This morning prayers and meditations was fairly regular for recent experience except I dosed for a moment and was reminded – like a flash-back – of an old Vivid dream I wrote about when it happened.

The Dream was that I was a King or Mayor of a really nice city and that night [before] everyone disappeared, and they were taken or moved to a better place, like you might have heard as The Rapture. I do not recall exactly at this point but I seem to remember the dream had people rising-up and was clear what was happening, including that I was not to be included being the Mayor I had to stay and continue with the city.

Wrote about in [this post](#) (Archived: <https://archive.ph/OEaAP> , IN: 1473, see PS for fuller URLs.)

And later that day there was a flood of 'barbarians' entering, and they were all breaking windows and taking things – even though no door was locked and there was plenty for everyone, and how sad that they each could have decided what they wanted to do in the City – if they wanted to be a shop-owner there were different shops they could have just moved in, or farmers, food-stall sellers, carpenters or any trade, all those Balanced livelihoods of any interest was there, and yet there they were, breaking things and hoarding and burning.

I am not sure if that has to do with the mass immigration and destruction of the Western Society or me personally were here I was with

a new batch of people that I had to rule – once they accepted me – and work to get them to the Rapture, etc. .. Perhaps instead of people Raptured, I Fell down a Level or more on Jacob's Ladder and somehow brought the City in good shape – perhaps the City is the Church Militant and the livelihoods and activities were the worship practices and routines.

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

I am hours behind my normal schedule and advancement in getting this to a point to publish and actually publishing, so I will add what few videos I have 'tagged' and should be much shorter today – I hope it still is valuable to us all.

I watch a bit of this and the interview sounds like it will be worth the time, a personal perspective of israel that most of us would not otherwise hear. And of course this GreatSatan constantly making it so our Name is synonymous with evil-War, Supporting, Death, Horror – world-wide and those in power are trying to make same for all of us living here – except their few minions and 'good' tools as long as they useful .. like so many things where when I was young everything was getting of heading to Betterment – now everyone is scrambling to suck Satan's Strap-on worn by local Witches to pervent suffering, evil, horror, death, poverty .. like meritless hires 'look okay' because all the virtuous hard working white men are crippled from crib and driven away by making everything a Toxic Hell-hole – in part by surrounding us with vicious lying meritless resent-filled people who Hate all who do the jobs and live better because of skill, hard-work, natural gifts, and virtues.

.. 'Look, we destroy the minds and souls of all males and fire all the older white men and stop hiring .. now women and minorities are all doing 'normal" – when normal is constant putrid toxic inFunctionality, poverty; of everything of value in life .. those in power want us

all in '15 minute cities' like we see of Gaza – murdered and abused endlessly – because they are Female-Evil Sick-souled horrors that Hate all who enjoy(ed) life, they murder Joy, Love, Hope, Goodness, .. a Future we would want to have children enjoy.

I went to listen to interview and download the video and this video is 'unavailable' .. yet others on his channel are .. perhaps the Zionist Golden-Calf venture-capitalist Satanic Witches directing Rumble or their banking or internet provider or ..

.. perhaps the voice of Ofer Cassif – an israel Minister who objected publicly to the Hell and Horrors the Satanic Witches are doing - perhaps he is being widespread Silenced in their mind-raping interfering with our, our loved, the Futures' Freedom-to-Hear? If so – if they all died with all their mothers & older women in families – as for any mind-raping horror that would do or support such - would that be Just and .. and Good?

Looks like a technical problem – perhaps high load, which would be good .. seems back for now.

Wow, the Settlement people are openly murdering local Palestinians! .. sounds like it Just that announce everyone not Palestinian to cross the 1967 boarder .. and those they do not are killed where they stand – perhaps if they hold-up in Settlement - burned with the building, and if they escape them shot dead for being inconvenient and causing the destruction of what should have been a Palestinian house (their names taken and mothers and older women in family tracked-down killed when found) – does that sound Just and a good thank-you for the Witches that raised and Cursed us all with such F-ing horrors?, ..

World War III .. those powerful murderous land-stealing Satanic evil Witches in power are Knocking on World-Wide War. Be sure after you have suffered enough that you thank all those near you for their insane unJust support of the murderous Horror Satanic-Foot on

earth, israel and their Thieving, Murdering, Horrendous GodLess Satanic evil that has been Poisoning entire World for 70+ years. An UnJust evil that should NEVER have been .. that even the Church was too Satanic-Controlled and unJustly Shamed by Zionist Evil Lies and mind-raping to not support Justice to those peoples that had their country taken, terrorized, murdered, .. as we all are suffering similar increasing in last 70+ years.

Thank those supporters of evil-Zionism really well! .. Perhaps you can eat their bodies when they dead and no longer using their 'inconvenient group of cells', feeding your self and family for a few days longer in this increasing Hell-of-Earth – after all, did they not aggressively support horrors desperation in Gaza and you stayed silent, so Just you live a few days longer through similar?

Are you Knocking on Deaths Door with your [passive] support of these horrors?

KNOCK! KNOCK! KNOCK!, ..

.. wonder with me that if a button could be pressed and all those Zionist and active supporters disappeared from this world (with all the older women in their families) would it be Just to push it?

How about it they dropped dead after a voice telling them they are about to Die and prepare their soul?

Something unrelated to israel Zionist murdering Horrors – at least unless you make the connection to all the world-wide evils such as medical enslavement and Poisoning along with population control and the more powerful Golden-Calf Baby-People Sacrificing to Satan Talmud-Sickened Satanic Witch-Matriarchal ruling families that coordinate all such mass evils for their Master – Satan.

Another of Tim's interview. This is a little slow as he goes through personal Vac history, but I expect it to improve as Tim's guests have always had something to say that it was good to hear and know.

Again – a SubStack audio with no method to download MP3 for DropBox – so listen while SubStack is allowed to be seen-heard were you are!, ..

There are icons for heart, comment, and refresh. To the right is a "Share" button and a menu icon. At the bottom is an audio player with a volume icon showing "1.75 x", a progress bar at "0:38" of a total duration of "-1:44:05", and a pause button.

I have absolutely no idea what this is about besides what the title and Subject|Time list indicate, but it seems like most of Prof. Peterson's interview – as long as he stays about from the Zionist Cock-Sucking and fingering Sick vicious womanhood and punching male is testicles because they are [not] good Broken-girls and objecting in confusion and horror to the inJustice that this Vile male-hating mind-raping Satanic-Witch following vicious Sick womanhood and vile Satanic mothers Vomit on us, and perhaps some other topics where he sides with Satan and the Golden-Calf minions of Satan that Peg him, and most of those Amplified YouTube Zionist and other Golden-Calf Witch directed Horrors., ..
