This morning prayers and meditations were similarly simplified again this morning. I seem to sleep well and was very awake, but still not seeming to engage deeply with the Infinite Quantum Mind, and instead desiring to go back to bed for an hour or two more.

Perhaps it is more related to my caffeine free 3 days, and unable to focus .. my old AADD coming through? Something that one of two strong Black Teas and-or a coffee used to reduce and allow Focus, even though I would suggest that engaging with the Infinite Quantum Mind was more like listening to 100+ voices (150?

[https://en.wikipedia.org/wiki/Dunbar%27s\\_number](https://en.wikipedia.org/wiki/Dunbar%27s_number)

Archived: <https://archive.ph/7vBFx>

The screenshot shows the Wikipedia article for 'Dunbar's number'. The main text explains that Dunbar's number is a suggested cognitive limit to the number of people with whom one can maintain stable social relationships. It is named after the British anthropologist Robin Dunbar, who proposed it in the 1990s based on a correlation between primate brain size and average social group size. The article states that humans can comfortably maintain 150 stable relationships. It also mentions that the number is a direct function of relative neocortex size and that it includes past colleagues and friends. A research background section notes that primatologists have noted that primates must maintain personal contact with other members of their social group, usually through social grooming. It also mentions that Dunbar used the correlation observed for non-human primates to predict a social group size for humans, which he predicted to be 148 (casually rounded to 150). A diagram on the right shows a series of overlapping circles representing different social group sizes: 5, 15, 35, 150, 500, and 1500, with 150 highlighted as 'Dunbar's Number'.

.. where the Best seems to rise from the Ferment as if surfacing out of a still lake or ocean.

And once again we can see the 'Less can be more' aspect. Something missing that causes introspection and a better definition or characterization than existed before .. and [correct] Naming is the beginning of Wisdom.

—

I included another Father Chad Ripperger homily involving Demons, and wonder if my readers can understand how something like the YouTube or Facebook AI s are Programming our minds with the abuse and horror that leaves room for and strengthens the Demons, as they are extensions or manifestations of them. They all require that we internally try to understand what 'They' consider good-bad and the neurotic aspect always requiring to choose caution on the side of their evils – silencing objection to the Vagina-god Satan's goals, so soon you are 'running internally' something much like that Demon. ..

.. our moms, women [their fatherless adult children], and society does this with the Rule: never criticize women or minorities', Jews, Islam, .. so that because everyone has been Programmed from crib to disregard Human Dignity and Assumption of Speaking Truth and instead assume evil and Badness – doublely so if [white] [ Christian] man.

My Facebook Suspension [again] based on something I would never consider a problem unless I was actively brain-F-ed enough to go around to self worried every sentence if the AI Demon at Facebook would be okay

with this. It was an Image containing the verbiage within an article that linking too should not have caused a problem – unless it was being secretly flagged (for which I consider a possibility, raising the 'trigger' on meme ambiguity, because their Female-Evil slimy ways – such as never finishing and 'locking-up' when text of post contain a link to some of the sites I sometime link too, and no warning why so .. so if someone is evil enough to link to those then best waste as much of there time by not telling them and forcing them to struggle and perhaps give-up and never write about such evil again .. thinking.

It is simple to make that connection because I have heard women talking like that about others – a kind of putrid vileness that is disrespectful to all involved, especially themselves as it suddenly makes clear to those interested at some level of Truth, Justice, Order that they should be far away from power of Gone. And I would argue that is true for there own good – I would not object except in general terms about the system of power and interaction where no other solution is practical or safe then killing such 'privileged people' .. because otherwise if you object your like can be so easily destroyed because deep in the soul of most modern Western women is such vileness and putrid evil that is linked to the evil 'males Bad women and children all innocent' twistedness that comes up and causes mobs of vile twisted retarded vicious cnts to form whenever some 'bad man' is 'detected' and it has been Weaponized by Satanic Golden Calf worshipers' corpDragons (and all under their control; Gov, Institutions, ..) into this Cancel Culture

So – the punishment for forgetting about some twisted policy that is never clearly outlined and might be triggered in an image is 30 days of Silencing?!

I think the public death of all the powerful involved in such (As Witches) is a reasonable thing to think about, and then debatable if all - or only most - of the older women in their families – all except those that have Repented from the Satanic Evils and removed themselves from such a festering Vomit-Souled evil family.

God Demands Love and not Death, and unless your are a common F-ing cnt retard – you should know that speaking about such is a Loving Act, a minimal Correction – exactly what has been removed along with even more direct ways such as slapping vile cnt women .. to the point where Death is reasonable because such have power to destroy us and our families, and are actively destroying our societies.

.. and F-you if you refuse the so many practical solutions I have suggested - and pretend I am coming out of left field – you are exactly the kind of person that teeth being kicked out would likely be needed to break that Demonic Oppression and possible Possession, you F-ing horror.

Those it reasonable in today's Satanic standards that it can be argued should be publicly killed are those who clearly Understand the evil tools they are using – and it's mind-F-ing effects to us. And perhaps their public deaths – especially if including those mothers' and aunts that shaped them into such howling vie Satanic horrors, and clearly being such themselves – the real

Evil Source.

.. those are unlike the life-time warped Elites that Greenwald outline in [his video below](#) related to the article that can not understand how someone could support Bernie Sanders and Donald Trump, or Trump and Obama when they Promised to remove such evils as stopping the censoring Speech by Gov & Big-Tech, or in support of Living Wages and improved gov active support of families, ...

And a good decent government would have long ago – at least demanded the repayment of all the public resources such a corpDragon used and uses – down to the cost of public schooling for employees and similar.

.. and no Immunity to owners and those powerful families that are causing and supporting the Satanic Witchery.

—

**Not existing** .. is the greatest Lie Satan ever got our Sick mothers to inject into us, and the second is that in this reality that **Satan is 'male'** when She clearly is so much like the walking Septic-Poisoning Vomit-Spewing powerful [older] women we all must Suffer today.

Yesterday I ran into the demonic-Programming face-slapping (30 days of it) because I did not fully integrate their howling-evil goal into my internal mental warning system along with do not try to grab a rattle snake or Correct a putrid male-hating vicious woman - so that I forgot to check all my Post against the screeching Crack-Head granny-in-law that sits around Facebook and the want in each mind – sitting around about to scream and attack and piss all over and cut out our

tongue and kick our testicles whenever something is seen or hear that they do not like.

.. I would rather have every powerful post menopause women Gone, grave or where ever then subject anyone to such hideous evil – Brain-Raping soul-Mutilating F-ing horrors like most of our mothers are, and far too many older women we forced to engage with or hidden behind their screens and pushing minions.

**God Demands Love and not Death** – and it is Loving to say that every time such insanity is shoved in my face I come a little closer to Asking God to remove your Cursed Breathing from us all – you F-ing horrors.

And frankly – since you slimy cnts are fine sending us and our children to Hell; endless wars and rob our taxes and take our children and murder our babies and scream Hate at us from crib and .. – unless and until you Repent and push other Witches into Change - the quicker you Gone the better the rest of us will be – and a Future without your Septic Vomiting evil build on your piles of corpses would seen fine to most everyone subject to your increasing worse horrors for generations.
