Good Sunday Morning,
May the Spirit of the Gospel and the Holy Word be Always in our
Minds, on our Tongues, and in our Hearts.
All Saints, Pray for us!

.

.

A short note for this morning.

.

During prayers one of my considerations was related to the concept
of Plato's Cave Allegory, ..
https://en.wikipedia.org/wiki/Allegory_of_the_cave
Archived: <https://archive.ph/WtXRa>

.

.. in relation to our Realities and the deConstruction, Attenuation, and
Derivations of those in Purgatory and the Redeemers' soul as they
Host us, that in a sense we could be thought of as each of us a single
Shadow of those Hosting, and if you recall in the Book of Apocalypse,
the Son of God sits in the Center of 7 Lamps – the Power of God or
Such is the description, and I have argued that these must be
Balanced for out-of-balance leads to Deadly Sins.

.

These Lamps as the Light Source for us – the Shadows Projected Here.

.

I have argued that the 4 Holy Beasts are the Natures of Man, and that
the 24 Kings can be divided up into two Loops of 12, with – in the
Profane Being Shaped into Holy – at the Center would Sit the Prince,
Priest, or Prophet corresponding to the Trinity; Father, Son, Holy
Ghost.

.

.. the Two Loops of Kings – would be the other two 'coupling' off the
Center, as one might have an electrical power coil in the middle with
coils on the outside to Transform the form of the power, and transfer
or spread to different isolated routes.
All Three Powering our Reality.
And in many of my analogies I connect Electrical with Grace (Holy
Attention, CPU Priority, ..)

.

.

.

I must suggest that the discussion below with Lex got me thinking
about Plato .. as one of the other two in a passing statement
disparages Plato (!) as both also do Descartes and others - all who
have helped Shaped Philosophy, Enlightened Thinking .. (and for me
at least) Theology.
.. The entire discussion is good - but what foolishness learned men
will sometimes say and think!?

.

.

May this be a Blessing on you, and us all.

.

.

.

.

.

Here is what I put together yesterday after last post – unedited. So
might be a little too Hyperbolic and rough.

.

.

.

.

.

Wow – great discussion and format!
Not only the information, but listen and watch them take turns and
argue with respect and time for details and evaluation between them
– between all 3.

.. Sadly - I would rather have God sends a Real pandemic that kills all

Sacrifice .. before the digital ID, or Tomorrow if the baby-murdering will not stop, and perhaps other Grave unTrue, disOrdering, unJust aspects.

.

God Demands Love, and not Death, but ..

.

.. it's hard not to think of it Justice as being Loving, and to the limited me that seems a lot like piles of corpses on the sides of roads of those vile older vicious cnts that have testicle-kicking and baby-murdering and family, fatherhood, childhood destroying and twisting generations of females into Horrors like themselves that nearly any dispassionate cold logical view would suggest they death at or even before menopause would have been a huge relief on nearly everyone they influence and have to Suffer their Satanic Evil.

.

I have NO Problem between a Loving God and with God's Flood. Not these days Seeing the unreasoned and seemingly unstoppable Horror that exists when Female-Evil is Empowered, when Motherhood is so vile and twisted .. to choice murder of babies, to lie and hobble and crush.

.

How many would not be Classes as Human by an AI that used the Standards that males are [or used to be] judges, and judge themselves – and how brain-F-ed and evil-Blinding did most womanhood and Satan have to collude to produce this situation where most can not even See the problems – a giant psychological Warping of all our souls?

.

.. That Warping is Proof enough to Scream Satan! Witch-Spells! Evil! Demonic Oppression and Possessing, .. to anyone even slightly Clear thinking.

Tighten those VagFeelie-Belts!

He has another video worth the minute or two to back-up my General Model about Satan Walking the Earth in many Forms – mostly in the mutilated souls of the older women of Power and their warped and twisted families' souls.

.

Anti-Merit, Western [white] [Christian] [male] Genocide Vagina-god Satan Following and Sin Captured Elites [Greed – Tax noose-holes, Pedophilia, Medical – Blood, Organs, tortured to death brain-drug addicted, ...] are all on the same page – you, me, and all we could or do love murdered before born, suffering and tormented, Abused, twisted from birth, poisoned, .. .

.. if we had a System where some Just and Merciful measure of inJustice, unTruth, disOrder would result in the [automatic] removal of those Horrors in [Real] Power and all the older women in their families – God's Kingdom would be Arriving.

.

Would that not be a good Stepping Stone towards the world Mankind has Dreamed about since the creation of societies greater then Hunter-Gather Tribes, and likely earlier?
