Good Monday Morning,  
May the Spirit of the Gospel and the Holy Word be Always on our  
Tongues, in our Hearts, Minds, and in our Hands.  
Holy Virgin Mary and All Saints - Pray for us!

Index Number 2085:

Another good morning of focused prayers and meditation .. I  
Reflected on some feedback I got yesterday both at Mass, and after  
Catholic Theology Class I treated my friend to a good lunch at 5-Guys  
– a really good lunch place and was very busy, I spotted a number of  
people I never met but seemed to know me, and my work.

It is not unusual for me to feel there is a much Bigger me who seems  
to purposely minimize myself to struggle with really basic Human sin  
and temptations and weakness and related.

May this be a Blessing to you and us all. [And all our Futures, and  
future Multiverse Pasts.]

Sunday evening has a number of regular shows which I have trouble  
watching because so much materiel, most always decent and I have  
included the videos – with very little comments because I have  
basically only sampled or watched the very beginning.

Yesterday I watched a video by a suppose-ably famous lying Satanic  
Jew False Accusing 'us all' of wide-spread targeting of common Jews  
for violence in relation to the Satanic Zionist Genocide in israel.

Of course this is a lie because a single example of such would be  
pushed and yelled-about throughout the West if it occurred or had  
occurred.

A reasonable response for such false-witnessers is their public death  
and the killing of all the older women in their families – slimy vile  
Witches, and whatever the accusation numbers being claiming as  
abused or attacked – then that many random Jews picked and killed,  
and this continues up-to the 5.7 Millions of never lived undead Jews  
'killed' in Europe that has been used to abuse us and destroy West.

Many of us would as soon watch such lying vile false-witnessers  
burned to death in public at this point – before another baby is  
murdered or another Lie directed at us is told, and perhaps this needs  
to be discussed more openly across the world, as a Loving Correction  
where such people understand their screaming torturous deaths is a  
good start to Thank such lying slimy horrors that have been  
genociding and abusing us.

The fake israel 'proofs' as well as all the lies where they murdered own  
people, and more details, ..

When they got into israel Genocide and Zionist murdering horrors  
both these people are lying Satanic Puppets – of course because  
Satan amplifies them so they are functional evil and active evil, and  
gone would be best for world – them and all families' older women, ..

More on our Talmud-Sickened Golden-Calf Satanic Witch LawFare  
Western Genocidal court system, reminding us that every Western  
and world-wide family who is doing very very well, generations of  
never worrying about paying rent are working directly for Satan and  
Her Witches – it can be argued that all older adults publicly killed,

### Roundtable with Quantum Nurse

...interesting to consider that Ireland is so far out of the Corbin. In places where people will be used to something before being handed upon the world. This roundtable has a comprehensive list of people: Ray Coughlin is Irish but lives in Poland. Karl... there are more in Ireland and possibly from the United States.

Glenn Sanger, 'Quantum Nurse', formerly of the Philippines, is currently based in New Jersey, USA. If you are not a US resident but would like to request an invite or participate with a small donation, please email us at the top of this page.

**Abstract:** I think there are perhaps a lot of deeper reasons, for why Ireland became so central in this period. There are always that degree of... connections in the last personally being tied to the colonial period, although people don't like that. There are also people who... find themselves near a colony of England, which is someone. Of course, normally, so we weren't - they didn't see part of their rights... We were colonial Ireland's self-made nation. Historically, and I can make sure to bring it. In the past, Ireland was mostly... which is a bit of confusion and perhaps - self-made and existing, and all of these things.

There is also a sense in Ireland from the strength of Irish, and I don't think of it as the dominant nation? It's a terrible... sense of that. I don't see it as a colony so we have the right to history in people's opinion? What do people think we are? We're... things right. We're trying to see the history and make sense of the world, and we have. And the more you see, and all of the people... seem to do in your systems about us? They were from work, and I believe in such about the world, and all of this kind of... evidence. It's not a hard one to look at, but it's not a hard one to look at, but it's not a hard one to look at, but it's not a hard one to look at.

It's such a beautiful landscape, and the people are so friendly and warm.
