Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1656:

In this mornings prayers and meditations I received a strong impression that for many readers – the newer ones – they likely have not seen the video of the Simulation Theory of reality and within a good outline of the Quantum Eraser experiment – the best Science Proof of such aspects as any of us is likely to ever have access too .. Proof of Much, yet requires a certain level of science theory understanding and similar.

Archived: <https://archive.ph/JzyuP>

The simulation hypothesis proposes that all of our existence is a simulated reality, such as a computer simulation.^{[1][2]}

The simulation hypothesis bears a close resemblance to various other skeptical scenarios from throughout the history of philosophy. The hypothesis was popularized in its current form by Nick Bostrom. The suggestion that such a hypothesis is compatible with all human perceptual experiences is thought to have significant epistemological consequences in the form of philosophical skepticism. Versions of the hypothesis have also been featured in science fiction, appearing as a central plot device in many stories and films.^[3] The hypothesis popularized by Bostrom is very disputed, with, for example, theoretical physicist Sabine Hossenfelder, who called it pseudoscience^[4] and cosmologist George F. R. Ellis, who stated that "[the hypothesis] is totally impracticable from a technical viewpoint" and that "protagonists seem to have confused science fiction with science. Late-night pub discussion is not a viable theory."^[5]

Contents [show]

Origins [edit]

There is a long philosophical and scientific history to the underlying thesis that reality is an illusion. This skeptical hypothesis can be traced back to antiquity; for example, to the "Butterfly Dream" of Zhuangzi^[6] or the Indian philosophy of Maya, or in Ancient Greek philosophy Anaxarchus and Monimus likened existing things to a scene-painting and supposed them to resemble the impressions experienced in sleep or madness.^[7]

Aztec philosophical texts theorised that the world was a painting or book written by the Teotl.^[8]

In philosophy [edit]

Nick Bostrom's premise:

Many works of science fiction as well as some forecasts by serious technologists and futurologists predict that enormous amounts of computing power will be available in the future. Let us suppose for a moment that these predictions are correct. One thing that later generations might do with their super-powerful computers is run detailed simulations of their forebears or of people like their forebears. Because their computers would be so powerful, they could run a great many such simulations. Suppose that these simulated people are conscious (as they would be if the simulations were sufficiently fine-grained and if a certain quite widely accepted position in the philosophy of mind is correct). Then it could be the case that the vast majority of minds like ours do not belong to the original race but rather to people simulated by the advanced descendants of an original race.

Nick Bostrom's conclusion:

It is then possible to argue that, if this were the case, we would be rational to think that we are likely among the simulated minds rather than among the original biological

Part of a series of articles about **Quantum mechanics**

First, a photon is shot through a specialized nonlinear optical device: a beta barium borate (BBO) crystal. This crystal converts the single photon into two entangled photons of lower frequency, a process known as spontaneous parametric down-conversion (SPDC). These entangled photons follow separate paths. One photon goes directly to a polarization-resolving detector, while the second photon passes through the double-slit mask to a second polarization-resolving detector. Both detectors are connected to a coincidence circuit, ensuring that only entangled photon pairs are counted. A

The other week I ran into someone who clearly had the intelligence ability yet refused to believe anything about Quantum Nature .. the many Multiverses and so much more that such an experiment demonstrates – or at least that explains it and seems to be the most straightforward and simple explanation .. without going into fairies are involved.

The strange thing is this denier is likely such because he feels it contradicts his Catholicism – his religious faith. It is sad, and one of my clear goals has been to help Bridge the Gap between those groups – one that deny God's Reality because of misunderstanding of God, and the other which rejects God because of God's Reality .. the kind of Apologetics which should have been a focus in the Vatican and all The Body of Christ who are able to function '*in both worlds*'.

—

—

[Warning: Tighten-Up those VagFeelie-Belts]

—

Clearly the symptoms of a very very Sick Church and Leadership is not only how Vatican II was used to destroy and damage the Church and souls, and the silence and seeming support of Grave evil as well as all that undermines the basic strong family – living wages, fatherhood, disOrdered and twisted mothers, marriage and Coining children and themselves (the mothers and younger women) to the increasingly Satanic State as men are driven away and Howling Witches fill the powerful position and filling with merit-sick and virtueless vicious anti-Logos – white Christian Merit Virtue decent conservative family-oriented men & women hating and attacking - Affirmative Action hires that both destroy the function and goodness of those once decent Institutions, but are used to Destroy and Target good men and decent women and families and aspect of the Church ..

.. Such in Active coordination of Vatican and with the Bishops – as we saw with the Plandemic Interdiction and on-going evils not objected too by the Church – while excuse and real threat of State related to the promoted sickness the evil-Zionist Marxist and Communists injected into the Church last century, advancing and spreading the really bad Agents of evil-pushing Priests and those badly formed and unsuited – promoting many to power to support the increasing evil-Bend the Church has become, and more.

—

Anyway – most of us have been so filled with evil-Programming and are Demonically-Oppressed to be evil-Blinded as our children are abused and tortured in schools and fatherhood and men are attacked, babies torn-limb-from-limb by vile sicken and spreading motherhood and womanhood everyday near us all (60 per State per day on Average) and those children they not murdering on Whim are raising and in work-force twisting and destroying decent men women and attacking children, twisting the children to be another generation more Sick and Twisted – more functionally vile and vicious and evil-practicing that the howling Sick horrors that drove away and destroy all decent man and fathers from near then – of with constant threats kept them silent, which they inject their increasing Poison Female-Evil Vomit into them and us all – to the directions of the Witches that are controlling all major installations throughout the West, and increasingly the Evil in the Vatican has spread from the Core of Rot and Evil down to the roots, with decent and very good member and priests constant under attack when they being regular decent Catholic but the Bishops and above .. and Mirrors the slimy Female-Evil that is best represented by what the evil-Zionist Russian Revolution Leaders and Supporters did to

Russia and turned it into the Soviet Empire of Satan, Holy Human Dignity destroying evil, and spread outward into our Federal Gov and long ago took over all institutions .. McCarthy was correct but the warning was too late and his efforts have been made – like the Crowning with Thorns – into a mockery and the history is a Lie ..

.. as those howling evil near us will turn all our good acts and potential good acts, and have been. Silencing, and then destroying and mean white Whispering and Shouting near and far of how evil your Holy Service inspired attempts were – destroying your family, children, the memory of you as a person with anything decent about you .. we see this – if you object or work against them they want you and the generations of family you have dying in the feces-covered streets – fully supported by the soul-sicken baby-murdering child-taking male and men disposing festering Demon-Oppressed and Controlled vomit-filled and spewing modern Western womanhood who turn their backs on our sons' fathers, brothers, uncles, .. who were forced to go fight and die in National Service for them in Vietnam – and because they had birth-control and Lust-filled vileness and State-empowered 'throw-away' abilities of lovers and husbands (Divorce, Welfare, ..) and baby-murder – and married to State which by threat of force; gun, arrest, jail, prison, death take the money from men and families and hand it to them.

How can modern Western Womanhood – and with being raised to baby torture-to-death on whims – not have turned into an festering vile-filled functional evil Female-Evil Poisoning Sickness to us all – made worse by the hyper-empowering and delusional-psycho training in schools and media and no functioning fatherhood?

Are you still confused as to what happens when generations of people in a once decent society accept raising children to be able to torture-to-death the results of their uncontrolled Lust and scramble for power?

.. Add to that an Invisibility and auto-Blame on nearest male and Man, or manhood in general – an attack on the one sex that will not always degrade into Hell when opportunity favors it – that is and always has been Raised to Virtue and Order and .. many many good traits because only then when such is well balance with the women can decent successful societies exist and thrive. The Body of Western Society Attacking its own Immune system – pumping into men and boys with constant self and man hate from the crib .. for that alone it seems Just that [almost] all older women who did not object to such and help the males near and especially in family to understand and resist such – it Just they are Gone – if they did not and do not do that – and then without God's Love and Mercy (Ability to Repent and Change) – how are they are not only Not Worth the Salt used to keep them alive, but are festering vile [functional] evil destroyers of Life, Love, Hope, Joy, .. the Anti-Woman .. you heard of the Anti-Pope, well we are surrounded by the embodiment of Her, Satan .. Death, Chaos, Hell .. Poison to all Truth, Order, Justice.

And if you can not even Think that maybe raising children to believe and to actually do the torture-to-death of puppies and kittens when they get old enough to acquire them .. let alone babies, I Ask God to End this clear Hell on Earth where almost all are Demonically Oppressed and actively doing Sin & Evil while screeching '*I love you!*' '*I am Helping!*' and the much used lie – '*I Care about you [them]*' or all the other ways many or most of our mothers stated

while actively lying and undermining, allowing us to leave our homes as young adults with death and hell the only reasonable likely result of their 'caring' .. better for most of us now men and women if our mothers disappeared from our lives soon after we absolutely needed them – 4 or 5 perhaps, and definitely now that all those howling Poisoning horrors in society – after menopause are not – if not God's Love and Mercy – better dead.

You are vile Sick evil [supporting] Poison against Goodness; Love, Life, Joy, Hope, ... – as the Witches shaped you.

Is anyone my age or older who remember when most women that interacted with you in a meaningful way were deeper and decent? Where today they seem like Forms of pretend women who if you are only casually interacting with they seem human and reasonable – but need a give-and-take or touch something – or if they 'heard something' that the putrid-evil slimy vileness erupts – and because disHonorable back-stabbing vomit-filled cnt is they 'Type' you may not know how much are a F-ing Nightmare power they have over you – if Bubbles-up, the vileness within .. yet like our mothers who lied the life-destroying lies – God does not Strike them dead as may be Just – and they pretend to still be human when they are barely so, enslaved soul from crib driven by evil-Programming that you triggered that turned-on the Satanic Demon that now is directing them .. anyone else have experience with that?

Perhaps it was once only in Vermont – near the Center of Evil – Burlington near UVM, but it seems clearly to have spread like half-digested speggie-vomit erupted on the floor of a busy sub-way station bottle-neck, and the Female-Evil Poison is grabbed and carried by nearly every other putrid cnt and the few decent women stand away knowing they will be destroyed if they interact, and most others – are perfectly fine and only years later when the son they have is dead on own-vomit laying in street feces after a life of horror, confusion, evil-Blindness, .. that such a mind-F-ed passive woman might wonder if that time that man was being unJustly targeted by the mob of vicious vile cnts she saw over and over – was my son so tormented and targeted to death – like I watched passively every decent man and boys done to them?

I remember working and studying and friends and lovers in two other States, as well as women were even then as a very young man – women there were generally not people who if hit and killed by a truck you and those who Suffered her would not sadly celibate and worry if the Witches would find some other howling cnt as bad or worse they would have to Suffer, and carry at work, and dodge the evil, and ...

Another Sickened Twisted Sad woman made so because she was 'educated' by Witches after a fatherless vile male-hating twisted mother raised, much like them but made worse as this Slide into Hell is always worse for every baby-murdered, every man and boy punished for virtue or destroyed, ... that sad woman who was once a fun loving joyous girl with so much Promise and then .. Vagina-god Satan and evil-Feminism and teachers bent of enslaving her soul.

—

So .. Have you help a [will someday be] young adult torture-to-death a baby yet today?

Are you showing them and supporting media that cheers and

Professionals that argues the ripping apart while muffled-Silent screaming procedures to babies .. those you would not do to a kitten or puppy? Are you destroying their souls and ability to See the evil destroying us?

Also - Did you read this and all you heard was 'BlaBlaBla women bad!'?

Repent. Demons are Oppressing us and all the West.

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Some of these following videos I barely started or have not finished – so much decent material.

And for Sanity reasons I have been trying to do other things – of course the rain through today starting on Sunday has me staying inside – I found a book that has interested me, although more because it is very different then the world, West, and Church slide into [mortal] Sickness, but pretty good just-the-same, by **Neil Gaiman**, ..

Gaiman's grandfather changed his original family name of Chaiman to Gaiman.^[11] His father, David Bernard Gaiman, worked in the same chain of stores.^[12] His mother, Sheila Gaiman (née Goldman), was a pharmacist. He has two younger sisters, Claire and Lizzy.^[13]</p> <p>After living for a period in the nearby town of Portchester, Hampshire, where Neil was born in 1960, the Gaimans moved in 1965 to the West Sussex town of East Grinstead, where his parents studied Dianetics at the Scientology centre in the town; one of Gaiman's sisters works for the Church of Scientology in Los Angeles. His other sister, Lizzy Calcioi, has said, "Most of our social activities were involved with Scientology or our Jewish family. It would get very confusing when people would ask my religion as a kid. I'd say, 'I'm a Jewish Scientologist.'" Gaiman says that he is not a Scientologist, and that like Judaism, Scientology is his family's religion.^[14] About his personal views, Gaiman has stated, "I think we can say that God exists in the DC Universe. I would not stand up and beat the drum for the existence of God in this universe. I don't know, I think there's probably a 50/50 chance. It doesn't really matter to me."^[15]</p> <p>Gaiman was able to read at the age of four. He said, "I was a reader. I loved reading. Reading things gave me pleasure. I was very good at most subjects in school, not because I had any particular aptitude in them, but because normally on the first day of school they'd hand out schoolbooks, and I'd read them—which would mean that I'd know what was coming up, because I'd read it."^[16] When he was about ten years old, he read his way through the works of Dennis Wheatley, where especially <i>The Ka of Gifford Hillary</i> and <i>The Haunting of Toby Jugg</i> made an impact on him.^[17] One work that made a particular impression on him was J. This is because the management of Harrods changed their minds about proposed filming. The novel was originally released by BBC Books in 1996, three episodes into the television series run. It was accompanied by a spoken word CD and cassette release, also by the BBC.</p> <p>The novel enjoyed great success, whereas its television roots did not receive as much international exposure as the novel. In addition to being translated into various languages, it was also re-published as an "Author's Preferred Text" version, (a combination of the international and original English version, with additional scenes re-inserted by Gaiman) alongside <i>American Gods</i> in 2006. Richard brings the Marquis back to his apartment to meet Door, only to see both of them vanish immediately. Soon after, Richard begins to realise the consequences of his actions. He appears to have become invisible: he loses his job, where no one seems to recognise him, and his apartment is rented out to other people. His fiancée no longer recognizes him either.</p> <p>Determined to set things right, Richard tries to enter the world of London Below in search of Door. He finds a tramp from Below, who is the only person able to see him, and recites the name of the Floating Market as the only place known to him in underworld. .. a pretty good distraction.

I am not usually a 'fantasy' reader as I like the worlds to follow some consistent logic – Obviously considering my Apologetics – and although I can try to imagine the background 'rules' there is not enough to draw anything solid – unlike with Religion and Christianity were it fits a relatively simple model and reasoning and goals .. it might not seem like it – but like much recursive deterministic system (simple automaton systems) Look complicated but often can be described as a 2 or 3 rule repeating system .. and our souls are maybe only Level 7 ruled .. could be well described with a recursive function that have something like 7 or so major branch conditions and responses .. and given the Biblical clear hints .. and real life, ad Assuming a Loving God .. it might as well all be written out in stone before us all.

If I get to the point I can Codify better – I will look into getting **Mathematica**, ..

The original front end, designed by Theodore Gray^[14] in 1988, consists of a notebook interface and allows the creation and editing of notebook documents that can contain code, plaintext, images, and graphics.^[15]</p> <p>Alternatives to the Mathematica front end include Wolfram Workbench—an Eclipse-based integrated development environment (IDE) that was introduced in 2006. It provides project-based code development tools for Mathematica, including revision management, debugging, profiling, and testing.^[16]</p> <p>There is also a plugin for IntelliJ IDEA-based IDEs to work with Wolfram Language code that in addition to syntax highlighting can analyze and auto-complete local variables and defined functions.^[17] The Mathematica Kernel also includes a command line front end.^[18]</p> <p>Other interfaces include JMath,^[19] based on GNU Readline and WolframScript^[20] which runs self-contained Mathematica programs (with arguments) from the UNIX command line.</p> <p>The file extension for Mathematica files is .nb and .m for configuration files.</p> <p>Mathematica is designed to be fully stable and backwards compatible with previous versions. S. Forester.</p> <p>It is the third book in the series chronologically, but the tenth by order of publication, and serves as the basis for one of the episodes of the <i>Hornblower</i> series of television films.</p> <p> Contents [show]</p> <p>Plot summary [edit]</p> <p>On 2 April 1802 Hornblower marries Maria, the daughter of his landlady, at the "church of St Thomas à Becket" in Portsmouth. He is unable to bring himself to be so cruel as to stop the ceremony despite thinking that "Maria was not the right woman to be his wife." Hornblower had, just days before, been promoted commander into HM sloop <i>Hotspur</i> as the fragile Peace of Amiens is breaking down and Britain is re-arming for a new war with France under Napoleon Bonaparte.</p> <p><i>Hotspur</i> reconnoiters the approaches to the French naval base of Brest, and narrowly avoids capture when war is declared. Once the British fleet blockades Brest, Hornblower's restlessness and perfectionism prompts him to lead attacks and landing parties. He defeats a French attempt to break the blockade to send troops to Ireland, the action ending on the morning of 1 January 1804. That same day Maria gives birth to little Hornblower, as Hornblower discovers when the damaged <i>Hotspur</i> returns to Plymouth for repairs.</p> <p>In spite of his successes Hornblower makes no financial profit from his activities. When Admiral William Cornwallis tries to put him in a position where he can make easy prize money by capturing a large shipment of Spanish gold, he instead takes on a stronger enemy frigate sent to warn the convoy and keeps it from accomplishing its mission. Eventually, by superior seamanship and skill, he drives it away. Hornblower rationalises that this is poetic justice, after he had earlier connived to facilitate the escape of his steward, who was facing hanging for striking a superior officer (a punishment Hornblower could not abide). It later transpires that the ships were claimed by the Government as (Droits of Admiralty) so that Hornblower would not have profited in any case. (Prize money was only paid to naval officers and men for ships they captured as part of a war, and Britain was not at war with Spain until soon afterwards.)</p> <p>Hornblower is recommended for promotion to <i>post captain</i> as one of the final acts of the retiring Commander-in-Chief of the Channel Fleet, Admiral Cornwallis, a real figure outside of the Hornblower novels.</p> <p>Editions [edit]</p> <ul style="list-style-type: none">Forester, C. .. and reminded me why I liked the last in the series so much – the 2nd person telling of the Hornblower Character and Story was so much better – I forgot how Neurotic the author made him, and a little of that goes a long way – and I will likely not finish re-reading it. Sometimes you think – perhaps if he was shot dead he would not be so self-tortured and a relief to him .. Too bad. Maybe I will dig through some of Foster's other works -his list is extensive and I recognized many and have even read some of them, and not remembered they were from him. He can clearly do a very good job, as that 3rd person point perspective version demonstrated.

During his General Audience on Wednesday, April 22, 2009, Pope Benedict XVI made a remarkable reference to an obscure ancient Christian writer from North Africa, Tyconius. In his commentary he [Tyconius] sees the Apocalypse above all as a reflection of the mystery of the Church. Tyconius had reached the conviction that the Church was a bipartite body: on the one hand, he says, she belongs to Christ, but there is another part of the Church that belongs to the devil.”[i]

For Benedict, Tyconius' conception of what will happen to the Church in the end times provides an important "missing link" for grasping the unprecedented moment in the economy of salvation at which the Holy Father believes the Church and the world have now arrived, as well as offering insight into his exceptionally enigmatic "resignation."

Ratzinger, Tyconio, and Fatima: An Interpretive Key to the End Times (Abridged Version)

Dear friends and foes of Stilum Curiae, some readers had asked if it would be possible to have a shorter version of the article published yesterday on Ratzinger, Tyconium and Fatima. The author - whom we sincerely thank - very kindly sent this text. Happy reading.

§§§

Ratzinger, Tyconius, and Fatima: An Interpretive Key for the End Times

By A Marian Soul

It is no easy task to understand the present crisis of evil within the Church, which at times may seem overwhelming. Benedict XVI has indicated that the theology of Tyconius can assist the Church in understanding how to expose and ultimately defeat the evil of "false brethren" who lie hidden within her. Tyconius' insights overlap in various ways with the message of Fatima. If we consider Benedict's comments about Fatima in light of the Tyconian theology of the end times, we are offered a unique perspective on the nature of the Church and the antichurch during their final confrontation.

"The bishops do, under the guise of a gift of the church, what advances the will of the devil."

- Tyconius, *Commentary on the Apocalypse*, 4th century

Of course. But such Witches do not really need to do that – all the child and other horrendous Sacrifices are done in the local hospitals or arranged through them. Why go out of area when they can have the hospital record some young otherwise healthy young man that shows up in ER after a minor accident and deliver him to a location those Witches can torture and mutilate him at, as they can have live babies that survived abortion – why Vermont and other horror Witch places what Abortion up to birth and allow live babies to die .. to torture and Sacrifice to Satan.

I grabbed this Tucker show bootleg (about 2 sec.s at start missing) right-away because his first subject is important and I can not be sure that the corpDragon 'Fox News' and those that own and control them would include it as a clip for YouTube.

.. if so I may replace this with the clip if the complete version of the subject is posted to YouTube before I Publish this in morning. (If you are reading this paragraph then they had not.)

Good coverage of this wide-spread sexual abuse of all our children pushed by Witch controlled Institutions and retarded demonically Oppressed population – an extreme case of a man so Visible to us, but we have been abused throughout society by sexual explicit women; co-workers and in public and services, now the twisted baby-murdering child-taking family & fatherhood destroying sexual abusers – much of modern Western womanhood – and we evil-Blinded to it and must have a man that does something even close to what they do – before we can See it.

[Okay – it looks like the slimy corpDragon posted an older video to seem that it was from last night's show - likely because they absolutely had nothing they were willing to let History Know about .. under some excuse like YouTube problems and censoring. So SO slimy. They will host Tucker – but will not help communicate is better more important points as it goes against the evil-Zionist owners and director Witches – and instead will try to lie by replacing the position with something 'safe' they are fine with.

.. Now this posting of show is Justified in the display of – at the least – the Cowardliness if not the active support of the evil they refuse to expose to Future and Multiverse. Supporters of History-rewriting. Cnts!]

The removal of fathers, destroying decent men in anywhere where women are – vile vicious twisted male-hating and abusing modern

Western nightmare cnts we must all Suffer who actively destroy decent good men and boys – often long before they can become so .. and the Witch directed male-hating Vagina-god Satan following mothers are putrid evil substrate abusing and twisting all our children (God's Children) from crib – the few that are not ripped apart while silently screaming by Witches on the Satanic-twisted mothers., ..

.. who can watch this and not realize that we all – and entire society – is Demon-Oppressed, Witch Spell blinded to the horrors that walk around us and abuse us.

If you can not imagine how much better we All would be if every post menopause women .. went away .. how the children and young men and women would instantly benefit from the removal of such howling evil-Poisoned and Poisoning [often well intended by so sick and twisted to be] festering hyper-empowered Satan and evil Poisoning horrors .. and if you are upset because not all women .. well not all boys, and men, and girls and younger women that have been destroyed and twisted by them and supported and pushed by all the older women, or all those men sent to endless wars of homeless and destroyed and such women supported actively or passively .. perhaps it would be a small cost to pay given how actively silent and purposefully uncaring almost all of them are .. not really human by the male standards most of us older men were raised too .. and punished and destroyed by them when we tried or try to correct such Satanic Evil they Like and Want .. baby-murdering unending war supporting fatherhood & family destroying child-taking F-ing horrors we all better they dead (or Gone - somehow other) and F-you if you refuse to See that.

Consider and Ask God what He could do besides sending a Real pandemic that would kill [most] all older women at and post menopause .. if he could not kill the decent few and somehow remove the Demonic Horrors the rest are.

Of course – so much lying about the subject, including the recently outlined lie which implied that since over half of the victims of violence were blacks – that it was because of white supremacy .. even though FBI data says black-on-black crime is the cause.

If you personally caught someone in a lie like that – a known lie – why would you ever trust anything they say .. before or after .. going back in memory and recall everything they ever said and realizing much or maybe most were lies like that.

.. Like we must do – like most older boys and men should do about the lying cnts that raises us and many of those howling cnt women who were involved in education or interacted as Professionals (or of any kind of relationship. After an adult life of Witches and their minions and vicious vile retarded tools-of-evil constantly targeting every kind of interaction with Western Institutions and corpDragons then the solution becomes clear – from the correct perspective if you live to gain it .. the death of [most] all post menopause older women [with power] as the Female-Evil Poisoning horrors and supporters of evil and hate that they most all are, by perhaps a Real pandemic that piles their vicious destructive baby-murdering child-taking boy, man, and decent women destroying howling corpse remains on side of road – to be collected in the sad but promising period of mass grave filling – before the sad celebration of a future without such evil festering vile Poisoning horror at every turn and until the death of Future and Society in Suffering Hell the pushing us towards – unendingly.

Seems pretty clear to me .. after a life of Joy murdering confusing abuse .. and I recommend that many many of our sons, brothers, uncles, fathers, .., grandchildren never understood what drove them to death or otherwise killed them .. no to mention the 3+ Billions of babies legally tortured to death world-wide by such festering vile evil.

Modern Western womanhood – too many of them that we all better they dead and rotting in graves .. or gone from any power of influence over us of those we love or could have loved .. including out to 3+ degrees-of-separation.

If I were scheduled to go up on it, I would actually feel safer seeing such a successful ejection system deployed .. it is no rational to assume no failure will ever happen and this should be considered a confidence builder experience.

.. my only concern is that I would need to be sure that proper neck and other support existed to handle those Gee-Forces .. it would not be 'a success' if your neck was broken because the forced drove the helmet into a neck hyper-extension and you suffer a 'hangman's death.

Is your postman or even your Doctor able to express himself or herself in Philosophical Points .. like this?, ..

What about you .. are you a Dick?

.. from afar I can look forward to this period of ridiculous media 'news' domination of these events to go by. A day or two – fine – but this is Obscene and surely abusive to the 10,000 or more for every one that cares enough to want such obscene abusive tying-up all the public supported systems of media.

(Oh but .. I hear you drool and yell '*But they are private! Corporate owned!*'

Okay retard – have them repay all the public education of the employees, the public accesses and system that support and they depend on. I know they are packed with evil directed twisted news and manipulation but I gain value in knowing what the Satanic Minions in control of this slide-into-hell pushing horrors want us to believe.)

This looks like very good indication and news – I only managed to get a short chunk (30 minutes or so) of it watched till now – but not all bad news from that festering center of vomit and horror up north of us across our largest [undefended] boarder filled with too-nice decent [unarmed, defenseless to Satan Gov & corpDragon coordinated evils] people (also) being over-run by immigration and evil policies.

The active Suppression of population, when these people get any voice into the mainstream the ideas and what is discussed is Always popular because we all being actively abused and destroyed and no one in power represents us and those that talk about such are evil-Zionist Agents Pied Pipers like Trump that gather together and destroys and wastes .. as controlled opposition, controlled by the same evil that are oppressing us all, and actively Know they are and increasing – Genociding Witches and Horror Captured Elites and even our mothers and older women who Coined our souls to evil., ..
