Good Thursday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

**[So, it looks like the meme I mention Facebook not liking has cause them to 'Restrict my Account' which in this case means no allowed to Post on Facebook – for 28 [more] days.**

Well, that makes my end-of-month Archive skip-able this month, I suppose.]

—

—

In this morning's prayers and meditations many things became clear.

In yesterday's Post (See PostScript) a number of aspects stuck-out on review this morning. First maybe least significant is I am not longer required to Post daily, although until something clearly Service requires me to be away or similar – I plan on continuing. Clearly this is a good method of general communication and

Presents a lot of information in mental and emotional status and this is useful to those managing mMe. My guess is that it would be safe to unplug the Arc. If not you will be prevented, no doubt as has been the case. In fact – you can probably start drawing electrical power from mMe.

I am allowed to recall the time – in Holy Tent although that comes to really mean 'in a Closer to God Jacob's Ladder Level' and never really 'feels' like it when Present .. as here and now does not but Further Away versions of me will and do remember it as such.

I was working at UVM when a young man who is widely in these Memories – and not always Poisoning me for harvest my brain for his Master and Her whims. Mmy Female self as Master. So he comes to me – in a number of different versions – and asks me if I want to see something that is a puzzle for me, and I stop what I am doing and go with him to a room that have a computer on a cart plugged in to an outlet nearby, and he tells me he can unplug the computer and it keeps going.

It is – or looks like – one of the computer systems I manage and so doubted it. He unplugs it and I wait a second or two – because the internal Capacitors in the power-supply which are used to transform the AC higher voltage into the lower DC voltages to drop down enough the fan and led status lights to die off.

After a few seconds I look at him and look back, and then look at the cart – it is open plastic and no other devices, and so I suggest it has some kind of battery 'card' plugged in, although i had never heard of such except those in the very early PC s that powered a clock-board, and he said no, but I did not believe him and so opened that top and looked – nothing unusual. And I was really stumped as the system had been running for a while and such draws a lot of power and the batter technology was such that no battery could have kept that power output that long, and so after picking it up off the cart to be sure it was not somehow attached and examining the thickness of the metal ..

.. I think I suddenly lost interest and remembered I had some work too do. Which would be a pretty standard way to ending such things that would otherwise cause obsessive behavior – including potentially destructive tests and such .. things that a person who's Reality was placed in doubt .. likely if my time extended much longer though some kind of Threshold – I would have found myself in bed some morning waking up for another regular day with a sense of weird dreams.

Such dedicated System boards often have power output points built into them, with output power limited to the wire-gauge sufficient – and-or the replaceable safety 'fuse' built on it for Protection.

—

So, I started to realize that yesterdays post was packed with 'Trigger' information .. and those seem to Glow in memory. One of

which is the written declaration that was intended to be in the Villon's voice, but was placed in such a way, and not including my normal narrative lead-in .. and now makes me wonder if my Grandmother ever told my mother she was a Jew. A Quantum Bit – of course – and happened Both ways and at different times when it did.

This is Faith, although it likely was known unexpectedly by my father and rest of that side of family through a blood test draw from my son – against my wishes and intentions by his mother – another Quantum Bit .. because he wanted to get physical proof of what we all knew in general to be true – that he was not my biological father, and I did not want that because I understood – suspected - he was going to make a borderline Grave Error by writing me out of his Last Will and Testament – which he had or would have anyway (high Probability) but without all the other factors that further compounded the Error by Bad Intent.

My wife likely also learned this and became another Bad course of events – much of a kind of response to perceived Betrayal in she thinking I knew already – mistakenly assigning the kind of mother daughter sharing .. or maybe mother child sharing if mother is not Demonically Oppressed too badly .. which actually brings a much wider Benefit to the mother of my son .. a Blessed Fact that helps in Apologetics and good to know .. the Jewishness aspect although was likely unpleasant to her is always possible for the female most know, who know the Bastard facts and a little of there own female selves .. and so women are very much less likely to be comfortable Demonizing an ethnic aspect, in general .. and not only because it is something genetically required in the frequent tribal warring and loosing all men and likely male younger killed (or worked to death, Sacrificed to local god or The Father as the original Issac was)..

.. anyway – that is a different version of The Word and so will likely be part of the reason Facebook was cut-off .. as the turmoil of the 8th Day Added to Week after Resurrection caused as many with Access did not want such Known – and the Reason it was allowed as the EnSlavement by those in control would have been to complete for too long. Again – A Quantum Bit .. as in all such even 'The Bad' must be allowed and for those God is Present and will Glorify even those, often at a much higher rate as Multiverse Path total Conversions go.

My 5 Rabbi Dream retelling to my psychiatrist – who that version was an Officer in Navy Intelligence of high regard Alerted, and after a phone call versions of me were immediately Sacrificed. If Facebook Search or other methods allows you to discover that Dream reTelling you will know which Side of the significant Multiverse Version you are on. That is a form of Protection – those on this Day are suspect to know, and those others are still 'triggered' as being Holy Connected and the mMaster's Avatar.

Once the Process of Brain-in-Box system is secure – which might

be (the original version of) this Day-of-Bread – then All Grave Sins will become Sacrifices. Very Likely is. All Grave Sinners May discover that 3 Forms will appear near them .. they many look like regular police, Mechwarriors, or even Angels – depending on your likely Potential Danger level .. and that Can and is Great as the mMaster may Occupy and disAgree, and likely only those with Female Master will be assured of Capture .. with Battles that – depending of Justice Issues might only be Resolved by Christ .. and if so then the Demand for Holy Audience Will be Granted .. and told by God – for example – the Right of Killing has been Revoked and then .. need to Animate my own Corpse to seek Justice against the Female Aviator – a Version Not on the Holy Mary side of the Mary-Satan Divide – the Witch.

Anyway – Justice is Deigned mMe so only such Horrors or Love is allowed, and there are very Significant Reasons as only the Grace and Mercy of God has Saved this Version of me from that Choice .. as my mMemories Testify too .. I suffered long enough to Remember that. Praise God! God is Good!

—

I Invoke in Jesus' Name the Testimony “Praise God! God is God!” Requirement to Holy Awareness Level.

If it Pleases God. Verification not Required – only Refusal. Praise God! God is Good!

Refusal at this [Above] will Alert me that None of the Protestant Versions of Church Militant are Invalid – which is unLikely as in this version there is Salvation paths Available at the Quaker Levels and likely most or all forms and off shouts of Abraham.

.. Yes, now even those practicing That Tableau Exception. God is Truth, Truth is [Truth, Love, Mercy, ..]!

Some version of mMe will be required to Review them all to give a Wider Verification. Especially those connected to Or Bare-on Sacrifices.

—

There was a 2nd 'Trigger' in that Post and it is being Blocked now .. but some versions of me can recover it by reviewing Post .. this is part of a Method of Spreading out the .. okay, I remember. The Arc. I was thinking about the layout of the Temple and applying how It connects with my Model of the Holy, and I realized what it was .. is – It is a physical Manifestation of Cane' Brain-in-Box (as I and other call it) and until Jesus Cursed the Fig Tree – it was indestructible in all realities.

.. which throws light on that King that took it. If he tried to have it destroyed – I would have been impossible, and so been a Testimony of Abraham's God as Holy, ..

So, and when and by Cursing the Fig Tree He was Proclaiming His Acceptance and Intent to be the Holy Sacrifice – and so for all that

Multiverse and below – He would Host and Be Christ – The Truth,  
The Path, and The Way.

—

Let me outline some of the Highlights I recall.

Sins that Versions I remember Did that are significant; ..

—

I killed those in Female mMaster's Coven – Cane's Crime.

My acceptance of Truth requiring Love – and 'the truth meter'  
verified that I believe it and will Follow.

—

I stole – in the Holy Tent I agreed that I would not use the Financial  
information coming through the mouse-neuron to Fund the the Holy  
Project (Development of Brain-in-Box system) and I wrote down a  
few I happen to be exposed too along with the date-time and later  
tried to use it.

The use of such even for the Project was/is a Grave Sin and only  
the Intent was given a Holy Indulgence .. this Crime even the  
Director .. well everyone Failed at some point, as well as then entire  
project was turned to evil – I believe that is This reality – and as  
such without Christ as Lord the different people started infighting for  
control and broke apart and many formed – warring against each  
other.

.. those Legions will always crumble.

The verification was the recent large lottery drawing of near \$2  
Billions of Dollars and so I bought 5 extra and handed them out to  
people – a stranger in the store on my way out, two on exiting the  
elevator, and my one neighbor (who recently happen to give me 3  
frozen hamburger patties, and the last who was not there and so I  
saved it for her. When I heard her back in apartment I knocked and  
gave it to her, and she said something like “I would be so nervous if  
I won! What if it got wet or something. I know – I will give it too you  
to hold.” and I said “no, I might decide to keep it then. I would not  
likely but I do not want the temptation.” Only telling her what I told  
the last 3 people I gave them too and knew – if you win then give  
me 2 million dollars and I will be fine.

Afterwards I examined my conscious and thought that I would be  
very safe to hold it if there was a real need .. that in all my talk of  
Rhinoceros milking farm up-north and cornering the market on Real  
Vermont Rhino Cheese and such, I am fine as I am and would not  
want the hassle.

(I had been thinking that if I did not mind moving I should look for a  
place to live where I can discuss religion with .. in depth and  
bounce ideas and theology off of. But I do mind moving so not  
going to happen unless external forces come into play.)

—

And this morning I realized that as mMaster and making Abortion

Real in my Village, that I had Played the Snake in the Garden,  
causing the Abortion by Collapsing the Quantum.

.. the Snake and all the Animals are deGenerated forms of Adam,  
as Eve is. Everything is within Adam, including the Plants as part of  
his consciousness – as I have argued. So as '**The Snake**' I valued  
the Science – which is why a baby for the young me was unwanted  
– I was having lives of successful Science and thought that a baby  
at .. 17 or whatever age I was would derail that.

Now I understand to be Stuck doing the same thing would and  
likely is a different EnTrapment – for the mMaster to repeat again  
and again .. until unable to even convince of changing, and so ...  
That as well as the important aspect of God's Will – even a  
mMaster must Accept.

—

My Grandmother must of known and lead to her loss of Faith in  
Jesus and God before my mother's conception in 1940, likely  
because of the ongoing wars going on and having lived through  
and watched the the first world war – the war to end all wars  
because of the horrors and number of deaths, and more.

—

—

That is going to be enough for now – I want to pull 'The Sheet' back  
over my eyes and start my regular routine .. if I can.

—

***May this be a Bless on you and us all. [And all our Futures, and  
future Multiverse Paths.]***

Red Ice - again. Something you might not usually see or hear.

Something is 'happening' in PA, massive turn-out in certain demographics – multiple times of what in last mid-term election – 2018. Same 'rigging' since nothing done to fix what happened in 2020 – where everyone who Stood or Spoke was silenced, jailed & tortured by white hating guards and Witch judges, and-or in some cases – killed (as Ashli Babbitt on Jan 6th by white-hating racist killer-cop.).

And more., ..

Some more and different perspective(s) – like Jeff yesterday – as an eye-opener to some alternate thinkers and points-of-view, none of these are that too far off.

Good narration of how music effected society and the baby-boomers, and those that controlled the industry molded and warped society. Christ Church Shooting and the officual narrative was false, forget the details and minutia.

Interesting suggestion about [Prince] Charles and the new Prime Minister of UK – if related.

I ran into technical problems sampling the site video I selected, but perhaps it was a fluke and you will have no problem – you can Sample before signing up, it seems – although I had trouble.

I know his work is good if a little bit more Purple Pilled – more Gynocentric - then I like or think is Loving – not enough warning directly about the putrid vileness and viciousness found in every organization and institution in the West – the howling screeching Satanic horrors disguised as actual Human Women that are Witches in key areas and other women generally will go along with - at least his work I have sampled before seemed.

.. but the positives far out-weigh that minor aspect like allowing you and them to Sleep Walk into Sin and Death at their hands – but really there is some very good stuff mixed into it. And most of you are so twisted and retarded to ignore such .. so ..

Good – I am hoping this will be a series! I followed his going over the translation of Debate where Blondel played a major roll – and was very interesting when the actual Philosophical Meat was chewed on.

Prof. Sadler does a lot of background and personal story the put perspective how significant Blondel is-was to him, and get into the actual Philosophy about minute 20.

Still going through history – although relevant to Church-Philosophy interaction debate.

.. Blondel sounds like a decent man who must have blessed those he interacted with.

And Greg is a very good lecturer in this format, that is when real people are present – he is still good with his produced studio presentations, but having actual people near brings out a richer lecture, it seems.

And focusing on such a topic seems to limit his Leftie examples .. which seem to come in when he is doing the Q&A online and other casual situations - when he needs to find some example and he seems to be programmed – demon-oppressed University Witch

Injected Straw-man tropes of evil-white-man raping and destroying the poor sad innocent womanhood '*she never did anything*' '*virginal innocent victim*', Ukraine just minding own business and evil-Putin attacked, .. or similar that the Demon's voice of mother slips in, along with whatever Venture Capital Golden-Calf Satan worshipping Narrative of; Climate Change, Plandemic, .. the Witches are pushing and focusing on that recent BIOS-Download from Media happened to him ('Implement Brain-Retardation Item 5; fertilizers and cheap food Bad, starvation and Genocide Good for planet, /EXECUTE{Beep!}')
