Good Saturday Morning,
May the Spirit of the Gospel and the Holy Word be Always in our
Minds, on our Lips, and in our Hearts.

Index Number 990:

This morning's prayers I was reflecting on a number of topics, but I
am taking a break to outline one because I think it has value – if I can
convey it well.

On Thursday Morning's Post, ..
<https://www.facebook.com/Steven.Work/posts/10226765951799190>
[Archived: <https://archive.ph/qNOFr>]

.. I linked and commented on a video with a woman dancing, and
poorly described it as 'stimulating and sexy, with good dancing
expression' or such.

I will relink it here again once I have .. Framed .. it better and to some
degree Cleansed and Sanctified it for my purpose and for those to
approach .. more safely. Something that God Fearing men and women
can look at to See my points better, without being distracted.

Let us first Imagine a society structured into regions or 'Districts'
where there is a Master – a local King, and this structure extends
down to the father of family, up to Nations, Regions of Nations,
world-wide and into the Holy.

The regions may not even be limited to land, but might be something
as esoteric as into a Guild, or Scholarship, but let us imagine for this
example they might be land regions at a size of half the state of
Vermont.

Let as also Imagine that all through the Nation and World that 3
times a year there is a month long Festival, where married couples
and unmarried young men of Merit (and Virtue) may travel to other
regions. The married couples to interact with those of similar
interests, Professional, and Stations, exchanging things of value that
are mostly not physical.

The young men traveling and the women (of Merit and Virtue) in the
regions interact and scope-out marital possibilities.

.. those not traveling Serve those that do, with involvement of the
young men in potential Guild activities, interacting with the older
ones who are using this month to train and put to work the young
adults and those near to being.

These Festivals are a mouth to encourage pregnancy of those
husbands & wives who desire it, when the other 3 months all are
Chased, along with everyone else.

Now, for such groups of married couples and young men and women
who are courting, the Festival has nightly evening entertainment,
where one of the Master's wives, Ladies in Waiting, dances thusly ..

(What I found very sexy and stimulating about this – is her enjoyment
and comfortable control of her Holy Human Sexual Power, and if
Directed ...)

Now, perspective young ladies looking for a husband would produce
– along with a much greater Profile accessible on-line a much
different type of dancing video, to encourage engagement and entice
those young men of Merit and Virtue to choose to visit her region, to
maybe court, marry and settle in her region.

Now we can get to the Meat of the point, which will have to be short,
a Teaser, to encourage you to consider, to compare and contrast
these, along with a type of Society I have suggested.

Both videos are a good example of Female Power, and those women
are enjoying that power.

I ask you to consider that aspect, the growing ability to launch a
thousand ships, stimulate endless babies, or to reShape Society in
Service and Love of God and Man.
