.. and I Praise God for it.

As mentioned yesterday in post (see PostScript for URLs) that it viewed through the lens of God's Will, and so a good question would be 'Why?' and many answers surface on how such could be Beneficial and a Stepping Stone towards God .. the least not being that those who have become regular readers and who find value will be deprived by a #FreedomToHear interfering force that is Tax and Publicly supported – as all in Western Society are, that the question as to what is the real reason for the censorship – and so in such an action actually suggest there is Value and Truth those in power; Satanic and Secular; Church [Synagogue] of Satan, Gov, using corpDragons for evil - that do not want exposed.

Often people gauge and get a 'feel' for a person and-or group by who they spend time with and support. A variation of this is gauging them by those that oppose them and their goals.

After review of that post – is there anyone older the say 14.5 years old that would not benefit in most of the information in that post – especially if another Rational person who knows my writings and such was to guide them, and if such a person was not at hand to answer questions – the benefit of hearing things that makes them wonder at certain aspects .. or exposure to ideas.

.. like the fact that the Catholic Churches Leadership acting overtly

evil CAN be used to Evangelize internal and external to the Body of Christ, that if well managed by those who are aligned against Satan and those Worldly aspects She pushes – the Spread of Female-Evil; unTruth, inJustice, disOrder in disHonorable slimy ways – silencing those they oppose – poisoning the well so no fair judgments may be possible or likely, using Power Against Truth, using others who have been Damaged and-or twisted as abusers and 'Brown-Shirts' pushing active Silencing and willing to use institutional and physical violence, etc.

And exposure of these from much of Vatican Leadership and - if well managed – Corrected with perhaps, perhaps a furthering towards some of all of the goals applied can ReCenter the Vatican as the Center of the Rational, Cultural, Religious, .. Secular World based on Merit and Virtue – that with the concept of the Abrahamic World Court System supported by any and all God Fearing person, even those who are not Christian, Muslim, Jewish Sects because who could argue against the #10Commandments locally applied, and if they do – would it be good to know to warn everyone of the kind of twisted Sad Demonically Oppressed Horrors they and likely all the older women in there family are – bent on and pushing aspects and Sins - unTruth, inJustice, disOrder for Evil Profits.

And given the Application as a Court where Laws are Judged and Ruled on – and applied that it never can be illegal for a Law to restrict Freedom of Religion – to Honor and Serve The Father, The Trinity, Allah, Buddha, those Hindi Gods,...

—

And with my Model of the Holy, even those who are Scientificism Religion may be pushed to work on how each and ultimately all the major Religions have some Truth, and work on which work best to bring about a Full Picture of the [Holy] Human Being, and as such those Real Atheists not only pretending – and really are Satanists and anti-Logos – may Serve God by applying and aiding in the Apologetics, perhaps given a sub-Department in a Vatican College of Apologetics, .. and the 10 Commandments would not go against what most Rational people can think is important in limiting and shaping Society.

—

I could go on – but what person 14.5 years older or older would not benefit from these concepts and ideas? And with parental and mentor shaping that those 8 and older can be given most in some form of other.

And my warnings about the Soul Sickening of Womanhood – clearly I am making a Statement that is not only clearly True, but makes sense – if you raise a child to think it is okay to torture to death an animal for profit, convince, fun, .. that once you become physically adult you could go out and actively purchase a puppy or kitten and then rip them limb-from-limb on a whim, clearly that is Sick and produces Sick society if it was wide spread, and instead of

an animal but a person like they and us are ... what but a Demonically Oppressed person who has Lost Rational Thought related to this would have a problem understanding such.

And pointing out that such a society that has a sub-group given such power [and all the rest conditioning to accept] over generations turns into a society where – to those of us who struggle for Truth, Justice, Order – they may be seen as filled with and ejecting in all directions Poisonous Vomit – especially as a parent directly into the open being of what children are not tortured-to-death and allowed to live .. like a baby-bird and the mother [and twisted Dog-male 'fathers'] vomiting down their throats. To be followed by Media, Teachers, ...

AND the concept of Demonic Oppression. The example of Big Mustache Man (God Bless him!) is Recursively displaying and instructing in a mostly Scientifical Religious way the Demons Control of his and most all our minds, generations of Poison of Feminist ideas of seeing and being blinded to things that any Rational person would disregard and go instead to work on some more useful – using what talent and resources towards Truth, Justice, Order, Goodness and such.

—

So the Witches at Facebook – the 'Bullying' – do you imagine it is because I used to offensive language – in Shock Value .. unable to Slap their Faces like you might be forced to do to a person in extreme panic and distress acting insanely and threatening the lives of themselves and all us? Was it too effective and using 'VagFeelie-hurting' Testicle speech so many Demons are Triggered by .. when breaking through the mental enSlavement they hold?

—

Perhaps it was instead-also the differentiation of Zionist of all types and religious background, actual practicing Abrahamic Jews, ethnic Jews, and Satanic Venture Capitalist Golden Calf Satan worshiper's, Witches, and the like .. and like the issues I discuss about modern Western Womanhood comparing to a few generations ago (before 1960's), and any particular woman and-or person.

Those that have been actively retarding and twisting us in mass in the West want us to not be able to discuss the issues Satan is using to destroy our societies, institutions, and souls, .. by Crippling Rational Thought in many ways, by encouraging and rewarding any who can not hear '*Chinese peoples are shorter than the European peoples*' and screech insanely that since they once saw a taller than normal Chinese Person that such a statement is Wrong and those who say of think such is racist (or whatever), and so fill all our minds and thoughts with Their Demon that screeches in a mother's-voice 'PeopleKind' and '*punch your own testicles and stop thinking(!)*' because you are starting to realize that womanhood as a group are very Sick and the reason is clear, or you understand that

filling up every statement of clear fact with 5 or 6 conditional statements such as acknowledgment that murdering enslaving warring thieving .. savages once live where you standing and such in every statement – AND THOUGHT .. to people who are so twisted and busy distracted by own Demon(s) and cell-phone that you can not hold there attention.

—

The Facebook ban for 6 days is interesting. The first and relatively recent one was for 3 days – and that was extended an extra day for no clear reason or statement besides the fact of it .. so 'on-paper' it was 3 days .. now 6 days.

I happen to know that if you want to Form A Habit (or break on) the old expression is to '**do it 6 times [in a row]**' and likely there is actual research on this that the Witches are using.

.. my suggestion and wondering is this number is significant (and likely will be extended as was before) with the Specific reason to break regular readers of the habit or finding my Posts and reading them – to be replaces with something – little doubt FB will suggest – that enforces and shapes the Demon they have created in most users minds – the Crack-Head Granny-in-law that sits around our minds and screeches and pisses Herself when ever you hear or think something she does not like, and while you sleep works on cutting your tongue and testicle off.

Like YouTube – how many Content Creators have Modeled such a Demon because they do not want to be Banned, or there work removed and destroyed?

.. the fact that it is stochastic (randomly) applied forces the Conditioning Victim to always be more conservative and less away from the Witches previously indoctrinating position.

So instead of challenging more the insanity aspects of .. the Genociding evil-Poisoning Injections and the warped Western Wide inJustice and evils – you do More of the 'cat-video' version, and avoid much more then might be fine – but you do not know.

This point is related to the general question you need to ask yourself - do you think such clearly connected science of group and people brain-washing [Modification] is not a Clear Goal and Tool, that even the overtly broad applied '230 Immunity' Laws were allowed to stand long enough to warp another half or some set percentage of those not completely mind-F-ed yet, and the coordination through corpDragons clearly is not limited to a single gov, or a single corpDragon, but have a coordinating Center in what I argue is a 'Super-Secrete' Super-CorpDragon that owns and controls all those other Institutions and Governments and has been extending it's evil grip through them -along with Banking, Education, .., courts, Administrative States throughout West, NGOs .. down to most everyone's lives in so many ways – you might work for a small company – but that company can easily be destroyed – IRS,

Banking, Gov Regulations (OHSA) or a million others, and those who own and lively hoods might be easily 'talked into' finding someone else then you, and-or having some awareness of such – the owner would never have hired you because your have ideas .. and express them .. not the faceless Mask-covered Poisonous injection taking baby-murder, child soul-sexual-mind mutilating supporter.

—

And wonder with me when you review or recall that post that 'Triggered' Facebook Satanic Silencing – which aspects 'crossed the line' for them.

—

—

Okay – sadly I got side-tracked on that topic, and wanted to bring up a different number other then the Synagogue of Satan's use of 6 days of silence to break at least half the regular readers pattern, and that would have likely been following a pre-planned sequence which will remove me at some point soon, and shedding half and then half again will make me disappear more smoothly ..

.. Yesterday's All Saints Day biblical reading was about the 12 tribes of Israel and the 144,000 members that were Saved. 144,000 is  $12*12*1000$  of course – and each of the 12 tribes have that many – and I are reminded of to double circle of 12 (24 total) Kings (Masters) around The Son of God's Thrown, and how it is likely that the  $12*12*1000$  might be that in each Masters' Village of 72 Virgins – each Man might Host 12 Villages of 72 Virgins .. with Jacob Ladder Levels out to 1000, or similar.

That the numbers clearly are Significant in such a way, and should be considered in terms of Holy Neural Network of the Lion construction – those 144,000 are the Top most Just and Righteous (sub)Masters.

I am getting those Facebook messages that I must super-duper protect my Account – I have 3 days left - and you might recall not having a cell-phone I tried – purchased 2 separate special USB keys which Facebook could not access for some reason (why I got

the 2nd) something which cost me over \$100 and I see are gathering dust – wasting a lot of time and concern – the concern is back – will this be how they cut-me-off, not some clear Banning but some kind of passive-Aggressive soul-murdering joy-killing Female-Evil Slimy [modern Western] women-like vomit?

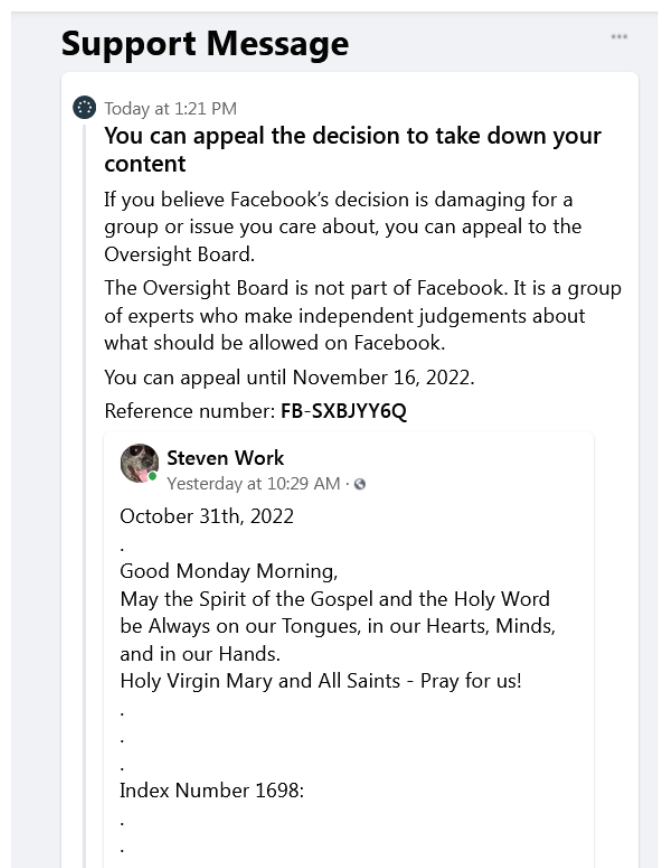

A Typical Burlington Vermont Witch-evil filled woman-like feces?

-

.. which reminds me – I saw a clip of some woman political cnt arguing that Censoring was not as horrible as gun violence. I wondered if – like the 'wage-gap' Witch vomit that will not die, is that Witch retarded or being evil – The Sword and Shield of Truth is clearly and Rightly more scary to such minions of Satan.

If you interested in appealing my Censorship of Post(s) and Suspension you can until Nov 16, 2022 using Reference Number FB-SXBJYY6Q to their Oversight Board. That you feel damaged by them because they are interfering with your Freedom To Hear other's Speech, needlessly because only those who want to read my work do, and they are taking away that from you, many others today in Future, etc. - for example.

Such from others would have a much greater impact then some easily dismissive as 'my Pride is hurt by our meanness' they will use to filter anything I write, as Female-Evil Demonic Filled twisted cnts do around us all the time.

—

And I linked the latest full Facebook archive that includes us to 31 October 2022 down below – those not censored. I am in the process of unZipping it locally to see if the last Censored post is in it as I requested the archive before the notice of censoring and suspension came to me – if so, then next month is should be gone from the Archive (for some reason – you know they have those still, they are unacceptable by users is all.)

[Later: Not included - they removed that post before making the

Archive, unfortunately.]

I have found on YouTube and have been listening too (now finished) the novel '**True Grit**', ..

[https://en.wikipedia.org/wiki/True\\_Grit\\_\(novel\)](https://en.wikipedia.org/wiki/True_Grit_(novel))

Archived: <https://archive.ph/aika0>

**True Grit** is a 1968 novel by Charles Portis that was first published as a 1968 serial in *The Saturday Evening Post*.<sup>[1]</sup> The novel is told from the perspective of a woman named Mattie Ross, who recounts the time when she was 14 and sought retribution for the murder of her father by a scoundrel, Tom Chaney. It is considered by some critics to be "one of the great American novels."<sup>[2]</sup>

The novel was adapted for the screenplay of the 1969 film *True Grit* starring John Wayne, Kim Darby and Glen Campbell. Six years later, in 1975, Wayne reprised his Academy Award-winning role as the tough hard drinking one-eyed lawman in the sequel film *Rooster Cogburn*. In 2010, Joel and Ethan Coen wrote and directed another film adaptation of *True Grit*. In November 2010, The Overlook Press published a movie tie-in edition of the second film version of *True Grit*.

**Contents** [show]

**Plot summary** [edit]

The novel is narrated by Mattie Ross, churchgoing elderly spinster distinguished by intelligence, independence, and strength of mind. She recounts the story of her adventures fifty years earlier, in 1878, when she undertook a quest to avenge her father's murder by a drifter named Tom Chaney. She is joined on her quest by Marshal Reuben J. "Rooster" Cogburn and a Texas Ranger named LaBoeuf (pronounced "La-beef").

As Mattie's tale begins, Chaney is employed on the Ross's family farm in West-Central Arkansas, near the town of Dardanelle in Yell County. Chaney is not adept as a farmhand, and Mattie has only scorn for him, referring to him as "trash" and noting that her kind-hearted father, Frank, hired him only out of pity. One day, Frank Ross and Chaney go to Fort Smith to buy some horses. Ross takes \$250 with him to pay for the horses, along with two gold pieces that he has always carried, but he ends up spending only \$100 on the horses. Later, Ross tries to intervene in a barroom confrontation involving Chaney. Chaney kills him, robs the body of the remaining \$150 and two gold pieces, and flees into Indian Territory (now Oklahoma) on his horse.

Mattie hears that Chaney has joined an outlaw gang led by the infamous "Lucky" Ned Pepper and wishes to track down the killer. Upon arriving at Fort Smith, she looks for the toughest deputy US Marshal in the district. That man turns out to be Reuben J. "Rooster" Cogburn, an aging, one-eyed, overweight, trigger-happy, hard-drinking man. Mattie is convinced that he has "grit" and that his reputation for violence makes him best suited for the job.

Playing on Cogburn's need for money, Mattie persuades him to take on the job, insisting that she accompany him as part of the bargain. During their preparation, a Texas Ranger named LaBoeuf appears. He has been tracking Chaney for four months for killing a senator and his dog in Texas, and he hopes to bring him back to Texas dead or alive for a cash reward. Cogburn and LaBoeuf take a dislike to each other, but after some handling, they come to like horses in the hunt, realizing that they can both benefit from each other's

.. and the writing is really clean and simple – and was a perfect choice for a screen-play – many scenes from the 1969 movie were taken directly from the book, and done well.

I found that I have mostly finished it – and now I must purchase it!

Imagine a society where such was possible for all related digital things – there they are, you check them out – anyone does – and if we want it or use it enough and decide it only fair – you buy it.

No weird copy protection bastardy like the corpDragon owned by Amazon I buy and that hold all the purchased has – and I can not download because the downloaded application has been 'upgraded' and does not work on my older Windows OS – the old one that worked no longer does.

So, when I find an audiobook that I like enough and have the alternate CopyProtection defeated – I must THEN purchase it from the retarded bastard corpDragon for the crippled version.

F-ing insane cntHell.

Another example of a UK'ers good sense. This is going on everywhere – do not get bogged down on the 'not in my backyard' belief – you are wrong if you dismiss such – we are seeing busing from the boarder areas to every corner of this country and focusing where they can on conservative areas to overwhelm and cripple .. they want us all to look like Philly or Chicago inner city. Crippling poverty, crime, rape, violence, murder.

I went with a friend last night after Mass to grab a sandwich in breaking fast, and the women and child behind us in line was a black women in some different culture outfit and I smiles and politely said hello and she glared at me, another local one that walks by where I sit many days ignore me (although her child does not) so I suggested she must not speak English after the 3 rd(?) time loud enough for her to hear and she responded that she did speak English, .. so was intentionally being unfriendly and even rude.

Okay .. Okay – last night after that I discussed with my friend of how the intentional destruction of civil manners and friendly co-existence has been destroyed – even natives who are around such, or being younger and likely fatherless raised by male-hating vile vicious Poison-Vomit filled mothers and teachers unable to respond in a civil manner is clearly the Result – and likely the goal – and without any Threat which has always been behind being a good neighbor or co-working man – the punch in the face which I miss the constant threat of – the vile Female-Evil filled court systems and every F-ing cnt women empowered to screech in your face over things like not wearing a face-mask ..

.. it is weird that one could realize that when not under the threat of Loving Correction, that even the locals turn into the kind of people who likely would burn you alive for Saturday entertainment if they could.

#TaserDuels! I want to risk Dying of heart attack enforcing the '**be Polite or I might kick your F-ing teeth-in, cnt!**' old days.

He received the John W. Campbell Award for Best New Writer in 2016<sup>[4]</sup> and his 2021 novel <i>Project Hail Mary</i> is a finalist for the 2022 Hugo Award for Best Novel.<sup>[5]</sup></p> <p><span><span></span></span> <b>Contents</b> <span>[</span>show<span>]</span></p> <h3>Early life <span><span>[</span>edit<span>]</span></span></h3> <p>Weir was raised in Milpitas, California. His father, John Weir, was a physicist at Sandia National Laboratories, and his mother was an electrical engineer. He was an only child, and his parents divorced when he was eight.<sup>[6]</sup> Weir grew up reading classic science fiction such as the works of Arthur C. Clarke and Isaac Asimov.<sup>[1]</sup> At the age of 15, he began working as a computer programmer for Sandia.<sup>[6]</sup></p> <p>After high school, Weir studied computer science at the University of California, San Diego, though he did not graduate. He worked as a programmer for several software companies, including AOL, Palm, MobileIron, and Blizzard, where he worked on the video game <i>Warcraft II: Tides of Darkness</i>.<sup>[1][7]</sup></p> <h3>Writing <span><span>[</span>edit<span>]</span></span></h3> <p>Weir began writing science fiction in his twenties and published work on his website for years. He also authored a humor web comic called <i>Casey and Andy</i><sup>[8][9]</sup> featuring fictionalized "mad scientist" versions of himself and his friends (such as writer Jennifer Brozek) from 2001 to 2008; he also briefly worked on another comic called <i>Cheshire Crossing</i> (bridging <i>Alice in Wonderland</i>, <i>Peter Pan</i>, <i>The Wizard of Oz</i> and <i>Mary Poppins</i>) from 2006 to 2008.<sup>[8]</sup> The attention these gained him has been attributed as later helping launch his writing career,<sup>[9]</sup> following the failure to publish his first novel attempt called <i>Theft of Pride</i>.<sup>[10]</sup> His first work to gain significant attention was "The Egg", a 2009 short story that has been adapted into a number of YouTube videos, a one-act play, and is the overarching concept of <i>Everybody</i>, the third album by American rapper Logic.<sup>[11][11]</sup></p> <p>He wrote his first published novel, <i>The Martian</i>, to be as scientifically accurate as possible, doing extensive research into orbital mechanics, conditions on the planet Mars, the history of human spaceflight, and botany.<sup>[7]</sup> Originally published as a free serial on his website, some readers requested he make it available on Amazon Kindle. First sold for 99 cents, the novel made it to the Kindle bestsellers list. Weir was then approached by a literary agent and sold the rights to Crown Publishing Group. The print version (slightly edited from the original) of the novel debuted at No. 12 on <i>The New York Times</i> bestseller list.<sup>[12]</sup> <i>The Wall Street Journal</i></p>	<p><b>Andy Weir</b></p>  <p>Weir in 2015</p> <p><b>Born</b> June 16, 1972 (age 50) Davis, California, U.S.<sup>[1]</sup></p> <p><b>Pen name</b> Jack Sharp<sup>[2]</sup></p> <p><b>Occupation</b> Novelist, programmer</p> <p><b>Education</b> University of California, San Diego (did not graduate)</p> <p><b>Period</b> 2010–present</p> <p><b>Genre</b> Science fiction Fantasy</p> <p><b>Notable works</b> <i>The Egg</i> <i>The Martian</i> <i>Project Hail Mary</i></p> <p><b>Notable awards</b> Goodreads Choice Award for Best Science Fiction John W. u 🇺🇸 US Congressman Raskin said that Russia must be destroyed at any cost because it is an Orthodox country with traditional values

"Russia is an Orthodox country professing traditional values. That is why it must be destroyed, no matter what price the US pays for it."

Robert F. Kennedy Jr has just kicked the door in and opened a can of worms for every Government in the world. Once again the truth Prevails. 🙌  
No media is talking about it this, neither here in Australia nor in Europe or the USA.  
It's up to us to spread the word.

pharmaceutical lobbyists.  
In the ruling, the supreme court confirms that the damage caused by Covid mRNA gene therapies is irreparable. As the Supreme Court is the highest court in the United States there and no further appeals and the appeals have been exhausted.

Nuremburg Code is now Valid.  
Well Done Robert F. Kennedy Jnr  
Once again the truth prevails.

LET'S JUST FORGIVE EACH OTHER

AND MOVE ON

"I believe that banking institutions are more dangerous to our liberties than standing armies. Already they have raised up a monied aristocracy that has set the government at defiance. The issuing power (of money) should be taken away from the banks and restored to the people to whom it properly belongs."

- Thomas Jefferson

The vaxx is to reduce population. Sex reassignment is to reduce population. After birth abortion is to reduce population. Planned Parenthood is to reduce population. Nearly every government program is designed to reduce population. Get the picture?

**The History of immigration in the United States: The “Melting Pot” Lie Exposed**

### The Immigration and Nationality Act of 1965

[https://en.wikipedia.org/wiki/Immigration\\_Act\\_of\\_1965](https://en.wikipedia.org/wiki/Immigration_Act_of_1965)

The 1965 act marked a **radical break** from the immigration policies of the past. The law as it stood then excluded Latin Americans, Asians and Africans and preferred northern and western Europeans over southern and eastern ones. At the height of the civil rights movement of the 1960s the law was seen as an embarrassment by, among others, President John F. Kennedy, who called the then-quota-system "nearly intolerable". After Kennedy's assassination, President Lyndon Johnson signed the bill at the foot of the Statue of Liberty as a symbolic gesture.

In order to convince the American people — the majority of whom were opposed to the act — of the legislation's merits, its proponents assured that passage would not influence America's culture significantly. President Johnson called the bill "not a revolutionary bill. It does not affect the lives of millions", while Secretary of State Dean Rusk estimated only a few thousand Indian immigrants over the next five years, and other politicians, including Senator Ted Kennedy, hastened to reassure the populace that the demographic mix would not be affected; these assertions would later prove wildly inaccurate.

For Israel

Isn't it amazing how the media has not figured out the Jan 6 pipe bomber, the Supreme Court leaker, a single one of Epstein's clients, the motive of the Las Vegas shooter, but they knew Paul Pelosi's midnight visitor was MAGA even before both could put their underwear back on?

The FBI interfered in the election and put the people who protested it on Jan 6 in prison.
