Good Saturday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

**Index Number 2195:**

Well, I had a relative short Clear morning dream, with color. I was waling around Burlington on a nice day and noticed that my T-shirt was ripped that is was scandalous and I needed to find a new one, but all the shops down-town were too expensive and no Army-Navy store (as there was way back in 1990's), and instead I walked around and standing and waiting with others for the Bus and getting bored and crossing street to stand with the other group at the bus stop there.

Besides that was the Overview dream where Furniture seemed to be significant, but all multidimensional Folded and not placed in regular space, and this happens and eventually go deeper into dream from there, then return back to that Level for a short time and dive back in to non-memory depth, all except the above occurrence.

I decided to try to return to those cool dreams written about on Thursday morning's Post by Breaking Fast with a few slices of Mushroom-Onion pizza, and perhaps the color walk-around dream is the result.

It is hard for me not to pull a few pizza slices from the freezer to eat for breakfast – left-over pizza is perfect for breakfast, but it is a Fast day. Perhaps tonight.

Oh, besides the 'burned-toasted' bits of the crust I only ate the toppings to keep the Carbohydrates with-in limits. Tonight perhaps I will fry the frozen slices to create more of those preferred crusts.

—

Some things for us that might be of interest and some level of profit to consider or meditate one, here of below.

*Saint Fulton Sheen, all Saints of the Day – Pray for us!*

More Theater around Gaza where everyone – including media – are Stalling and Distracting while israel continued genocide, murder, so much evil. Pretty clear that active Zionist supports best dealt with by a knife in their throats after watching their Witch mothers and other older women in family Burned to Death in public as Witches .. the day we include such Witches as our mothers in the punishment – perhaps more extreme punishment – the day that mothers and women will get the Justice they have deserve for worshiping their Vagina-god Satan and following their local and other Jew-Powerful Witches directing evil.

So like the Jew-Directed Ukrainian-Russian Genocide of White Christian men, [potential] fathers, husbands, Protectors, .. for GloboHomo, Sex-Trafficking, baby-raping and other Jew-Vacation location the BlockRock and other Satanic corpDragons will build for them with [more] of our public resources and Taxes .. the murder in Gaza will continue until 'enough' or all are dead or driven out leaving a few Palestinians in West back to abuse and kill and use as slave-work and murder for organs and other Horrors israeli Jews and Western Zionists push.

—  
Notice in the media the Nigerian group murders are actively suppressing the religion information of those targeted and killed – Christians or Catholics you can bet, and if someone did a deep-dive into the once and perhaps still French directed terrorists, and the Jews powerful directing France and expanding Terrorism and Christian genocide throughout the world.

Sad we God does not Kills such evil horrors, and those supporting it. If all the powerful families locally, national, and international were are Sorted and all the adults Burned to Death in public regularly until things (THINGS) effecting us and the poor and powerless worldwide get better and better, such problems would go away in the graves of those vile murdering Talmud-Sickened piles of human-Satanic Vomit.

—

Again the Sudan famine in international news!

Look the impulsive grasping retarded violent blacks warring over control of gold-diamond mines, oil fields, .. they will not stop until those resources are temporarily destroyed and that no killing for them will profit them of the Jew-Backers and others that are controlling them and putting-forth those puppets.

Bomb them all carefully so in a year or two when those vicious retarded murdering impulsive violent black realize they can not keep any value of those resources and fade away, meanwhile food and other supplies my be provided, as well as talks on replacing the control of Nation by system they will do well in – remembering that South Africa and many nations throughout Africa have shown time and time that actual population control of gov requires skills and virtues and IQ that few in those population have.

Until this of similar are implemented every death in Sudan is because of the grasping evil of those in UN and benefactors of the Gold Diamond, Oil, Sex-trafficking, Slave trade, etc.

—

I thought I had made it through Vagina-Supremacist International day without being assaulted by the term 'femicide' .. but this morning .. so sad. Now the thoughts that if God sent a Real pandemic that kills all women at menopause and those now past. What Satanic Toxic Evil surrounding us and immune to destroying our world, Love, Joy, Truth, Justice, Order, .. they are murdering Soul-Rotting F-ing horrors and those that refuse to fight them, and all the rest actively supporting them so it becomes clear there is not an older women – but the very Rare Orthodox Religious – that we all not better they in mass graves .. and then we can explain the insanity to now delusional-psycho younger women and girls when no woman is allowed power over others and men take back society and revalue and implement Merit, Virtue, Truth, Justice, Order and perhaps some of those changes I have suggested like Public Pain and Shame for lying, and other vile sins.

The screenshot shows a video player interface for Odysee. At the top left is the Odysee logo. A search bar is located at the top center. On the right side of the top bar are icons for share, live, and comment. The main video area displays a thumbnail image of an eagle with a highly detailed, mechanical, steampunk-style hat. The hat features gears, dials, and intricate metalwork. The eagle's beak is prominent. A pink play button is centered over the thumbnail. Below the video area, the title "Our Time Has Come" is displayed. At the bottom of the player, there is a metadata bar showing the date "March 7, 2024", the view count "4,540 views", and engagement statistics: 345 likes, 6 reposts, a "Support" button, a "Save" button, "24 Reposts", a "Share" button, and a menu icon.

Few people are aware of the 2023 poll that showed nearly half of America's Black population *does not agree* with the statement "It's okay to be White."

But even fewer know that, While Black support for Affirmative Action actually decreases when told it will specifically harm Whites, Jewish support for Affirmative Action actually *increases* when told it will specifically harm Whites.

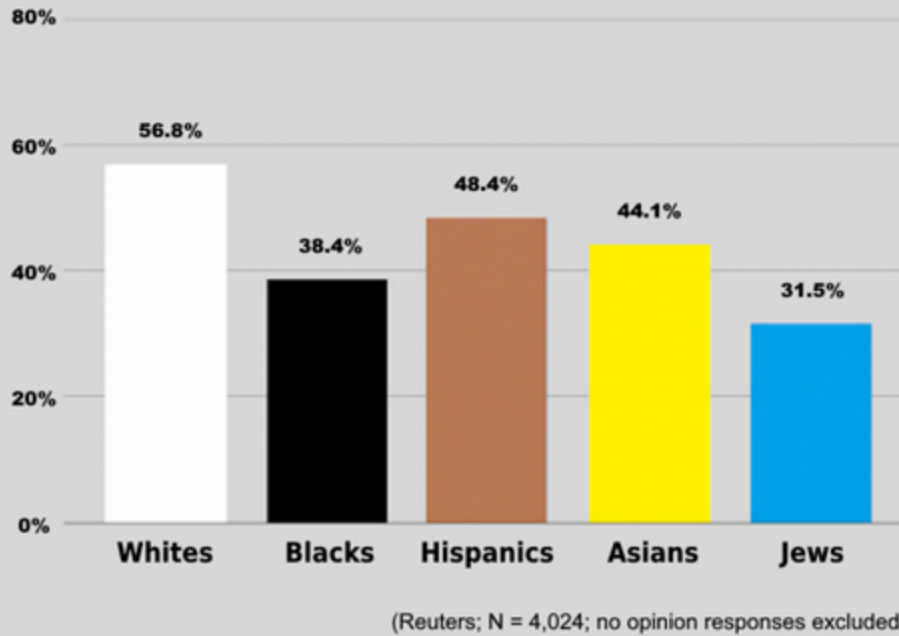

That seems fairly... *insane*, no?

Jews also reject the preservation of America's White European heritage more strongly than any other racial or ethnic group.

and loving creatures who think spending time with their family is a good thing. They are probably too "independent" & "strong" to even have a family of their own. The only thing modern women have to offer men today is sex. So instead of being loving housewives who cook and raise children, they are reduced to being sexual objects only - and they are so messed up emotionally and intellectually that they often spend most of the money they make on their jobs on plastic surgery, cosmetics and tons of clothes they think will make them look good, in a desperate attempt to stay or become more attractive. Well, they have no other qualities attractive to men, so what else can we expect? This is the fruit of feminism. The fruit of "women's liberation."
