Given that the last time I tried to rent a car my credit-card strangle would not work, like those 'No Fly Lists' and such, it is designed to destroy your vacations or plans, because they do not warn you, you work extra hard to clear your desk or whatever, give the notice that you will be gone, set-up the trip, hotel rooms, .., then you get to the airport and 'ops!' you can not fly, and you had no idea.

.

.. I wonder that would Shit would happen if the source of over 80% of the evil world-wide was Gone, like if God sent a Real pandemic that killed all the Vagina-god Satan Worshiping older women, but hopefully not more than the 2 Billion or so babies tortured to death by Witches as Sacrifices to Satan that occurred world-wide since 1980 they have been doing and supporting.

.

.

Alter self look will alter your self image and behavior .. would not all us self-loathing whites – thanks to the evil-Zionist international Witch family rulers Propaganda and Western society family, father, children, womanhood and motherhood twisting and destroying Generations – since the EnSlaving Civil War power-grab – would there be any whites allowed?

.. like Anti-Feminist and Maga Hat wears not allowed to do business in local coffee-shop or elsewhere, this way you can hide and get away

'outs' us.

"Did you know So-and-So is a white person!?"

.

The data-glove for the VR section is using the Polhemus AC-magnetic tracking device.

Company is/was down the road from here. The Engineer who developed the DC tracking system and company I worked in was an employee there and came up with an idea on the DC system to greatly reduce the distortion and sensitivity to electrically conductive material – the Pulse is generated and time pause to allow the 'ringing' distortion to reduce, then the Background field is measured using flux-gate, and the background (earth's and any other constant sources) are earlier in cycle measured and off-set in flux-gate sensor. Cool Stuff!

.

The innovation nearly ended as part of the attack on the West, and most of that is characterized by my experiences .. [white]

[#MaleHating](#) viscous lying hyper-empowered F-ing cnts jammed in every place where decent hardworking men (and serious decent women) use to do that stuff.

That and targeting murdering before born those newer ones that would have been the young man I use to be working now .. tortured to death by similar vicious Witches that destroying the rest of society and have been from before I went to University.
