Good Sunday Morning,

May the Spirit of the Gospel and the Holy Word be
Always on our Tongues, in our Hearts, Minds, and in
our Hands.

Holy Virgin Mary and All Saints - Pray for us!

Index Number 1712:

[It is Sunday and my ride to Mass might require Editing to be Finished in Afternoon, check later for more completed version – God Willing.]

-

[Not allowed to Post on Facebook – for 25 [more] days.]

(I think I discovered why - see main posting of this)

In this morning's prayers and meditations I realized why the block on my Memory of Stealing the advance Stock Quotes to profit was released to me.

It has to do with the very clear fact that sending those Quotes Will Always produce Sin and Hell – since so many would be tempted by it .. and yes, in that version of one of those Memories I was poorly paid as will always happen in corpDragon situation when Immunity distances and divorced the owners from there Sins – but and it was always an excuse – that had I been successful in it, many versions of me would have continued – and followed in the Sins of those who set up the corpDragon(s) and a similar world like this would occur - the rapid trading 'arms race' and eventually the contrivance of the Housing Crash or something similar to divorce Fed Oversight into the REPO market and the pouring of money ('an extra' Trillion dollars a day last I saw it reported) directly into purchase of all things of value while destroying that form of value and so enSlaving world.

.. it would have been me doing it if I were first to manage it. Instead some other more Bent version of mMe, some other Aviator Form using and living through the mMaster's Code.

And Yes, some small number of Multiverse Paths actually moved up Jacob's Ladder – and I have memories of that – of world-wide .. basically Ascension .. or the Start of it – because nothing succeeds as well as Success, and as many of us know as we struggle to Serve God and His Will, that the Epiphany that is behind it will – if we careful – direct us every Closer to Him (and hopefully we can Help others)

So, Instead of Stock Quotes I should only sent other information .. like reported birth times and weights. My first consideration was Deaths, but then that would put a Burden on those who realize they could, or feel obligated to prevent them. God's Will be Done and like Jesus said to Him Holy Mother Mary, it is not yet my time when Holy Mary decided that Church Militant needed the Sacrament of Confession with Repentance, and prompted Him to Advance to the Next Level in the repeated Multiverse Travels they did together .. that as Jesus Knew – and we all should take Heart, that God's Will is Best, that if we all Not Sin we all will Find Salvation, and so when possible – leave it Alone.

And so reminds us that if we could send advance knowledge which might prompt Sin, best not too.

So only those of the many many Multiverse Paths connected would happen to realize that not only was the neuron 'Active' an spot the Morris Code or other pattern as Significant, but eventually note that within

the Noise of it lay overlapping messages .. Like if I walked up to you and Tapped the headline of a News Paper, you might note that there is a lot of information besides the huge headline I was tapping.

The Key is to provide information to those far enough behind that not only they would believe, but anyone may verify – and births of babies would be much better.

And this Realization gives me a good idea why I was blocked on Facebook .. those who are willing to torture babies to death and enslave souls in Hell to get an advantage, and who's depravity once Greed and other Sins were withing their power – raping to death infants and worse – would turn to .. have turned to debasement, and active soul destruction of those under there Secular power and Control to 'Get Off', ..

.. like the serial murdering mother who actively has sex with men – hating them because she is not one and other reasons – then murdering the baby (maybe not even tell him or anyone) .. that the Witches Profit from so much – and the clear Goal of them towards Western Womanhood in general – us 'souless goys' and when possible non-family jews.

I am using the lower case 'jews' to differentiate from the Catholics who are the Real religious Jews, and the ethnic Jews and other groups who's active goals are not the anti-Logos torturing and murdering Christ daily for Satanic fun and Profit. There minions are those in Power including family members, people in any significant power like the Venture Capital Golden-Calf Satan worshipers – who are still only Pawns of the Witches – often the older women in there families as

with much of womanhood we clearly see that mother sending us to Hell because they want to not be addressed on there Sins from there children – while destroying and removing the Husbands, fathers, brothers, uncles .. who have might other wise see the Harm they do to themselves and everyone else in there Lusting Murdering Lying .. Vagina-god Satan Worship and Following.

.. if you are male and hit Puberty and your mother of anyone responsible for you has not at least put you in contact with men who would convey such warnings about women in general – then it likely you would have been 'better off' – along with everyone she interacts with and has power over – if she died on the delivery bed, to be Cold and Analytical about it .. at least on her last child birth .. and it is unfortunately becoming Clear that if God Sent a Real Pandemic that killed [most] women at menopause (and those happening to be post at the time.

I say this with confidence that in general terms that such can be Argued. Well Argued.

God Demands Love and Not Death – and God Loves us all infinitely and each our su Better then all the world's souls (which I argued in my writing before about how my Model of the Holy clearly shows this, along with many many other Religious and Science and related Mysteries.)

.. so besides the Awareness Slap with which I hope to help Wake some more up – to realize, perhaps in the Clarity of the Fact that most older women are at best a drag and push towards Evil with there male-hating

super-powered retarded Demonic Possession who have been Hyper-empowered by those same Satanic directed Witches to spread lies, inJustice, disOrder, suffering, death and Hell.

And those of us who have lived long enough and can look back at even womanhood who were accepting or even promoting the abandoning of the benefactors men who went to fight a war that was designed to Cull them and the best of them – to be fine with the few not completely gone to be homeless and dying on the street, because Birth Control and the access to Abortion had Murdered there Souls – men and children (though Welfare Checks, and such) were at best sexual playthings and like today – if you had nothing a women wanted then many would sell your soul to Hell for a dollar and laugh, and if you were in the way – like we see in employment situations where direct competition with men occur – well those that get to Power – many over the Horrors and Sins the families and destroyed fathers and young men – well the more power you have the likeliness of your vileness and evil, and only those placed there because the Witches wanted incompetence would likely be the ones it not Just they and all the older women in there family .. Gone (from power over others and likely themselves, festering Poison Vomit sliming around – invisible Poison Snakes like way to many of those Things around us.)

Womanhood do not even Pretend to care about the Wars they are voting For (by allowing no option) and the men dying of drugs, babies-murdered, families destroyed, children clearly being Sacrificed in depraved

mutilation of body, mind, and soul .. like too many did not care to look closer at the Tight Black Community destruction those jews did to 'work-out' how best to destroy all Western Liberal [Christian] Virtue Based society and replace us with others who they will also destroy at there will and in there Depravity.

Ernie thought killing and skinning Kermit would have fulfilled something within him, but even after wearing the still-bloody pelt as a suit, he just didn't feel the same rush he used to from depravity. Not even the sight of Bert in drag seemed to cheer him up.

And in this Should be a Clear indication of Demonic Oppression and for too many Possession.

The very fact that many refuse to even consider this clear evil and the over time Contrived and Promoted push for worse and more .. how can you pretend your Mind is You Own?!

Is it Pride that since you hold 'True' that .. Masks protect you from scary disease that is similar to Flu yet not bad for children .. that you are so Puffed-up with your screeching-evils related that you failed to notice that the women and there adult children have become Alien-Like – and they about You? That you and they are

not only needlessly and gratuitously torturing to death our children and peoples of our Nation and world on Whims and carelessness of expressions of Satanic Power .. and what else?!

What level of depravity and insanity would you say .. okay, this is too far – clearly those in Power are allowing or promoting that evil, and it is clearly evil because all the Red Herring explanations do not fit – What – Greed? Money in general – like Tax policy – has long been and enSlavement and control device – and those in The Private City of London and related 'Clubs' have unlimited when it serves Evil and are Captured by the very threat of loosing such, along with there children and likely those people enslaved and captured with black-mail or addicted to vices that they know are only possible by the torture-to-death of others, children and unsuspecting young men and sometimes women that end in Hospitals or other places they control completely.

—

So, what is 'The Line' for you, are for the old-you has that been long past, and new ones Whispered in your mind by the Demonic mothers voice, and media's Satanic Drowning and pushing of evil, or co-workers and other with Female-Evil power over you – the very Threat that you could [Justly] suffer the same fates as those men or boys or children or women that you helped destroy or murder, along with all who loved them and depended on them? And would never say anything against such practices or support the ending of the ability because you would be destroyed and ..

like our vile vomit-souled mothers and older women in our families – they do not want to loose the Sins they area allowed by warping and destroying our minds and- or that they can not look at the suicided sons and homeless destroyed other children with the Realization that They bare the responsibility – that because they destroyed the relationship with father – if not him completely in their Grasping Howling Evil – that the old standard of saying it was the father's fault is gone.

Look at that! Women have always had disproportional power in society and we pretended (at first) not to notice – giving the older sad women and false excuses that allowed them to go to grave more comfortably, but now it has changed so we warped from crib – evil-Blinded not only to their relatively 'small' soul and children destroying Sins .. that we are unable to See Satan Standing in the Center of the World – Her and Her Evil Arms in form of corpDragons controlling and destroying entire Nations – and like her (our feted-soul lying vile mothers, aunts, sisters, grandmothers, .. female professionals,..) She is pretending that it is those Puppet Nations that are to blame, and when needed – less and less as Her power grown – She does 'the Shell Game' at every level .. do like your leaders – well then you Vote them gone and pick from those other two presented .. that will work! Has it?

—

What do you think?

Do you need a reminder about something you already know yet your Demon has pushed away because it points to the Hidden Power of some around us, and

when you see it again you will quickly dismiss it and not look around you and wonder why you always ignore the clearly obvious?

Still remember it? Or ..

.. That demon-voice in mind, when not Screeching like some Crack-Head grammy-in-law who torments you at times, but most often – like Big-Tech – slowly warping you thoughts .. you do not want to say That! Say something else instead because someone might get you fired or you will loose you ability to use, or maybe

like you have seen – loose your banking and those friends and neighbors might Hate you, use the Witch-Whisper-Web of lies and mischaracterizations (that you so often knowing did to others?)

—

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

—

—

Okay, I will have to leave the rest (relatively) uncommitted on because of time issues. I hope they are worth-while for you to partake of. What a Blessing even these Satanically Controlled Systems such as YouTube are – Imagine if they not altered to be Mind-F-ing Satanic Evil pushing Brain-Retardation and support of evil .. like Google, Wikipedia, Twitter, Facebook, ..!

Like the information of communication between Multiverses, Imagine what that Truth could and would do for us all, society,. and the world .. Do you think our Popes and others know this, and are refusing to communicate it – or all the Religious Leaderships .. do you think if some other Information showed that some aspects of there Religion they use for Power and enSlavement was different – or they retardly did not understand how it Verified it, because like most women who often can not see beyond their Vagina to the Greater Truths and Wonders?

And Imagine the soul of an adult who was not crippled

and warped by mother and society – 'Bricked and left crippled' – for the immediate Pocket Change and .. eventually by the Demonic Controlled – for the pleasure of watching Our Sufferings.
