Good Thursday Morning,
May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands.
Holy Virgin Mary and All Saints - Pray for us!

Index Number 1644:

This morning's prayers and meditations were focused to a large degree on practical application of the Holy in my life, and how best to Evangelize.

First is the Principle outlined recently and well by Prof. Peterson in one of the 'Rules for Life' - to treat yourself as someone you care about and would and likely do help, make suggestions to, and encourage to do the best things for themselves .. the aspect that is not mentioned but implied in Scripture where written to Love God above all and Love neighbor as you Love yourself .. and in today's society where Hate screamed at us from crib - warping our parents (mothers) over generations to hate themselves and so spread that - in the Western [White] [Christian] Virtue-based society, to use our natural tendency towards self-reflection and criticism into a malignant cancer that attacks ourselves .. that for all of history such evil-vomit injected from mothers to babies through adulthood never occurred society wide - or where it did those societies Died quickly .. and of course [functionally twisted] fathers went along otherwise were destroyed - thrown out and the howling evil State & local Witch-Matriarchy crushed them.

Which brings me to the 2nd point I brought up - Evangelization. The Practical version .. a working version - not following some pre-failed media script we all have seen.

The reason I suggested these two are related is because only demonic oppression can so warp our Reason that such a situation exists, along with so many others.

And THAT .. the evil-Blinding aspect, the fact that we are constantly aware the things do not add-up and even momentarily See some aspects of it, but then quickly - usually - go back to the ignorance that allows such evil and sufferings and confusion and lies and such to exist .. that people we talk to about these things - the very fact threat we can See we being lied to through corpMedia everyday, subjects that we know well being twisted (in those subjects we have person experienced in knowing and working with - not those who only 'know' what the demonically oppressed and oppressing education system and media backed lies and other warped manipulated information screeched at us) leads me to ask again - why would you trust anything from such sources ..

.. and many of you might think - yes .. yes that is true. Then go on back into the routine where the Witch Spells re-grab you and you fall under again.

The one that struck me significantly is the fact that we not only allow women in the work place to be so clearly destructive to functionality and advancing whatever is the tasks and goals - and I understand many women are unable to see this because .. you are F-ing retarded when it comes to going someplace and doing the job and ignoring everything else - focused and effective .. but men and many women who work in situations where they just want to get the job done - or need to because of serious reasons - can understand that a good percentage - most of other especially 'educated' are like active obstacles.

Go talk to some sad overwork hotel house-cleaner or their managers or the type - most women are less then useless and would be a nightmare to have to work beside or manage, you as a peer would need to do some or most of there work and not because they were unable, but because they are like spoiled vile vicious grasping twisted children unwilling and creating reasons and problems .. and if you were their manager and forced to keep them - you would end up doing some of or most of their jobs - or while arguing that you needed more people to do the job .. and unfortunately if they also 'educated' then they would likely be worse and possible threaten and destroy you .. without the threat of 'force' of firing them.

.. but I got side-tracked, they eye-opener was the sexual abuse that women do in the dress, make-up, and presentation .. how we so evil-Blind that even now after seeing that video I often link-to and comment on, many of you have forgotten .. never went around the next day at your workplace with 'an eye' towards such - or looked at the school 'children' Young Adults being artificially retarded and treated like unRational agents .. as the ruling elite treat us all .. Poisoning and restricting our normal advancement in many ways .. look at how the young women dress and try to imagine how distracting and needlessly abusive that is.

My mediations went a lot further but I think it best I leave you with the simple fact that you are much more Rational then you act practically, and that even when you Know something is wrong, you and our society quickly 'forgets' it and goes on doing the same thing that no un-demonically Oppressed sane person would do.

What does that fact Mean to you?

May this be a Blessing to you and us all. [And all our Futures, and our future Multiverse Pasts.]

And as a reminder - the video I referenced above., ..

.. How do you keep forgetting this? - de-emphasizing it? - or even not realize how relevant it is?

And most Significantly - how relevant this repeated state you suffer

That you have been Damaged. Retarded.

.. You, and us all.

I wrote the following yesterday – and this is after I removed a few paragraphs of what is a repeated effort of breaking-through the minds of women and mothers that the horrors are not normal, and clearly something is very wrong with womanhood .. I want you to consider the good aspects of what your life would mean if you or others did not 'get to' kill your children .. would you then not be so cold and disposing of others and self, maybe more careful of your choices and relationships?

This morning in medication I had to make clear again that most of us are not like that Witch I talked to on Church Street while waiting for some 'protest' march planned, who tried to get me to regurgitate the problem that was being marched about was because fatherlessness was because of the fathers .. and when I started speaking about the statistics about the policies of gov & law, the forced removal of father on the whims mothers – often only because 'not happy' the integration of special courts as a revenue source and working with State to destroy family to get federal money .. I saw the Anger of the Witch – Anger that I Knew these trues and she Hated Me for it – no mistake about it.

Most of you are not that evil, as our mothers were not – but the warping of society and minds and the baby-murdering apologetics and male-disposing and self-debasement of birth-control along with the constant Witch Spells from media and gov and education and medical and .. always getting worse as those top 3 levels of Vagina-god Satan worshipers fill the Ranks and File with other [often active] retarded and-or evil Vagina-god Satan followers and supporters.

The issue become one of practicality .. something deeply wrong with the female that is more susceptible to this kind of Satanic Poison, the Witch-Web mob-mind, the viciousness and vileness suddenly directed not only to co-workers and strangers, but lovers and husbands and fathers of your children.

Like a kind of Ready-to-be Possessed by soul-murdering (your's also) demons at a level your great grandmothers and many grandmothers would have been shocked and applied and aggressive against in others or self when they saw it – I know because I remember such women .. and compared to most you they were nearly Saints .. that practically I see little – especially because of this conditioned return to retardation – that the most likely way of reversing this is mass deaths of many of our sorry horrors .. and it would be Wrong to push for that – of course – but it needs to be stated clearly .. piles of you dead would be a Sad blessing to the rest of us and our children.

And I want you to believe that I am not alone in this Understanding. That those in real power have arranged this Slide into Social and Practical Hell using most of you and your active spreading of destruction to all the Pillars of Western Virtue-Based Society, that aspects that most the world once envied and brought such modern-day enlightenment and prosperity, and once a future of great Hope and Promise.

Please consider this. God Demands Love, and Demands Better from us all.

The way womanhood turned into vile vicious lying baby-murdering family-children-society destroying delusional-psychos in my life-time .. women in work-place (and public) that every professional man must suffer the vomit and evil that Poisons everything decent in life – Jobs that were Dream Jobs that a boy worked through adulthood into getting and then were better have died then suffering the lying evil nightmare cnts that too many are .. portending you are Human when that so surely is not the case for far too many of you – at least not Human by male Virtue Standards we raised to and judged ourselves and other men by – and you judge us by ..

.. a lot of sexual related things that are twisted – Viva perhaps has his evil-Zionist Agent stripe showing – or more likely just being Retarded .. Barnes and Sidney still misrepresenting arguments poorly – likely from ignorance.

Sad – this is painful about the Toxicness and lumping all criticism of the Witch-evil vileness that many men have direct experience with and victims of .. and dismissing them because they do not understand – can not because of the constant warping of minds we men have been under – and all 3 of these guys are an example of. This is Prof. Peterson's level of twisted .. I wonder again about Barnes – he is a Zionist and perhaps like Viva Fri, may have much access and acceleration on line because not suppressed and amplified as they are saying the evil-Zionist 'lines' – if not active Agent .. like how journalists have been twisted and conditioned from corpMedia.

Again – what evil-Zionist Vagina-god Satan reasons all this was done?, ..
