December 2nd, 2023

Good Saturday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

Index Number 2097:

—

[This Saturday I will be leaving relatively shortly for morning Mass, and then after that will be the First Saturday Men's Catholic Breakfast get-together. Because of Fever I missed Confession and Mass last Sunday, and was doing fine as far as grave sins until I was not, and it is important to me to Enter my Model of the Holy's 8th Day-of-Week which existed since God Completed Creation on Christ's Resurrection, as well as Sunday is the first Day of Advent, which will be a time of Fasting and extra Prayers, or hopefully will be.

It will be pleasant to get together with the Breakfast group – The weather and 5ish days of Fever has left me pretty isolated, so this will be a Blessing.]

—

—

In this morning's prayers and meditation I spent a bit of time drawing-out a bit more on the 2nd of the 3 Holy Candle Prayer – the one focusing on Jesus, Holy Mary and the deConstruction and reIntergration related to Holy Human Sexuality in this Holy Simulation, and the Integration of these Steps into the Expanding and building of the Holy Neural [Saints and Sinners] Network, the Stages of Construction that is connected to Jacob's Ladder and the building of God's Kingdom Come down each Level, the integration of the Profane information in these Days-of-Bread, those collected and integrated into groups and Knowledge, to become Sacred Knowledge as it become more useful for the mMaster and others, and this collected and integrated to different levels of Wisdom, integrating such

more tightly and effectively, Building the entry Stairs into Holy Israel and further, ..

... while the bottom where we live our Profane Days-of-Bread we add a little Value – sometimes when the Virgin Holy Perfect Health and Holy Perfect Love Union and Communion with God, each of our Avatars Base-State, when Jesus Christ lifts these Days-of-Bread and all our Cross a little – some Holy Knowledge and Wisdom Shines and so it greatly values and added.

But mostly we spend our Days – or should – ReShaping into Holy Pleasingness our CornerStone we started the Day-of-Bread with, where the Builders Took all that was Perfect and very Good and left us the Remainder and enough of a Seed to continue our Construction parts of the Holy Neural Network linked to Jacob's Ladder, our bits and pieces of Holy Israel.

—

Okay – that will have to be enough for this morning, and SubStack can be worked on when I return late morning and afternoon.

.. I had some semi-disturbing Dreams I was hoping to outline, but these are not the first recently and no doubt has a lot to do with my tarnished and unWorthy Soul, and similar .. perhaps sometime soon in days, God Willing!

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Tyrants .. mind-raping Freedom-to-Hear interfering thought-control Witches .. our grandfathers understood them dead is the solution – dying while screaming and pissing themselves in public as examples – hanged or burned as Witches with all older women in their families, and older adults of all other families socially and professionally close ..

.. but God Demands Love and not Death, and Better from us all – and a good chance for you to examine the demons in our mind and the 'baby-killing-okay' broken minds and wonder why your, your parents, and their parents generations are the only ones on Christian lands for 1500 years that are so so so F-ing demon controlled and soul-enslaved.

The likely genocidal supporting and-or excusing Zionist he debates I will avoid as I do not want to look at another man that should be hanged with all the older women and men in his family and likely the closest social families and whomever supports or hired and promoted him, and their families.

.. I will not bother to pretend you need me to explain that – like baby torturing and killers – Abortionists and mothers (and knowing fathers, courts, law-makers, ..) that supporters and excusers of genocide and war-crimes we are clearly seeing – that it Just they die in public along with their mothers, older women, and those significant in supporting and raising and twisting them .. do I need too? Because once your push away the demons that screaming in your mind you Understand – can See them and perhaps yourself hanging from a tree or lamp-post over the corpses of all the older women in your family and Know that it is Just and perhaps Right – except that God Loves you more then all the rest of Creation and all other people together – Loves you Infinitely and has given us more chances to Turn to Him, to Repent, etc., ..

 His mother, shocked and horrified,
 Demanded labor start posthaste
 To hold in hand her child who died.

No unformed clump of cells was he,
 With fingers, nail beds, boy parts, feet,
 Toes, earlobes, gums, and tongue; we see
 His human body wrought complete.
 Fully formed, his peaceful face
 Mirrored well his older brother.
 In Mama's hand he lay in place
 Like Jesus by His grieving Mother.

His photos shared around the earth
 Changed the minds of many mothers
 Of babies far too young for birth;
 His early death prevented others.
 Some kept their babies, now rejoice;
 Some women screamed, "What have I done?"
 So many ceased to be "pro-choice,"
 Their hearts repaired by one lost son.

Guess how many races flipped from Republican to Democrat after “finding” extra votes?

Fourteen.

And guess how many flipped from Democrat to Republican?

ZERO.

Any sane & rational person can look at this & tell you there was voter fraud.

Might .. or likely best you kill him. Arest him and his Talmud-Sickened Golden-Calf Satanic Witch Master will have him released and you killed .. kill them all seems like a position that is reasonable - kill until you dead and die for a better cause then nearly every white Christian man that those horrors sent off to war to kill and cull in 200 years. .. one might argue.

Democracy is a bunch of niggers and faggots yelling at White people while jews rape children.

White people should start asking themselves where their "place of refuge" will be once our countries become brown anti-White third world shitholes.

coloradonewsline.com/2023/11/29/schumer-senat...

“We fear a world where Israel, the place of refuge for Jewish people, will no longer exist,” he added. “If there is no Israel, there will be no place, no place for Jewish people to go when they are persecuted in other countries.”

When they say “Israel’s right to exist” what they mean is: the right for jews to live in an ethnostate. You’ll never see them pass a resolution reaffirming the right for the Irish to exist, or the right for Germans to exist because White countries don’t have that right, only jews do.
