from the jab recipients. They didn't just die, they bled out of every hole in their bodies, including their pores. By denying everything and continuing to sell the shot outside Germany - where the problem had initially arisen - Bourla apparently distinguished himself as the man you want when you need to kill a lot of kids and get away with it. He also proved himself back in his veterinary days as a pioneer in expanding the definition of "vaccine" to include chemical castration, devising a shot for boars called ImproVac that he claimed was 99% as good as physically hacking their balls off (it's unclear how he arrived at that figure, but then, it's unclear what hole Pfizer pulled its effectiveness numbers out of either). Still think the Covid-19 shots' [disastrous effects](#) on human fertility are a coincidence? Don't tell Bourla - he understands why people fear his company's products, but wants speaking up about the harm they cause to be [criminalized](#). The US military was sending a very [powerful message](#) when it selected Pfizer and Bourla to be the standard-bearers of its mRNA bioweapon campaign. It is unfortunate for humanity that so few were listening.

These people do not expect to be punished, but if humanity is to continue as something other than a slave species, they must be, and immediately. It's hard to think of any crimes that haven't been committed in the course of the planning, setup, and perpetration of this power-grab - fraud, corruption, murder, genocide, and the coercive pharmaceutical rape that will become

Atrocities Aren't Accidents

Three years on, we have enough information on the architects of the pandemic to send them to prison or worse. So why are they still getting away with murder?

Helen of desTroy
Jan 5 40 10

The information barrier separating establishment media consumers from pandemic heretics who do their own research is unmistakably crumbling. Every day, more doctors and more scientific papers are admitting that the mRNA gene therapy injections they once championed so fervently not only don't protect the user from catching Covid-19 but may [actually destroy](#) their immune system, [stop their hearts](#), or cause sudden death. Statisticians have incontrovertible proof of [excess deaths](#) in previously-healthy young people far outstripping any rise in mortality during the supposed height of the pandemic - or any other time in recent history, for that matter. The utterly avoidable carnage is such that even if we didn't have an extensive psychological profile of the culprits, there would be no doubt it was premeditated and deliberate. And since there are so many could-be-credible reasons behind the moral cover-up of

.. An I was considering the 'justification' the the corpDragon Facebook uses – the initial note which no longer comes up when looking at the notification – because hiding such excuses is their policy it seems – was because they wanted to be sure that it was a 'safe' space kind of Bull-Crap and 'the community' would not like it or such, protecting all '.. think of the Children!'

And part of this excuses Force is because they push – or pretend they might – out my post to others. I do not know to what extent this happens – besides perhaps those subscribed to my account through Friends and do not have such blocked – which is not uncommon, I had to block a HS friend as the amount of material and pictures were constant years ago and each brought up an notice .. a distraction which I was doing my publishing and such.

I have no desire to have Facebook to PUSH my posts beyond anyone not actively subscribed – if even them – only that the URL access and those who visit me directly – timeline and-or Searches are available.

I was thinking how this Facebook 'Feature' of threatening to Vomit my posts to total strangers – some might be children – give them a more legitimate excuse, and at one point I did search and tried to turn off such feature if I could find it – I do not recall if I did – but even if I did that would not matter – for the Golden Calf Satanist Brain-Raping Witches it is only an excuse .. like pushing sexual mutilation on our children because some 'Professional' Witch child-development cnt or group who would not have employment or favored by the Satanic Horrors in Power point to some tiny number of suicides and pretend there is some cause-effect .. which ignoring so much else that goes against that position – including plain Sanity.

A short Tangent;

These Satanic pushed and not destroyed Professionals – like those who never mention the Nightmare or Fatherlessness and the State Policies, and Warping of womanhood, the No-Fault-Divorce, and more when it comes too ' .. Think about the Children' – especially in all fields connected to such, that it should be clear – I hope – that in most industries and profession – that actual practitioners who do

not push the Satanic Evil are rarely left able to work in the field, to receive research, and likely are on gov DeepState – courts and enforcement not the least - and corpDragon lists for Abuse.

More and more it seems pretty clear that if you are doing well in a profession – it is a rare exception that you are not either brain-warped indoctrinated, or actively evil given that Satan is clearly in charge of all the powerful Institutions throughout West, and even the threat such as loss of Banking is not commonly practiced, not only lose of employment, funding, motivation for those who have Authority over you, and the vile cnt co-workers and peers to be subject to threats and punitive aspects – when other actually will be rewarded – like those cnt co-workers that turn every workplace into a Toxic Nightmare of vomit and hate .. for promotions, job retention, dollars, and-or the pleasure of watching your suffer and die – along with all who are connected to you.

And it is likely that such statements of facts and information that shows this will soon be on Facebook's- and other evil corpDragons, Institutions, gov, .. - list of things to suppress while they are brain-Raping us and profiting of the life-and-generational suffering and death they are supporting and pushing .. often ..' .. *for the [infant-minded hyper-empowered crippled-souled baby-murdering] women and the Children!* Excuse.

The question should always be about Censorship by Female-Evil Witches is what is it they really are Censoring .. what else is in that Post that is the real reason?

After a quick review I decided it was **not** because of this; ..

A good perspective on Vatican II's Doctrinal changes – or lack of them.

Of course the Church can go back to older forms – especially the forms of Mass.

Once Pope Francis The Destroyer and perhaps similar Female-Evil Tools of Satan have passed and those Agents in the Leadership are removed – and if this period of Horror, Satanic Control, soul-murdering, Body Of Christ injuring and does not Spawn the End Times - then we will be able to Resurrect the such.

But like how the Witches have crippled and murdering our Western Society and all the Institutions such rely on by first Meritless-Filling positions that Arrests advancement, crippling, damaging and destroying those others who rely and use - and then following with active and Satanic Leadership and key positions to direct active Satanic Evil and Destruction – unlike all other Institutions which are Secular, the Church is Eternal and Her Beauty will never be permanently harmed., ..

D4CE 5th Symposium: The Psychology of Covid-19 Atrocities

I stopped watching after a few minutes when it became clear this Golden Calf Satanist's pushed content creator is Favored by those Golden Calf Venture Capitalist satanists owned and directed corpDragon – as discussed in relation to [Glenn Greenwald's video](#) and my comment in '[Multiverse Journal - Index Number 1778: January 18th, 2023, Wednesday Afternoon](#)', click [Substack](#) version or see Postscript for full URLs, ..

.. such as Satanic Witch controlled and owned YouTube because they repeat the same Vomit and Lies that is Western Destroying and ignorant unJust resent-creating division against us and people who are unable because of intentional retardation and mental crippling too use Rationality to realize their Howling-Evil and Just-Proof that most or all the older women in those powerful's family are Witches and Hate us and want us all Burning in Hell.

Here I have included such to compare with the recently [posted video](#) "[Abraham Lincoln: American Dictator](#)" by [The Rageaholic](#) related the the Satanic Tool Lincoln's well research history showing the clear lies this guest, Lex, and his Satanic Promoters want you to believe.
