Good Wednesday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1855:

This morning I was pleased to rise, Praise God!

I had my doubts as I feel asleep. Which put to mind again this  
concept of Margins – which I meditated on some more with my  
prayers, and did so yesterday for which I was derailed from writing.  
(See yesterday's post - if interested in knowing what Satanic-  
Distraction caused it.)

Most of us who have existed in adulthood for any length of time will  
recognize the periods of decline in any number of dimensions - with  
physical and intellectual some of the clearest and most discussed, but  
likely they each and others define a huge number of sub-factors  
within us all, each level advancing and declining and in the gross  
aspects we most likely notice – the changes seem slight.

About Margins and .. Tithes. The drawing away of 'the better part' of  
us – the 'Bleeding' of us away.  
I was considering the physical, and intellectual – how instead of us  
believing that those Better parts of us were not dissipating into the  
Dark Void of unTruth, injustice, disOrder, .., into Chaos – Lost and  
gone away from God and us – but instead being drawn away into  
higher Jacob's Ladder Levels, and the the least 90% (for example)  
remain.

And what we do with that 90% - that part of the Stone the Builder  
Rejects – is the Holy Challenge, and Task .. at 'the end' of this process  
– will what is left and struggling nobly being Refined and Refining  
enough to Join back with the very very Best nearly 100% of the  
original .. while watching that left-over Margin continue to Serve God,  
Church, Man, Nation, Neighbor-Self, Creation in all Her forms?

Spent little time looking at video's yesterday after I finished a few of  
the one's I had backlogged and wanted to review – I re-watched most  
of those first two linked in beginning of yesterday's post – mostly to  
see how I might have been repressing some aspects – that demonic-  
oppression that drives some information we do not want to know  
away – like that video clip with Prof. Peterson pointing to the  
universally suffered widespread sexual harassment of men and boys  
by many women in work-places and other places we are forced to  
interact in.

The intentional sexualization and constant 'Tits-Out' that is a horrible  
distraction for the young men and women in schools and become a  
constant form of teasing-abuse in public forced not to suffer and risk  
when earning our livelihoods – the borderline constant risk and  
instant or near instant destruction that can and does follow  
throughout life if the wrong action or inaction is done around such  
walking delusional-psycho. How each of such women is a walking  
nightmare trap – that any one of them could be that one that turns  
on you for not noticing or over noticing her in the exact level her  
daily whims dictate .. and because the hive-mind male hating and  
fearing and resenting group support each other almost exclusively in  
any dispute – unless their is some weird Profit they will Prostitute  
themselves for reason.

You recall that video?

.. The short one that most times I review it and realize that the  
Demonic-Oppressive Witch-directed internal voice (which sounds a  
lot like our mothers') drove away, .. again. What part of it did I forget  
– or more importantly forget to think about when the situation  
showed itself – each time I see an overly sexual dressed and make-up  
woman, or any woman not modestly dressed for work, or whatever  
activity .. lipstick and eye-liner which is the female equivalent of  
wearing a strap-on penis under baggy pants and indiscriminately  
proposing to all women (and men I suppose) 'Hey, want to mate with  
me?'

.. when you watch it – do you See it .. like I described. Do you  
remember all the women you worked with who pretended to be  
attractive but actually hated you because you were a man to then  
cause trouble and drama, who manipulated you and others sexually.

Do you remember workplaces which started as a place of Joy and  
Service to God & Man and turned into a festering abuse-filled  
howling horror-show ..? Perhaps like me – repeatedly? That you – if  
your Demons voice allows – can see it all around you .. the same sick  
virtueless womanhood that murders babies and lied to you from crib  
and left you nearly helpless to all the festering vile evil in so many of  
them, that when you turn to one you though might be different she  
Gaslights you and further injects anti-Rational and self-loathing,  
punished for noticing .. 'it is only your imagination .. you must have  
problems with women – don't you? – well we better write that down  
and pass that around!' .. haunting you for the rest of your life, like that  
guy who could not find employment for a decade to discover his  
name was on some list that was commonly reviewed – for some false  
accusation that he thought was cleared from HS.

Womanhood – something truly vile about the constant passing back-  
forth between and within themselves some imagined but sudden

or consider resolved and Just-balanced .. but you realize were horded to fester by the slimy vile cnt which Appeared - to be fired-back in and for distraction and insanity ..

.. leaving one to wonder if such cultivators of evil and unreasoned or lied-about resentment would end once in their graves, or torment them and us all into the here-after.

What putrid sickness this 'Feminism' and sexual-enSlavement we have watched dripping from our fatherless Witch-raised adult-children .. and we are all suppose to pretend that women who would support the torturing-to-death by Witches of babies – instead of holding themselves or other women responsible for the results of their willing and sought sexual adventures .. that such clear virtueless unrestrained and unrestrainable group could Ever be trusted in raising or education children, or working beside us and those we care about, or owning and influencing them or others?

What is insanity? I think the above points clearly to something like that – to pretend as the world and our Hope, Joy, Lives, Love, Futures go down the drain and pretend THAT has little or nothing to do with it – at many levels – the evil-Blindness and acceptance alone is horrible.

Like once again .. as like with all of us - any of these could be my last post or your last tweet. I would like it to be more of my meditations and related – but we all sitting in a fully Fire-engulfed house, and as much as we would like to pretend otherwise – it needs mentioning .. and a finger pointed to the only exit still Open, ..

.. Repent and Seek God.

May this be a Blessing to you and us all. [And to all our Futures, and future Multiverse Pasts.]

It is strange that no sooner did I write that comment yesterday for the CrossTalk video about the Ukraine-Russian war and this GreatSatan's decline and death – will our national corpses getting too moldy and septic to Profit from fully and looking towards Russia will Devouring Ukraine and Geneociding more Christian white men and [potential] fathers – preparing population for the Septic Putridness of open baby-murder septic-womanhood and vicious motherhood and GloboHomo child-torment and torture, and .., ..

.. and how it was more-of-same. Like a bad movie repeat .. something which you watched in own family, then in school, University, work-place, professional fields, nations, and Western society .. do we need to keep seeing the same Satanic pattern spreading outward into constant unending insanity, torment, torture, Sin, Death and Suffering in Hell?

When I notice the latest insanity .. Norway joining the Satanic Arm – NATO, and so will be sending their white Christian Virtue-based men to die, or at least now for taxes and resources to be diverted and used directly for evil.

I really do wonder how ignorant or mis-informed their population is. Or is it like here – all pretense gone for all but the 'sports-ball' types who gain enjoyment in the pretense and the spectacle of it .. people who could not turn away from the videos and news of the travels and silliness of our once and perhaps – likely - future President?

I suppose that is more pleasant then considering the suffering of the near 60 babies tortured-to-death by Witches in every State everyday – and all the lifelong torment and suffering to the mothers and others, or the clear to many constant sending white Christian (or Virtue-based) men and fathers into battle for the purpose of killing those same men - and any extra white Christian virtuous men they kill as a bonus.

Sad to see what I assume to be informed people lying about the reasons - that Russia was suddenly a threat because the were driven to war by this GreatSatan's NATO and the festering Witches in Power.

It reminds me of that meme about someone who punches another as they yell-out in pain to confuse everyone - and so do it again and again. Part of the 5 unDead Jan 6th Policemen or the 5.7 Millions undead Horrors that have stalked us since later 1940's or 1950's or whenever it was clear the Jews were not running to middle east, but to the USA .. when you explain well Building 7's destruction I will perhaps consider the other clear lies – and horrors we all have suffered because of them.

In an interview on one of the international Western GreatSatan Empire's mouthpieces an interview about Finland's joining where the guest knew what end is up, that Finland's joining has made all of Europe and World less secure – of Course!

.. so poorly are the nukes used these days! I would have used those hypersonic missiles already directed at the most powerful Witches in the most powerful family with a clear message to the rest of the world that each and everyone will see death and horror world-wide if they get in the way of the exorcism of such Cancerous Septic Fergus Fruit .. but instead is this dance towards that end without the removal of the festered septic sources, who they or spawned Witches in future will come out of their NZ or similar places where their bunkers and compounds – small cities – exist and start over again with a world population more like the 500 millions they want.

And to imagine that Zionists and other Golden-Calf Satanist Agents are in veto control over such weapons would be foolish. As there are (israeli and other) nukes in every major city, as every level of power has long been poisoned with Agents of the mind-raped retarded minions and tools – the women and dog-males who are so Satanic-Programmed as .. well, some twisted children so badly they self-mutilating and sexually twisting themselves and those around them in the clear internal Hell that burns in them and fed by the Witches .. as we are all so injured & Scared for life - in some way and another.

Some music and a video to enjoy, ..
