Good Tuesday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our
Tongues, in our Hearts, Minds, and in our Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1903:

In this morning's prayers and meditations I Reflected on the
foolishness to act to solve problems when the Truth is unknown, when
all past indications of failures of acting on what what believed to be
true – with all good intent and normal effectiveness ..

.. that Always leads to worse of similar different problems, on trusting
those around and in power who you know are untrustworth to
community some truth, and yet we are evil-Blinded into thinking that
we are at fault when we did exactly what would have been best had
the real truth been what we were told or programmed to see – And
so and when clearly they are lying to move you as a puppet – trusting
in your desire to fix or help or other virtues, and-or as we get further
into the horror of virtueless fatherless Witch directed child-raising and
importation of grasping virtuousness peoples when Tribes and
Families are all that matter – when anything does – and everyone else
is hated, despised or otherwise felt about as women and society have
for generation twisted into feeling about males and men.

Without actual understanding of the true situation then any solution
applied would likely only help the symptoms and might actually make
problems worst – and when untrustworthy people who hate or
otherwise are shown to be okay murdering you and those like you –
unBorn or in unending Genocide wars against you 'type' white
Christian men, [potential] fathers, husbands, and Protectors and
Directors of Virtue-Based society, when the last 3 or so generations
have been an active hyper-empowerment as well as mind-raping of
womanhood until most modern Western women are little better then
a Toxic mind-raping Septic nightmare – worst the older they get –
baby-murdering and man-father-children destroying howling Puppets
directed from Hell – all Demonically Programmed, as we all are – to
self and virtue destruction.

Good True Right Order follows from Justice derived from Truth.
InJustices when all actors are applying and intending Virtue directs us
to examine if the Truth that those Laws and Practices were based on is
actually True.

.. There is a Chain that links back and forward so that disOrder
indicates inJustice, inJustices follow from unTruth.

One of the many ways that our Satanic Powerful – that direct the
world or even within our family – is through the lies and manipulation
of our known intentions and desires. A population of people who will
Coin and murder own children, or neighbors is Ideal for Satan and
Her Witches when controlling a population of some group or
individual, And as too many of us have experienced within families -
vile vicious slimy grasping baby-murdering mothers so twisted and
unhinged that crippling their children to be less functional them they
are is the only way Pride can be supported .. as we see Affirmative
Action has done to most or almost all work environment – first
women unable to compete turn to the slimy back-stabbing vileness
that now seems standard. Very few women can compete in most
fields with a directed man that is in whatever field and besides
generations of mind-soul-confidence mutilation that has been the
Programming that our vomit mothers and other women & teachers
have been doing – crippling us until most of the less sharp Toxic
others we now forced to work beside can be someone excusable.

In a right-ordered capitalist society where merit and virtue is
rewarded, employers that hired such effective retards and growing
Delusional-Psycho vicious horrors would fail, but we have passed the
point where Dollars are hard to come-by for those that Align with
Satan and Her Witches. Many of us know that most work is make-
work and more and more used to destroy [white] [Christian]
fatherhood and men by not only excluding them from the better jobs
that would allow support of families, or even attractiveness to mates
and lovers ..

.. Please do not pretend that women are not effective Prostitutes – as
a young man I saw how not being able to afford dinners and such
was an issue, not impossible to work around but add to that the
targeted lying slimy Witches and cnts .. if I had not had years and
years in different situation .. well, we see around us those men who
have been actively crippled by mothers and teachers and the few who
manage some level of functionality but being fatherless only have the
female-evil lies pour in them from crib and so soon become despised
by possible mates and eventually targeted by the Witches near.

May of you Know this – yet continue to lie to your sons and the men
around you .. inHuman F-ing evil .. so when they alone an unable to
do more then enjoy the chat of love interests and years of aloneness
because they trusted you and similar evil lying horrors .. so that there
is something wrong with them internally as people and men – and
not something as simple as they can not afford a few dinners?

So, Yes, there is something wrong with them – that is that you and the
kind of vile lying horrors like you all did not die Long ago, you
screeching evil horrors.

We trusted you when many of you it Just you died screaming in
flames Burned as a Witch. And F-you if you are fine with Witches
ripping apart live babies and get upset with the thought of burning
publicly such horrors ..

.. God Demands Love and not Death – but you likely need to know
that. No one is suggesting anyone Act in what is Just – but let us hear
your arguments and actions in a court before is fire sent burning to death

Witches they are is not Just by those standards .. or are you so insane as to argue that?

.

Those mostly women that know these things and do not prepare their sons, brothers, .. are Horrors. In a world with hiring Witches to torture our children to death it is hard to think of women are more inHuman and vile – but such women as drive away fathers and good decent men from their children and then so Retard then .. Gone is best for all involved .. every women who knows better and stays silent in the Cause of the Evils that exist, as the basics of Truth are all men can use to Act Well in the world and Satan has turned womanhood into a Septic Horrible mess where support of murdering babies is less of a crime then the silence or active lies such women support and tell.

.

How can such Toxic people be anything but Contemptible? Mutilating and crippling the males around us all – and then pointing an laughing or wondering at the reactions such abused confused normally rational people do.

.

Septic Poisonous Lying Slimy vicious putrid modern Western Womanhood. WTF is wrong with you people .. of course many older women look around and instead of speaking out the hide the shame – the dead sons and twisted daughters .. by the time they realize the insanity they supported was Evil, they so deep into guilt as to be unable to face it, never mind discuss it with other of do what Men are able to do when not crippled, find a way forward – often sacrificing themselves for society, neighbors, family, children, and .. and women. And woman. What a cruel thing to realize, most of us have been crippled by the very group that we routinely die for .. and very very few of them post menopause would not be best Gone, you could advantageously trade all the older women for those dead genocided White Christians in Ukraine-Russia that such slimy inHuman Sick women so actively support and vote to allow.

.

Entire Western History is filled with average men who did daily wonderful things, Loving and building, and now that women have power and control over families .. no man – or now boy – who looks cross-eyed at one of you Vile Tools of Satan or even questions or suggest some action that goes against the local or national or international Witch Goals is unpunished.

.

That is enough – I feel Blessed, and Am so, but I half want to die to get away from you F-ing horrors when I think about it. All those years and years of Pain and Confusion, almost always acting and considering the good of others – women especially – and it turns out that most all of you together are barely worth one decent [older male virtue standard raised] man, and way too many of you Justly dead is a reasonable belief to hold .. Why not? You can not be trusted – even trusted to not murder any children produced .. a Horrible sin so that even what little aspect of womanhood the inspires and bring Joy - you have Putrefied into Horror.

.

The State of Modern Manhood .. confused and surrounded by inHuman Things that seem human and act like it until They don't .. all those years of healthy adult life when at every turn some of you vile putrid horrors were targeting me, made institutional – and now mobs of you F-ing Nightmares are ready to destroy every man who goes against your female-evil Witch programming, and of course you are so hyper-empowered that nearly a single whisper will unjustly destroy a man, that our evil Gov & corpDragon companies more powerful then most nations, and courts and secrete lists all will support such evil – as long as it goes against Virtue, Order, Justice, or Truth.

.

All my Sins before me .. although it is hard to believe such a Nightmare Hell where torturing babies to death is barely commented on, people raised under such level of evils and sin clearly can not be expected to be Sane, or entire world accepting of such as anything much less that Hell.

.

And I am tired of hearing well meaning Catholic men who live in some kind of isolation away from the howling Witches that most boys and men are now subjected too in public & employment .. saying how we must teach boys to be men .. like shooting horses when they fail to jump an obstacle .. the women all around us are similar to Life-destroy Machines of Satan .. and we are not 'protected' and in some kind of limited reservation which most of them seem to be – almost like the few examples and hazards that draw more wrong effort and confuse us .. like many of the Golden-Calf Satanic supported people in media .. examples to keep the ignorant saying to themselves that they can make it if they try harder, as if their very suffering and blood is not sucked-off by those vile female-evil leaches from Hell that our society is based on.

.

My advice would be get by and do not believe what you are being told, and hope for God to kill all older women, or to allow us all to see the Festering Green Satanic Demons controlling them, too See and understand the Web of Real festering Satanic power-lines, and-or similar – something that will reSet this cntHell, or allow your actions to be Right Ordered and NOT service to Satan - as most are now in our ignorance and well-meanings.

.

A Sad State. The wages of sin.

.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

.

Something that might be of interest to even those non-Religious., ..

Clear White Christian men, [potential] fathers, husband, Protectors' intentional Genocide by the Golden-Calf Satanist Witches. With all the past 200+ wars with this goal does not Justify something basically Huge – world-wide Nuke war, death of all post menopause women, .. then it is hard to imagine what would.
