<https://helenofdestroy.substack.com/p/atrocities-arent-accidents> the Facebook Witches want you not to see -

mind-F-ing vile horrors that they be, and the kind of mothers and aunts that are a Nightmare for generations .. Witches and Howling Satanic Horrors we Cursed to Suffer there very Breathing .. but I degrees to the Truth. Repent - Seek God.

[More Facebook Evil F-ery]

I found the system is suddenly finding other violations, and the system is such a Demonic-Programmer as to no even be specific as to what are the violations – likely because I have in the past copied the details to use as examples of there evilness, no details of what or where .. the alternative Apologetic fits in with the Demonic-Programming, to inject a neurotic hyper-cautious Demonic-Version within us (me) so even when not on Facebook such putrid Sickening evil is festering and directing (our) my mind. Basically – will the Witches at Facebook of the putrid evil cnts minions of the local Witches be okay with my saying or questioning such-and-such and since I can not even be allowed to know why I was a Bad Boy I must let fester some kind of constant doubt and self Hate.

{Click image to expand in view}

My solution which I am Sad I was not raised too – and likely would have if my father note been No-Fault-Divorce State-Threatened of the whims of the mind-F-ed and mind-F-ing cnt mother and society that tortured and tortures us daily so only falling down drunk on alcohol or other drugs can we escape the from crib mind-Raping and mutilation our Modern Western septic Vomit-Womanhood Squirts out at early every Cursed Breath, ..

.. my solution is the simple realization that it **Just they die.**

Simple and True. And from there we gauge a Merciful response that balances all other factors – especially the God Demands Love and not Death, and with reminding self that since the Wages of all Sin is Death, and I am a Fallen man and a sinner, that I can expect similar treatment from Above as I treat those near; under my Authority, Influence, and Interacts, and connected through many levels.

But since corpDragons only have secular 'human-rights' Legal Personhood, I can and do argue we should advance them to the proper position they now secretly occupy – legal NationHood, and then declare war on them as they have on us and the enslavement Genocide that have been since the Civil War, and declare all connected to them as enemies and deal with them properly – especially the owners and directors of such.

.. and since this GreatSatan Empire under Their control starves to death, bombs, tortures, ... why should such owners and directors and those who directly benefit from them – family members, specifically the older Witches in family – why should it be different for them .. they not object to white phosphorus

indiscriminately used – then video of them standing in a trench where it is poured in and videoed of them climbing onto own Grandmothers, sisters and mothers to delay the burning from their feet upward, for example – and perhaps the videos of such would bring comfort to those family members who lost people to such a weapon and those who somehow survived, .. or is that too much Justice for the shapers and movers of this Hideous GreatSatan?

Then how about the Sanctions .. the lack of health care and food? Too much Justice – even though that is inflicted in nations throughout the world right now and the simple fact that Witches have recently and nearly on video masturbated and cackled over the 500,000 babies and young children dying in helpless (pre-WMD-Fraud Iraq war – *although Sanctions are an Act of War*)

parents' arms – as Sacrifices to their Vagina-god Satan? And today such is continued. Or the bombing of Libya sending it back to a 3rd world nation where even slave markets exist?

And explain why every older woman in every one of the most powerful 15 families should not suffer such Justice?

.. And be careful – because your slimy excuses may and likely will display your vile putrid demonically-controlled Heart as well as most or all of every putrid horror that shaped you – least of which are not the older women in your families – most likely late for the Grave if not Gone already to the relief of all of us that had to Suffer the evil-laced Poisoning Breath they Spread.

I am not suggesting that anyone die. I am stating that if it is just they die. And F-you and shut-your mouth if you do not understand the difference .. because God Help us one day – hopefully soon – it will be okay to kick the teeth in of a F-ing demonically-twisted retard that is so in-our-face that it reminds a once father that putrid horrors like you [supported] the torturing to death of our children and the taking of them from us on the Whim of Sick cunts like you. .. and only a Saint would not proceed to go through other to kick your F-ing teeth-in.

So, .. Facebook. Is it not a Actor of unTruth, inJustice, and disOrder – Calling daily for Justice and Death to themselves and all connected and supporting such .. and are they not At War with us and have been since around the time Google and similar decided to be Satanic Brain-Warping Female-Evil Brain-Raping and

soul-mutilating Forces of Satan? ..

.. Like a super hyper-empowered National-level Hate-filled vicious grasping Immune and Invisible typical powerful modern Western older woman – Witch?

Well, not that that should be clearer .. imagine a month of reminding how unJust and evil an Institution that depends on our public resources, Taxes, and abuses our Laws (Sec 230 Immunity) is - highlighting everyday the handfuls of people in court systems, justice dept, CIA, NSA, FBI, .. and other Administrative State department top 3 levels that the world better they and all the older women in there family Gone .. along with all who support those objecting to the newly proposed '**Church Committee**' and how can we not imagine them all handed to death along with there mothers, sisters, aunts, especially the donors and everyone close to them in there socioeconomic class – as clear Agents of Nationhood level Satanic Things that are and have been at War and enslaving and genociding us since the Civil War?

—

But I was going to write about ..

-

This morning in my prayers and meditations I considered the value of suggesting a topic for an uncreated (but clearly would have been naturally from Vatican II had not Satanic forces been involved)

Collage of Apologetics, along with the **international merit-based Debate system**, and the **Abrahamic World-Wide Court System**.

-

I Propose that the Abrahamic God known to Christians as 'The Father', to Jews as 'God', and as Muslims as 'Allah' **are the same.**

-

Recall that arguments that clearly favor disOrder, tribal war, exclusive-excusing self-grandstanding and the suffering, grasping of power and resources, etc. will reflect badly on those who propose them without seriously good arguments.

.. so While you wave hands and vomit your Power-War-Evil goaled oppositions – we can all imagine what kind of vile putrid Witch mother, aunts, .. and would you have turned out more like a human that benefited self, society, God if they – like most modern Western and other societies' older women - have died soon after your birth so as not to Poisoned your soul so badly.

—

I can tell I have missed the unifying '[Kumbaya](#)' tone and let my '*Hack all the Witches to death*' and then let us start without the Satanic evil Poison of their Septic-Poisoning souls in the way – arguably sound underlining solution gets in the way .. but that I keep being reminded of when I suffer or see inJustices, needless Sufferings, unTruths, ...

-

Imagine what a Better world in most if not all ways where we could have TaserDuels, and the first result in any Just civil-secular conviction (of a very limited set of basic laws) is public Tasered-till-Pissing-and-screaming

and how many of us and society would have been much better off with those regular examples and threat of real physical pain?

My own excuse as to why I can write so bluntly is that I have proposed practical good solutions but those in power – the Witches and their minions – would never allow, so we must wait for their death or whatever that removes them from power and positions – and their minions and 'dead weight' placed in power positions to do evil or to prevent Good from being done from those Institutions where meritless virtueless putrid cunts are occupying. ..

.. The back-stabbing male-hating and merit-hating grasping F-ing nightmare co-workers, managers, service providers and all the other society destroying dead-weight dragging and destroy all Goodness that existed in those once very good functional Western [Christian] Virtue-based society.

So if you say how bad and evil such suggestions as I have discussed and argued are Just, yet ignore my many good and simple alternatives – why would you object if someone kicked your teeth-in and broke a leg of all the older women in your family .. should not such a vile retarded viscous lying slimy cunt as you not feel that would be Mercy over what is Just for such a Witch?

—

That is probably enough for now. Repent and Seek God.

—

May this be a Blessing to you and us all. [And all our Futures, and our future Multiverse Pasts.]

Anyway – something different for a break ..

[Written evening of Wed.]

I have been considering what to do – if anything – about the Witches torment and torture of me in this Fevered-Dying Nightmare I am in, and though it best to

Poke-em in the Eye by writing extra – especially if it can be collected later and Posted in a fuller complete(er) form of Apologetics on Facebook (as well as SubStack and Minds) where it will appear like this, in pieces first.

I was thinking about the Fevered-Dying Nightmare and wondered about the expression that goes something like 'Feed a Cold and Starve a Fever' and on the side I happen to know that with my Bus-Mask-Requirement-No-Medical-Exception inability to travel & food shop so forced diet of Carbs ordered online that kicked in an insulin insensitivity that any wounds I have take 3 or 4 times longer to heal and do not heal as well as before, and subject to infection and require serious attention and poultice of Garlic and soon to order Epson Salts and such, real old school as I have been refusing to seek treatment in what is clearly a Satanically controlled and directed and filled Medical System ..

.. Again - I trust and like my Doctor but do not trust anyone he must trust in the System, and likely although I have never had a complaint about his Staff I know that there is something going on between the women that is all employed (last I knew) and with women I have long ago realized that they are untrustworthy as a group – most all but the rarest will always silently support if not actively the Female-Evil Horror they with putrid slime and disHonor attack men (and other women not following whatever Local Witch is in power over their vomit-souls) and because most of you are F-ing Brain-damaged Demonically-Oppressed cnts I will say ..

NoAll women (are better Gone from [unsupervised] power over anyone .. including themselves.)

Al that aside, I before could never remember what order that saying goes, but now I understand as I have meditated on my health in relation to insulin insensitivity .. and it is Starve a Fever because food ingestion results in a surge of Glucose in blood and even if insulin system is working as it should there will be a period where any bacteria will get 'fed' in the excess until the glucose is brought back to normal levels and will spawn sudden increase in numbers.

.. and many fevers are bacterial infection related.

-

And it also suggest that those who's blood-glucose is poorly managed are likely to have body fall behind the needed fighting ability – and not only because their immune system is likely being starved as the rest of the bodies' cells .. starving in a sea of food .. because what glucose that existed is used up and the system which produces more is also being starved – strange as it seems – the Islands of Whatever the name is may actually die – likely die as the situation stays unmanaged – and last I learned years ago, they do not reproduce.

-

This is one of the advantages of being interested in Science from 5th grade and Shaping myself for a life in the Sciences .. that turned into a Hellish Nightmare filled with putrid horrible Witches and retarded male-hating cnts .. but Knowledge of all forms – including the

Vomit-System that is Basic Medical Research and everything that non-merit and vitrueless vicious women and minorities have packed into is something to avoid and never trust and if possible – destroy as the Witch infested baby-murdering fatherhood destroying God-Hating Vagina-god Satan anti-Rational anti-Logos unTruth, inJustice, disOrdering Evil Spawning and Spreading malignant Cancer on all our souls and throughout the West and world.

A Female-Evil Spreading Cancer that we should all be asking about .. Who is supporting such, and more importantly to address directly and minimize hurting those that are warped Demonically-Oppressed victims from crib Human and Soul Shields to Satan and Her most powerful Minions, to go directly and Cleanse the more Putrid Evil Source, the question should be ..

Who is in charge! .. Who directs this Satanic Witch-Matriarchy Hell?, ..

That is such a fun video clip .. at some points in my Weakness I can imagine blowing the brains out of those evil Witches, those who refuse to Repent.

.. But God Demands Love and not Death, and Demands Better from me and you!

But an interest in Science from the moment God Graced me with the extra Signal Processing abilities to manage my Dyslexia ..

(as mentioned in Post, 'Multiverse Journal - Index Number 1586:; July 13th, 2022, Wednesday Morning', Click for SubStack or Facebook versions, or see PostScript for URLs)

.. and gave me a focus away from the Family Demon directed family horror-scape we were living under with a hyper-empowered Demonically-Oppressed-Possessed cnt mother and functionally No Fault Divorce muted father ...

May God have Mercy on all who support No Fault Divorce before they Justly Killed as Witches and Satanic minions - in Rick of Judgment - for such Howling Evil fatherhood destroying support. Another Vagina-god Satan directed Cancer on all our souls!

—

And so, encourage your children to have some interest in Science if you hope they can decipher solutions to these and similar problems which might effect them or loved - but be sure they understand what can be trusted anymore .. everything is suspect in this Satanic Putrid Vile 'professional women' filled Witch-Tortured Fevered-Nightmare reality in this GreatSatan where if a putrid lying baby-murdering fatherhood-destroying child-mutilating cnt has recently touched it – within the years after 1980 – then it is no longer Science but Septic Vomit Propaganda .. and Google and all other search engines are similarly Sickened and Demonic-AI twisted.

—

[Later – Different topic]

I was now wondering of this as a motivation to 'balance' socioeconomic systems throughout the West .. by the automatic and randomly picked older women (post

menopause) for every man, woman, child killed in war where their country is involved – actually fighting, supporting, or not objecting and actively working to stop the deaths .. so yes, each death in war could and should result in normally putrid laughing supporters of war, evil death older Witches in society many many multiples of 3 of them for each death.

We could and should expand that to each baby tortured to death legally (or otherwise), and for father and children separated by the State or whims of putrid cunt women, or parents separated by State.

The 'Balancing' aspect would be that those in smaller socioeconomic class would be more likely to die, and so the very few well to do would work to move more into their class or shed wealth (including off-shore, and owners of corpDragons, etc .. those who lie die also) donate or invest to other with less.

It is an idea only – something to remind us that the sex that takes most all the resources and do the least dangerous work, and rarely killed in those wars the voting putrid retarded and-or evil women choose to support .. what howling vile slimy evil horrors, many of who spend their day destroying men's lives, kicking testicles, and many who's day was not 'successful' unless some males were punished or forced to suffer that day or for rest of life ..why not piles of corpses not seem like a better Future without such howling evil Sick-souled horrors andthat Cursed Breathing evil?

BTW – in case you are unable to Hear me .. F-you!

(And I mean that as a Loving Correction – I and many Clear Seers can argue many of your deaths for a better

future. And yet you Laugh and Cackle .. not warning those males near you, inHuman putrid disease Female-Evil sickening cock-roaches?)

-

I am perfectly willing to change my mind – all you need to do is convince me and most men that there has not been a systematic genocide of white [Christian] Virtue-based men and [possible] fathers since the Civil War by the evil-Fed and now this GreatSatan Empire .. to be replaced by less virtuous men and now vitrueless and virtue-hating men who hate our Western values. And the womanhood were somehow unrealizing of this and not Active to our very slimy vile mothers .. you F-ing horrors!

Reminder - Man enslaved with F-ing male-hating baby-murdering family-destroying cnts taking our blood, sweat, pain, suffering, tears, and crushing our testicles and laughing., ..

Battlestar Galactica is a three-hour miniseries (comprising four broadcast hours) starring Edward James Olmos and Mary McDonnell, written and produced by Ronald D. Moore and directed by Michael Rymer. It was the first part of the *Battlestar Galactica* remake based on the 1978 *Battlestar Galactica* television series, and served as a backdoor pilot for the 2004 television series. The miniseries aired originally on Sci Fi in the United States starting on December 8, 2003. The two parts of the miniseries attracted 3.9 and 4.5 million viewers,^[1] making the miniseries the third-most-watched program on Syfy.^[2]

Plot [edit]

Part 1 [edit]

After a 40-year armistice in a war between the Twelve Colonies of Kobol (the homeworlds populated by humans) and the Cylons (human-created robots), the Cylons launch a surprise nuclear attack intended to exterminate the human race. Virtually all of the population of the Twelve Colonies is wiped out. Most of the Colonial military is either rendered ineffective or destroyed due to malware in the military computer network that renders it vulnerable to cyber attack. The malware was introduced by Number Six (Tricia Helfer), a Cylon in the form of a human woman, who seduced the famous scientist Dr. Galus Baltar (James Callis) and exploited their relationship to gain access codes under the cover of an insider contract bid.

The *Battlestar Galactica*, a hybrid battleship/aircraft carrier in space that fought in the earlier war, is in the final stages of being decommissioned and converted to a museum when the attack occurs. During her decades of colonial service the *Galactica*'s computer systems had never been networked so the *Galactica* is unaffected by the Cylon sabotage. Its commander, William Adama (Edward James Olmos), assumes command of the few remaining elements of the human fleet. He heads for the Ragnar Anchorage, a military armory station where the *Galactica* can resupply itself with weaponry and essential supplies.

Secretary of Education Laura Roslin (Mary McDonnell) is sworn in as President of the Twelve Colonies after it is confirmed that the President and most of the government have been killed (Roslin is 43rd in the line of succession). The government starship carrying her (*Colonial One*) manages to assemble a group of surviving civilian ships.

When a Colonial Raptor shuttle from the *Galactica* lands briefly for repairs on the Twelve Colonies' capital world of Caprica, the two-person crew, Sharon Valerii (callsign "Boomer") (Grace Park) and Karl C. Agathon (callsign "Helo") (Tahmoh Penikett), offer to evacuate a small group of survivors. Helo remains on the stricken planet, giving up his seat to evacuate Baltar, whom he recognizes

That series was such an excellent example of good writing, good realistic special effects, decent acting, .. everything came together with real drama and battle scenes that were engaging.

The aspect of the premise – a warped Mirror of the biblical Jewish Exodus from Egypt and escape from Slavery, except with the Jews (monotheists) the AI humans-Cyborgs, and robots and they were the ones perusing and of superior force and strengths, the humans were the polytheists running .. a fantasist balance of the Biblical Narratives so towards end you actual desired Good of all sides and each of single conceived actors .. the battles we devastating because until towards then end of the series the Cylons were nearly guaranteed resurrection and new bodies on death – an Upload of consciousness ..

.. so like those of us Catholics with True Deep Faith – or who of us who have Memories or past lives and deaths – Death was not to be feared, and if Spend well would be rewarded.

And the Polytheists humans had as little assurity of life beyond .. as little as the average hedonist Satanic-warped from birth Westerner – so they had a desperate fanatical Beauty, and their Sacrifices were of far greater Significance because of that constant doubt., ..

DIVERSITY AND UNITY

It is now accepted among historical scholars that in the decades before the Collapse, America suffered from the sicknesses of racism and "cultural identity". Everyone wanted to be seen as special. Every group had to be "equal" to or preferably better than its neighbors, and fought to protect its "special" rights. If anyone had something that someone else wanted, they were painted as racist, sexist, elitist or worse. This divisive "me first" attitude eventually tore the fabric of American culture apart and caused it to self-destruct in a fireball of competing ideologies, none of which truly recognized each other's validity. Diversity led inexorably to anarchy.

/pol/'s Razor

If the Holofoax actually happened, and the Allies really did save jews from evil gas chambers, jews should be building monuments to their White rescuers and singing their praises. Instead, they write article after article, policy after policy, about how all Whites need to be sterilized and exterminated. They are ungrateful to their liberators. Men charged into machine gun fire to save them, and now they're telling the generations that came after that they all deserve to die for the crime of being White.

Thus begs the following questions:
 If the Holofoax was real, and jews hate their liberators, doesn't that prove Hitler right about them?
 Or alternatively, if jews feel free to attack their liberators and have no guilt in doing so, doesn't that prove the Holofoax never happened?

Three of the best known works on World War II history are:

- General Dwight D. Eisenhower's 559 - page book titled... **CRUSADE IN EUROPE**
- Sir Winston Churchill's 4,448 page - six volume work titled... **THE SECOND WORLD WAR**
- Charles de Gaulle's 2,054 page - three volume work titled... **MEMOIRES de GUERRE**

Published from 1948 to 1959, these books totaling 7,061 pages make no mention at all of anything related to the Jew's Holocaust story.

Y'all think our memes are lies, I know. They're not though.

Bundes Kriminal Amt forensic report, 1980

In 1980, because of a lawsuit in a German court, the German state forensic bureau, the Bundes Kriminal Amt (BKA), forensically examined the original "diary" manuscript. Their analysis determined that "significant" portions of the work were written with a ballpoint pen. Since ballpoint pens were not available before 1951, portions of the work were added well after the war (Anne Frank died in March 1945).

The BKA also determined that none of the "diary" handwriting matched known examples of Anne's handwriting. Earlier handwriting experts had determined that all of the writing in the "diary" was by the same hand. Therefore, the entire "diary" was a post-war fake.

The true author of the diary was Jewish novelist Meyer Levin, who demanded and was awarded \$50,000 in payment for his work in a court action against Anne's father, Otto Frank.

Law as a Weapon To Desegregate America's Schools

By Benjamin Ivry

October 13, 2016

René Salinas Ramos took the dramatic step of changing his legal gender while embroiled in a fierce custody battle with the allegedly abusive biological mother of his daughters. Since Ecuador law arguably favors mothers over fathers in custody proceedings, Ramos decided that if he couldn't beat them, he would join them.

'The laws say that the one who has the right is the woman. As of this moment, I am female. Now I'm also a mom, that's how I consider myself. I am very sure of my sexuality. What I have sought is that I want to be a mother, so that I can also give the love and protection of a mother,' Ramos told a local news outlet.

This brave move has been slammed by trans activists who have decided that this isn't a 'real' gender change. To those people we say this – trans women are women... bigot.

**Some people want you to believe that
Zionism is not related to Judaism**

There is no bigger lie, the two are one in the same !

They want you to believe that bad Jews are Zionist Jews and that Judaism is a good religion, they hope you remain ignorant of the long sordid history of the Jews, they want you to forget that Jews have drawn the wrath of the rest of the world throughout their entire history.

They do not want you to know that the Jews are the organizers of terror and authors of the false flags and the wars, and they do all this evil in the name of their god, religion, philosophy, tradition, strategy.

They do not want you to see that the western nation states are all run by the snake Rothschild, that this ruthless and bloodthirsty reptile creature is Jewish, that all his agents infesting the state and pulling the levers of power are Jews.

Zionism did not spring out of nothingness, **Zionism is the political expression of Judaism.** Zionism is the perfect logical

political expression of Judaism. Zionism is the perfect logical expression of Jewish holy books like the Torah and the Talmud. Obvious to any rational honest person

Rodgers Won't Stop Talking About "The Hat Man" Since His Archbishop Trip

Hat Man Since His Ayahuasca Trip

Not much is known of the mysterious “Hat Man” except that Aaron Rodgers first started seeing the shadowy figure after his Ayahuasca fueled trips in Peru during the 2020 and 2022 offseasons. Aaron says “He will sometimes appear in the distance usually veiled by darkness holding the corpse of a dead rabbit and sometimes a blade.”

The case of Courtney Clenney, young OnlyFans mudshark who stabbed her stalker boyfriend to death in self defense, was set to get little to no news coverage because the story was about a black stalker who got killed doing what black people do: trying to rape and hurt White women.

The police department had already received a call from her days before complaining about him stalking, explaining that she didn't feel safe, and requesting a restraining order.

The police department had stated that the killing was indeed in self defense.

AND THEN IN A WILD TURN OF EVENTS... it turns out that poor Courtney had called him the NIGGER WORD while she was fighting for her life.

Now the story has nationwide coverage and she's being charged with 2nd degree murder.

If you arrest a Rothschild and lose the war, you will be the most slandered person in history.

The unforgivable sin of Hitler's Germany was to develop a new economic system by which the international bankers were deprived of their profits.

Germany Reported Not Satisfied With \$600,000 for Release of Rothschild

LONDON, Aug. 29 (CP-Hava)—German authorities are not satisfied with a \$120,000 (almost \$600,000) "ransom" offered for the release of Baron Louis de Rothschild and have demanded control of the Wittkowitz works, biggest industrial concern in Czechoslovakia, in addition to the money, according to The Daily Herald (Labor).

The Austrian Rothschilds offered the \$120,000 for the release of the noted financier, held by the Nazis since Austro-German Anschluss, the newspaper said. The French branch of the family also declared itself willing to make a considerable contribution, it added.

MAJORITY SHAREHOLDERS

The Austrian Rothschilds were said to hold 51 per cent of all the shares of the Wittkowitz concern. The remainder of the shares is owned by a Czech bank which purchased them from another Austrian family, the Guttmans, for \$5,000,000. The Daily Herald asserted.

The attitude taken yesterday by Magistrate Herbert Melcalfe when he sentenced three German refugees to six-month prison terms at hard labor for having illegally entered Great Britain was criticized by the press today.

Mr. Melcalfe declared: "The way stateless Jews from Germany are pouring in from every part of this country is becoming an outrage. I intend to enforce the law to its fullest."
