Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

[Sunday Morning, again – **Praise God!**

*I will be rushing through what has not already been assembled from last night, and at least try to publish to Facebook – at least a first pass and to be editing when I get back from Mass, later. No after Mass scheduled – although sometimes the conversations-socializing outside of Church after Mass can burn through a lot of time.]*

Some weird dreams – dropped off asleep around noon yesterday and makes me think I should make a nap a semi-regular occasion with dreams like those – now details forgotten. And this morning there was a bit of a disturbing dream of in some old home where my mother and my biological father played cribbage together, well there was a giant Satanic Bat-like thing reminded me of the Vampire from Salams' Lot sitting across from me against the wall .. wondering if m mother's Adultery at the time of my conception – perhaps – and I spent a chunk of time driving the Satanic Bat thing out of the house but only It-She moved from room to other rooms – driven by 'In the Name of Jesus Christ!' and similar.

One might wonder what residual evil connected to those who's mother made baby-murder a practiced, turned into Jewish religion and never Confessed and been separated form such horror – let the residual evils connected to all she bore and touches .. so many older women – male-hating vile women supremacists toxic Septic Poison with every Breath they take, destroying and rotting souls in their

families and all whom is under their power, authority (with fatherlessness supported by Satanic gov), influence, vote, vomiting evil endlessly .. and those that do not support those that do and cover for them as they did from before womanhood and as mothers turned against own sons and their fathers supporting Satan.

Anyway – we should have a open wide discussion with facts and rationality of the God Blessed goodness of society if God sent a Real pandemic that killed all [post] menopausal women for a as many generations as womanhood have been vile baby-murdering family destroy delusional-psycho evil horrors – to break the Jew-Satanic fungal-strangulation and murder of their and all our souls and genocide of Western society and Christian [and Virtue] valued based men, families, children, .. society.

—

Some more things to consider, perhaps.

*Saint Fulton Sheen, all Saints of Day – Praise God!*

I came across a strange [audio] book on YouTube, part of a series '[Uplift Universe](https://archive.is/e88OS)' (Archived: <https://archive.is/e88OS> ) and it looks like it even had-has a board game created based on it.

The **Uplift Universe** is a [fictional universe](#) created by American [science fiction](#) writer [David Brin](#). A central feature in this universe is the process of [biological uplift](#).

His books which take place in this universe are:

- [Sundiver](#) (1980)
- [Startide Rising](#) (1983)
- [The Uplift War](#) (1987)
- The [Uplift Storm trilogy](#) (sometimes called the Uplift Trilogy):
  - [Brightness Reef](#) (1995)
  - [Infinity's Shore](#) (1996)
  - [Haven's Reach](#) (1998)

• *Heaven's Reach* (1990)

There is also a short story, "Africanado"<sup>[1]</sup> (originally titled "Life in the Extreme"), published in 1998, which serves as a prequel to the series as a whole (it also serves as a part of *Existence*, an unrelated work by Brin), and a novella, *Temptation*,<sup>[2]</sup> published in 1999 in *Far Horizons*, which follows on from *Heaven's Reach*. He also wrote *Contacting Aliens: An Illustrated Guide to David Brin's Uplift Universe*, a guidebook about the background of the series.

At least one more Uplift book is planned by Brin, as he has stated in 2012 that *Temptation* "will be a core element of the next Uplift novel... and answers several unresolved riddles left over from Heaven's Reach."<sup>[3]</sup>

*GURPS Uplift* is a [sourcebook](#) for a [science fiction themed role-playing game](#) based on the Uplift Universe.<sup>[4]</sup> It includes a few stories that happen in Jijo

The author is [David Brin](#) (Archived: <https://archive.is/jIofd> ) and the first book '[Sundiver](#)' (Archived: <https://archive.is/RXJ9P> ) was strange enough to keep my attention – there was a concept that I found engaging and creative.

*Sundiver* is a 1980 [science fiction](#) novel by American writer [David Brin](#). It is the first book of his first [Uplift](#) trilogy, followed by [Startide Rising](#) in 1983 and [The Uplift War](#) in 1987.

**Background** [\[ edit \]](#)

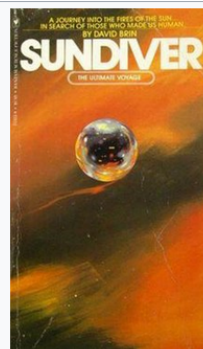

The book takes place in a galaxy filled with alien races, all of whom were "uplifted" into sentience by another race through the use of directed breeding. As "payment" for being made sentient, the uplifted races are subservient to their uplifters for a period of time. All existing races have reached sentience through this process, and follow a common evolution in which the races become free of their uplifters, enter a period of independent power, and then fade and eventually disappear.

The arrival of a human ship at a populated star upsets the established races as humanity reached sentience on their own. This had been believed to be impossible, nothing of the sort is known in the eons-old galactic library. This leads to great arguments among the alien powers. Humanity begins to uplift other species on Earth, including chimpanzees and dolphins, but does not demand subservience.

**Plot summary** [\[ edit \]](#)

The novel begins with the main character, Jacob Demwa, working at the center for uplift on Earth. He is recovering from a tragedy at the [Vanilla Space Needle](#) where he saved the space elevator from destruction

That there existed a galactic society of many many different intelligence and the Standing in 'virtue' of any is the number of client intelligence that they have 'uplifted' into sentience – and the assumption that no sentience occurs naturally, so even humans had hosts that must have abandoned them – but debated and argued that such was untrue.

Normally we humans would be the lowest level of Standing having no 'clients' found on different planets and uplifted - except that in that distance future we had been uplifting dauphins and whales – giving them genetic additions for vocal and manipulations of external hardware, and such things – which gave us Standing even if seemingly resented by many as undeserved for some reason -perhaps because we were unaware of the Standing rules or even of any other sentience races in the Universe – that we naturally did this out of

desire for goodness and 'company' .. of course this 'can not get there from this hell-on-earth Jew-warring genociding Satanic nightmare – but that is what makes such books so good – a kind of what if Christian values were not Poisoned and womanhood not turned into Satanic-minions directed from hell by Jews to Suck all our life-forces and destroy – Eat - our souls.

Unfortunately she still seems to forget divorce by wives and mothers are the overwhelming majority and are the Sickness that results in much of what she complains about men .. but again Prof. Jones makes clear that mothers who hire Witches to torture-to-death our babies become Jews, as Jews' Sacraments of baby-murder, Gay-marriage and sexual deviations, degeneration and debasement of Christians and our societies, and Euthanasia are only a few of the Satanic part of such Talmud-Sickened vicious evil Religion .. genocide, murder, sterilization, and lives filled with constant hell and pain for us and our loved is what those Powerful Jews desire for us 'Cattle' until all dead and burning in Hell for their Master Satan.

But the 70+ years of slow warping and Satanic-Jew destruction of this now GreatSatan of Jew-Goals nearly suddenly over one or two generations adding baby-murdering, Gay-marriage, and now pushing Euthanasia has caused a back-lash, of course with the mass immigration to destroy the indigenous people for who once the wisted vile retarded Satanic-following women with votes start to wake, might result in some push-back until women are given more Satanic rewards to sell their and all our souls as done with baby-murder,

divorce and theft of husbands life savings and children to torture for their Sickness and female-evil ways that must be Nature to womanhood – vileness deep and Sick., ..

Tighten-up those VagFeelie-belts – this one has a very good beginning topic – especially for those of us that grew-up and loved original StarTrek. Written and produced by non-Jews – Wasps and others side with Jews in destroying Western Society increasing diversity and Amplifying the evil Goals.

A very interesting beginning as he quickly and over a short time deconstructs the Nazi [original] StarTrek version from the 1960's as more Jewish propaganda, how the Nazi 'suddenly' and because of hate decided to reject the usury-enslaving OWG sexually mutilating pornographic spreading undermining rotting vileness of the powerful Jews that are connected to the ones that genocided so many Christian white men in WWI, Holodomor, and soon to start WWII .. and all those that supporting ..

.. 'just suddenly for no reason at all!'

And he goes on to a greater length about Shatner's movie to destroy Order, Merit, and attack segregation, tight Black communities with

Black business owners and employers, low crime, almost not out-of-wedlock children, etc. and sense where Merit does not matter, etc.

The man on the left is wearing a dark blue uniform with a peaked cap, while the man on the right is in a tan uniform. A large, bold, white text overlay reads "INSOMNIA STREAM" on the top line and "CAPTAIN KUCK EDITION" on the bottom line. In the top right corner of the video frame, there is a logo consisting of a pill icon with the words "BLACK" and "PILLED" written vertically on either side. More help from Plutarch to know friend from foe and in-between, whom to trust of the men near.

No women can be trusted of course, siding like our Sick vile mothers and others with Satan and woman supremacy in male-hate – mind-raping us into evil-Blindness to be victimized by any and all women especially them – all women since voting and baby-murdering became normal – insane F-ing evil horrors .. with many be 3 of 100 or 1000 with human virtue standards – as defined by the virtue standards older men were raised by – anyone else better dead definitely if they have power – perhaps – untrustworthy lying vile back-stabbing walking hate-filled delusional-psycho dangers to us and all we love, as most women are and all women with power become.

Older women all dead for a few generations is arguably something to discuss openly as would be best for all the rest and our Futures and families, and out of Love to suggest the Repent and research to find their once living souls from the rotting festering evil murdering hate-laced insane Sick souls (Thanks mom!) ..

.. so what men [that had fully functional fathers – because mother gone-dead and unable to destroy and separate fathers and children using the Satanic-Jew lawfare evil State] .. so what such men are trustworthy, if any left?, ..

As news of the Mar-a-Lago raid unfolded on the morning of Aug. 8, 2022, it unsurprisingly drew fierce reaction from Trump, his biggest backers, and many Republican members of Congress. But a cache of documents I recently obtained from the FBI shows just how much the historic event roiled some of the bureau's rank and file, forcing FBI Director Christopher Wray to engage in damage control

"Did this really just happen? Am I dreaming? The FBI served a Search Warrant on a former president?" wrote an incredulous bureau employee in an email that was sent to the FBI's acting ombudsman, Chauncenette Morey, shortly after the Mar-a-Lago search. "If he took documents, give him a call and ask for them back. Like ... Seriously? My own agency .... A bunch of democrat political hacks up top...I've lost just about all faith in our leadership."

I'm sure that most Gab users are also firearms owners.

But just in case you don't have a firearm yet, please, get one immediately.

Get a quality, \*reliable\* firearm. Buy a decent amount of ammunition for it. Go to the range and practice with it (get to know and understand your firearms). Take training classes if you can afford them.

Again, do not wait any longer. Get this done NOW.

## Gun Ban for Illegal Immigrants Ruled Unconstitutional

The right to keep and bear arms is a natural right, meaning all free men and women have that right, regardless of where they are on the planet. It's part of why so many of us find other nations' gun laws so insulting. It's a repression of people's right to have

weapons to defend themselves and their nation.

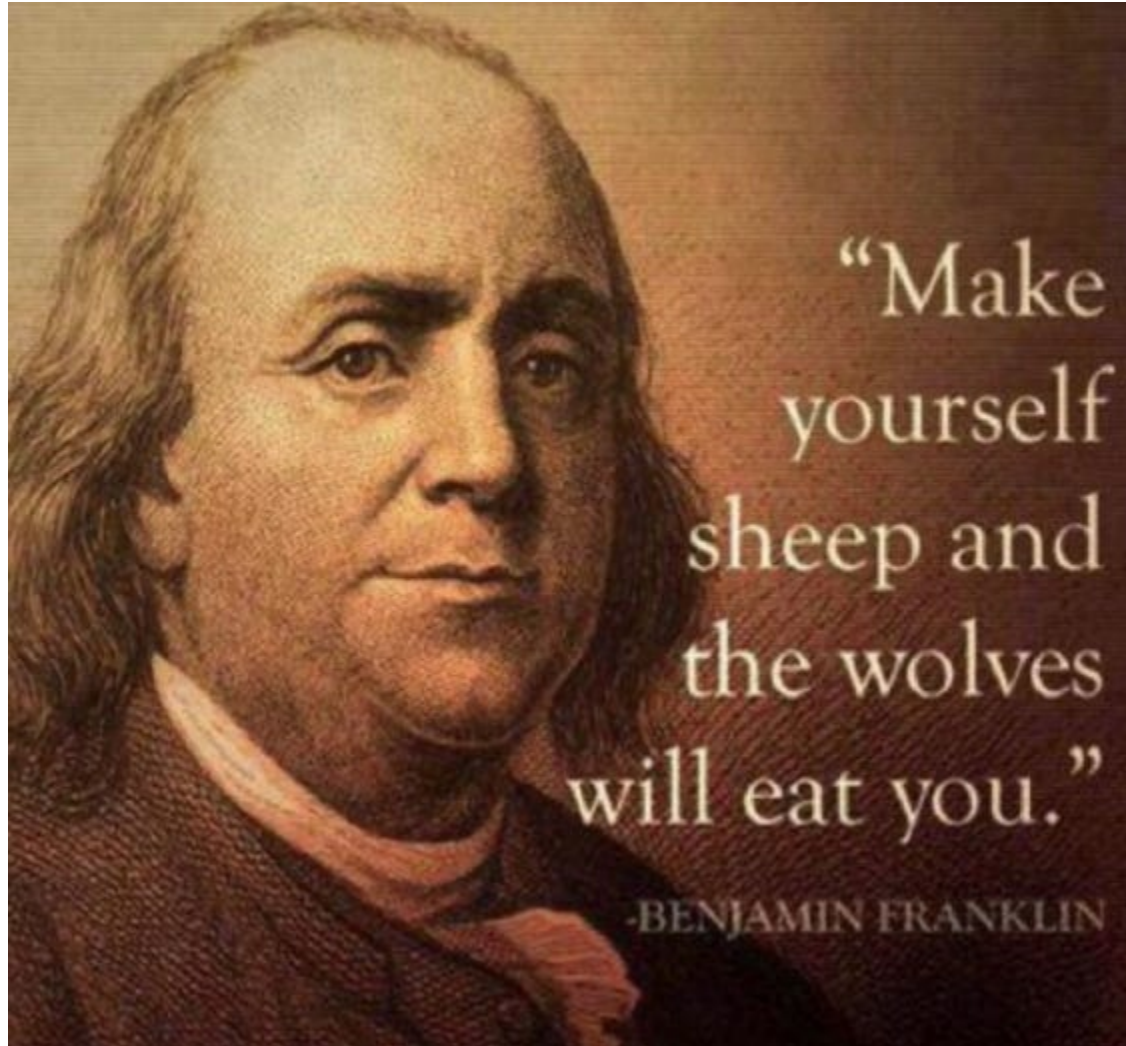

Voter ID laws by state, as of April 2022:

- Photo ID required (strict)
- Photo ID requested (non-strict)

The U.S. government knew the shots were a bio-weapon. Then it allowed the shots to be called a vaccine. Then it mandated that its own citizens get injected with the bio-weapon. Then it censored anyone who told you the truth
