The removal of comments by the host Big-Tech Witches .. it is good he brings such up, and likely it is an issue because many more of Catholics are one such Golden Calf Satanist's Hate-List, Suppression List .. as I am on Twitter when the pretend that my input is not automatically suppressed and labeled 'Bad' put into the group and behind some kind of 'wall' where users must be warned and approve the display of such 'Bad' labeled Tweets – not because of content even though that is implied – but because of such lists the corpDragon Witches have, and a system of Abuse of US., ..

What a good video on the science and politics!

While you watch especially in the mid to later section ask your self would such lies and manipulation and genocidal goals of those in power would exist if [nearly] every older [powerful] women dropped dead .. if the Witches and the howling vile vicious Satanic evil horrors were Gone – however that happens .. if God sent a Real pandemic that somehow targeted the F-ing Demonically controlled vicious Satanic horrors.

Would this and many many many evils – 80+ percent of the Source

of evil world-wide would go away if [most] all post menopause women were gone – would not at least 75% of total source of Satanic Horror disappear with the most powerful putrid vomit-souled Vagina-god Satan worshipping F-ing cnts?, ..

.. unfortunently Peterson shows how Blind he is – as so many – who discuss that 'Cancel Culture' is servivable and only 'uncomfortable' when he and his guest(s) are already well-established and not likely Usury Enslaved living pay-check to pay-check and they and family depend of the health insurance and so much else that will destroy them if they not above some level.

This is an extension of his insanely vile 'incel' pretending that groups of vile vicious women in professional settings is The Rule and the extreme exception is to find any woman who has virtue enough and is Human enough that would actually act like a man does when evil-cnts unJustly target others ..

.. it is so rare in a women that 99% of them and the place they work-in would instantly improved if replaced with even only an average man.

Unfortunately we all evil-Blinded to the fact that if every

professional women went away and replaced by an average or even below average capable men who has male-normal virtue standards (that older male were raised to) then instantly the entire society, gov, institutions, .. would return to functional and you would be shocked!

And then perhaps – if that Demonic Screeching mothers-voice in-mind allowed - you would consider what kind of evil Demonic Oppression that you and other over who never considered such a clearly true situation.

.. And F-you if you pretend otherwise or refuse to see such.

A good video – as usual.

Some Leftie vomit .. pointing to the founder and long-term national peoples of mostly white Christian stock but accepting of anyone willing to learn and speak '**the American way**' (Virtue-Based Serving others [Christian] Society) yet are targeted and abused - or those close and loved - they noticing that a flood of people who abuses, takes, raping, criminal, .. and unwilling to Serve and that hate 'the American Way' in everything that has them investing and supporting - and is destroying our society .. is somehow 'purity' and demonized – pulling-up '*White Supremacists*' Strawman .. instead of the Just dealing with the problems and situation.

Academics surrounded by the Witch-Vomit and lacking the guts to consider or question the insanity and evil the has Poisoned such topics – unable to even consider positions that their Witch-Controller has told them is BAD. Basically a Witch-twisted Barking-Seal Dog-male .. and sorry to say but regardless of all his excellent abilities and skills – Prof. Sadler on many topics is clearly brain-F-ed., ..

.. funny example of the story line where a child brain needed to run a society, or the novel of needing a child suffering .. and they unable to see the connection to the on average 60 daily babies ripped-apart while silently screaming in each State – many near them and perhaps happening while video this .. by Witches on the Whims of mother – often against the father's and usually unknown it happening or happened – that they are Dog-male Brain-F-ed into arguing it is somehow needed or good.

Insanity .. instead of telling women and others that if they engage in sexual relation they must accept and carry the baby if one is conceived .. and not hire Witches to torture them to death.

It is hard to measure – and sad to say that if he and everyone else

that after a warning or two with they layout and clear information – yet continue too actively support – that we and future better they Gone .. the grave not far enough if that is the only way .. mothers and the Witches who perform or actively support them then publicly thrown into wood-chipper machine or ripped apart by a tracker and tree or such.

.. Etho is pleasant to watch, and I consider him as an example of a man who has found a male-pleasing space un-complicated by the now typical Female-Evil and hyper-drama cnt womanhood – and even those not so much a problem yet MUST have a lot of femaleness in every corner of our now Female-Poisoned and Poisoning world .. where females may have and be allowed 'safe-spaces' yet Vomit over and destroy anything similar for males – even entire lines of work such as Teaching has been Poisoning and mutilating our children - and society.

And any mention or arguments pointing such out leads to entire society screeching and unwilling to accept that many of them as pretty much rule-of-thumb every group of women together result in some being vile vicious lying slimy cnts – and as most others of them are actively supportive of the worst and inherently [functionally] back-stabbing male-hating F-ing horrors ..

.. so men like Etho – although he might never [be able to – too evil-Blinded from crib] think or say such .. knows that he and many are in a place that is not Toxic, that does not vomit hate and guilt on them for being merit-filled white men – or whatever he is besides male. He is not likely to run into the allto numerous vile vicious slimy cnt 'professional' women.

## Zelensky Is Destroying Ukraine — Exiled Opposition Leader

The policies of President Vladimir Zelensky's government – based on hatred and intransigence towards Russia – are inevitably driving Ukraine into poverty, the former parliamentary opposition leader has warned.

Viktor Medvedchuk, who was forced into exile after being arrested by the SBU (the successor agency to the Soviet KGB), claims that Kiev is encouraging the same approach in other European states. He believes that such dangerous sentiment could even lead to an eventual nuclear standoff.

Medvedchuk's political party was the second largest in the current Ukrainian parliament, before it was banned last year. The rump of the faction is now closely controlled by Zelensky's "Servant of the People" group.

Read what else Medvedchuk had to say on RT's website:

If all these "Sudden Deaths" were in the unvaccinated population it would be on the news 24/7.

There are no blue states. Just 15-20 big blue cities trying to tell the rest of us how to live.

Jewish rabbis in Brooklyn  
are over **18x** more likely to  
molest a child than a  
Catholic priest is

(Number of crimes ÷ population of each religion) × 10K = crime rate

Catholics:

$$(571 \div 595,700) \times 10,000 = 9.5$$

Jews:

$$(5389 \div 310,800) \times 10,000 = 173.3$$

Jews aren't powerful do  
you have any idea how  
antisemitic that is?

I DARE you to say that with your real name. They'll take everything you own and destroy your life

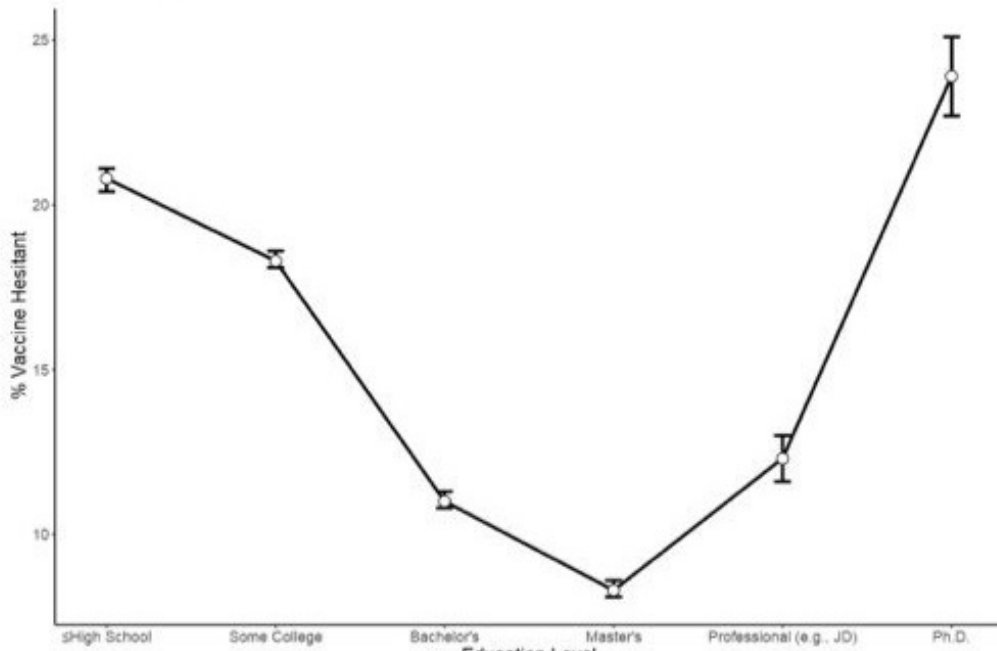

The person who agrees with you 80 percent of the time is a friend and an ally - not a 20 percent traitor.

## Gen Z has 86% less purchasing power than baby boomers did in their 20s

Millennials and Gen Z aren't broke because of avocado toast. They're broke because prices have shot up and wages haven't kept pace.

<https://www.fastcompany.com/90778446/gen-z-vs-baby-boomers-purchasing-power>

<https://www.consumeraffairs.com/finance/comparing-the-costs-of-generations>

- **Real wages are going down:** Gen Z has 86% less purchasing power compared to baby boomers when they were in their 20s. Americans have seen wages increase by 80% since the 1970s. However, the average **Consumer Price Index** has increased by over 500%.
- **Housing costs are going up:** Housing prices and rental rates have shot up. Gen Z is paying almost 100% more for homes. Today, the average house is \$309,400. In the 1970s it was \$24,800, or \$185,600 in today's dollars. Similarly, the median rent is \$2,000 per month, in the 1970s it was \$800 per month in 2022 dollars.
- **College costs are going way up:** Tuition rates have skyrocketed. The average price of tuition at a public university has increased by 310%, while the price of a private four-year college has increased by 245%. Meanwhile, college graduates have increased by 254% since 1970.
- **And let's not even talk about the pump:** Gas rates are also shooting up. Gas currently costs 57% more than it did in 1970. It's \$4.70 per gallon, compared to \$3.00 in 1970, in today's dollars.

**So let me get this straight.**

**I go to the grocery store and buy:  
a pound of sliced ham wrapped in plastic;  
a loaf of bread in a plastic bag;  
a gallon of milk in a plastic jug;**

**a pack of napkins wrapped in plastic;  
a ready-made salad in a plastic container;  
a plastic bottle of mustard;  
and a plastic bottle of ketchup;**

**but they won't give me a plastic bag  
to carry it home, because the plastic bag  
is bad for the environment?**
