Good Friday Morning,  
May the Spirit of the Gospel and the Holy Word be Always in our  
Minds, on our Tongues, and in our Hearts.  
Holy Virgin Mary and All Saints - Pray for us!

[Added later:

I discovered where that 'comment wrapper'I discuss below should  
have gone - I forgot to add a Studio-B video that she made with more  
history of how the evil-Feminists have warped history, I will include it  
tomorrow, but you can get a peek if you go to that directory at my  
DropBox: <https://www.dropbox.com/.../Indexed.../Index%20Number%201588> ]

This morning's prayers and meditations were productive and I am left  
with the fading remains of all the aspects I could and would share,  
along with the Meta-and-micro connections and the patterns which  
must extend up-and-down and repeated in variations in all other  
directions, but where to start?

I did have a strange impression that I should include my old video of  
me playing with my cat using the radio-controlled toy truck that I  
kept for my son when he visited – which the State and his mother put  
a stop too, or should I say that on reasonable reflection I though the  
probable death of a number of people including myself – or extended  
jail time – was going to be the likely result of confronting the evil-  
State that she was using to punish me for trying to love her and him,  
the State - an Evil-Bear that was dragging my son away to torture and  
torment and destroy him while I was forced to watch – a constant  
horror show as he was forced and conditioned to hate and despise  
me – the Father and pattern of Manhood which was in my reality  
forced to grovel and crawl on belly to see him and try to love and  
share some life with him .. of course he would come to be disgusted  
and by extension his on sex with no other men in his life not doing  
the same to whatever degree they being forced too in this howling  
vile Level of Hell.

The alternative is the likely death of some or if I was really engaged –  
many many many and you (do you think it would be pure fools that  
would be unwilling to See what might have been with any motivate  
father, let the horrors you might consider only be limited by your  
intelligence and God's Mercy .. World Wide nuke Death be not your  
Limits!)

.. but of whom would suffer & die. Would it be any or all the older  
women and Witches of the 15 or so inter-related and connected  
families that rule this Hell? Would they be somehow delivered to me -  
tied to poles and in public after a speak of the wages of sin and  
harming fatherhood and families, spreading sin and death and  
damnation .. I would machete them to death?

.. I doubt that could be managed.

No. It would be some poor bastards like me – fathers likely just  
making ends-meet doing what would and should have been a Service  
to God, Nation, Self & Neighbors and perhaps more (depending on  
their engagement with the Sacred) should have been but because of  
the Sicken State of our Elites and their Masters – even the judges in  
similar situation as the enforces unless they Witches or direct family  
of them - each in the back of their minds thinking that if they stop  
doing this sometimes clearly evil but secularly required that the  
women they devoted their life, sweat, tears, extra hours away working,  
.. she would stab him in the back and take the children and Rape to  
death – perhaps – everyone using the very Tool-of-Evil that he was a  
begrudging part of ..

.. because after all he was not one of those who enjoyed such – like  
he knows of – the ones who get the powerless homeless men like this  
poor sap (meaning me) will surely end as unless he bend over, being  
Satanically Raped with some Strap-on by every cnt-Witch connected  
to the Gov and related (Medical, counseling,..) while watching his son  
tortured and twisted and made to spit and curse him for being born  
and the wife more and more twisted like the poor sad women who kill  
their babies and face a life of denial and twisted grief and pain – and  
she will always has his son which she will – almost must – punish in  
small and large ways for her and the father of his mistakes – likely  
never realizing that while she was doing what she thought was good  
and right all along was evil-Programmed into her (and him, and us all)  
from the crib and designed to end in horror, sins, deaths, torment,  
suffering, .. the Witch-Spells Spoken and Shouted everyday and lived  
out from every Major Institution and Social situation now so Female-  
Evil Poisoned that little less then God's Direct Hand in something like  
a Real pandemic kill most women at and post menopause for at least  
100 years to remove the Soul-Sicked and Soul-Sicking Evil they Breathe  
on themselves and everything they touch or even think about – the  
Vagina-god Satan deep within filling their twisted VagFeelies full of  
lies and future cause of evil and horror in each Demon-Mother's  
whisper within.

So, instead I will suggest that you can make the best of the pieces you  
have – that your children have effective Died, as they would only ever  
suffer the Understanding when you are long gone – as I do with my  
father(s) – and the Burden if you allow (of regrets and what could-  
have-beens.)

And perhaps worry that all those who are responsible for removing  
fathers and replacing with Vagina-god Satan to raise and protect  
them will be Judge and Suffer the Burning of all the different Sins and  
Multiverses of Horrors their evil has and will and Always Is – Hosting  
many many many versions of those children included repeated day  
where he dies on the side of some country road in agony calling to  
'God' as a hazy rational idea rarely contemplated and mostly poo-  
pooed - and for his father. The hazy memory of his Joys as a child  
with his love suddenly fresh in his mind, along with the guilt he never  
tried to communicate with him – even after he became an adult and  
the State could not regulate such.

What would he remember – that those many many would be forced  
to repeatable suffer with his mental, spiritual, and physical Agony on  
that side of road?

Perhaps things like ..

.. and you might think unmercifully that such clearly Satanically hyper-empowered people who would destroy so many lives and society should suffer such bitter-sweet deep absences and understanding of those sins they caused – the God's Will Rending and Warping that fills all our lives, that why should Jesus along Suffer with him such, that should not all those in power in the world that played a significant roll in such common horror and sins all Burn in the Infinite Hells the played an active or even passive supportive roll, feeling all those children's pains as they silently scream being ripped apart – sensing their mother and her active participation – from what must be saved for the pit of hell the Betrayal of a loved being, .. but if so then that Pit must be packed with mostly women.

.. No, such would be unMerciful and very foolish.

'.. Let he who is sinless cast the first stone ..'

Even an outline of the Model of the Holy should inform anyone the Fear & Awe of God is the path to Wisdom and that the Scriptures should be followed and our children taught to follow them regardless that we can not understand even a fraction of Why .. we like little children instructed and sometime correct to stay away from the road .. when we look it is always clear of cars, and each car is driven by someone who would surely stop and not hit them .. if they could think even that .. a place to chase a ball or the dog through?

Instead we should always move towards Better [Holy] Forgiveness of others - Saint Maria Goretti, Pray for Us!

So I present that video as an example of how to not kill and self-destruct, that the evil-State and those in real control are not a simple and relative RELATIVELY harmless wild hungry bear dragging away your child to eat, that most any father would likely attack bare-handed and be safer .. that killing even hundreds of fathers and potential fathers, and-or bombing and killing those in court systems around the West, .. and such - it would Always Serve the evil-Zionist Witches, and even if you managed to kill them – Satan would be Served and you Damned to Suffer – except by the Grace and Mercy of God - all those Multiverses of fatherless (and motherless) children, lovers and spouses gone and the emptiness and regrets, along with the physical pains – those are little over Eternity compared to the emotional and spiritual Suffering that Endures .. those will still Ache in your soul long after you are used to having every nerve in and on our body on fire, deep bones, organs, skin, eyes .. eyes seeing horrors that seem to never end, .. if it were only the physical Burning you could feel Blessed to Serve so simply and little.

Okay, about the cat video – something the Witches at YouTube would now likely want to make up a reason to ban as well as Shadow-Ban – and a good example of how to adapt to the over-arching Horror of a #CntHell ruled by evil-Zionist anti-Logos Vagina-god Satan Worshiping Witch-Matriarchy ruling families who have placed evil-Programming into you and everyone you love or could have loved and everyone else – most bent on crushing your testicles and laughing at your pain (#NotAll!) ..

Some information you are not likely to see from the evil-Zionist Agent filled and controlled media or big-tech or gov mentioned.

This man is honored by many evil-Zionist Witches because he helped do exactly what they want, and now one of many given Billions of our tax dollars to expand such horrors. Part of the 14,000 mostly civilians murdered, tortured, and killed in Eastern Ukraine between the 2014 NATO-CIA-DeepState Soros Zionist funded & pushed Color Revolution overthrowing the democratically elected Ukrainian Gov .. until Russia moved to stop it.

(Real Vermont Rhinoceros Cheese, and a house for Big animal Vet learning .. I suppose a few elephants to take riders and hunter silently through the marshes and use as tracker-like as they do in India – drag logs for fire-wood and such, and a few cows would be needed then .. for the Vets to learn on, and I suppose once you have all that then a dog, .. then a wife, and house full of children would be needed .. perhaps one of the Vets might be interested .. perhaps – but I think I will be too medically-Wasted or dead by then. (Cancer likely. Something with a clear end-point not far away – whatever it is, Praise God!) I could Fund a book or too and many endow towards that end – though. I would like to help big mama raise some baby rhinos – who would not?!), ..

For example. (Continued from comment in last video.)

.

Someone would have to teach them to be ridden (and for Jousting) and make easier & trusting for milking - for the Real Vermont Rhinoceros Cheese - and for handling next generation of their babies, ..
