Good Monday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1769:

This morning I struggled to stay awake after getting up at a regular  
time. I ran out of tea, and instead made a Ginger Tea – which was  
good and warm and .. caffeine free, and I suppose this morning that  
was a problem as I was very dosey and kept slipping and glacing  
into other Multiverse Hosted situation.

I wonder if I could come up with a term for that, something more  
solid then 'weak ego boundaries', where a person actually slip  
around into different versions of self .. perhaps others living their  
lives.

So after adding something like another 3 hours(!) I suppose I need  
the extra. I had some solid dreams but they did not stay with me on  
waking.

Yesterday after Mass and Class and lunch with friend I came back and  
finished most of the normal editing and publish before Sundown,  
except putting 'Referenced Here' in all the video's comments .. so I  
had little time to go through all these longer videos I linked to  
yesterday.

May this be a Blessing to you and us all. [And all our Futures, and  
future Multiverse Past.]

.. I stopped checking Collins' Channel so I am glad John Waters put-  
out a SubStack heads-p article so I found it.

This is a good chance to see if Collins is still a brain-F-ing mind-  
twisting interferer of our Freedom-to-Hear cnt – if he is still blocking  
my comments. It is Weird as I only post that I have included video and  
comments can be found .. with URLs. .. anyway – I can not trust a  
person like that, after all – what other information is he blocking you  
and me see?
