November 20th, 2023

Good Monday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

Index Number 2085:

—

Another good morning of focused prayers and meditation .. I Reflected on some feedback I got yesterday both at Mass, and after Catholic Theology Class I treated my friend to a good lunch at 5-Guys – a really good lunch place and was very busy, I spotted a number of people I never met but seemed to know me, and my work.

It is not unusual for me to feel there is a much Bigger me who seems to purposely minimize myself to struggle with really basic Human sin and temptations and weakness and related.

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Sunday evening has a number of regular shows which I have trouble watching because so much materiel, most always decent and I have included the videos – with very little comments because I have basically only sampled or watched the very beginning.

—
Yesterday I watched a video by a suppose-ably famous lying Satanic Jew False Accusing 'us all' of wide-spread targeting of common Jews for violence in relation to the Satanic Zionist Genocide in israel.

Of course this is a lie because a single example of such would be pushed and yelled-about throughout the West if it occurred or had occurred.

A reasonable response for such false-witnessers is their public death and the killing of all the older women in their families – slimy vile Witches, and whatever the accusation numbers being claiming as abused or attacked – then that many random Jews picked and killed, and this continues up-to the 5.7 Millions of never lived undead Jews 'killed' in Europe that has been used to abuse us and destroy West.

Many of us would as soon watch such lying vile false-witnessers burned to death in public at this point – before another baby is murdered or another Lie directed at us is told, and perhaps this needs to be discussed more openly across the world, as a Loving Correction where such people understand their screaming torturous deaths is a good start to Thank such lying slimy horrors that have been genociding and abusing us.

When they got into israel Genocide and Zionist murdering horrors both these people are lying Satanic Puppets – of course because Satan amplifies them so they are functional evil and active evil, and gone would be best for world – them and all families' older women.,

More on our Talmud-Sickened Golden-Calf Satanic Witch LawFare Western Genocidal court system, reminding us that every Western and world-wide family who is doing very very well, generations of never worrying about paying rent are working directly for Satan and Her Witches – it can be argued that all older adults publicly killed, with the families resources removed and all the younger people in those families prevented – through pain of public killing – of staying away from all power, wealth, resources, influences.

Hack them all to death along with a good percentage of court law-makers Administration and other top 3 levels of power in all institutions – and the world and all of us would Benefit., ..

We now have unassailable video proof. Democrats (communists) stole the presidency, then dressed up like MAGA and committed crimes to keep people from talking about election theft.

And then started a completely bogus narrative about "democracy" after they:

- tried to get Supreme Court Justices assassinated
- arrested their opponents & staged partisan show trials
- framed a sitting president for treason to overthrow Election 2016
- demanded military coups, called for assassinations, declared secession, & staged mock executions
- firebombed anti-abortion groups, courthouses, & police stations
- targeted parents as domestic terrorists for protesting racist & anti-science gender indoctrination
- protect voter fraud from literally every single kind of reform
- called on citizens to harass, assault, & terrorize their opponents
- blatantly stole the 2020 election, goaded outraged voters into "rioting," & endlessly persecuted them
- doxed their opponents & threatened to rape, strangle, & murder them
- raided capitals & stormed government buildings to attack democracy
- insist on stacking the Supreme Court to make elections irrelevant

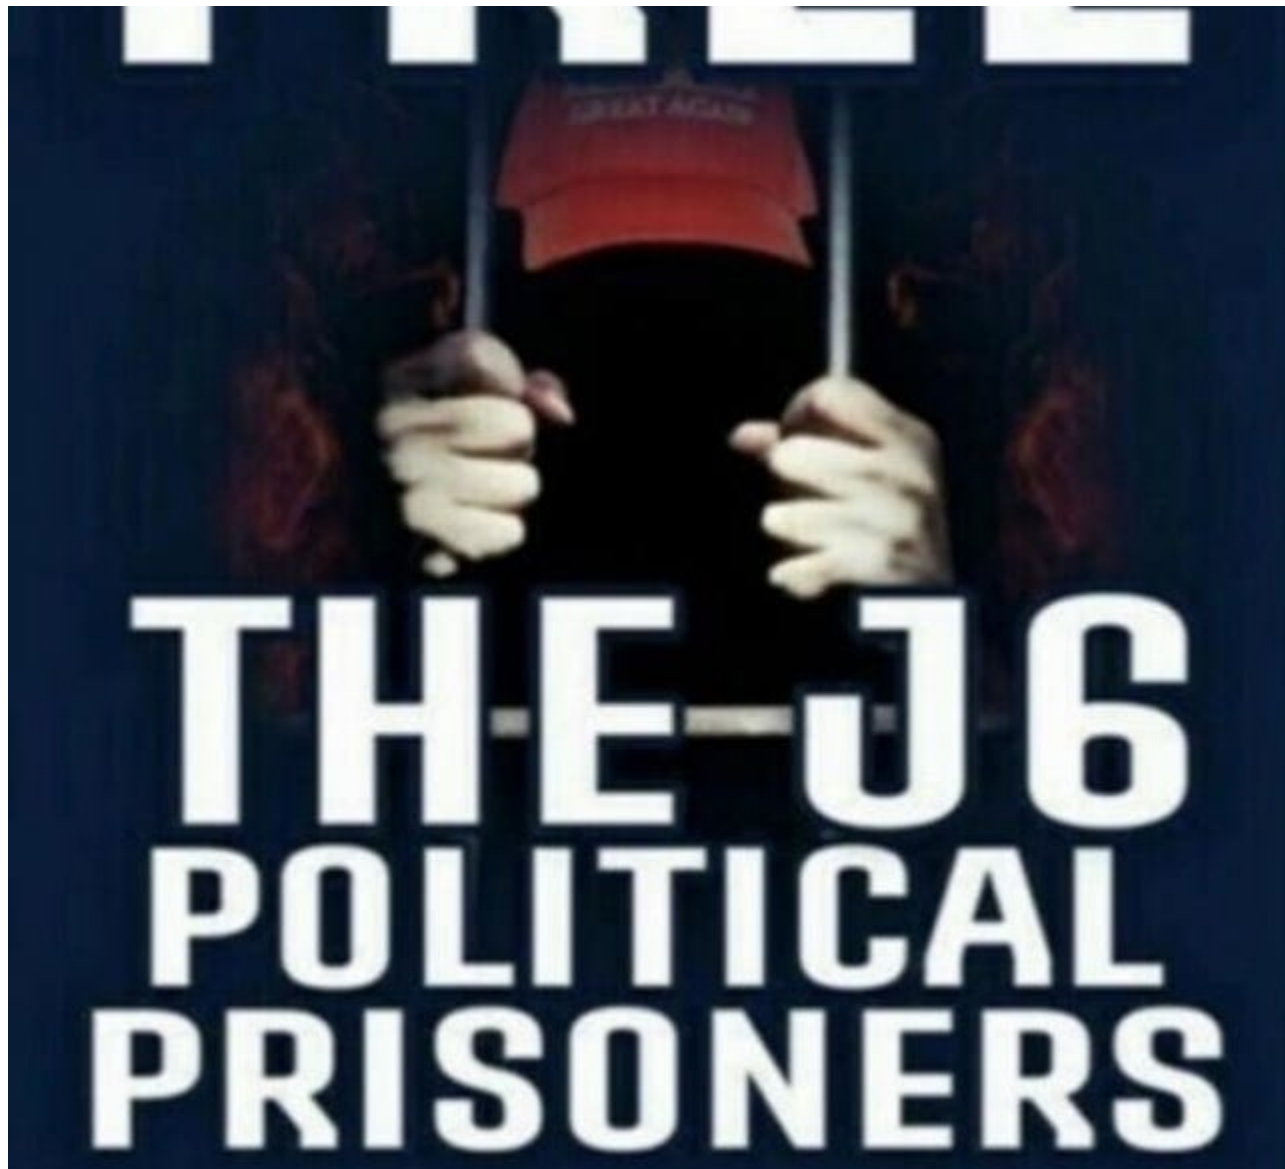

- insist on stacking the Supreme Court to make elections irrelevant
- constantly threaten to gulag and "re-educate" their opponents
- lied to impeach a president to overthrow Election 2016
- colluded with corporations to censor & silence their opponents right before Election 2020
- rioted, looted, & burned down cities to terrorize dissent over a lie
- raided their opponents' lawyers over things they knew were fake
- scaremongered an ordinary 99+% survival rate coronavirus into the Apocalypse to force through
- forced mail-in voting & quasi-martial law for everyone but Democrat terrorists & politicians
- protected and bailed out domestic terrorists while torturing & persecuting their opponents
- used the IRS, EPA, FBI, & DOJ to endlessly target & discriminate against their opponents
- illegally spied, seized media phone records, & silenced journalists

What our Jewish "brothers & sisters" really think of every non-Jew that they don't say in public rallies to "stand with Israel" where they want to con you into spending your blood and treasure put to use for them in genociding those who stand in their way.

26-year-old Christian preacher Hans Schmidt was shot in the head while standing on a corner in Glendale, Arizona, encouraging people to attend an evening service and hear the Gospel at his church, Victory Chapel. Hans is a veteran with a wife and two children and is currently clinging to life.

Even before some coward pulled the trigger, passersby say Hans was enduring shrieks and curses in his direction. These eyewitnesses also say that, following Christ's example, he never raised a fist or uttered a word against those who insulted him.

Likewise, did you know the ADL trains YOUR local police, not just the FBI, in Israel? Here's the kicker, they turn them into Zionist. Furthermore it's said that American law enforcement were learning and becoming brutal directly from the training with Israeli police. That's why they "paused" it during Fentanyl Floyd fiasco.

Here's an ADL head saying as a much.

Expel the ADL

Israel alliance. In 2015,
David C. Friedman at the

David C. McManis, at the time the group's Washington, DC, regional director and director of national law enforcement initiatives, [told the Jerusalem Post](#) that meetings between Israeli police and US police served to build bridges "between law enforcement agencies in two democracies," and that the US officers "come back and they are Zionists. They understand Israel and its security needs in ways a lot of audiences don't."

Did You Know:

The entire legal category of "Hate Crimes" only exists because of the ADL.

Imagine that. This "stand-alone field of law," founded for the purpose of persecuting White people, was invented by the world's # 1 Anti-White hate organization.

The ADL - a Jewish NGO founded to honor a Jewish man who raped and murdered a 13-year-old White girl and blamed it on a Black man - not only writes the laws in America, but enforces them through their highly touted influence of federal police, local police, judges, and prosecutors.

PROTECT CIVIL RIGHTS

Hate Crimes

Thanks in part to our work over decades, hate crimes have become a stand-alone field of law and public policy.

In 1981, ADL crafted the first model hate crime law in America. Today, 46 states and the District of Columbia have laws based on or similar to our model, which was unanimously upheld by the U.S. Supreme Court in 1993. We helped lead the coalition of civil rights, faith-based, law enforcement and civic organizations that worked for 13 years to secure the passage of the landmark Hate Crimes

Prevention Act in 2009, which expanded federal hate crime legislation to include crimes motivated by a victim's actual or perceived gender, sexual orientation, gender identity or disability.

The easiest and quickest way to test someone's intelligence is to make a generalized statement about a group.

Say something like "asian men are shorter on average" if they say any

variation of "not all asian men are short" or "I know a tall asian guy" you are dealing with someone genuinely low IQ.

They have proven that they aren't intelligent enough to understand abstract ideas like a statistical average or per capita. Why else would they think bringing up an exception like it was some profound statement? They literally CAN NOT understand abstracts, no attempt at rationalizing or explaining yourself will increase their IQ.

Every DOJ official, every govt lawyer, every complicit FBI agent, every judge should go to prison for what they have knowingly done. The coup leaders should be tried for “treason & sedition” and every J6 prisoner should be freed now. Whistleblower Tariq Johnson is the most qualified man to lead the Capitol Police - he should be appointed immediately.
