[Not allowed to Post on Facebook – for 22 [more] days.]

(Yesterday I posted a PDF of my Facebook 'offending' history and under some PDF client program the overlay with the information does not show – the FireFox version does this, and the wide-spread separate Adobe version works fine. And since the DropBox version – unless you down load to local system – used the Browser's PDF display extension and so it is missing there also.)

My relative who was visiting me (an older brother) found a place and moved in yesterday. I was able to help him with the first rent aspect as he is between checks, and I told him that he need only pay me back for half of it, because the other half was from our grandmother who once provided for us and considered us in her

Will and Testament, and she would approve .. and this morning I though while doing the aspect of my 'Holy Candle Prayer' that involved Ancestors and family interconnectedness and ultimate Communion with spouses And also with laying the groundwork Template of Jesus Christ's Holy Church through Service, and by Announcing Him by Name or God (The Trinity, etc.) that was akin to Jesus' Foot-Print in the foundation imposed by the Service.

And my brother was first to Acknowledge Jesus has been helping him so much .. so he did the Foot-Print in his and my soul.

I would have given him the entire but by seeming to care for half I was able to do the Service in Grammy's Name, Honoring her soul and her Benefaction. I do not expect and if he does will refuse the pay-back. I never lend anything that I assume I will never see again, Forgiving Debts is Christian Service, Sacrifice, and Stewardship. ..

.. that money was collected as a little attempt at padding in my account because it was getting very tight recently – which I am sure a lot of people on fixed incomes understand because the the designed Suffering and further destruction of the Western Society and Dollar advances – as those in Power have purchased through the Trillion dollar (extra) a day REPO banking market scam – using it to buy up everything that has significance and also causing the clear destruction of dollar to wipe-out all money savings and most other assets,forcing many who own homes to Usury Borrow against it – and be later foreclosed and-of controlled by the similar Powerful Satanic forces.

After all – Slaves & Serfs were sometimes allow to live in the Masters' housing as long as they do what they are told.

—

In this morning's prayers and meditations I Reflected on the clear #FalseFlag event and how much like the Fraud '**Assad Gas Attack**' which the UN investigated and the engineers decided it was all staged and the Minions of Satan in Administration reverses the findings to promote Death and Hell, or like so many other known clear #GreatSatan aspects; Weapons of Mass destruction as justification of the murder (Holodomor like Starvation using International LawFare Sanctions in punishment of moving against the PetroDollar) of the 500,000 babies and children dying in their helpless parents arms pre-War, or even the clearly supported knowledge by many of the 2014 DeepState overthrow of Ukraine's democratically elected government and the start of the murder of 14,000 Russian speaking Ukrainians, ..

.. which threaten Russia directly with the Advance of NATO and Globo-homo Satanic baby-murdering family-womanhood-manhood-children soul-mind-body-sexual mutilation and the Venture Capital Golden-Calf Satan worshipping few international Witch-Matriarchal ruling families and Their Vagina-god Satan following hyper-empowered women supremacist male-hating and brain-twisting

(and twisted) womanhood and generations of trained Dog-males and 'Professionals', etc.

So I wondered - how could 'people' not see this for what it is?

I looked locally, at the few NPCs I know (Non-Playable Characters – which is what the software programmed computer game players not controlled by a person are refereed too) and the level of Dense intellect and seeming weird inHumanity displayed – they seem and act like they are real but seem to be unable to grasp Abstractions (like what is measured on the SATs – this is to that AS that is too ..?) and seem to lack Persistence in concepts of even aspects of shared involvement – long conversations with some when I was spending time on Church Street about something and 2 or 3 days later the person not only has not reacted in anyway to what was discussed, but seemed to had forgotten it happened, but 'remembers' when prompted – remembers it happened, that is – or at least says they do but when aspect about what they did or did not do or applied our discussion .. well, you might have just triggered a 'Repeat' button.

—

I consider such in relation to my Model of Holy, the Holy Simulation – the simulator Satan.exe directed by The Lion in the form of Holy-in-training mMasters – those of us who were Judged and so Must now direct our Willed Rending of God's Will versions of related Sins we introduced and that Holy Human Dignity requires Exist, the Multiverse that was not God's Will.

You may Get the Village of 72 Virgin males (with female versions – like Eve was too Adam), 144 people in other ways of course. When through Sin you must Start and Be mostly the ILamb and Suffering the Hosting .. until you Start and are Able to impose your Will in Just and Righteous ways – and so show you are acquiring Virtue and eventually Merit (as you Suffer and Learn why Sin is unTrue, unJust, disOrdering, unLoving, unCharitable, unMerciful, .. At some point you not only Realize this, you Realize that God does Love us unLimitedly and He has Given Us a Fanatic Way of Service and bringing ourself and all other's ArchAngel Gabriel Add to Him, while Bringing His Kingdom and His Will to all the Nations that formed from the original Village .. Recursive Nations of those Avatars - as You have Become.

Maybe also wondering when the Quantum Firmament will be 'filled-up' in this Infinite and Increasing Rate, and as the Integration and Communion happen you can Consider the Infinite God and His Infinite Love – and that each of us Can Be and Is Loved more then all the Rest by Him .. an Equality where us each is 'more Equal' to Him then the rest of all of Creation.

—

So, to try to Rein-in this a bit, I decided my first pass at this when I was considering on how limited my personal influence was in

general – and that it seemed only my mistakes and sins Persist beyond my immediate one-or-two level of person connections (and having not spent much time yet in focused Active Service and seeing that effect, as I am now noticing – Praise God!) ..

.. how it was as if there was a 'outer shell' of seeming existence – Simulation – presented on media where either I do not exist or only my worst Sins are reflected .. some version of me that I would not feel comfortable near, of recognize his thinking – someone still actively Sinning and perhaps has Always made and making bad choices – and that Outer Simulation was many versions of those .. the Venture Capital Golden-Calf Satan worshipers and minions of their Witch-Matriarchal mothers, aunts, .. Tools of Satan.

-

“.. All my Sins are before me, ..” Psalm 50(51)

-

So I considered that there were at least 3 or 4 levels of this going on – extending out-down Jacob's Ladder Levels and a system where the Lower versions were in the most power at the International aspects, Simulated or 'replayed' as those events are so divorced from us as to be only Cautionary Tails and examples of our sins made Huge we are suppose to notice, and back towards the immediate connected people where we have the most Influence.

So consider each repeating Day-of-Bread that starts at SunDown. If I were Writing the System Code I might have a Day at first time were you functionally do not exist – to whatever degree you act Neutral and so can not and do not Impact anyone and there Sins and Salvation Status.

And with that as a Base-line all interactions in the Day-of-Bread could be Measured and Judged, through the long term Impact on others and the world (other Corporate Actors that exercise Holy Will – or could, as well as the physical world changes.)

With that the mMaster and those above can measure and make changes – although every repeating Day-of-Bread starts exactly the same, aspects like Quantum outcomes, or dreams remembered – injected – can influence and might change for testing resiliency against Temptations, with Crosses, .., and-or willingness to Charity, and Sacrifice.

—

So, I decided that the women I think of as Intellect Dense is a version - of my mMaster, mMy Avatar who is always in the earlier stages, and that for her to the extent I might be in her other Simulation Bubbles – I might be the intellectual Dense version.

And I think that is enough for many to get an idea of why and how our Reality can be as it is, so anti-Rational and seemingly Dense at many levels. Think of it as a Computer Game and many of us are in the very High Difficulty Levels, which is a very good sign – it means that in God's Plan – he can expect really Significant Good Things from us, and we all need to be Better – then we were Yesterday and in Last ToDay.

—

The other consideration is related to much of what I commented on down below yesterday and last night – my brother being in this small apartment and reducing my meditation time required me to be double effective in doing this Journalising – I like that word .. it has a hint of Naughtiness, and so I was still in that mode as you will likely note.

—

My conclusion is the Huge Value for the Multiverse of these – our Sufferings.

How the conditions; birth control, no fault divorce, legal Abortion, fatherlessness and functional neutering of men and fathers, demonizing Good traits, punishing Virtues, women's vote and involvement in positions of power – after being raised in such a world, the inability to meaningfully Correct women and even between each other, unlimited cheap food, pornography, Lies we want to hear, ...

The total degradation of the Dying Communed Soul and Church - all aspects of Life - which results.

An Apologetics against Sin and towards the Righteousness of God and His Laws, and a lot of other things.

You must consider that the Start of every Day-of-Bread is re-runnable and Eternal. So this might be a place – Today – where a Holy Child might come to See and Understand why something Must be a way Decreed by God. All of Hell – these Satan.exe versions can be considered as such.

So, why is #PublicTaseredTillPissingAndScreaming, or #PublicDataBase, or personal #TaserDuels, or separating children from mothers by 8 years old, or Earned civil and other powers over others through [extra] National Service and Virtue and Merit Hurdles, how hyper-empowering people beyond their abilities is Bad for them and all connected – unLoving, the connecting the Value of women's (and Men's) testimony to not only there history as Reports in the #PublicDataBase but in the general measured virtue of women and mothers through [actual] False Rape reports, Parental

Fraud, and other society wide and measurable indicators where they apply – where mothers are a good Statistical Sample of all women of that general age and if they willing to lie to those they profess to love – lie life destroying lies and live with them – how much more willing to lie or destroy others .. Parental Fraud of 1/3 along with the False Rape reports to police of around 80% seem like a good measure of there Trustworthiness .. and they have been placed into power over families, work-places, gov, ..!!

Anyway – if we not all Demonic-Oppressed in some form or other these would be Clear(er), and that is part of one of my Evangelization Prayer – that people See how there Minds are clearly being Warped, made irrational and that it is not Normal – despite what those who apologize for Satanic reasons or who are themselves Oppressed and Clarity-challenged. That it is not only the clear Culling of the Best or most Potential that refuse to side with evil – in Satan's contrived need and call for Virtue then murdered - which as clearly been going n since .. well I am sure before the Civil War, and we see in Ukraine-Russia now, the slimy 'leaders' and there families are doing that and using it as excuse to do all kinds of other things ..

.. but Yes, you either have figured some of that our yourself (Welcome to the Higher repeated Day-of-Bread and the Tread towards Rationality and Logos – towards Salvation and away from evil-Blindness!)

Or you do and maybe will not – will hide from the little you do notice as that would mean that Satan is real and all that implies ..(?) or whatever. I am happy to Believe that this is not the Best You, and that is true for us all ..

.. God Demands us to be Better. And we should want and expect that for ourselves and everyone else – with that then God's Kingdom Come.

—

Okay – this is going to be a bear edit and publish as it is, so let us consider these few things and others and work towards having a good day by helping others and self towards God.

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Past.]

It is snowing! Very Pretty.

.. I suppose I must face the fact that that Summer did not last forever.

(It sorta seemed a little like it would. Timeless good weather.)

I decided to tightly wrap paracord around my indoor-wheels for my chair for the snow and ice this year. Or I decided I should try it, at

least. Not planning to do it today.

—

I do not yet have a coffee maker, but instead put the dried coffee into a quart jar and pour microwave heated water into it – cover and shake and let sit. Then I use a rice strainer to extract the fluid from the particulates, the fluid into another quart jar from which I pour the concentrated coffee into my mug and add water to taste – water and ginger powder actually (and a drop of Holy Water.)

I found that there always exists a little 'mud' that settles and every once in a while when I poured out the last of the concentrated coffee I used to wash the coffee-mud out, but recently I have let it build-up, and then put it into a stainless steel bowl and added a little cooking oil to keep it soft and workable, and baked it at low temperature to dry it, and now I am wondering what it might be good to use for.

Yes, I did all that without a clear goal in mind!

I figure it is only my limited imagination that will stop me from finding something useful to do with in .. even if it might sit there and be a testimony of my poor limited imagination.

It is a little like fudge consistency, and since I could and something do manage to drink a little bit in the coffee that pours into mug, it is okay to eat. I wonder if I pressed it into pill form perhaps, it might be an emergency caffeine source for when I run out, as it should have some caffeine contents but hard to guess how much – heated as it was a few times.

I suppose worst comes to worst a little could go into my potting soil. And I wonder if Mushrooms would like it – I rather think so yet I have no idea where that idea comes from .. would it be high in Nitrogen – and if so, maybe I should save all my grounds – I never liked throwing them out, they seem useful also.

It might be a good time to look around for similar kind of projects and ideas as I think such might become needed and standard soon, and the better a person and family is at it, the more they have to trade with others.

A reflection on Saint [Justly Saint] Fulton Sheen.

Of course every day that the Church delays the Revolution and Conformation of Saint Fulton Sheen's Sainthood - to Celibate and Use as a Tool against Satan and so Needed yesterday - is a Damning Inditement and Witness of the backwardness and-or Wrongness in our Vatican and Leadership.

Poor Megyn .. in each show I watch I see either her well hidden intentional Satanic service or a level of female-ignorance that is a good example for all to See and Understand that women in general Lack some level of humanity and Rationality – and should never be allowed in positions of unsupervised – very closely men supervised – power over others. Even raising children should end by 8 – restricted at 4 or 5 and draw n away from them gradually until 8. A 12 year old boy well educated and Right Forming may lack the life experiences – but compared to an older feted souled virtue-challenged women we would all be better off with the 12 year old boy in charge over the Demonically controlled twisted older woman – at least he would not be filled with male-hate twisted Poison Vomit .. like too easily openly seen by many women in power today, and more unseen by the older Witches in powerful families.

God Bless Megyn! And those others who clearly and openly display why such people should never be allowed power over you or anyone you love or every could love. Pretending to bring up an issue out of 'Caring' when it is the Female-Evil manipulation of getting-ahead and Framing complete with the lies and misdirection that pretends to be confused and so presents us all with what is wanted to be the lines and excuses to focus on. Training that Demon mother's voice as to what to say to sooth and distract from the real issues and causes – those anyone not Demonically Oppressed and who every worked around modern women should be clear .. they are Toxic disOrdering lying unJust destroyers of effective productive work – often coining all those near for the profit of being vile and vicious and hurting someone over something no one could understand – no one not a VagFeelie walking septic

Nightmare, that is.

The driving fathers and possible fathers from the workforce is an extension of the civil war, WW1, WW2, .., Ukraine-Russia and others ongoing that are not in the news the Culling of fathers and perspective fathers by those Globo-Homo baby-murdering child-men-women-soul mutilating ad murdering Witches in Power – who use the Venture Capital Golden-Calf Satan worshipers and Vagina-god Satan following Minions and family to push evil through all Western Institutions, Churches, Gov.s, corpDragons, ... The Female-Evil Satanic Arms and Fists from Hell.

Of course this is part of the Designed Genocide of Western [Christian] Virtue-based society – and these Satanic-Tools are pretending it is all '*only an accident*' or '*just happens to be*' .. are they evil or too warped and twisted incompetent to find their Ass with both hands? Demonic-Oppressed and filled with Pride that they think they have discovered something so clear that a toddler from 4 generations could have asked about.

Vile male-hating vicious womanhood – Toxic Horrors who can not seem to Poison every place we forced to be near them, turning every place the Witches now control into a timeless Hell of Sickeningness – in every location and institution. Gov and middle management Packed with Vagina-god Satan following women supremacists and God-Hating murdering grasping horror 'Professional' women .. and few of us have not been so evil-Blinded by those inHuman lying mothers and other family older women as to even be able to See them – and psychologically damaged and twisted from crib to push-against them – from the breast milk that evil-Poison flowed for generations, each cycle more Sickly and soul-mutilated with the [functional] fatherlessness and Witch-

following female-evil head-of-household. A Curse against Order, Justice, Truth, and God. An Apocalyptic Evil in nearly every child's home.

And F-you if you too evil-Blind and unable to See this .. I have worked with men and women all my life – easily and productively too start - and over time something have Sickened Womanhood – inHuman vile viscous lying slimy cnts and the men are nearly helpless because psychologically Blinded and if not or start to notice then every F-ing hand is turned against them as soon as they bring up questions or issues, '*problems with women!*' and the lies will follow them until they can not find work because the vileness horror lies follows them.

These days - our real Problem with women [in the work environment and many other places] is that they are Breathing there vileness and horror at us - or actively supporting the evils of other women – always against the men, against perspective Goodness and Change for better – the only Change allowed is whatever the Satanic Witch connected cnt points towards – which is true at the International levels down to that back-stabbing child-taking vile vicious wife and-or mother (teacher, ..) we all have Suffered.

These cnts pretend that the poor coping and escaping mechanism for the vileness and hate directed at us from crib, the frustration and confusion from being raised by a lying twisting mind-f-ing horror women and media – the frustrated attempts to escape the demon-mother's voice screeching Hate at them .. that too many fall into .. pretending that is the reason. The reason is that for far too many of us – our mothers and aunts dead at our birth – along with every powerful women near us for our young lives – would have been far better for us and the world ..

.. Putrid walking Sacks of Poison Vomit and evil (half unintentional – victims of the same but most have grasped the Power and propagate at some level or other) we have all Suffered and now are everywhere – always in power either openly or most often slimy manipulating Witches using others and rewarding and-of enslaving minions and tools to do the evils.

This is a male-hating cntHell filled with mind-twisted vicious lying slimy cnt women that Poison every workplace, and of course the anti-white-man discrimination that has been part of the Genocide of families that women are happy to go along with and profit-from 'Bricking us', themselves, and society, for the pocket change of the moment at the cost of endless Sickness, suffering, Sin, Death and Hell.

Only solution conceivable is from God, a New Flood – perhaps mass graves of post menopause Western women – the more powerful they faster dead the better.

A Clenching from God in a Real pandemic – Cleansing us from the baby-murdering, child-taking, family-fatherhood-society-Future

Poisoning and Destroying modern Western woman is all I can even conceive could turn this around and help those remaining to have a Future with Love, Life, Joy, Hope, Truth, Justice, .. Goodness – a place we could all want to have and raise children in – instead of making them Suffer the howling vileness and putrid feted Vomit and Evil of womanhood and it's increasingly souless Hating and Horror.

Can you think of Anything else? Anything that could penetrate Satan's Mind-and-Soul Grip on this world and all the sick souls in it? Please!!

Or will not even think about it - are Still too Demon-Oppressed and anti-Rational to see it?

Deny by focusing on that 'One Tall Chinese man' you once met and pretending the many others around are not feted vile viscous horrors, and you must Endure and Suffer because otherwise your life and future will be destroyed. And trying to do any action which suggests you See Them .. like the VC Golden-Calf Satan worshipers – your life will be destroyed and every hand against you (or they too will loose Banking, employment, housing, harassed by Witches and vile vicious women and their twisted Dog-males until death.)

Makes one Pine and Long for Nuke Fire and Mass Deaths – a good 3_+ Billion of mostly the worst dead so that from the Ashes the men can start to enforce Virtue, making clear that the Wages of Female-Evil and Sin is Death. And all for less then the number of legally and gov forced tortured-to-death babies in the last 50 years – Sacrifices to Satan. Is that not a Just response to this cntHell of Female-Evil Satan Worship?

.. What else then?!

—
—

Now here is an example of a women who seems hands above the normal in many ways, and seeming exception. At least those in power do not favor her and undermined her run for President – and that is a Good mark for her – if Satan pushes back against someone then at least they are not in the Top evil-League level.

Another excellent showing by her (Senator Tulsi) as a temporary back-up for Tucker., ..

Typical VC GCS Worshiper Minions allowed to be rewarded with secular power and resources – blood and treasure taken from tax and public resources (and our once good Name), and this one situation is the Culling of fathers and perspective fathers with Virtue and traumatize population to push Globo-Homo, Sin, Baby torturing-to-Death and other Sacrifices to Satan.

Does anyone else remember how Trump was Silenced on Jan 6th so he could NOT tell his followers and country Anything – which was intended, hoping that more violence would result.

Note they surrounded the buildings with an occupation force anyway .. which was already (likely) on the books and plans. A Clip from an older video .. worth a minute or two along with my comments and general Point – Brett and Heather (his professional wife) are a fantastic examination how those with Influence and of the Tribe can be (knowingly or unknowing) a Force of Satan.

The full video can be found in the post referenced after – Prof. Peterson initially misses the significant point that generations of people will start to Internalize unTruth – sure you can be a women, man .. and so the Demonic Voice they inject into you from the crib, people will and and defend the Lies The Witches say to them, with the internal Brain-Twisting anti-Rational Howling Evil Demons – which we all seem to Suffer.

I miss watching [@Bret Weinstein](#) but decided that he and his wife were either Actively Evil Satanic supporters about the Plandemic, or so warped and unable to handle the actual data that existed about the Horror they were supporting – and because part of the Tribe and pushing the Satanic-Poison Injections and damning and silencing others – the idea because they are looked to by some many serious Professional that have real reason to Believe what those two say they believe – to warp an entire Profession and all related and of course everyone else who can see they are incredibly intelligent and seem to manage complexities well.

.. Those two – Bret and Heather, husband and wife – matched the Perfect Evil-Tools for Satan to warp and delay the Wake-up that is starting (and if not actively evil I hope they are Waking also – I should look into them to see how they are managing it .. are they Virtuous enough to confront what they might have really believed, convince and-or kept EnTrapped over the lies and evil they might have actually been pushing.

Such people – as I warned about in my writing – are extremely Dangerous, and a good analogy of the Warped vile Mother who screeching Feminism while removing all good decent men [and-or father silencing with #NoFaultDivorce constant Threat] – with the media and school system re-enforcing the howling evil self-hate and-or fear, anti-rationality, injection of Demonic evil that allows for the Satanic Presence to exist and expand.

So .. YouTube and Google and other actively Satanic corpDragons – of course – promote them and Cancel all who argued or they dislike. I think I lost me Twitter because my arguments against infant genital mutilation was Reported by one of the 'Blue Ticks' with some kind of Anti-Semitism accusation .. those who are rewarded and have power in this evil CntHell are knowingly or unknowingly given Hyper-empowerment – Womanhood Legal Status – and can and will destroy us with the rights and status of a fetus in there Murdering-on-Whim existence created Hell.

Hmm, this looks great – they Otherwise are people worth Listening too, but can you Trust them – trust them not to push Evil when they are told – and unwilling and silencing all who try to correct?

I will need to review how they are dealing with the clear indications of the Harm the evil-Poison injections and Masks and such .. the fact they even support masks – as I recall they were, might be

wrong – but that I would have to look into .. so so much real Science always said (until the Fraud paper pushed recently) that Masts were always not only worthless for stopping a virus but has Huge damaging effects (in the Secular aspects, but dehumanizing and social, child, .. so many Soul mutilating aspects.)

.. note they 'Pretend' the population controlling mind-damaging Western wide pushed evil was not actively driven by Satanic Forces that are clearly and constantly in Power, and instead like so many pretend the Red Herring excuse was reason, and for some reason .. suppressed Sciences and people that were warning .. that the evil & Insanity is only part of the normal anti-Logos, anti-Rational behavior (or the clearly warped and brain-F-ed minds) of normal people.

This is part of why I do not trust them. The Pretend not to notice such, so will ignore aspects that we should all be thinking about .. after all, they do not want to be Canceled as they have already been once – but now they are allowed as long as they pretend and push the evil.

They are a great Study of Evil-Forces in society! This Satanic Hell.

When is it reasonable to disTrust the vitamin corporations, when such Professionals clearly functioning in ways that benefit Satan and Her Witches in Power?

Or even the distributors like Amazon – after all they know who it is shipped too – so why not the Poisoned, Drugged, or Altered versions shipped to you from the warehouse containing the 'Doctored' Poisoned versions? If Witch-minions in positions of power and access all around a city like Burlington acting against specific people in the Slimy Female-Evil Poisoning ways, ..

Prof Peterson has discussed that we constantly mentally Simulate the world around us by an Avatar of us – basically we let them die and save ourselves and choose differently.

It is not hard to realize then that dreams are just an extension of all the same behavior, except a Damping of memory and rationality (Awakeness to the Reality of dream State) and from there ..

.. to Then Realize that even those are part of the Jacob's Ladder Levels and Holy Simulation.

Seems like a great Guest. I hope to listen to the rest. (If looking for something to watch while listening .. check Kurt's walking to Far Land in Minecraft – audio muted and perhaps at faster speeds then normal. See following video for example.), ..

The screenshot shows the Wikipedia article for "Tender years doctrine". The main text states: "The tender years doctrine is a legal principle in family law since the late 19th century. In common law, it presumes that during a child's 'tender' years (generally regarded as the age of four and under), the mother should have custody of the child. The doctrine often arises in divorce proceedings." It also includes a "History" section mentioning Caroline Norton and the Custody of Infants Act 1839. A sidebar on the right lists related family law topics like "Marriage and other equivalent or similar unions and status" and "Private international law". A small portrait of Caroline Norton is visible at the bottom right of the article content.
