Good Wednesday Morning,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 2192:

—

I have to confess I was torn a bit that I was able to login to Facebook this morning, had I not been then perhaps I was being released from my Service – that most or all souls positively effected through the local and Multiverse Paths had been significantly moved now and in the Multiverse Pasts and Futures, and I may be call by death to God, .. **Praise God!**

But I suspected again that I was Shifted into a significantly deranged Path of the Multiverse, considering the strange font of SubStack and other indications I was in a different Path then the day before in my sense-time-linked memory, and that Reality and all in Control needed a simple test that has happen at least twice and likely more times in the past when Facebook has terminated my ability to Journal these Realities in ways that seem to be Valued by significant Souls, and that such failure of the simple test of disRespect of Holy Human Dignity of me and all the souls throughout Multiverse and Eternities, and such evil does not deserve the Grace Level they were enjoying and so the entire Reality and Path(es) drop in Grace Priority so that while thousands of years of Days-of-Bread that this Reality might pass for one of their Day-of-Bread might be a way to reduce the Satanic Horror of Sin that the Redeemer(s) including Jesus Christ need Suffer by them (or that version of mMaster Me including the Female-Evil overflowing version of Me that baby-murder and mind-raping and other Talmud-Sickening Like activities seem reasonable.

And So such objection to the removal of my Service would be positively known to those whom objected actively – those with Power – are given a greater Value to those that Matter to souls.

—

These events are very good for those who want to know that leanings of the Satanic Witches in Power – remember in Hell levels of Jacob's Ladder the Female version is in Power, and Truth, Justice, Order, and all else of Holy positive Value are Sacrifice for more souls burning in hell and still wider deeper Jacob's Ladder Levels where they have Power over .. down till we Get to the insanity of Chaos and the Paradox of God Dead on His Cross .. so what those Satanic Witches want Censored in of value to us, and it would seem that anything Scientific the shows the Sickness and Evil of sexually mutilating and sterilizing Children is being suppress – the Talmud-Sickened and Satanically enslaved Jews Genocidal goals fit there desires and goal in this, clearly and likely part of their seeming Demonic-driven love to raped and torture babies and young children, in tunnels and throughout their networks of Trafficking.

—

Facebook was the first and most widespread version of Social Media that allows such features, and has spread in infinite pathways of the Multiverse and so such Journalism Feeds the Multiverse and gives other Souls – mMaster and their mMaster a way of Gauging differences between what is reported upward and what is really happening – so things like Witch driven Suicides and Violence and many other Sins may be Judge as well as those mMasters in their control.

That is a small part that has been derived from Holy Tent Memories and so integrated into my Model of the Holy, which is perhaps Significant through the Multiverse, especially compared and concatenated with other Multiverse Paths' versions of me. All pieced together where each of us are allowed small bits and pieces of Memories from the Holy Tent and higher Jacob's Ladder Levels.

I was only Slightly hopeful for the End, as my personal existence is Blessed, and in a sense I realize those outside immediate 3+ levels of Separation (Degrees-of-Freedom) is from different Holy Human Simulation Realities, likely much or all having already happened and repeating like a Program without Holy soul interactions, as test and related our Actions and InActions Judged through – to divide the Goats from the Sheep – those that saw Him hungry and fed Him, or in Prison and Visited, or Naked and Clothed Him, .. and those that did not.

Or those that Support or Actively Bombing their homes and killing their families – in some way the Gospel points to those that in a Just word their Deaths are clearly defense to us and all others. And as such it is reasonable for a Christian to kill them all unless and until they Repent, like with baby-murders and other clear evils that many can no longer gauge because they never has Rational abilities, as from crib raised that it is 'reasonable' for a mother to hire Witches to torture their babies-to-death, what is unreasonable (programmable by Jew and other Satanic powerful through media, education, gov, ..) – I can suggest should be openly discussed.

[Real, Practiced by Family] Orthodox Christianity, Baptism as infants, even Orthodox Islam protects us to such Satanic insanity from the Crib. Allowing Rationality over such issues. I would trust a Muslim's judgments over Sin before any baby-murdering-okay mind-broken 'Christian' of anyone else raised in a society and with a Demonic-Directed baby-murder[ing supporting] mother or others evil-Blinded, anyone not of Orthodox upbringing or Deep Conversion, and I suggest you do also.

—

Unrelated to some degrees is the world-wide mass murdering of Christian, in Africa in once French run areas, in Indian, and other locations, and if – perhaps through Satanic French Jews-Zionist Directed in Africa, or financial or other benefits in Hindi that a Jewish-Zionist link be looked into. It seems reasonable given how many Genocides of Christians Jews have done through history; some 10 millions in Holodomor, involvement and directing the Armenian Genocide, the Ukrainian-Russian HolodomorII now going on, WWI, WWII, French Revolution, CivilWar of the States, ..

.. and as with the 5.7 millions of never-lived undead Jews from Europe in WWII, the Jew screams you are killing him when he suddenly stabs you to death after raping-to-death your children and wife – with control of media and history through hundreds of years and their Private City of London British Empire and now the Federal Reserve, corpDragon, israeli GreatSatan Empire, once Knoticed.

Have you Knoticed Them and their Satanic Puppets yet?

—

Hopefully things you will Consider and meditate on.

*Saint Fulton Sheen, all Saints of the Day – **Pray for us!***

-

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

I have not linked him in a while .. more Warnings from within the Church of it's Satanic path to and for the Sickening of the Body of

Christ and death of souls She seems to desire since before Vatican II and the hiding of the 3rd Secrete of Fatima and the generally Soul-Sicked Satanic influenced Pope from then this this Horror we have now .. the warning are all in the Castrated 'new Catholic' way that would see someone being Murdered and say they should turn the other Cheek and forgive instead of lifting a finger to stop it – like in Gaza – God forgive me but is there a Leader of the Church that should not be Hanged if not Burned at the Stake in Public for such public Silence and Godlessness!

Or Kicked in the testicles until dead perhaps?, ..

Another very good short video by these guys – do you wonder why they are forced to move so often – landlords perhaps told they will be foreclosed on if not, or similar Talmud-Sicking-Jew or enslaved minion's slimy Female-Evil?

State Child-Sex trafficking Witches, when not destroying fatherhood they are completely destroying families – is there a Witch that is connected the 'family services' or the 'family courts' or overseeing State and Federal departments that it not Just to Burn to Death in Public along with all adults in their families (older then 25 that have not Repented and Converted)? - A good question to ask, as well as entire top 3 levels of Real Power in every major institutional throughout the West – and all that support them and their families?

If you support father-children separation – then Repent - because otherwise your screaming Public death is the next best thing along with all that raised you and shaped you and now support you – you F-ing evil horrors .. same with baby-murder – tied and laid out on highways as fathers who's children murdered do drive trucks over your legs and left to be eaten by wild critters or to starve, like so many in Gaza you Jew-Zionist Satanic Cock-Suckers approve of – perhaps., ..

Another from Prof. Sadler on '*The Metamorphosis*'!

Who know this story was this Rich.

I recall it was a weird story way back when I was a young man reading – perhaps these days I would consider it a statement of modern day male [and female?] puberty when all mothers' Sick Witch womanhood and media injected male-hate and self-loathing comes to Rotting Festering manifestation internally, and the struggles we go through without Church losing and falling into Jewish Satanic Enslavement till Hell – not likely something addressed by Leftie women-supremacist child-mutilating and likely baby-murder[ing] supporter Prof. Sadler.

I decided to include the audio-book version of this story, it follows., ..

Have you noticed that America's enemy is also God's enemy? The gay pride flag is the flag of devil worship, and that flag represents what is being forced on America as an official state religion, even to the point of its dogma being programmed into our kids in the government schools, and the flag itself sometimes flown proudly over the White House.

The same enemy force is also represented by the hammer and sickle; today it is very obviously the enemy of the workers supposedly represented by that flag, but it always has been, pretending to be their friend only to make it easy to stick the communist knife in their back.

And it's doing the same thing today, now with marxism being expanded into cultural marxism, and being the basis of most of what our government is doing, while being programmed into our school kids right allowing with devil worship.

So understand that these two flags combined represent the enemy force that is in control of your government, and is working tirelessly and ruthlessly to make that control absolute.

This is the true nature of America's internal enemy: it is a cult of devil worshippers, that uses marxism as a vehicle to destroy the Republic and replace it with a dictatorship. And if you remember the history of communism, with a hundred million dead and many times that number enslaved, and add in the pure evil of devil worship, you know what complete victory for that force will mean.

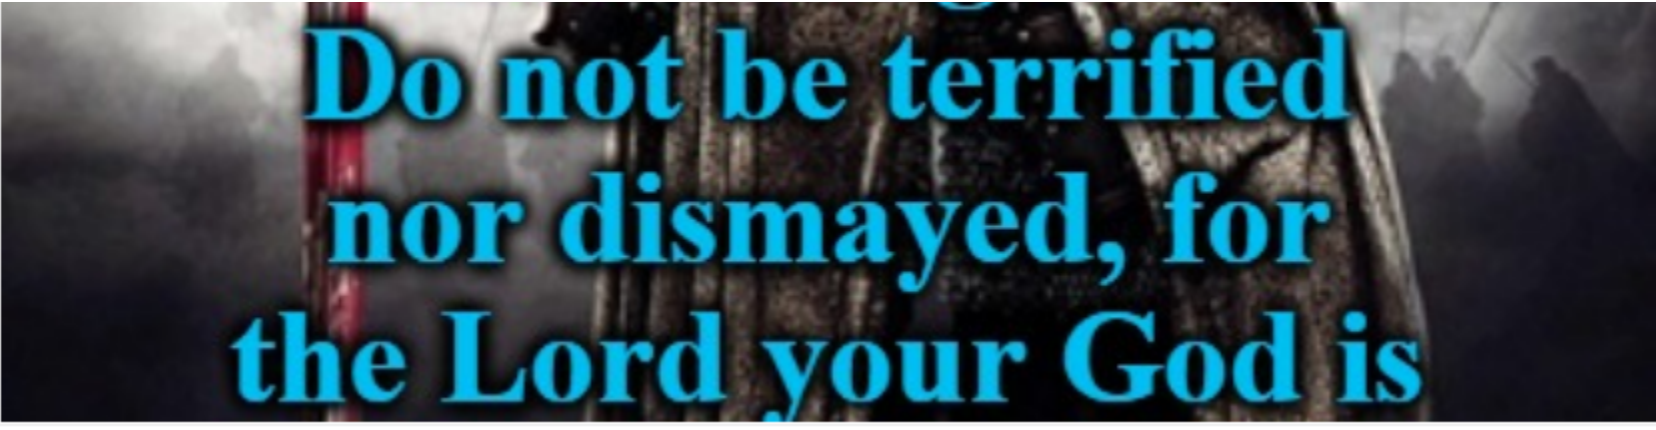

We have laid down and let this enemy take control of most of our government, schools, media, many big businesses, and massive herds of indoctrinated cattle. But it is not invincible; the good people of America still have the power to defeat this enemy and keep America free.

What we lack is the will. And leadership; we lack that too. But we have the power to save America; it is still within the body of patriots and Christians, that want to hold onto the things that made America a free country and good place to live.

Just understand that this enemy is and has always been a servant of what the Bible calls the god of this world, the enemy of our Creator. That demon is vastly powerful. So we can not defeat him and his servants without God's support. But with His support we can.

One of the most common commands given to us by God is not to be afraid, because He is stronger than the combined power of all of His creation. If we are controlled by fear we will lose, and probably won't even try. So get over that fear my friends, and stand in defense of your country.

Douglas Murray, director of the British “Free Speech” Union, is now the face of a Jewish organization's anti-free-speech initiative that openly aims to destroy the lives of White people who oppose their own genocide, and anyone who opposes Israeli war crimes.

They seek legislation that creates a “Hate Offenders List akin to the sex offenders list for those convicted of hate crimes” that would “streamline law enforcement efforts, impose travel restrictions, limit access to public spaces, and significantly impact job opportunities.”

Pastor James Hargrave, founder, and CEO of Greatest Love Ministries (GLM), has made a stunning and catastrophic prediction utilizing a newly discovered Biblical prophecy interpretation method. After years of studying and researching, Pastor Hargrave has concluded that Washington D.C. will be attacked and destroyed on July 4th, 2024. However, his prediction ends on a positive note by stating that Jesus will return for His people on August 19th, 2024.

The massive flood of illegal immigration is due to 94 executive actions by the Biden administration.

Until those executive actions are revoked, claims by Biden that he wants to address illegal immigration are a bold-faced lie.
