I have a relative drop in expectantly and is visiting, which Charity requires I make due – of course.

But these visits destroy my prayer & meditation - and all the Reflection Aspects, so .. I luckily had laid-out a good number of videos to review and likely would [have] comment on given a longer Day-of-Bread and less other requirements on my time and attention – or leave as worth-while to watch if you have time and like to Synchronize somewhat from what information sources that effect some of my considerations.

—

May this be a Blessing to you and us all. [And all our Futures,

and future Multiverse Past.]

—
—

My Understanding is that BECAUSE ..

.. you Believe that your Sins are Unforgivable (are Too Large for God to Forgive in His infinite Mercy) so Do Not Ask because you lack Faith [enough to even ask God], and so they go UnForgiven.

It is that simple.

I do not understand those who make it more complicated.

If you do not Ask – your Faith is so tiny and understanding of God's Love and Mercy so limited – they go unforgiven then.

Usury concentrates wealth into fewer and fewer hands. And so a group like the Jews, that is always a small minority, will be interested in strategies that will concentrate wealth. They've also had centuries of experience in dealing with it, from small time stuff, to big time stuff. So they would naturally gravitate towards this, they have become experts in using these covert means of taking over the culture. Using finance in a predatory way, that is covert - and so most people don't see them as being involved.

Every day on your way to work, you have to walk across a railway overpass. Is it your obligation to eat enough to obtain trolley-stopping weight, in case a trolley problem one day occurs?

ABORTION IS HEALTHCARE.

KIDNAPPING IS DAYCARE.
