Good Friday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1695:

This morning's prayers and meditations had many Reflections worthy  
of note, and I hope to at least brush-over the general concepts for  
possible consideration from self in this future, for you, and for our the  
Futures.

1. The value in Compare-and-Contrast of 3 (or more) aspects, and all  
the sub-grouping where over-lapping; ..

The Holy, The Sacred, The Profane – The Holy Father, the Sacred Body  
of Christ, the Profane world and worldly Manipulation and abilities in  
the world through the Holy Ghost, .. for example.

2. Female soul linked Ancestors and the Soul Weaknesses (in them  
and us) the Demonic Parasites linked too - being revived in our  
Histories and Present.

3. Praying for those who have Passed, changing their lives and  
futures, and ourselves though Holy Multiverse Communications (done  
Right, Prayer and Meditation)

4. We (Soul) Captain of our Ship (Mind, Body, and Soul) owned and  
purposed to us by God, and Vineyard and Bad Tenets.

Let us get started; ..

1. The value in Compare-and-Contrast of 3 (or more) aspects, and all  
the sub-grouping where over-lapping; ..

The Holy, The Sacred, The Profane – The Holy Father, the Sacred Body  
of Jesus before Resurrection, the Profane world and worldly  
Manipulation and abilities in the world through the Holy Ghost, as an  
example, and then once some Better grasping is present – compare-  
and-contrast with other aspects ..

The Holy, Sacred, and Profane group and groupings to; ..

The Secular,

The Scientific,

The Cultural,

The Historical (Temporal in general – before, now, future),

....

And the huge groupings these have – providing insights in the  
compare-and-contrasting of them separately and considering the  
kind of overlap, in function; authorities and relationship interplay,  
physical manifestations, changes in temporal and other causes – close  
cases and the effects.

2. Female soul linked Ancestors and the Soul Weaknesses (in them  
and us) the Demonic Parasites linked too - being revived in our  
Histories and Present.

I was considering my own sins and how such is reflected in the history  
at time of conception and known clear evils in Local, Nation, world ..  
that is known by me through Mother (1940), maternal Grandmother  
(around 1896-1903 [to be learned better], her maternal Grandmother  
(around 1860), and her maternal Grandmother who would have been  
at at least minimum procreation age earlier (say 15 – 40, 1845 – 1820).

My mother was born of C-section and her mother was 40 or over and  
she is her only child, and unplanned and a surprise .. as such are often  
to an couple who marry older.

So on reflection I have decided from examination of Self and what I  
know of our family-line's history.

.. In this Multiverse your family-line's history can and is likely very  
different – only Quantum Collapsing were solid personal data exists –  
a news paper not as reliable as a personal letter (clearly because we  
Understand, do we not see today?) that history is re-written and often  
very wrong even in fantastical gross ways 200K becomes 6 million,  
Moon landing occurred and yet did not and was simulated –  
depending on which Multiverse paths are recorded and how - for  
example.

I had a huge interesting tangent related to how our present  
technology is causing a lot of weirdness in the collapsing background  
– which the Holy Simulation would normally not need to deal with  
through most life situations for our souls.

Anyway to look at the Sins expressed in the 1950's and 1960's  
histories, and their ability to exist.

Expression of Lust, removal of responsibilities, sex-roll disOrdering,  
active destructions of families by State, divorce, further culling of  
good fathers and potential father in further wars for that reason,  
using the tight Black communities to work-out future destruction of  
West, greed, male-disposal, male and society demonetization, baby  
murder, using self and others in profanities.

Her mother – well let me suggest that all this was only possible  
because of the loss of Faith – or Scientificism Religion over-took it.  
And the constant World Wars using every more terrible weapons and  
the mass slauder of .. say WWI British men ordered to WALK into  
machine gun fire against all rationality by the Witches – as warfare  
was clearly know and practiced. The murder – intentional – of men  
and father – like in so many other of these situation – the Civil War ..  
where Power was only a small part of the goal - Murder of good men  
and fathers was not the Cost but the Goal because EnSlavement and  
Sin, needless Suffering, murder of self, own children, loved and  
trusted others, .. and Hell was and is Always the long term Goal of the  
Forces behind the Witch-Matriarchal ruling families.

I recently in post used the Worship of the Washing Machine by that  
generation as a quick mention. Let us briefly expand.

The Holy Duty to God is to Serve Him and His Order. Wife and Mother  
washes cloths of husband, children, self, and any others Assigned by

Well, the washing machine comes and we put a great level of the work on to it. So she puts the task on to the device, but not the Holy Duty. If the machine breaks – she is obligated to still get the cloths washed.

The loss of Faith and the relationship eroding between Duty and tasks have been undermined, in fact over the generations is has mostly disappeared – to the point of getting pregnant and our Duty to the child is only a task and so can be ignored or disposed of, or not based on whims and conveniences.

.. I shorted a rather longer connection degradation path, of course, but removing Awe and Fear in God and all that is linked to it – leads to erosion of all Goodness, Order, Justice, Truth.

How did such get so? War alone?

We have through the period of time that further cause those wars was the Satanic Powers taking control of the Banking, Investments, and Propaganda, and the start of those corporate laws that gave them more then full Manhood Rights, gave them what we now can see is Womanhood Rights, more then all the powers and Rights of a Man – much more, with the Immunities and Slimy Secretiveness, and deniable and legal deniability to anything beyond grasping greed and vile Hate-Murder-Evil .. of the worst of the Howling vile cnt-women we have all around us .. slimy whispering and arranging (using other's resources) to attack and destroy others on Whims, weird unknowable vile Satanic-twisted sexually mutilated and mutilating drives and goals, .. but perhaps I digress too much.

One can wonder how Womanhood's relationship with self, women, men, husbands, children, family, State, world, and God and many others (Compare-and-Contrast!) Parallels the evil powers given to those Legal Monsters – Dragons that are destroying us all and taking over the Nation State.

I suggest that as Womanhood mutated (and was driven too) the CorpDragons' applied Rights and Powers did. This was the expansion like how the United States was taken over and Ruled into this #GreatSatan, then Empire, .. and is now being Destroyed to bring Forth a Greater Evil.

Perhaps this would be a good time to discuss Israel. Since I Capitalized it I mean the Biblical Israel and the Holy Israel which is a State-of-Being and Communion with God, The Resurrected Jesus Christ and [eventually all of us], and how the souless demonic control State-Zombie israel was the first Stage when Satan's Witches Needed a 'nation State' of some form to expand the evil reach with Rights and lack of Responsibilities to populations and men (since Nations are not Kingdoms with Holy Obligations to Their subjects and other Nations – as mirrored in Holy men's mutual obligations .. those controlling the Zombie-Nation Horror still had to be public and so the Witches that directed the Puppets did not have the Total Power to do evil they desire, but useful while such was being Satanical Shaped using LawFare within the Captured #GreatSatan They (The international Witch-Matriarchal ruling families) arranged and directed horrors from.

SO, I hope people understand that those behind enSlaving the Nation under the Federal Horror gov, got us into WWI and WWII and all the other constant and evil unnecessary wars – and the goal has always been the destruction of good men and fathers and all forms of power that Threatens Their End-State, the worldwide CorpDragon from which the Witch-Matriarchal families will enSlave the Nations and all there subjects – the Nation State – like the laws we now have and the tax policies and economic medical .. systems – a method of subjugation and control of all Classes but Them, with Awards and Freedoms handed out as a King once did – but you have no idea who – or what – is responsible.

Anyway – Nations as Puppets to themselves and other Nations as our national politicians are to us, powerless and souless but very able and ready – while hiding who's hand is inside – making a fist and crushing us and all we love.

What kind of internal Weakness existed, what Demon was empowered by the young woman who grew-up during and immediately after the Civil War that was passed on at Inception between 1896-1900 one might wonder, .. and her mother to think that God-like Rights were Manifest Destiny of the Expansion of the States our West and into Mexico .. what Weakness that replaced the real God Based Natural Rights of Nations and Peoples to then be Turned onto it's own Population to enslave them, and then perhaps Resentment and desire to be able as a young lady to 'wipe-out' entire armies and States who were responsible in killing so many lives close to her, Passed on at Conception turning into Immune and total control of Usury Banking and creative Investment systems, formation of a Monster that will be significant in the Sacrificing of Babies and all souls connected in another generation.

Fulfilling (a) The Masters' Command to Abort a baby who was in the way of a drive for Perfection, a destruction of all outside interruption – even God Presented Blessings – like our society destroys all men and boys who might inject Truth, Justice, Order, or even discuss anything that might Threaten the power and Satanic Plan – a Plan that clearly will ultimately and predictably lead through our future daughter allows to live only to be constantly raped and babies aborted, tortured and other horrors for Satan, but to us all mindless souless Machines being constantly Tortured Forever?

The question is .. what is accident and-or not.

What Satanicly twisted corner of a soul would 'get-off' on that? A version of 'I have no mouth, and I must Scream?' in some kind of God-disconnected Hell in a research lab?, .. [https://en.wikipedia.org/.../I\\_Have\\_No\\_Mouth,\\_and\\_I\\_Must...](https://en.wikipedia.org/.../I_Have_No_Mouth,_and_I_Must...) Archived: <https://archive.ph/M63sk> DropBox: <https://www.dropbox.com/.../I%20Have%20No%20Mouth%2C...> [ <https://www.dropbox.com/s/fo7wzq7ezm64nir/I%20Have%20No%20Mouth%2C%20and%20I%20Must%20Scream%20-%20Wikipedia.pdf> ]

.. perhaps the kind that would go to someone's private Island to torture and rape children – disposing of the bodies in sea, or medical professionals that would isolate human and other brains and torture them for 'brain juices' while pleasing themselves over coffee watching the VR versions of the Sexual Tortures of an 'evil-white-Christian-man' [who disagreed with one of the Witches minions] as many at UVM are shown to [be] like – and empowered openly to lie and get nurses to torture babies to death when they thought they were safe because of 'Laws' is accepted – what other Horrors are they doing to those living in their 'care'?

And what Owner of the UVM CorpDragon(s) will be held responsible?

What was and is the Weakness in the soul of my Great-Great

or more importantly Holy Authority .. into this State?  
(Can you make the connections I have briefly outline in my suggestions?)

Okay – some music first.

.. I was in a weird music and looking for memes mode last night and stayed up too late, but lots of good stuff – although I will only be able to present a small part of the image memes I found interesting and-or provocative.

Of all these Mashups I decided Hetfield is my favorite new-to-me talent; Voice, Mannerisms, general Appearance, and he seems very good on guitar.

.  
(‘Slayer’ as a band is good, better I think so far then Hetfield's band .. but that can maybe because of their Shock value –

"DIEEEEEEEEEEEEE!" LOL,..

.. but my opinion only formed from what little I have seen - I have not seen enough of all their works to be sure.)

Okay, back to regular posting.

This is a good sign and may actually Evangelize others to the Catholic Faith – if effective.

So many have seen their religious sects taken over by Satanic Puppets, and if these actions are Righteous and well done – it might Convert others – even non-Christians and non-believers – as Clearly God is Smiling of the Church that Heals itself from the Grip of Satan – filled with Witches and Evil-driven Leaders,...

And so .. can you CONNECT the DOTS and wonder not only about 5G, but the WIFI and BluTooth near you now? And maybe Other aspects related – like all those Sickening Vaccines forced on children filled with heavy medals and toxic poisons? .. Medical Enslavement, medical insurgence and entrapment into corpDragons serfdom or family exposure to crippling medical costs, and ..

.. They Hate us and want us and all we love Sinning, Suffering, Sickened, Dying, Dead, Screaming and Burning in Hell.

Okay – bonus video for extra credit ..

And if you look around you can find – some unscribbed still likely exist – of more detailed and deeper communications about the EM Cancer link, its history of suppression for the roll-out and enslavement to that tracking and surveillance audio/video recording Cell-phone most people carrying .. and a lot more.

I posted a long time ago a picture showing a tree with the side facing the new 5G antenna on side of building – that side dead and dying and only those shielded by trunk in direct LOS were healthy looking branches and trees – and no wonder the RULE is for no trees withing a set distance, it was so clearly a Toxic-to-Life Zone, and what about those on other side of wall it mounted – it was maybe 2 or 3 years ago, are they dead yet?

I wonder if Facebook removed that image and-or post. Too bad I can not recall even the date-range to search, and since I discovered they removed something like a month all all posts in one situation I know of, how much time could I waste looking for something I know should exist but was removed by the Censors, the #FreedomToHear interfering Satanic Witches enslaving our minds and sentencing us to Futures of Horrors – us an our loved and all we might have knows and loved.

And back to 5G and technology tracking - how hard would it be to target a particular phone and generate full power when near, you walking around or working and the system set to Poison you – Canceled slowly and given the F-ing vile vicious horrors cnts all around us – do you have any doubt the local Witch-Matriarchy rulers would not have 30 vile hate-filled twisted-to-evil women and their Dog-males all frothing at the chance to 'punch a Nazi, antisemitic, sexist, ..', evil-white-male or whatever the Witches know gets them masturbating and cackling too?

Any busy public street will put you pebble-throwing distance to a hand full most moments – if in or near the Center of Evil - Burlington Vermont, near UVM, or similar Witch infested male-hating Toxic howling vile cntHell places.

May God have Mercy on us all.
