**April 4th, 2023**

Good Tuesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

**Index Number 1854:**

—

Okay – I had some nice meditation Reflections and happen to get triggered by the 'Femicide' word I have been hearing once again from a number of international news sites – as if they are coordinated, even those 'anti-West' ones – as if not making an entire set of 'Special' laws for women – above all the other normal special laws to protect and privileged them is needed .. like the 'Hate Crime' vomit – it Never applies to Male, Whites, and Christians.

.. I wonder if all those slimy male-hating Septic Toxic [powerful] older women pushing of supporting such – if perhaps the Legal Balance would not be to give them the legal status of the unborn – on a whim someone can duct-tape their mouth closed (silence them) and have them ripped limb-from-limb, like most support Witches torturing-to-death those babies.

Anyway – between the last few days listen to that Vagina-god Satan Poison idea being re-introduced, like all evil the powerful push – they repeat over and over again until enough people stop thinking what an evil bad idea .. or the next generation of Witch raised children become the majority with those retarded grasping and-or slimy [older] women vote and push it, ..

.. the Peterson interview below also showed their evil-Blindness about women as only victims and all badness is the uncaring old white men who have all the power Vomit.

*F-you and your Satanic retarded lies.*

---

There is a lot of source material connected to this video I hope you will consider reviewing. The URL to the site that have all the source URLs is included – but consider how easily things disappear – especially when it has Truth the Witches and evil-Blinded retarded Witch raised 'normal' people do not like it – going against the vomit lies that has been whispered and screamed at us since crib by similar Witches and mind-raping horrors. .. the entire list is in the PostPostScript (PPS) below – and all those were converted into PDFs as best I could and on my DropBox account; ..

-

**{sub-Folder containing PDFs}**

DropBox: <https://www.dropbox.com/scl/fo/dlufhz5717kg8q1i9ibc6/h?dl=0&rlkey=im58944sc9rbtpith66m5wx5w>

---

Before the video I remissness about that national news story a few years ago out of Africa where a number of young girls were kidnapped and all you heard was about them – but only after a long time – over a year later – I learned that at least as many young boys were burned to death by the same group at that same situation.

.. InHuman Horrors – and I do not [only] mean those who killed them.

The day God sends a Real pandemic that wipes the older women horrors away will be a day of Cleansing for those remaining – and a reverse of the septic feted horror we all forced to endure and die in.

---

---

Some background to consider when listening to anyone using the Term Femicide, Or discussing 'poor innocent women, bad oppressive [rapey] men,' 'old white men causing [ignoring] problems,' and similar.

.. *“Woman are 8 times more likely to kill own infant then be killed by a man”*, ..

*May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Past]*

---

---

A re-visit and interview with this guest – this topic and the insane priorities and actually clear purposeful abuse and misdirection of the ruling elites who say they want something for some reason – but Hate us and want us all suffering and dead to their profits and evil Profits (us Burning in Hell) and the confusion of us all at the personal, local, national, and international levels – the constant diseased state that we all falling into is because we have been mind-raped and what were understand and learned from the crib have been systematic lies, and the constant death and suffering and horrors are part of their population control, ..

.. like that cnt vile putrid mothers, female teachers, punished twisted dog-males in our lives would not speak truth because they were putrid vicious lying sinning cnts most better they died before you were 5 years old now watching you suffering and pretending driving away father and decent men from life, education, .. and all those lies and mind-raping is not 99% of the problems and our lives were failures before we left home because of the drowning in those lies.

The guest masturbating on blaming old white men for poverty and deaths – forgetting a majority of women we all know support and likely would (many have) kill own babies and tell and live life-destroying lies to those they pretend to care about – and send men to endless wars and steal and enslave from men, and ..,

.. so like Prof. Peterson the Witch-twisted from crib Demonic-Oppression is deep related to agency of putrid Sick and Sicking modern Western womanhood.

Listen actively these and all those discussing anything of significant around us – listen for those areas where Witches have made us evil-Blinded to the putrid Septic Evils and Horror that Womanhood generally are., ..

They discuss a little on the [research and similar-related] Strangulation of the [functional] fatherless raised Female-Evil Poisoned horrors packing into every corner of society and institutions .. mind-raped and mind-raping slimy [functionally] evil cnts who's mothers, aunts, grandmothers, .. are functional if not actual Witches – and who's removal of them from any significant influences and retraining of those injured to critical thinking and to understand the vileness and vomit they were raised with .. is needed.

There need a Correction system – Merit and Virtue Rewarded instead of crushed is also needed. Punishing them and their mothers and other howling-vile horrors that twisted them would be good also – do you care about that F-ing Witch that twisted you enough to be doubly careful – or laugh as most should while she is screaming and pissing herself – once you have been corrected?, ..

An insane GreatSatan Empire Sickened world!

A gov which demonstrates daily to large sub-groups of entire world that those Gov puppets and the Witches & minions directing them and in the top 3 levels of all the Administrative State of systematic Satanic enSlavement - and why many of us wonder if we not better in the aftermath of a society-wide event from which every court house and federal building if not every major Hospital, University, .. institution and international corpDragon building burned to the ground and anyone declaring any old powers or authority related to them .. hanged dead in public with at least half the older women in their families – the Witches that warped and enslaved them ..

Do you also wonder if we all might be able to Live and Grow with their systematic coordinate Strangulation removed - yet?, ..

I include this for a different perspective many do not see.

I am loosing interest now it is clear the genocidal direction internal directed at us with in this GreatSatan Empire and out .. if the most powerful families Witches all were removed, and-or the widespread death of the 'typical' vile vicious mind-raping 'educated' Western women – the male-hating lying strangulating F-ing nightmare horrors .. then it will become interested – otherwise it is like watching a corpse molder and be consumed by maggots, bacteria, and sprout Poison mushrooms.

Skip if you – like me – would think that the above or world-wide nuke war is basically the only type of things that would turn this cntHell into

something other than a crying shame horror-show., ..

Trump's getting his laughable indictment tomorrow - and the Left are more angry and unhinged as ever.

That's because there's nothing that'll make a Democrat happy. They wake up every morning raging, bitching, moaning and complaining. They go to bed at night even more pissed off.

The Left was born to cry - sniveling brats who crave attention 24/7 and throw a never-ending daily toddler fit if they don't get it.

Miserable narcissists on steroids.
