Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands. Holy Virgin Mary and All Saints - Pray for us!

Index Number 1661:

[It is once again Sunday Morning – Praise God – and so the editing might be later in the day for this (these versions on different Platforms) as I have a ride that I must be ready for, and note that since

the after-Mass Catechism Class started again – it is likely well into afternoon before I get back .. providing I find a ride there and back, which I think I have.

I hope your Worship today – Honoring God – brings you Closer to Him, and us all.]

In this morning's Prayers and meditations I spent some time considering what I wrote about in yesterday's post (see Postscript of URL) related to an Audit of the Catholic Church and asking our Orthodox Brothers to help (Given the clear evil control of the Pontificate which existed in 1960 – and since for the reason I mentioned related to the intentional retardation of the the Body of Christ in suppressing the 3rd Secrete of Fatima.

I talked recently with a 'Catholic' who did not consider those Revelations as Real, and so after further inquiry I label her a 'Biden & Pelosi' Catholic – and like those 3 'Baptist' Witches I encountered on Church Street that I wrote about who seemed to be giving Baptists a Bad Name and Spread evil – such people should be considered either Demonically Oppressed or actively seeking the destruction and Sicking of the Church – and are not Catholic and should not Defile the Host until they Repent, Confess, and do the Penitence assigned to them by the Ordained – and perhaps need a Traditional Exorcism, of course.

About the 3 Witches, I have multiple memories – some with the 3 Witches, and some only two Witches but Also containing the Feeling of the 3rd being there. This corresponds to a Multiverse Path Convergence and so has extra Significant – an Important Event which was directed at me, not only the same Day-of-Bread repeated, although there are elements of that also.

The question becomes – how far Back in Time is the Pontificate Poisoning us .. and at this point I will Reflect on the Concept that we are all Conceived in this section of the Multiverse to Fight an Evil, a Wrongness, an unTruth, disOrdering, and unJust event .. in the Church. I was conceived in early 1963, on and around the time of Vatican II, and so there is some evil that entered at that point – and as I have outlined – it was not the Holy Ghost Inspired event – but the actual Practices that such was warped as an excuse to turn it against The Church – the Keys to Convert the World – and instead of setting up an internationally reaching College of Apologetics where Converted Catholic Clergy from all the different Religions and others would gather and work-out what Truths are contained in their previous religions, and using those as Stepping Stones – designing Paths to convert through, while being Open to Truths that our Church on Earth have not fully Fleshed-Out (For all Religions are Willed by God and contain some degree of Value to Catholicism – besides as to be Holy Introduction and some Shaping of souls in Preparation for

.. When King David Collapsed the Quantum State in taking the Census it was no longer Possible for Israel of the Time – the close Overlap being Pressed from the Holy Israel to expand Her boarders to envelop the World – to take over all the Earth – absorbing it .. so this other Method was Shaped.

Conversion.)

Consider it similar to the Abortion of the Holy Soul of Adam in the Garden, an element of him – Eve was not sufficiently warned and monitored by Adam about the interplay and temptations of the other deGenerated forms of his soul – the 'animals' and so see Fell and he Followed, dragged or willingly because of his Love and unwillingness to Part .. and so the Collapse of the Quantum Aborted that development within the Womb of God, causing or Needing the Fall of Angles and the Incubator of The Son, through the Lion & Satan, to Shape the soul of Holy Maiden Mary to be the New Womb of their deGraded Attenuated .. soul(s).

I do this outline as review of the Model of the Holy for which these things seem clear(er). And to mention how – like with Jesus & Mary, our Mother's are our Female Part, and at Conception the Demon(s) Oppressing her are Transferred to us.

And I will suggest that is the Tread – back to Cane (and Able) and by examining our Reality now we can get an idea of the Shape of those Demons, and that I suggest that since my mother was born in 1940, we as a Church need to consider that as the least time-frame to Audit the Church.

So what is the Shape of the Demons Oppressing us all – at least those of you that Share and Overlap with my Bubble Realities in this Holy Simulation – this may differ, as I will outline the top 3 and suggest all 3 play a roll in yours but the Focus of the Attacks might be different – the Order of Priority, the Lust, the Greed, and the Humiliation I see and experience as Demonic Influences might be a different Order or for some 'farther away' in the Multiverse but still Overlapping (the 3-degrees-of-freedom or separation aspect) Bubble Realities – and the Many Versions of our Souls suggest that – if you can read this – all have similar versions of each of us – perhaps with different brothers, sisters, uncles, .. especially with the wide-spread us of Birth Control that allows Conception but blocks Implantation – all those Souls were Born and are also on similar Paths, for Holy Human Dignity Requires that every Conceived Soul have many many Paths to God, and more in implied – that relative to us – All Conceptions are overlapped with the Annunciation, just as all Masses overlap with the Death of God on His Cross, and so all our souls Follow Him down and Will and Did Rise

.. and our souls are going through the many – infinite Paths guided by the Lion within Satan. And before Howls of outraged by those to Sin-filled, unCharitable, disRespecting, .. to understand or bother with my previous writings – to help outline what I mean by the seeming statement that 'all souls

are Saved' or similar to what you think I was pushing - that whatever

levels of Hell an unRepentant Sinners ends in on Jacob's Ladder will

into the Holy Neural Network of the Lion and will be Absorbed into the every expanding Holy Israel which .. of which I have Written about recall the Mysteries and the Absorption of Holy Mother Mary – and Jesus' Ascension .. as Not that They Rose but that the 'Point of Perception' dropped to the next Jacob's Ladder Level – under the Influence of the Region surrounding the Holy Israel Wavefront as She moves through the Fat of God, the Holy Firmament, the Infinite Quantum Realities in this Quantum Computer of our Minds and Souls - finding the Path to the Paradox of God Dead on His Cross.

So, clear enough? We must declare all changed to the Catholic Church from at least 1940 as Suspect, and collaborate with our Orthodox Brothers to find Overlap, and to Establish the Future and Always College of Apologetics which should have been done as a result or around Galileo's Time – during the Enlightenment – when René Descartes and others where inspired – and could and should have laid the Ground-work of the Holy Simulation revelation – that is now so clear with the Holy Guidance in the existence of the Computer Simulations and [First Person] Games and also so much hinted about in many forms of Holy Israel – who like Adam and the deGenerated Animals – were God Willed to Guide Us and Challenge Us and Shape us to Join Him in Perfect Holy Love, Union, and Communion.

A quick reminder about the Male-Evil influence that cause the Protestant Breaking of the Church, and likely the bases of the Orthodox Branching (through the evil-Zionist control & influence of European Monarchs, and the support of the disOrdering Heritable Islam which was the War excuse, like we see today with ISIS, and so much of history), and that such Resistance of the Church to the well established Order and Power was the cause, as today we have the Female-Evil that Opens Her Legs to the Devils in each of us, and all of us. The Sin, Power, 'Security' of Faithlessness and unTruths, disOrdering ripping about – the 'Bricking' of Goodness and Future for the 'pocket change' murdering & twisting the Male, Manhood, Fatherhood and the Sucking-off the Just Rage, Confusion, Suffering, inJustice, .. look around at the Witches that are not in control of Education, Gov, Medical, .. all Western Institutions and you find such Female-Evil – along with those who Coin or Souls for the power, paychecks, .. like most of our Mothers, Aunts, Sisters, .. Betraying the Love by supporting the Lies that enSlave us and themselves .. almost to the woman – and the punishment and destruction of everyone who effective fights or go into a direction that exposes such to themselves and others – how can you think clearly when dying on own vomit laying in the street feces of most Evil-Ruled Cities .. the Opposite of the Cities that Cane Formed.

May this be a Blessing to you and us all. [And all our Futures, and our future Multiverse Pasts.]

Not many videos from yesterday that I include today.

So Planned Parenthood do 383,000 abortions per year (40% of the reported under-inflated 960,000 total yearly, 19,000 per year per State, over 52 per day per State) and receive \$663,000,000 per year from Tax payers - you and me - which means we the public put forward \$1,700 to torture-to-death each baby.

How much money each year do you want the Gov - with threat of gun, prison, fines, .. death - to take from you to murder a baby? .. More of it?

Another good look on the Satanic Poisoning and Western society & family destroying Feminism. Some of the twisted history outlined – and the vomit-lies that persist even today as such Witches dance on the bodies of all our babies, Joys, Love, Hope, .., and sons, grandsons, fathers, uncles, and the destroyers of the souls of women & children – making them vile viscous lying slimy evil cnts best Lovingly Corrected early or later to be driven away from everything anyone could care about.

The evil-Zionist international Witch-Matriarchal ruling families will let you vote for their picks, and keep voting until you do it correctly, and block everything else that is attempted by anyone else, and until all the older women in there families names and pictures are know and a few are hanged till dead in public – this will not change .. except maybe a world-wide Nuke War and which the Witch Horrors will come back from their hidden protected caverns with private armies once what is left has been painfully and successfully reorganized – to do all the Satanic evil again., ..

While Listening to the immediately following Peterson video or anything else not engaging the eyes – like audio books - consider this eye-candy .. turn off (Mute) Kurt's audio and watch him walk to the Far Lands with Wolfie, is my suggestion and why I include this.
