Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and Hands.

Holy Virgin Mary and All Saints - Pray for us!

—

—

Index Number 1675:

—

So little time – so much I hoped to convey!

Today is Sunday and my ride to Mass shows-up in a little while so if can communicate something for publication, the actual publication sent will likely be lacking in editing and arrangement and any of the [unlikely] 2nd pass of editing that is done once the obvious spelling mistakes are complete.

I expect – God Willing – to return sometime after noon – this being

an after Mass coffee week, and not the Catholic Formation and improved Discernment Class, Catacismus class, which would run later.

So, let me begin.

—

In this morning's Prayers and Meditations I laid the groundwork and mentally reviewed some of the recent posts I have made – so when I was in my Bath I realized something about the two women and dog that passed me by yesterday and talked long enough to be 'checked out' by the dog, which I passed but was clearly Master focused and might have been and probably is a MechWarrior and Master's Guard and more in some Jacob's Ladder Levels of the Princess and her Lady in waiting – another Test – who actually checked me out! And had I responded in anything but pleasant surprise and flattery - plus all that comes with an inventory of a woman looking at a man for evaluation, comparing my older arms and shoulders to the much younger versions of me, and noting the slightly pudgy upper legs and slight paunch – indication of my retardness and weakness in Temperance in eating and which comes with the moral aspect of clearly God has given me a very very good health reason to take such under control, and I continue to damage this Chapele of the Holy Ghost visit and subject all my Redeemers and myself to further Suffering and Molding in Purgatory, which all comes from such evaluation – at least for the version of women she is in those Jacob's ladder, and the evaluation was made clear to me – so If my mind immediately went to the things I would have been thinking about her and us together – then perhaps she might send an older version of herself towards me, but my younger version would not be a play-thing and soul-friend that I would otherwise be in her connection to the Princess's Lover and more.

I should add that on Sunday Mornings especially – Holy Virgin Mary is present at the side of my bath as she .. well a Maiden Version was once when I was getting ready for an Audience .. and where she told me that I should do a decent job in cleaning the tub after because God would be using it – and I did not understand that she meant God that is within me, and generally I should treat my body and surroundings as if I were borrowing God's Body – which we all are, of course in that He is that which all the Redeemers and Hosters use, as our souls are Activated by the Holy Ghost as He rapidly Passes Through with the Grace (Attention) much like an Application is loaded up by the Computer Operating System and given a bit of Processor Time and then Paused and the next one – and next (and I would add Recursively Loading all our Organs, Cells, .. down to through all that is Relevant and has Quantum Collapsed into the Holy Simulation.)

So being near Holy Mary like that and listening to the music I do when in Prayer I got the information of what happened yesterday – a lot of that I fill in through my Rationality – the Presence is like a sudden Impression – '**Did you sense {this and that}**' along with the Communion ability to have access to shared mind and information that is allowed – like a System Library Function Call.

And I realized before that my Statements about Ann said much more to those Listening then I ever Intended – and it is that kind of passing thoughts that are so significant. One of the things the Women in the Holy Tent had me do as my roll as Programmer was

to give specific women access to my thought – which I once regretted, as it gave Witches who were intent of exploiting my weakness access, but I realized after the Lion's visit and Communion that this is a major major advantage as long as I stay True and Right and work and improve Virtue – in that my truth – the closer it is to The Truth is something they Must Listen to, that those women who Bind themselves enough to Listen, can not UnListen, and so have and are often under my Influences.

.. the Witches who Jumped at the Opportunity for such when offered by Satan (well, directed by the Lion) would Pay in such a Binding in that they would be forced to See the reality as I do, and the more Holy Flashes – the more those women Must Change or Suffer the Pain of the Lies and such they Hold Dear.

And this gives me insight into my Sister's Friend who my sister brought along in South Jersey to 'go to movies' and told me directly when inviting that she was a Witch, and I said Okay (not putting much a stake or concern in the weirdness of women, the women who did not seem interested in talking as my sister did not while we drove towards .. the hypothetical movie .. although it strikes me with new insight and view that in that car was Timeless – night and endless seeming road and driving in a strange silence .. suddenly the Spell was broken and she Screamed and by the time I looked after clinching – it seem like she did in right in my ear – that she was laying on the back-seat clutching her head – and my sister said not to worry – she is strange as her friend whimpered in back – and my sister said she better turn around and when I asked he in back how I can help she seemed to curl tighter and demanding my sister tell me what I can do to help she had a weird smile on her face, and then we were suddenly at the Witches house and she struggled to leave the car and walk – s I ran up to help and she did not want it (from me!)

.. as if she wanted to get away from me.

Yea – South Jersey was an interesting place – my birth place and I always had an affinity to it and the house spirits were fine with me and something I could sense then standing in doorways and such. (Some intended Multiverse Overlapping – I assume)

—

Oh, I see it is time for me to finish already – I got a little too side-tracked as I already wrote at least once about the drive – although my recollection is better in some respects now, like the Timelessness of the Drive and the clarity of how she was afraid of me – although was trying not to show it.

Too bad I could never get much from my sister about it – the Version I always talked to was not the One in the car that night, who seemed to know what would happen and was Allowing her friend to learn something very unpleasant – at her friend's insistence dispute the warning.

—  
Okay – I was going to say that my mention of Ann likely created a Multiverse where a version of me met her and what I wrote now exists in some, many many Multiverse Bubble Villages.

**BEN GARRISON**

# JEWISH RACISM

**There are 30 cabinet-level officials in Joseph Biden's regime.**  
 Jews are 2% of the population. If there is not a racist preference for selecting Jews for top positions, about 1 of the 30 cabinet-level officials would be Jews. But Jews have 1400% to 2700% more cabinet positions than that. In total, 27 of the 30 cabinet level officials are Jews, are Jews by marriage or have Jewish deputies just "below" them. America has clearly been colonized and couped by semites. The government no longer represents the people, just Jew racists.

<b>Kamala Harris Enhoff</b> Vice-President Kamala Harris Enhoff is married to the semite Douglas Enhoff.	<b>Joseph "Joe" Robinette Biden II</b> President Joseph's three married children have all married semites. (Melissa Cohen, Howard Krein and Halle Olliver.)	<b>Peter Buttigieg</b> Secretary of Transportation The Deputy Secretary of Transportation is the semite Polly Trottenberg.
<b>Anthony Mayer Horowitz Blinken</b> Secretary of State Mayer Horowitz Blinken is a semite, and so is the State Deputy Ruth Sherman and the Under Secretary Victoria Meyer Nudelman.	<b>Janet Yelen Blumenthal Akerlof</b> Secretary of the Treasury Janet Yelen Blumenthal Akerlof is a semite.	<b>Lloyd James Austin III</b> Secretary of Defense Austin III is not a semite, but many of his top generals are: Robert B. Abrams, Philip S. Davidson, David D. Thompson, David L. Goldfein, David W. Allread, Joseph L. Langford, Michael Martin Gilsky, Joseph Mathew Martin and Andrew P. Prokop are some of them. And each is a Jew's Right.
<b>Merrick Rosenman Horowitz Garland</b> Attorney General Merrick Horowitz Garland is a semite.	<b>Jacob "Jake" Jeremiah Sullivan</b> National Security Advisor Jacob is a semite, his wife is a semite, and so is the Principal Deputy National Security Advisor Jonathan Finer.	<b>Debra Anne Hasland</b> Secretary of the Interior The Inspector General of the Interior is the semite Mark Greenblatt. The Deputy Secretary of the Interior is the semite Elizabeth Klein.
<b>Thomas James Vilsack</b> Secretary of Agriculture Thomas is an orphan of a secretary and a supposedly unknown father. His adoptive grandfather was a semite banker.	<b>Gina Marie Raimondo Moffitt</b> Secretary of Commerce Gina is a cryptojew and is married to the crypto-jew Andrew Kind Moffitt.	<b>Martin Joseph "Walsh" Wolowski</b> Secretary of Labor Martin Joseph "Walsh" Wolowski is a cryptojew. His mother is the Jew Mary "Walsh" Wolowski.
<b>Xavier Becerra</b> Secretary of Health and Human Services The Assistant Secretary of Health is the semite transsexual Richard L. Levine.	<b>Marcia Fudge</b> Secretary of Housing and Urban Development The Acting Secretary of Housing and Urban Development is the semite Matthew Ammon.	<b>Jennifer Mulhern Granholm</b> Secretary of Energy Jennifer is married to the semite Daniel Mulhern. The Deputy Sec. of Energy is the semite David M. Turk.
<b>Avril Danica Rappaport Haines</b> Director of National Intelligence Avril Danica is a semite.	<b>Linda Thomas-Greenfield</b> Ambassador to the United Nations The Deputy Ambassador is the semite Jeffrey Prescott Greenbaum Jakes.	<b>Neera Tandon Edwards</b> Director of the Office of Management and Budget Neera is not Indian, she is a "bene israel jew". She is married to the semite Benjamin Edwards.
<b>Stephen Vanech</b> Director of the National Counterterrorism Center Stephen Vanech is a semite.	<b>Miguel Angel Cardona</b> Secretary of Education Miguel is a cryptojew. The Deputy Secretary of Education is the semite Cindy Marten.	<b>Eric Steven Lander</b> Director of the Office of Science and Tech Policy Eric Steven Lander is a semite.
<b>William Joseph Burns</b> Director of the Central Intelligence Agency The Deputy Director of the CIA is the semite David S. Cohen.	<b>Paul Miki Nakasone</b> Director of the National Security Agency Paul is married to a semite. The Deputy Director of the NSA is the semite Barry Jr.	<b>Isabel Casillas Guzman</b> Administrator of the Small Business Administration Guzman is a semite and one of many in cabinet who descends from the slave keeping mariano Jews.
<b>Denis McDonough</b> Secretary of Veteran Affairs Denis and Under Sec. of State Victoria Meyer Nudelman have more blood on their hands than anyone else in cabinet.	<b>Cecilia Moxley Rouse</b> Chair of the Council of Economic Advisors Rouse is not the real Chair of the Economic Advisors, the semite Jared Bernstein is.	<b>John "Kerry" Cohen</b> U.S. Special Presidential Envoy for Climate John Cohen is a semite, and the real boss of the figurehead Michael S. Regan.
<b>Alejandro Hirsch Mayorcas</b> Secretary of Homeland Security Hirsch Mayorcas is a semite, and so is his deputy Sherwood-Randall.	<b>Gary Gensler</b> Chair of the Security and Exchanges Commission Gary Gensler is a semite.	<b>Ron Klein</b> White House Secretary of Staff Ron Klein is a semite, and so is Tyler Joseph "TJ" Duscillo, the Press Secretary who tweets in "Joe" Biden's name.

*Is it fair to conclude that any journalists who avoid talking about the semite coup of America are liars and enemies of the people? Could it be that Hitler only tried to save his people from Jewish racists?*

Specifically how many families (all the older women – post menopause women throughout the female line) are in your State (or Nation or region) to remove, you ask? .. well, for whatever area size you are considering – how many on average of babies tortured to death per day there – is the number of families – and when done – you take another sample and repeat – until all those Witches are gone.

.. perhaps Russia has some rough living places – if still humane - farms and camps - way-away from population centers where they can keep them – not in unheated tents but perhaps cabins without electricity and the Witches have to organize using their inHuman howling cnt-vilenes between themselves to chop own wood for wood-stove and cooking fires, and such - you know, like that.
