This morning's prayers and meditations touched on many aspects I can only hope to give some slight inkling of.

First to be mentioned here is my guilt in not at least mentioning the one point I thought would be significant related to the day-before's post ..

(['Multiverse Journal - Index Number 1776:., January 16th, 2023, Monday Morning](#)', Click for [SubStack](#), [Minds](#) versions - there is no Facebook because .. Facts hurt the Witches - or see PostScript for Referenced URLs)

.. related to the Civil War and the warping of our education system – the suggestion that the excellent if a bit rough-styled [video by RazörFist](#) (*DropBox included*) about Abraham Lincoln, and the detailed bibliography might be a good stepping stone to expand School Board meeting beyond the sexual-mutilating of our children in the LGB+ .. evil grooming into something even more fundamental – why are clear lies being pushed? How deep – into Golden Calf Satanist's corpDragon publishing and accepting such text books as well as the unTruths, and why anyone in High School who understands these clear lies believe Anything they push – including the 6 millions of Jews who's bodies never were found and the lying evil that has damaged and twisted the West and all our parents

and grandparents into much more acceptance of Golden Calf evil Satanist goals – not the least is the on average 60 babies daily near you in your State being ripped-apart, tortured to death as Sacrifices to Satan, the widespread birth-control and the soul-sickening vomit that modern Western womanhood and motherhood has become.

I do not know how many High School students read my work, but it might be interesting if they used this clearly great video of the real Abraham Lincoln and coordinated with others across the West to mention it and perhaps argue it to the public (and all others) funded history teachers and Administrator – if they unresponsive to changing there teaching, and coordinate the sex of such teachers and Administrators and find if it really is true that few Professional women are not only NOT worth their salt, but are actively evil-pushing vomit-souled soul-enslaving Demonically- Oppressed and perhaps Possessed, and definitely unwilling to Stand agent unTruth, inJustice, and DisOrder ..

.. who will likely use any push-back with Truth – even with such a excellent source list of real History – to attack the student or parents, to perhaps at the School Board Level call in the Golden Calf baby-murdering Satanists at FBI and Justice Department or other Public Institutions where the top 3 levels of leadership and management are Satanic Horrors, Witches, Minions, and-or Elite family connected Enslaved Tools of such (enslaved by pedophilia-related or similar black-mail, Usury Debt, using the Tax and offshore access that

might be cut, medical system living of the murdered babies blood or murdered young men who show-up in ER for their organs, ..)

I would like to think that young adults of 14.5 and older would and could consider such and extend such Studies by using Facebook, Twitter, YouTube, Google or similar Satanically controlled and filled Big-Tech Institution-Gov – until they Suspended – to further understand how warped History really is, and that the Ukraine-Russia 'history' today is not only based on lies and how those lies become the stuff of Public and University books later on, but the real reasons are related to the murder of decent regular men like them, there brothers, uncles, fathers, and the traumatic destruction of traditions and society to force the baby-murdering sexual-mutilating family-womanhood destroying widespread poverty sickness suffering confusion .. Evils of this Golden Calf Witch directed and controlled GreatSatan Empire .. and so anything they personally not connected too or without seriously good sourced material – those un mutilated by the Agents and Tools of Satan .. such as 'Gender Study' women and Dog-males willing to lie and hide information that does not fit their Satanic Demonic-AI Formed Nightmare Narrative – for which they have been twisted from Crib and no actual real data or logic can seem to shake them from.

Which I did not mention Yesterday and should have.

This morning I spend some time meditating on what I have come to think of as the Flat-Earth vs Round-Earth perspectives .. the Flat-Earth meaning the Holy Simulation aspect, of course .. and this time not related to the 'dropped ball' of the Catholic Church back in [Galileo Galilei](#) conflict with Church and how that was the time to create a Vatican Collage of Apologetics, that [René Descartes](#) work and others would have given a good opportunity to resolve such a breach, and the fact of the Ridged Male-Evil that had Poisoned the Church and such I have argued led later to the [Protestant Reformation](#) – because of a Ridged Hyper-Powerful

Tyrannical Posture which assumed no more Doctors of Church would ever be needed and the crushing of all who would bring Change and Threaten the personal power of leaders reflecting and extending down to Clergy .. different than the Satanic Female-Evil slimy worldly Whoring vomit which has been recently destroying the Church for generations – that looks like Marxism but is Golden Calf Satanist directed – and is related to the lack of good Formation, Faith and ability to address the Science Religion .. by having a good College of Apologetics.

Not that aspect of the Holy Simulation Flat-Earth aspect, but one of sitting with a warm beverage and considering my recent Sins and Sins of Omissions like yesterdays absence of what I mentioned above, how such radiates outward and wondering as I do often when my work-Service is actively suppressed such as Facebook, Twitter, Google, .. and YouTube comments and what Sins of others were not curtailed or delayed .. or Steps to Salvation of souls were not advanced .. and how my omission might be considered in a like manner .. in the results could and would be similar – yet responsibility and obligations are not the same – I am not Compelled by God or Secular norms and Founding Fathers and Western Christian Virtue-Based Standards to allow if not propagate Freedom-to-Hear and share ideas, that I am not Raping working men and small businesses for taxes, and not forcing public resources to support such evil-functioning horrors they have turned into, yet God does Grant me Grace and Charity for these Days-of-Bread and Opportunities, and one of my regularly prayed for Benefactors are those Tax-

payers and Western society, those who healthily contribute and the past peoples .. and do I not have an Obligation .. as like as a child I climbed and enjoyed trees that my grandparents' and earlier generations either planted or allow to stand and not turned into firewood or such .. should I not plant a few trees for the following generations – and is there not an obligation to do such .. in a general sense, and how much has any Sin been Blackened if it arguably removed such contribution?

—

As I sat with the warm beverage I considered the 'Infinite Now' and how the very Essence of me was also – with different physical presence and location, and different full sense of continuity and memories also likely standing at a stove in some other apartment in my building making breakfast, and many were still sleeping.

How this Waking Being is a different version in the case of our Sleeping Selves where we dream of others who we interact with, and how modern science model says that those people in dream are only generated by ourselves, so those Avatars are the Bigger You somehow being spread into yourselves' version and the others – and do they have some alternate sense of you or You?

Flat-Earth .. perhaps in the future such a phrase will have a more fuller Meaning?

—

I did consider my one prayer that is part of the 3 Holy

Candle prayer - that I regularly do – that is related to the Salvation advancement of us, and usually I focus on the clear Demonic-Oppression of us as individuals – inability to think clearly, often forgetting aspects of relevance, mental anti-Rationality that is far greater than it should be – and such at institutional and society level. And how cracking such open for readers and myself may momentarily bring about Clarity of Satan's Roll through the Demonic that affects us all .. and of course the antidote after stumbling and repeat 'burning of fingers' on same situation – that it is an Active Force of Evil that warps us and makes it impossible to handle alone, and Seek God., ..

.. and considering the issue I remember recently was such a weakness of such evil manipulation, and that was my love and need of social interactions for many personal aspects – it is what might be considered to be how so many are driven by wanting 'Likes' on-line, subscriber follower number, virtue-signalling in real life or on line, .. that level of cultivated [functionally] fatherless Witch Weaken aspect injected from crib by vile nts and mothers where we males are warped into weak dependent Dog-males or 'broken females' .. and was used against me as a young man working at the University in basic medical research .. and more than only warning perspective friends and lovers away from me with Witch-Whisper lies in secret (had it been in open I would not have been so injured, confused, manipulable, and not suffered to such a degree.)

It seems to me that the Church and God should be introduced .. such as well balanced men do not need

anyone besides what is needed for practical living and we should all be fine with the death and goneness of every F-ing horror that would cripple, hurt, kill us and others as so many older women and their Witch-Directed dog-males do .. that even our own mothers in graves might be consider a Betterment for society and everyone they interact with given the Demonic-Howling manipulating lying grasping baby-murdering male-hating .. and supporting of such.

And well balanced men with God and Church .. a Church where women are not empowered more then regular as Laity .. should be able to spend chunks of time away from anyone else – as hermits and religious routinely can, did, and do.

That such seems not as easy for women – except through Marriage with Christ. Otherwise they gather and definitely derive a kind of stability that is not present without others .. and how even a Husband (lacking the Wisdom and Holy Fullness of Jesus Christ) does not fully provide the level of need.

So it is easy to address this in terms of Ying-Yang where ..

—

.. a man is Complete with a female-aspect and a woman .. woman as an incomplete Avatar of a Man – the Eve drawn from Adam, where Adam has a female within – argues.

As have written such an Absence is needed for Procreation, family, society, .. cohesion when balanced and healthy (not raised by soul-Coining fatherless 'families' Witch twisted from crib, education, media, ..) and we see that few – if any - are safe without direct man supervision - to be in any power over others .. they Howling slimy vile viscous F-ing cnts these days, when many generations ago when women were a benefit to society they would Understand that they were not reliable in positions of power without help, and that the inherent man's drive for Truth, Justice, and Order was something they lacked to such a degree.

Gleen Greenwald's video has some black women lawmaker trying to pass a censorship law, and my reflections suggest that she is the perfect kind of puppet – a kind of virtueless female-evil cnt that is easily manipulated by her Golden Calf Owners and their Master Satan.

Of course as a women the female-evil the Satanists want is easily explained to such socially retarded and poor virtueless women as '*.. for the children*' or '*.. to stop hate*', or '*.. for their own good*' or '*.. to protect [retarded vile grasping cnt & witch-directed] lawmakers*' self-interest which is very much a women weakness-Blind-spot or ... and about NO women ever Stand against such evils and always bend to the society family life destroying evil they have been

shaped to push for those Witches and Satanists .. they are literally destroying society as Evil-Tools, Vomit-Spewing Barking-Seals of society, family, children, man & women destroying 'Causes'.

So I have been considering how to address this other possible leveraging for Salvation .. and seeing that such is Linked to Holy Human Sexuality I suppose I have touched on aspects in many not direct ways, besides aiming much of my Service directly at the most powerful demographic in the world, not only hyper-empowered with voting, but now Sickly Injected into every position of power and filling the colleges and jobs – as [white] men are driven away .. the more comfortable and well paid and-or influential over others (such a teachers) the more likely that [white] men and possible fathers are being excluded as part of the [White] Virtue-Based Genocide and destruction of families, society.

It is bad enough that I would consider a Stipend for all women to be a reasonable step .. a society wide support system which removes them from the employment and influence positions (other than the most significant as mother and wife) with social obligation of Virtue, as part of a system of healthy social Sex Segregation of course - as a step into a Better future.

Something like after the all young adult Western Conscripted 4 years (2 two-year terms starting at 15 years old) of National Service then basic medical, housing, food, education (using web-based and local

gatherings) and such would be taken care of – again with the understanding that they stop being vile vomit-souled F-ing lying twisted resent-filled male-hating self-society destroying F-ing horrors that most are and it better they not around, and by volunteering, education, or continuing with extra National Service work-travel-education-training those who want to do more then settle-down and start a family right-away can., ..

.. that [Inter]National Service system I have written about and of course should be extended as a virtue step needed to hold power-positions over others through extra 2 year service(s) – which suddenly removes most of those retarded grasping self-poisoning voters of today, those unwilling to help anyone else or not try to grasp and take even if it hurts others and themselves .. as women have clearly shown themselves as a group to be, as most minorities, fatherless dog-males, ...

(And getting young adults away from our vile sick soul-castrating Poisoning mothers and older women in families and local Witches is an aspect which makes such a policy worth it alone.

And with such a change then perhaps some real democracy [for local level] policies would be possible .. besides voting for what color the police van is that drags you away from your life-long earned home and children on the whim of that putrid cnt grasping vile women you were fooled by – as long as that van color is blue, of course – that is what 'voting' is today.

—

There was a lot of other topics I touched on with the

Infinite Quantum mind this morning (and yesterday) and more on these mentioned topics – but alas such is like the Wind in my memory.

I do recall a lot of 'math-like' things, the comparisons between the Holy Soul as like the Symbol of Pi or 'e' and the Jacob's Ladder expansion of our souls, the extending the Series Terms 3 or 4 extra – far enough that the next digit calculated would be Correct, but in the multidimensional and related .. the difference between 'The Holy Word' and 'The Holy Logos' where the Word was like having the pre-calculated digits to whatever number you needed and doing the differences and getting the Vectors needed to push-within the Holy Simulation, and Logos being the Pure Symbols including the who numbers and such – more then the translation variations between the vernacular and the original version in Greek or Hebrew (as understood at the time)

The Word as spoken by God and it written down at the time.

May this be a Blessing to you and us all. [And all our Futures, and Multiverse Pasts.]

I did want to mention something related to my Garlic Poultice discussion ..

(['Multiverse Journal - Index Number 1772:., January 12th, 2023, Thursday Morning'](#), click [SubStack](#), [Minds](#), or see PostScript for Referenced URLs)

.. about a Dry version of the Poultice. That is boiling water, adding garlic powder, let sit overnight and then reheat to boiling and soaking clean rags and then drying rags (in oven on low, perhaps) and so have a dry sterile bandage that can be duct-taped, ace-bandaged, .. over wound.

I have had excellent success with this, and it smells good to me. I have considered adding much salt to the hot Garlic Water to add the 'drawing-out' aspect found in the process of soaking in epsilon salts, but have not tried it yet.

I suppose I can add 'health tips' to my general description of topics covered in my writing but then would open myself up to another angle of censorship .. 'health misinformation' because the FDA was pushing another kind of deadly poison in collusion with media, gov, medical system, research, big-tech, and all Institutions .. which are packed at top and through management with Witches and minions of evil Golden Calf Satanists .. like the CopyRight suppression I have recently ran into as well as problems in past with YouTube related to linking video where people whom just got a Satanic Poison-injection finding the a magnetic stays hanging in the injection site before the brain-damaging and 5G amplifying neurological aspect spreads away to brain and rest of body.

.. it is so easy to suggest to us all that if such genocidal evils would exist and be jammed down our throats if

every [powerful] older woman was dead or otherwise Gone – definitely not publicly hanged along with entire family women at or post menopause?

If somehow all the Witches were Gone – would their constant Curse of Evil and Horror be everywhere, and how would the public display to younger women and the men in families that if you let the yourself and females in your life to get so bad .. the Wages of Sin is death and perhaps or likely even theirs.

Another health tip .. how to avoid being publicly tied to a pole and hacked to death with all the older women in your family!

God Demands Love and not Death, and it is hard not to argue that Censoring and suppression of such warning should not result in Their Pole .. Pole Dancing and screaming.

.. Cardinal Pell was a retarded Ass from a well-to-do Class who forgets that not all families of priest are able to hire lawyers and expect support when accused.

Such people's putrid Class Poison and inconsideration-ignorances point to the kind of Witches and vile mothers and families they are raised in.

And Cardinal Pell's death does not change my feelings that such people could use a swift kick in the ass and explained they are F-ing retarded cnts – and as far as I know – perhaps as part of the active suppression and isolation of such Class Elite Powerful retards – he never heard or changed his position – but perhaps and I hope I am wrong, and that he did publicly and loudly changed it.

A few good topics – I mentioned the Censoring and Punishing Speech and interfering with our Freedom-to-Hear law being pushed by another Satanic manipulated putrid slimy [minority] woman of power.

About the bit on Lex Fridman - is clearly example of the

Jewish pushed media and big-tech. And Jewish Glenn and perhaps the other Tool unwilling to point that out. So many examples – where the less than 2% population SOMEHOW end up everywhere shaping society, and clearly not as Peterson in his Retarded Witch Demonic-Oppressed warped enslaved nightmare tortured aspect argues that it is because they all excellent – and somehow the other 98% of men do not have 8 times those abilities and intelligence yet are actively and clearly suppressed – Beggars Belief and you can Hear the Screaming Silence of Glenn and Tool, Peterson's screeching internal Demonic mother-voice in mind (shaped by a Jewish wife's or other Witch women-in-families' hand - perhaps?), Look no further than President Cabinet, Top of Western Gov, Administrative State, Legal, Law-makers (supporter of) and only those unwilling to hear will not understand .. and the day soon might come when that practiced evil-blindness would find those in power and land them [Justly – if Wrongly] in graves.

Lex is worth looking at – clearly excellent IMO - but such evil that selectively pushes material in large part based on religious aspects means that many many many just as good or better are being suppressed .. part of the vile slimy female-evil Poisoning is the suppression of anything that is not 'in-line' with Western [Christian] Virtue-Based society destroying undermining .. and one can again wonder if all older [powerful] women were dead, would such Witches removal from positions to Vomit-Evil on us all greatly improve our Futures or only really really make them better and all we could and do love?

.. in other words; F-you, you Brain-F-ing evil cnts .. you and our putrid slimy mothers, aunts, .. all those unwilling to Repent and so a Curse on us all until Late for Grave.

.. It is a crying shame .. remember when Google or Wikipedia (for example) was not actively Evil!? Same

for every other once good tool and focus of excellence .. they are shaped into horror and evil by the Witches, venture capital Golden Calf satanists and have Poisoned not only what existed that is good but destroyed ABORTED all future goodness and Betterness, dragging us all into Hell.

How would God sending a Real pandemic that killed every every woman at menopause not leave all the world ahead, with futures we all can expect and have real reason for Hope, Faith and Charity towards? All would be sad because there are many that would be missed – but those have long ridden and been careless on the death and killing of men Benefactors, supporting endless wars and male-father-children destruction – actively voting and supporting babies tortured-to-death .. 60 per day on average in every State, 100,000 per day world-wide! – how could it not be Just by today's standards such lying vile vicious soul-mutilating delusional-psycho Poisoned and active Poisoning cnt that is the typical older women not be removed from power and influence, even dead would be better then their Putrid Breathing Curse on society and world. Only the clear factor of raining children to think such horror is allowed and supported by such Things – Demons and insane Witches – clearly.

Not related to this directly but I heard Ursula (the lion) starting to voice the clear intent of this GreatSatan's

destruction of Europe though policies imposed and using them to try to move industries and jobs to USA (and I would add - then like was done with family supporting jobs and industries back in the 1980's onward, moved again over to China.)

She and her elite enslaved Peers are tool for the Golden Calf Satanists – and she is likely only upset because her name and future will always be linked to the soul-family-Society Raping and Poverty she supported .. perhaps her maternal family and that of her name will be one of those systematically publicly killed as a thank-you by the populations who children are dying and all our futures destroyed., ..

The FAA has very quietly tacitly admitted that the EKGs of pilots are no longer normal. We should be concerned. Very concerned.

After the vaccine rolled out, the FAA secretly widened the EKG parameter range for pilots

so they wouldn't be grounded. It looks like the vax gave at least 50M Americans heart damage.

The FAA just telegraphed the fact that a substantial number of airline pilots have had serious heart damage from the COVID vaccine by widening the ECG parameters for pilots.

Admixture analysis proves that human genetic clusters match historic racial categories and ethnic geographic distribution

Note: Admixture analysis displays proportions of ancestry inherited from ancestral populations. 1 line = 1 person, color = ancestral population.

Companies like 23andMe offer admixture analysis services, helping individuals discover their racial heritage. 23andMe divides humanity into six major "Geographic Populations" (races): European, Central & South Asian, East Asian & Native American, Sub-Saharan African, Western Asian & North African, Melanesian

<https://customer.care.23andme.com/hc/en-us/articles/212169298-23andMe-Reference-Populations-Regions> (<https://archive.vn/LhMyj>)

"K = #" refers to the amount of genetic clusters (or "ancestral components") that an admixture analysis is divided into. Classic human taxonomy divided humanity into between 3 and 8 "major" races (clusters).

Medieval Europeans believed that the world was divided into three races: Hamites (Africans), Semites (Asians), and Japhethites (Europeans).

This number increased during the Age of Exploration (1400s–1600s), when Europeans came into contact with previously unknown peoples.

Admixture analysis sources: <https://doi.org/10.1126/science.1153717> (Science, 2008); <https://doi.org/10.1038/nature13673> (Nature, 2014)
