Good Wednesday Morning, Easter Wednesday,

May the Spirit of the Gospel and the Holy Word be Always on our Tongues, in our Hearts, Minds, and in our Hands.

Holy Virgin Mary and All Saints - Pray for us!

—
—

Index Number 1862:

—

This morning's prayers and meditations I make the connections between the not-visible Wounds accumulated with my Sins, the Cleaved Face injury was where I was a Servant in the Holy Mansion and when I Gravely Sin am Cleaved by a Sword (Saint Micheal, Pray for us!) and find myself standing in the not quite Outer Darkness, but standing our side The Gates looking back, with Darkness .. Coming.

How about you and those Wounds that some part of you Know exist?

Can you See them? You Feel them – can you See them .. Yet?

(Better Here and Now when God's Mercy and Charity is Endless!)

—

This morning I have added at least one more video – even though being Things 'far-removed' and often used by those that control it to

inject Sin and Evil, such might be used to Server Holy Ghost in Transforming such Sin, Evil, Death, Horrors with Holy Clarity – reflecting our Sins and so Holy Virgin Mother Mary, Pray for us .. and Help us face and See those Holy Septic Wounds our Sins have Drawn from us – Holy Clarity, Discernment, Formation, Theology, and practical application within this Profane Existence within this Day-of-Bread.

—

Repent. Seek and Return to God.

—

May this be a Blessing to you and us all. [And all our Futures, and future Multiverse Pasts.]

Long time readers and followers – remember [Spetsnaz](#) ?

Another good one!

The Female-Evil Poisonous entire society destroys young men without Mercy, a mistake at 16 that might not even be that bad, or that was unjustly interpreted (never mind the endless lies) and they follow.

One can argue the Justice of the the death or Goneness of all Mercilessness - those who practice such Witch-Whisper-Web and those that own and control such Institutions that freely use those. [Most] All older women – post menopause – would be a good place to start, if God Wanted to send a Real pandemic that kills at menopause – and those past,of course. Especially those mostly inHuman howling Septic vile poisoning horrors.

An alternative would be a universally accessible single Public world-wide DataBase system – that includes all organizations and institutions – with cross-references with people connected to those, and the individuals. Whisper something untrue and not on Record – get a Record and be know as the kind of vile vicious lying F-ing cnt that a person who no one want around as the Female-Evil slimy mind-raping vicious horror that they are., ..

More Thinking-Ape musing to consider.

Most people you hear from are from Elite-Class and-or saying what the Witches want you to hear and believe.

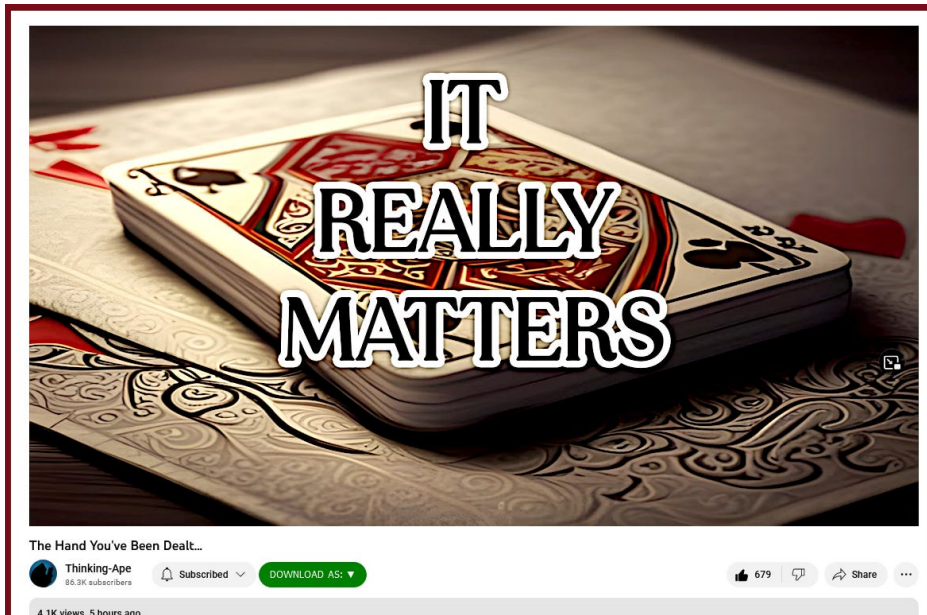

Mind-Raping shit - the implications that those in power and visibility you are to believe is that they got there because of Merit, hard-work, Boot-Strapped themselves up - and not because they are lying back-stabbing Satanic Strap-on Suckers and older women in families are screeching vile baby-torture soul-murdering Sacrificing Witches and life-sucking Satanic horrors, and those connected to them – the better off they are in a world where Satan punished virtue and goodness – the more putrid vile horrors they and family are., ..

Glenn wonders if those Witch-Evil Conjured Dollars for Horror, Sin, Death, Genocide, excuse to enslave and crush all Virtue and Goodness .. if such pouring into all those Zombie-Banks and other methods and corpDragons to Raise and Lower that Boot that forever kicking of faces and crushing our testicles .. he wonders that perhaps something other the More Sin, Death, Hell, and Horrors of more real and unDead Haunting us and our Futures, Poisoning us all, if .. Something else could be done with it.

Do you wonder similar?

Or are your a Sick putrid grasping cnt who take-take-take and laugh at the idea of anyone but you and your Witch mothers' advancement, and asking who else you need to Kill or Punish to

keep the Sin-Death-Hell Putrid Witch money coming, how many more of our babies do you need to pay Witches to torture-to-death and decent men, women, children need to be mutilated and tortured – and you will Vote for those who push those Vagina-god Satan Goals and more War, Death, Lies, inJustice, ..?

And of course arguing to allow more open mind-raping by active interfering – as they were doing through Big-Tech - as Twitter Files displayed, and all sub-contractors of 9-11 Surveillance 'business partners' of the functionally [legal] NationHood corpDragon which are already given Satanic version of legal PersonHood and 'human rights', while Legal Immunity protect the Witches from the responsibility or exposure about those Satanic Actions – those in Gov want to make it Legal to destroy our Freedom-to-Hear.

The 'on-line' interface [only] is a way to ignore and systematically target those of us on those secrete abuse lists – the versions of those 'No-Fly' lists that exists and used against not only conservatives but all who have ever opposed the Satanic Narrative or their goals, or .. or got on the wrong side of some cnt, some vile vicious putrid women who is connected to a local Witch, all those lists interconnected up through those international corpDragons 'business-partners'.

.. .. Endless serfdom and mindless hyper-focused struggling for every pay-check with starvation homelessness sickness and death and burden on others – dragging them down is how the Golden-Calf Satanic Witches that Direct 'their' Soul-less Goys and non-family Sacrificed to Satan – another form of population control. If they can not have your Sickened Mother to hire Witches to torture us to death then they want us endlessly self-loathing self-hating suffering and confused while they jump up-down on our gonads and murdering and torturing us and all we love.

Of Course. They would have us crawling in howling-pain every waking moment to those mindless useless labors that genocide us and relief only in getting so drugged we can not think straight so those Demonic-Howling Witch-Voices of our mothers and others can be ignored – or other Sins - Sin as only relief and then Death with Burning in Hell as our Wages of a Life with Satan as our Master, Enslaved to Sin as most our mothers help arrange and the Witches in Education, Gov, Institutions, .. onward through every interconnection with Secular Vagina-god Satan's and even those Church-connected Agents' pushed Sins and away from and punishing virtue or any signs of virtue Forming.

All too Their Witch Cackles – those same they did while you confused as they used Witch-Whisper-Web to turn co-working and others against you, that corpDragon international version to make every action you take connect to them and their Administrative States and other institutions a form of Abuse and confusion. The Same as you heard all your life behind all those 'sit-coms' and other Media, in the distance hallways in Hospitals, in Schools, in every part of our lives where institutions have been filled with Septic Howling vile cnts and Horrors – destroying and driving away all decent men (and the rare woman that struggled away from the clear focused destruction and poisoning of their souls.)

The Howling-evilness of Golden-Calf [venture capitalist] Satanists' Federal Gov and corpDragon Administrative State Directed GreatSatan can be understood better for even slimy vile retarded hyper-empowering vicious baby-murdering F-ing Septic Western womanhood as Peace follows the Vomit-Filled Reflection to Their Murderous Female-Evil Stinking Souls is forced to withdraw from Power over this Hell-Hole they have shaped and actively pushed. Note that those Golden-Calf Satanists who control Banking and Investment still refuse to call for a world-wide Debt Jubilee and erasing and removal of Derivative and other similar Markets as a

Reset and .. and then allowing Auditing of the newer Dollar version – a World-Wide Standard that is defined by actual Productivity in Life-Improving manufacturing and Services.

All 'Off-shore' resources are turned over for redistribution towards a world-wide interconnected National Service system .. a system I have outlined – each person spends 4 years required service (2 2-year) National Service Conscription – 2nd term is optional international exchange. Sex Segregated and equal status to all. another Term would be needed to receive full vested Citizenship .. only those who have Served may be given opportunities for positions of power over others, to vote, to have full access to above base level of options.

About the new Dollar - the first 3 Years of estimated National amounts Credited to each nation. Clearing away National Debts, and we all watch what those powerful families do with this reset. A Machete hanging above all the Adult female in those families – especially older women.

.. but does that THAT make too much sense?

Someplace like .. the Vatican – if it was not Poisoned by Satan's Hand – would be a good central location to have an international Debate system – universal world-wide access with .. ideally – Bishops Tagging [with assistance from other Orthodox Abrahamic Clerics-Rabbis in regions of significance] those suggestions and arguments they feel should be elevated – but no Censoring – all posts remain with public voting and options for searches and sorting to extended degrees .. existing system might be expanded to support this once the evil slimy Witches are removed or held responsible with the removal of Immunity of owners and executive and significant management – the heads of all the older women in their family at risk.

FBI Documents 'Extremist' Internet Slang

The FBI has been spending time on 4chan (not posing as 15-year-old girls like they usually do), attempting to codify language of "violent extremism," delving deep into the world of autism to mine the finest memes.

Thus they discovered the world of the incel, who seek to woo femanons by looksmaxxing, become more based and red-pilled, and finally become a gigachad. If none of that makes sense, then don't worry; it seems the FBI wasn't all that sure either, identifying "chad" as a racially-charged term, incels as potential school shooters, and, bizarrely, that larping (live-action roleplaying) as used for people who are big thinkers, and not people just pretending to be retarded. Presumably, the agents larping as anons, got distracted by terrible YLYL threads on /b/, before going on /g/ to ask, "Who is this hacker known as 4chan?"

Now let's wait for the report on Reddit, where they determine that it's cringe and blue-pilled... what did we just write?

At the core of liberalism is the spoiled child - miserable, as all spoiled children are, unsatisfied, demanding, ill-disciplined, despotic and useless. Liberalism is a philosophy of sniveling brats.

Throw away all your Teflon. It's poison.

Even BPA-free plastic containers put plastic in your food and water, albeit I'm not going to pretend to understand the health implications of consuming BPA-free plastic.

Fun fact, they were testing for it incorrectly for decades and the method they used to determine safety was severely flawed. We've been ingesting a feminizing chemical for decades at retardedly unsafe levels.

I started telling people about this after I read this article in 2020. Nobody really listened.
