic mind-raping Septic nightmare – worst the older they get – baby-murdering and man-father-children destroying howling Puppets directed from Hell – all Demonically Programmed, as we all are – to self and virtue destruction.

—

Good True Right Order follows from Justice derived from Truth. InJustices when all actors are applying and intending Virtue directs us to examine if the Truth that those Laws and Practices were based on is actually True.

.. There is a Chain that links back and forward so that disOrder indicates inJustice, inJustices follow from unTruth.

One of the many ways that our Satanic Powerful – that direct the world or even within our family – is through the lies and manipulation of our known intentions and desires. A population of people who will Coin and murder own children, or neighbors is Ideal for Satan and Her Witches when controlling a population of some group or individual, And as too many of us have experienced within families - vile vicious slimy grasping baby-murdering mothers so twisted and unhinged that crippling their children to be less functional than they are is the only way Pride can be supported .. as we see Affirmative Action has done to most or almost all work environment – first women unable to compete turn to the slimy back-stabbing vileness that now seems standard. Very few women can compete in most fields with a directed man that is in whatever field and besides generations of mind-soul-confidence mutilation that has been the Programming that our vomit mothers and other women & teachers have been doing – crippling us until most of the less sharp Toxic others we now forced to work beside can be someone excusable.

In a right-ordered capitalist society where merit and virtue is rewarded, employers that hired such effective retards and growing Delusional-Psycho vicious horrors would fail, but we have passed the point where Dollars are hard to come-by for those that Align with Satan and Her Witches. Many of us know that most work is make-work and more and more used to destroy [white] [Christian] fatherhood and men by not only excluding them from the better jobs that would allow support of families, or even attractiveness to mates and lovers ..

.. Please do not pretend that women are not effective Prostitutes – as a young man I saw how not being able to afford dinners and such was an issue, not impossible to work around but add to that the targeted lying slimy Witches and cnts .. if I had not had years and years in different situation .. well, we see around us those men who have been actively crippled by mothers and teachers and the few who manage some level of functionality but being fatherless only have the female-evil lies pour in them from crib and so soon become despised by possible mates and eventually targeted by the Witches near.

May of you Know this – yet continue to lie to your sons and the men around you .. inHuman F-ing evil .. so when they alone are unable to do more than enjoy the chat of love interests and years of aloneness because they trusted you and similar evil lying horrors .. so that there is something wrong with them internally as people and men – and not something as simple as they can not afford a few dinners?

So, Yes, there is something wrong with them – that is that you and the kind of vile lying horrors like you all did not die Long ago, you screeching evil horrors.

We trusted you when many of you it Just you died screaming in flames Burned as a Witch. And F-you if you are fine with Witches ripping apart live babies and get upset with the thought of burning publicly such horrors ..

.. God Demands Love and not Death – but you likely need to know that. No one is suggesting anyone Act in what is Just – but let us hear your arguments why ripping apart babies is fine yet burning to death those who actively destroy children's lives as mothers and teachers as Witches they are is not Just by those standards .. or are you so insane as to argue that?

—

Those mostly women that know these things and do not prepare their sons, brothers, .. are Horrors. In a world with hiring Witches to torture our children to death it is hard to think of women are more inHuman and vile – but such women as drive away fathers and good decent men from their children and then so Retard then .. Gone is best for all involved .. every women who knows better and stays silent in the Cause of the Evils that exist, as the basics of Truth are all men can use to Act Well in the world and Satan has turned womanhood into a Septic Horrible mess where support of murdering babies is less of a crime then the silence or active lies such women support and tell.

—

How can such Toxic people be anything but Contemptible? Mutilating and crippling the males around us all – and then pointing and laughing or wondering at the reactions such abused confused normally rational people do.

Septic Poisonous Lying Slimy vicious putrid modern Western Womanhood. WTF is wrong with you people .. of course many older women look around and instead of speaking out the hide the shame – the dead sons and twisted daughters .. by the time they realize the insanity they supported was Evil, they so deep into guilt as to be unable to face it, never mind discuss it with other of do what Men are able to do when not crippled, find a way forward – often sacrificing themselves for society, neighbors, family, children, and .. and women. And woman. What a cruel thing to realize, most of us have been crippled by the very group that we routinely die for .. and very very few of them post menopause would not be best Gone, you could advantageously trade all the older women for those dead genocided White Christians in Ukraine-Russia that such slimy inHuman Sick women so actively support and vote to allow.

Entire Western History is filled with average men who did daily wonderful things, Loving and building, and now that women have power and control over families .. no man – or now boy – who looks cross-eyed at one of you Vile Tools of Satan or even questions or suggest some action that goes against the local or national or international Witch Goals is unpunished.

—

That is enough – I feel Blessed, and Am so, but I half want to die to get away from you F-ing horrors when I think about it. All those

years and years of Pain and Confusion, almost always acting and considering the good of others – women especially – and it turns out that most all of you together are barely worth one decent [older male virtue standard raised] man, and way too many of you Justly dead is a reasonable belief to hold .. Why not? You can not be trusted – even trusted to not murder any children produced .. a Horrible sin so that even what little aspect of womanhood the inspires and bring Joy - you have Putrefied into Horror.

The State of Modern Manhood .. confused and surrounded by inHuman Things that seem human and act like it until They don't .. all those years of healthy adult life when at every turn some of you vile putrid horrors were targeting me, made institutional – and now mobs of you F-ing Nightmares are ready to destroy every man who goes against your female-evil Witch programming, and of course you are so hyper-empowered that nearly a single whisper will unJustly destroy a man, that our evil Gov & corpDragon companies more powerful than most nations, and courts and secrete lists all will support such evil – as long as it goes against Virtue, Order, Justice, or Truth.

All my Sins before me .. although it is hard to believe such a Nightmare Hell where torturing babies to death is barely commented on, people raised under such level of evils and sin clearly can not be expected to be Sane, or entire world accepting of such as anything much less than Hell.

—

And I am tired of hearing well meaning Catholic men who live in some kind of isolation away from the howling Witches that most boys and men are now subjected too to public & employment .. saying how we must teach boys to be men .. like shooting horses when they fail to jump an obstacle .. the women all around us are similar to Life-destroy Machines of Satan .. and we are not 'protected' and in some kind of limited reservation which most of them seem to be – almost like the few examples and hazards that draw more wrong effort and confuse us .. like many of the Golden-Calf Satanic supported people in media .. examples to keep the ignorant saying to themselves that they can make it if they try harder, as if their very suffering and blood is not sucked-off by those vile female-evil leaches from Hell that our society is based on.

My advice would be get by and do not believe what you are being told, and hope for God to kill all older women, or to allow us all to see the Festering Green Satanic Demons controlling them, too See and understand the Web of Real festering Satanic power-lines, and-or similar – something that will reSet this cntHell, or allow your actions to be Right Ordered and NOT service to Satan - as most are now in our ignorance and well-meanings.

A Sad State. The wages of sin.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Another good interview and guest. These perspectives need to be communicate to students and as alternative to the Golden-Calf Satanic Witches in charge and filling education and many other Septicly Sick and Sickening Professionalism that was Poisoned by Witch Universities and putrid vile Vagina-god Satan worshiping modern Western womanhood that drive away and destroys all decent men who stand against their howling Female-Evils.

Slavery was an improvement to human sacrifice which is what the American indigenous did, of course.

It could be considered a Stepping-Stone to giving people Value – that later Abrahamic – Christians Ideals – directs us to realize that humans have a Divine Value.

.. But Female-evil Witches and retarded cnt followers could never believe anything that points away from torturing babies to death as Sacrifices to their Vagina-god Satan.

The Modernists who refuse to recognize Truth as powerful and as they stem from Female-Evil use of Female Sexuality and Slimy Manipulation and all else falls to that - and must Suck Satan's Strap-on has damned themselves to Die as the only surrender – to be Burned as Witches - as they refuse anything but Female-Evil Sexual Manipulation & Power as worth having. Let them rest with all the older women as corpses in graves, as that is all they seem to believe is Power.

Male power stems from cooperation and teamwork.

Female power, as we are seeing in [Post] Modernists excuse and modern Western womanhood – is disOrdering isolating destroying unJust slimy lying manipulating vile disHonorable virtueless vicious horrible Joy-Life-Love-destroying child-mutilating Hell-directed Septic Vomit Suffering State – Clearly. How many more Decades of this Golden-Calf Vagina-god Satan power exercised unrestrained do you need us all to Suffer before you See that? How Protected and Blind are you that you have not seen it long ago?, ..

A favorite tactic for arguing with anti-White, black ethnonarcissists is to tell them if they would simply read the books written by sub-saharan Africans prior to European contact in the 1500s, they'll find that they were many times more cruel.

This demonstrates the dual points that White people have recorded their history and misdeeds for thousands of years, whereas 500 years ago blacks still didn't have a written language. These people with no history criticize our history without a hint of self-reflection.

Shit is so fake that the minute an outsider took office we got cheap gas, cheap food, became energy independent, no wars and focused on our country's own issues.

Establishment hacks get back in and we have inflation, medical tyranny, world war 3, need to take a mortgage for gas.

It'd be hard to pinpoint when the social contract in the Western world broke down. But at this point, you are paying taxes to a government that refuses to guarantee physical protection from violent miscreants, protect our borders, provide equal justice for all, & ensure our hard earned tax dollars are not wasted.

The theatre makes clear that white people will not be welcome at the so-called 'Black Out night'. The aim, organisers insist, is to create a 'safe, private space' for an 'all-Black-identifying audience, free from the white gaze'.

RED ARMY RAPES 2
MILLION GERMAN WOMEN!

As the Red Army rolls into Germany, Stalin's Jewish chief propagandist, **Ilya Ehrenberg**, encourages the soldiers to rape and kill German women. Ehrenberg's leaflets declare:

“Kill! Kill! In the German race there is evil; not one among the living, not one among the unborn is but evil! Follow the precepts of Stalin. Stamp out the fascist beast once and for all in its lair! Use force and break the racial pride of the German women. Take them as your lawful

There's no such things as gay rights, trans rights, minority rights, or even women's rights.

There are only individual rights.

Either we all have the same rights regardless, or we're just groups of people fighting for special favors from the government.

Hitler never banned guns - it is another made up Jewish myth

We have Chicago law professor Bernard Harcourt to thank for debunking this myth. As it turns out, the Weimar Republic, the German government that immediately preceded Hitler's, actually had tougher gun laws than the National Socialist regime.

In 1938 revisions made under Hitler completely deregulated the acquisition and transfer of rifles and shotguns, as well as ammunition. Meanwhile, many more categories of people, including Nazi party members, were exempted from gun ownership regulations altogether, while the legal age of purchase was lowered from 20 to 18, and permit lengths were extended from one year to three years.

I know everyone is tired of the "imagine if the roles were reversed" stuff.

I just can't see how you can read/watch this stuff and not immediately think how the headline would be different if a group of White teens tried to kill a black guy in broad daylight, on video.

I feel like at this point you have to be a retard or hate Whites to not see this shit for what it is.

Luckily it was just a group of 6-8 black kids trying to kill a White guy.

So at least it isn't a race incident or anything.
