Good Friday Afternoon,

May the Spirit of the Gospel and the Holy Word be Always in our Minds, on our Lips, and in our Hearts.

YouTube is not allowing these to become comments under the relevant videos - again – Censoring and not only preventing others from seeing this, but the actual Content Creator, so preventing them from being further Informed, to the extent that such would, or to receive feedback, etc.

.

That includes you also, of course.

.

.

The evil-Zionist Witches are very much like our now typical Fatherless raised and Witch-Matriarchy directed mothers and other women in families in destroying the souls of their children through lies, and manipulations of information – one can assume for the immediate hedonistic reasons to start, and with such absolute control – having destroyed fatherhood by removing him, or through evil secrete Witch-Matriarchy coordination – voted for laws such a [#NoFaultDivorce](#) and the Federal Laws which effective pay the State to destroy families and give the children to the mother (States collect more money), and allowing – in-fact pushing for – vile twisted [#MaleHating](#) vicious child-Abusing female teachers and Administrations that push-out men professionals through their inHuman life-destroying F-ing evil lies and slimy coordination, as I have clearly written about in the past, here.

.

The desire to be allowed to spread their murdering lying virtueless (to the extent to be considered evil, Satanic Prostitution) and then use our tax-dollars and other public resources to pay Witches to torture our babies to death, resulting in the Adult Male equivalence of kidnapping, rape, torture, and murder of another person.

post these in comment under relevant videos (since removed from them) ..

.. I mentioned that I was looking forward to Prof. Sadler's (possible) coverage of - the following – essay, as it was covered in my Medical Ethics course at UVM when a young man, and that my perspective changed and was planning to respond.

Perhaps – unfortunately – like many of my Posts – I had some other 'hot button' aspects included, and in Quoting older posts they often do not include the very clear standard exception and other ways which I 'soften' them, as many readers not only are VagFeelie slimy cnts, but reject the idea that points of view they do not like should be mentioned – and again this falls into the now generally putrid vile slimy modern Western Womanhood ..

.. who are functionally-evil from 3+generations of fatherlessness and Witch-Twisted University indoctrinated to the standard [#MaleHate](#) and society destroying influences to the God-Hating Satanic evil-Zionist Witch family international rulers, which – as mentioned – made most women with power over others Forces of Evil in the world, as well as all those younger man - and their children being twisted and abused by their grasping lying vileness.

Of course allowing free expression of points of view that differ with the howling-evil cnts – while they direct children and the other adult children, Witches, and the VagFeelie slimy cnts which is filling the Western Society – letting them (you?) hear something Satan does not want you to know or think about is to be prevented, and so ..

.. Censoring-AIs and automatic Blocking and Shadow-Banning are now used, Lists of 'Wrong Thinkers' are coordinated and passed around and have been used in denying – now openly - other services, with our Federal Administration working with the evil-Owned and controlled Corporations which are integrated deeply into the State so that the actual definition of Fascism exists, throughout the West.

Since there has been no communication as to the true reason I am being Censored of YouTube comments – another tactic in their evil – I will assume it is because they refuse to allow any argument against the Satanic Scarifies of our babies, and women [parents] souls, as well as all involved and supporting, as well as all the Sins that continue because of the Sin of preventing communication and Warning of

.

.

I think it is clear since the continuing destruction of Western womanhood and society since widespread birth-control, and Abortion, the putridness and vileness that has taken the souls of most women and now their Adult Children from those generations of Witches and grasping lying baby-murdering women, ..

.

.. the very twisting that occurs to young girls and boys when the option of 'kidnapping, raping, torturing, and murdering' for women as Legal makes these following essays useful in an academic sense, but irrelevant as those 'With Eyes to See' and some length of time watching the destruction of our society – or able to see from other historical data – that the humanity and souls of womanhood is dying.

.

I think I can argue well that these last few generations is the only time in recorded history that the death of All older women [post menopause] would be a net Benefit to the world, and that trend is Growing and becoming more clear.

.

A 'Thought-Experiment' to consider ..

Even if you are too evil-Blind or traumatized to agree – consider that *IF that were true*, would that be Significant?, and what factors would have been the cause, if not the 2 I mentioned?

A decent short overview of the – following audio reading – of Judith Thompson's "A Defense of Abortion", I will comment after the audio reading link, ..

Julinna is correct in her short mention toward end that the Analogy is absolutely not sufficient parity, the clearest adjustment is that in the 'violin player' is that the women Agrees to, is 'paid' too, play the roll

only for her and both knowing it [could] would lead to the point at which she would be required to host him, and she agreed.

.

This is along the idea – radical these days – is that women should keep their murdering lying grasping power-seeking Lusting .. legs closed - or carry the baby.

.

This being such a strange – or pretend-so Offensive idea – is an indication of humanity and soul-death of our society, and this leads daily to women destroying our – and their – lives, taking our children, lying in parental fraud, destroying others lives in so many ways because .. when she can.

.

They have been raised conformable with the 'right' of Kidnapping, rape, torture, and murder babies, why not you and me – in ways that are legal also?

.

.

Women have always been .. Alien .. by male Virtue Standards in the West, but now many of you are inHuman!, actively vile and evil – destructive to all you come in contact with, and getting worse every fatherhood destroyed, [#MaleHating](#) generation you have power.

.

Raising our children to be evil-Blind to the Satanic Horror many of you are, and getting worse.

.

.

What do you think?

.

Do you Support legal Abortion?

.. If so, what about allowing any adult [men] the same 'right' to Kidnapping, rape, torture, and murder others?

.

.

So, why not ask .. who but Satan [Minions, evil-Tools, aMoral horrors, evil-Blinded and retarded from crib, ..] would coordinate and actively prevent this and related from being seen by you and others?

.

Could they want you Burning in Hell, after a life of this and other Sins, suffering, destroying lives of others and yourself – including those you might have Loved?
